22 secondary education, is amended by revising Article 15, which is reserved, to read as  
23 follows:

24 "ARTICLE 15

25 20-2-660.

26 This article shall be known and may be cited as the 'Student Data Privacy, Accessibility,  
27 and Transparency Act.'

28 20-2-661.

29 (a) The General Assembly acknowledges that student data is a vital resource for parents,  
30 teachers, and school staff, and it is the intent of the General Assembly to ensure that  
31 student data is safeguarded and that students' and parents' privacy is honored, respected,  
32 and protected.

33 (b) The General Assembly finds that:

34 (1) Student data allows parents and students to make more informed choices about  
35 educational programs and to better gauge a student's educational progress and needs;

36 (2) Teachers and school staff utilize student data in planning responsive education  
37 programs and services, scheduling students into appropriate classes, and completing  
38 reports for educational agencies;

39 (3) Student information is critical in helping educators assist students in successfully  
40 graduating from high school and preparing to enter the workforce or postsecondary  
41 education;

42 (4) In emergencies, certain information should be readily available to school officials and  
43 emergency personnel to assist students and their families;

44 (5) A limited amount of this information makes up a student's permanent record or  
45 transcript; and

389 services covered under this Code section.

390 (j) This Code section shall not be construed to impose a duty upon a provider of an
