(5) To exercise the powers conferred upon a "public corporation" or a "public authority" by Article IX, Section III, Paragraph I of the Constitution of Georgia, such authority being expressly declared to be a "public corporation" or a "public authority" within the meaning of such provision of the Constitution of Georgia;

(6) To acquire property and projects in its own name by gift or by purchase on such terms and conditions and in such manner as it may deem proper. If the authority shall deem it expedient to construct any project on real property or any interest therein or usufruct which is subject to the control of the county, the county is authorized to convey such real property or interest therein to the authority for no consideration or for such consideration as may be agreed upon by the authority and the county, taking into consideration the public benefit to be derived from such conveyance. The county may transfer such property or interest therein without the necessity of putting the same out for bid and without regard to any determination as to whether or not such property or interest therein is in surplus;

(7) To accept gifts and bequests for its corporate purposes;

(10) To lease, sell, transfer, or otherwise dispose of any property, real or personal, or assets of the authority, or to assign its rights under its contracts, lease agreements, or installment sale agreements or its right to receive payments thereunder, either directly or through trusts or custodial arrangements whereby interests are created in such contracts, lease agreements, or installment sale agreements or the payments to be received thereunder through the issuance of trust certificates, certificates of participation, custodial receipts, or other similar instruments. In connection with any such sale, lease, transfer or assignment, the authority need not comply with any other provision of law requiring public bidding or any announcement to the public of the sale of such property, assets, or rights;

(13) To enter into:

SECTION 5.

Members of the authority; terms of office.

The authority shall consist of five members who shall be appointed by the Board of Commissioners of Catoosa County. Three members shall be members of the board of commissioners, for terms to be concurrent with their terms of office as members of the board of commissioners. Two members shall be residents of the county for terms of four years and until their successors are appointed and qualified. Immediately after such appointments, the members of the authority shall enter upon their duties. To be eligible for appointment as a member of the authority, a person shall be at least 21 years of age and shall have been a resident of Catoosa County, Georgia, for at least two years prior to the date of his or her appointment and shall not have been convicted of a felony. Any member of the authority may be selected and appointed to succeed himself or herself. A citizen member may be removed from office by the board of commissioners for failure to perform the appropriate duties of membership. A majority of the members of the authority shall constitute a quorum, and no vacancy on the authority shall impair the right of the quorum to exercise all the rights and perform all the duties of the authority and, in every instance, a majority vote of a quorum shall authorize any legal act of the authority, including all things necessary to authorize and issue revenue bonds. The board of commissioners shall elect one of their board members who also serves on the authority as chairperson of the authority. The board shall appoint a secretary and treasurer of the authority, who need not be members of the authority. The authority may elect a vice chairperson or any number of assistant secretaries or treasurers as it may from time to time deem necessary or desirable. The members of the authority shall not be entitled to compensation for their services but shall be entitled to and shall be reimbursed for the actual expenses necessarily incurred in the performance of their duties. The authority shall make rules and regulations for its own governance and it shall have perpetual existence. Any change in name or composition of the authority shall in no way
affect the vested rights of any person under the provisions of this Act or impair the
obligations of any contracts existing under this Act.

SECTION 6.

Issuance and sale of revenue bonds.

The authority shall have power and is authorized from time to time to provide for the
issuance and sale of negotiable revenue bonds in the manner provided by the Revenue Bond
Law, for the purpose of paying all or any part of the cost of any one or more projects,
including the cost of constructing, reconstructing, equipping, extending, adding to, or
improving any such project, or for the purpose of refunding, as herein provided, any such
bonds of the authority or any other authority or public body previously issued to finance or
refinance the cost of a project. The resolution of the authority authorizing the issuance of
such revenue bonds must be approved by at least four board members of the authority. The
principal of and interest on such revenue bonds shall be a limited obligation of the authority
payable solely from the source or sources of funds specified in the indenture or resolution
of the authority authorizing the issuance of such revenue bonds. The revenue bonds of each
issue shall be issued and validated under and in accordance with the provisions of the
Revenue Bond Law. Such revenue bonds shall mature on such dates, bear interest at such
rate or rates, whether fixed or variable, be subject to redemption and have such other terms
as the authority may provide in the indenture or resolution relating thereto. Such revenue
bonds shall not be subject to any provision of Georgia law limiting the rate of interest
payable thereon and may be sold in a negotiated sale or in a public sale as the authority may
determine.
SECTION 7.

Power to incur loans or issue notes.

The authority shall also have the power to incur indebtedness from time to time for the purpose of financing or refinancing any project or refunding any obligations previously issued for such purpose, or for any other purpose, whether in the form of a loan or through the issuance of notes, and the principal of and interest on such notes or loans shall be a limited obligation of the authority payable solely from the source or sources of funds specified in the resolution or trust indenture of the authority authorizing such loan or the issuance of such notes. Any such loan or notes shall not be required to be validated as a condition to the issuance thereof and shall have such terms as may be specified by the authority in the resolution or indenture authorizing the same.

