SECTION 1.

Short title.

This Act shall be known and may be cited as the "Wayne County Public Facilities Authority Act."

SECTION 2.

Wayne County Public Facilities Authority.

There is created a public body corporate and politic to be known as the Wayne County Public Facilities Authority which shall be an instrumentality and a public corporation of the State of Georgia, the purpose of which shall be to acquire, construct, equip, maintain, and operate certain projects for use by Wayne County or any municipality or other political subdivision within Wayne County for its governmental, proprietary, public, and administrative functions. The authority shall not be a state institution, nor a department or agency of the state, but shall be an instrumentality of the state, a mere creation of the state, being a distinct corporate
entity and being exempt from the provisions of Article 2 of Chapter 17 of Title 50 of the
O.C.G.A., the "Georgia State Financing and Investment Commission Act." The authority
shall have its principal office in Wayne County, and its legal situs or residence for the
purposes of this chapter shall be Wayne County.

SECTION 3.

Membership.

(a) The authority shall consist of five members appointed by the Board of Commissioners
of Wayne County. All members of the authority shall be residents of the county. Each
member of the board of commissioners shall appoint one member of the authority who
shall be a resident of the district the commissioner represents. Authority members shall
serve four-year terms of office and until their successors are appointed and qualified.
Successors to such members shall be appointed as the original members were appointed,
as provided herein, and any vacancies shall be filled by the appointing authority, as
provided herein, for the unexpired term. A majority of the members of the authority shall
constitute a quorum, and no vacancy on the authority shall impair the right of the quorum
to exercise all the rights and perform all the duties of the authority and, in every instance,
a majority vote of a quorum shall authorize any legal act of the authority, including all
things necessary to authorize and issue revenue bonds. The authority shall elect a
chairperson from among its membership, and the chairperson shall be authorized to vote
on all matters before the authority. The authority shall elect a secretary and treasurer,
neither of whom need necessarily be a member of the authority. The authority may elect
a vice chairperson or any number of assistant secretaries or treasurers as it may from time
to time deem necessary or desirable. The members of the authority shall not be entitled to
compensation for their services but shall be entitled to and shall be reimbursed for the
actual expenses necessarily incurred in the performance of their duties. The authority shall
promulgate rules and regulations for its own governance, and it shall have perpetual existence. Any change in name or composition of the authority shall in no way affect the vested rights of any person under the provisions of this Act or impair the obligations of any contracts existing under this Act.

(b) The board of commissioners shall attempt, but is not required to, appoint authority members with the following qualifications:

(1) One member of the authority with experience serving in a fiduciary capacity;
(2) One member with experience in grant writing;
(3) One member with experience in the field of general contracting;
(4) One member with experience in the real estate industry; and
(5) One member appointed from the local banking community.

Nothing in this subsection shall be interpreted as preventing an authority member from meeting two or more of the qualifications outlined herein.

(B) Such spending is deemed necessary by a vote of at least four members of the board of commissioners; and

(2) The authority may not spend any revenues on remodeling or restoring any existing facilities until:

(A) The general obligation bonds for the Wayne Memorial Hospital outstanding on the effective date of this Act are paid in full; or
(B) Such spending is deemed necessary by a majority vote of the board of commissioners.

SECTION 6.
Credit not pledged and debt not created by bonds.

Revenue bonds issued under the provisions of this Act shall not constitute a debt or a pledge of the faith and credit of the State of Georgia or Wayne County; but such bonds shall be payable from the rentals, revenue, earnings, and funds of the authority as provided in the resolution, trust agreement, or indenture authorizing the issuance and securing the payment of such bonds. The issuance of such bonds shall not directly, indirectly, or contingently obligate the state or said county to levy or pledge any form of taxation whatever for the payment thereof. No holder of any bond or receiver or trustee in connection therewith shall have the right to enforce the payment thereof against any property of the state or of said county, nor shall any such bond constitute a charge, lien, or encumbrance, legal or equitable, upon any such property. All such bonds shall contain on their face a recital setting forth substantially the foregoing provisions of this section.

SECTION 7.
Trust agreement.

