1 To amend Chapter 2 of Title 25 of the Official Code of Georgia Annotated, relating to
2 regulation of fire and other hazards to persons and property generally, so as to provide that

16 been violated and describing specifically where and how the design or construction is
17 noncompliant with such codes or standards.

18 (b) If the state fire marshal, the proper local fire marshal, state inspector, or designated
19 code official determines that the building construction or plans for any building or

21 standards, do not comply with any such applicable codes or standards, the state fire
22 marshal, the proper local fire marshal, state inspector, or designated code official may deny
23 a permit or request for a certificate of occupancy or certificate of completion, as