SECTION 8.

Negotiable instruments; bonds and other obligations exempt from taxation.

All revenue bonds issued under the provisions of this Act shall have all the qualities and incidents of negotiable instruments under the negotiable instruments law of this state. All such bonds, and any loan incurred or note issued as provided in this Act, are declared to be issued or incurred for an essential public and governmental purpose, and such obligations and the interest thereon shall be exempt from all taxation within this state.

SECTION 9.

Revenue bonds or notes not a debt or general obligation.

Revenue bonds or notes issued under the provisions of this Act or any loan incurred as authorized herein shall not constitute a debt or a pledge of the faith and credit of the State of
Georgia or of any political subdivision or municipal corporation thereof, including the county, but shall be payable solely from the sources as may be designated in the resolution or indenture of the authority authorizing the issuance of the same. The issuance of such obligations shall not directly, indirectly, or contingently obligate the State of Georgia or any political subdivision or municipal corporation thereof, including the county, to levy or to pledge any form of taxation for the payment thereof. No holder of any bond or receiver or trustee in connection therewith shall have the right to enforce the payment thereof against any property of the State of Georgia or any political subdivision or municipal corporation thereof, including the county, nor shall any such bond constitute a charge, lien, or encumbrance, legal or equitable, upon any such property. All such obligations shall contain on their face a recital setting forth substantially the foregoing provisions of this section. Nothing in this section shall be construed to prohibit the State of Georgia or any political subdivision, municipal corporation or agency thereof, including the county, from obligating itself to pay the amounts required under any contract entered into with the authority pursuant to Article IX of the Constitution of the State of Georgia, or any successor provision, including from funds received from taxes to be levied and collected for that purpose to the extent necessary to pay the obligations contractually incurred with the authority, and from any other source.

SECTION 10.

Issuance of bonds or obligations under trust indentures or resolutions.

In the discretion of the authority, any issue of such revenue bonds, notes, or other obligations may be secured by a trust indenture by and between the authority and a trustee, which may be any trust company or bank having the powers of a trust company within or outside of the State of Georgia. Such trust indenture may pledge or assign fees, tolls, rents, revenues, and earnings to be received by the authority, including the proceeds derived from the financing,
sale, or lease, from time to time, of any project. Either the resolution providing for the
issuance of revenue bonds or other obligations or such trust indenture may contain such
provisions for protecting and enforcing the rights and remedies of the owners of such bonds
or obligations as may be reasonable and proper and not in violation of law, including
covenants setting forth the duties of the authority or any lessee or purchaser in relation to the
acquisition and construction of any project, the maintenance, operation, repair, and issuance
of any project, and the custody, safeguarding, and application of all moneys, including the
proceeds derived from the sale or lease of any project or from the sale of any such bonds,
notes, or other obligations and may also contain provisions concerning the conditions, if any,
upon which additional bonds notes or other obligations may be issued, whether on a parity
with, or subordinate to any other obligations issued by the authority. Such trust indenture
or resolution may set forth the rights and remedies of the owners of such obligations and of
the trustee. In addition to the foregoing, such trust indenture or resolution may contain such
other provisions as the authority may deem reasonable and proper for the security of the
owners of such bonds or other obligations or otherwise necessary or convenient in
connection with the issuance of such obligations. All expenses incurred in carrying out such
trust indenture or resolution may be treated as a part of the cost of maintenance, operation,
and repair of the project affected by such trust indenture or resolution.

SECTION 11.

Security for the payment of bonds or other obligations.

The authority may assign or pledge any property or revenues to the payment of the principal
and interest on revenue bonds of the authority as the resolution authorizing the issuance of
the bonds or the trust indenture may provide. The use and disposition of such property or
revenues assigned to the payment of bonds or other obligations shall be subject to the trust
indenture or resolution authorizing the issuance of such revenue bonds or obligations. Any
lien created by the authority for the payment of such bonds or obligations may be a first lien or a subordinate lien as the authority may provide, and any such trust indenture or resolution may provide, at the option of the authority, for the issuance of additional bonds or other obligations sharing any lien on a parity or subordinate lien basis.

SECTION 12.

Refunding bonds or obligations.

The authority is authorized to provide by resolution for the issuance of obligations, whether revenue bonds, notes, or other obligations, for the purpose of refunding any revenue bonds or other obligations issued under the provisions of this Act or under any other provision of Georgia law so long as such bonds or other obligations were issued for a purpose or project for which the authority could issue bonds. The issuance of such refunding bonds or other obligations and all the details thereof, the rights of the holders thereof, and the duties of the authority with respect to the same shall be governed by the foregoing provisions of this Act insofar as the same may be applicable.

SECTION 13.

Principal office; venue.

The principal office of the authority shall be in the county, and the venue of any action against it shall be in Catoosa County, Georgia. Any action pertaining to the validation of any bonds issued under the provisions of this Act and for the validation of any contract entered into by the authority shall be brought in the Superior Court of Catoosa County, and such court shall have exclusive original jurisdiction of such actions. Service upon the authority of any process, subpoena, or summons shall be effected by serving the same personally upon any member of the authority.
SECTION 14.

Validation of revenue bonds.

Revenue bonds of the authority shall be confirmed and validated in accordance with the procedure now or hereafter set forth in Revenue Bond Law, as the same now exists or may hereafter be amended. The petition for validation shall also make a party defendant to such action the county, if the county has or will contract with the authority with respect to the project for which bonds are to be issued and are sought to be validated. The bonds, when validated, and the judgment of validation shall be final and conclusive with respect to the validity of such bonds against the authority and against all other persons or entities, regardless of whether such persons or entities were parties to such validation proceedings.

SECTION 15.

No impairment of rights.

While any of the bonds or other obligations issued by the authority or any interests in contracts of the authority remain outstanding, the powers, duties, or existence of the authority or of its officers, employees, or agents shall not be diminished or impaired in any manner that will affect adversely the interest and rights of the holders of such bonds or obligations or such interests in contracts of the authority. The provisions of this section of this Act shall be for the benefit of the authority and of the holders of any such bonds or obligations and interests in contracts of the authority and, upon the issuance of bonds or obligations or the creation of interests in contracts of the authority under the provisions of this Act, shall constitute a contract with the holders of such bonds or obligations or such interests in contracts of the authority.
SECTION 16.

Trust funds; permitted investments.

All moneys received by the authority pursuant to this Act, whether as proceeds from the sale of revenue bonds or obligations of the authority, as grants or other contributions, or as revenues, income, fees, and earnings shall be deemed to be the trust funds to be held and applied solely as provided in this Act and in such resolutions and trust indentures as may be adopted and entered into by the authority pursuant to this Act. Any such moneys or funds may be invested from time to time in such investments as may be permitted under the indenture, agreement, or resolution establishing the fund or account in which such funds are held, or if not held in such a fund or account, in such investments as would be permitted investments for a development authority created under O.C.G.A. Section 36-62-1, et seq., as amended.

SECTION 17.

Power to set rates, fees, and charges.

The authority is authorized to prescribe and fix and collect rates, fees, tolls, rents, and charges and to revise, from time to time, and collect such revised rates, fees, tolls, rents, and charges for the services, facilities, or commodities furnished, including leases, concessions, or subleases of its projects, and to determine the price and terms at and under which its projects may be sold, leased, or otherwise disposed of.
SECTION 18.

Property held for governmental purposes.

All property or interests in property owned by the authority shall be public property held and owned for governmental purposes and shall to the extent permitted by general law be exempt from ad valorem taxation. The exercise of the powers conferred upon the authority hereunder shall constitute an essential governmental function for a public purpose, and the authority to the extent permitted by general law shall be required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction, control, possession, or supervision or upon its activities in the operation and maintenance of property acquired by it or of buildings erected or acquired by it or any fees, rentals, or other charges for the use of such property or buildings or other income received by the authority. Nothing herein provided shall include an exemption from sales and use tax on property purchased by or for the use of the authority.

SECTION 19.

Immunity of authority and members.

The authority shall have the same immunity and exemption from liability for torts and negligence as the State of Georgia, and the officers, agents, and employees of the authority, when in performance of the work of the authority, shall have the same immunity and exemption from liability for torts and negligence as officers, agents, and employees of the State of Georgia.
SECTION 20.

Authority property not subject to levy and sale.

To the extent permitted by general law, the property of the authority shall not be subject to levy and sale under legal process.

SECTION 21.

Authority area of operation.

The scope of the authority's operations shall be limited to the territory embraced within the territorial limits of the county and within the territorial limits of any project owned and/or operated by the county, as the same now or may hereafter exist; provided, however, that nothing in this section shall prevent the authority from contracting with any entity, public or private, outside of the county with respect to any project located in the county or any project located outside of the county, if the authority shall determine that entering into such contract is in the best interest of the authority and in furtherance of its public purposes.

SECTION 22.

Supplemental powers.

This Act does not in any way take away from the authority any power which may be conferred upon it by law but is supplemental thereto.

SECTION 23.

No power to impose taxes.

The authority shall not have the right to impose any tax on any person or property.
SECTION 24.
Act to be liberally construed.

This Act shall be liberally construed to effect the purposes hereof.

SECTION 25.
Severability of provisions.

Should any sentence, clause, phrase, or part of this Act be declared for any reason to be unconstitutional or invalid, the same shall not affect the remainder of this Act, or any part hereof, other than the part so held to be invalid, but the remaining provisions of this Act shall remain in full force and effect, and it is the express intention of this Act to enact each provision of this Act independently of any other provision hereof.

SECTION 26.
Conflicting laws.

All laws and parts of laws in conflict with this Act are repealed.