In the discretion of the authority, any issue of revenue bonds may be secured by an agreement or indenture made by the authority with a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without this state. Such trust agreement or indenture may pledge and assign rents, fees, charges, revenues, and earnings to be received by the authority. The resolution providing for the issuance of revenue bonds and such trust agreements or indenture may contain provisions for protecting

and enforcing the rights and remedies of the bondholders, including the right of appointment
of a receiver upon default of the payment of any principal or interest obligation and the right
of any receiver or trustee to enforce collection of any rents, fees, charges, or revenues for use
of the project or projects necessary to pay all costs of operation and all reserves provided for,
all principal and interest on all bonds of the issue, all costs of collection, and all other costs
reasonably necessary to accomplish the collection of such sums in the event of any default
of the authority. Such resolution and such trust agreement or indenture may include
covenants setting forth the duties of the authority in relation to the acquisition of property for
and construction of the project and to the custody, safeguarding, and application of all funds
and covenants providing for the operation, maintenance, repair, and insurance of the project
or projects and may contain provisions concerning the conditions, if any, upon which
additional revenue bonds may be issued. Such trust agreement or indenture may set forth the
rights and remedies of the bondholders and of the trustee and may restrict the individual right
of action of bondholders as is customary in securing bonds and debentures of corporations
and may contain such other provisions as the authority may deem reasonable and proper for
the security of the bondholders. All expenses incurred in carrying out such trust may be
treated as a part of the cost of maintenance, operation, and repair of the project affected by
such trust.

SECTION 8.

Refunding bonds.

The authority is authorized to provide by resolution for the issuance of revenue bonds of the
authority for the purpose of calling, refunding, or refinancing any revenue bonds issued
under the provisions hereof and then outstanding and to include in the amount of such
refunding bonds all interest and any call premiums that may be required for the redemption
and refunding of such outstanding bonds.
SECTION 9.
Venue of actions, jurisdiction.

Any action to protect or enforce any rights under the provisions hereof or any action against the authority brought in the courts of the State of Georgia shall be brought in the Superior Court of Wayne County; and any action pertaining to validation of any bonds issued under the provisions hereof shall be brought in said court, which shall have exclusive, original jurisdiction of such actions.

SECTION 10.
Revenue bond validation.

The petition for validation of all revenue bonds of the authority shall be brought against the authority, and any contracting party whose obligation is pledged as security for the payment of the bonds sought to be validated, as defendants, and the defendants shall be required to show cause, if any exists, as to why such contract or contracts and the terms and conditions thereof shall not be adjudicated to be in all respects valid and binding upon such contracting parties. It shall be incumbent upon such defendants to defend against adjudication of the validity and binding effect of such contract or contracts or be forever bound thereby. Notice of such proceedings shall be included in the notice of the validation hearing required to be issued and published by the clerk of the Superior Court of Wayne County in which court such validation proceedings shall be initiated.
SECTION 11.

Interest of bondholders protected.

While any of the bonds issued by the authority remain outstanding, the powers, duties, or existence of the authority or of its officers, employees, or agents shall not be diminished, impaired, or affected in any manner that will affect adversely the interest and rights of the holders of such bonds. The provisions hereof shall be for the benefit of the authority and the holders of any such bonds and, upon the issuance of bonds under the provisions hereof, shall constitute a contract with the holders of such bonds.

SECTION 12.

Revenues, earnings, rents, and charges; use.

(a) For the purpose of earning sufficient revenue to make possible the financing of the construction of the project or projects of the authority with revenue bonds, the authority is authorized and empowered to fix, revise, and collect rents, fees, and charges on each project which it shall cause to be acquired or constructed. Such rents, fees, or charges to be paid for the use of such project or projects shall be so fixed and adjusted as to provide a fund sufficient with other revenue, if any, of such project or projects or of the authority to:

(1) Pay the cost of operating, maintaining, and repairing the project or projects, including reserves for insurance and extraordinary repairs and other reserves required by the resolution or trust agreement or indenture pertaining to such bonds and the issuance thereof, unless such cost shall be otherwise provided for;

(2) Pay the principal of and interest on such revenue bonds as the same shall become due, including call premium, if any, the proceeds of which shall have been or will be used to pay the cost of such project or projects;
(3) Comply with any sinking fund requirements contained in the resolution or trust agreement or indenture pertaining to the issuance of and security for such bonds;

(4) Perform fully all provisions of such resolution and trust agreement or indenture relating to the issuance of or security for such bonds to the payment of which such rent is pledged;

(5) Accumulate any excess income which may be required by the purchasers of such bonds or may be dictated by the requirements of such resolution, trust agreement, or indenture, or of achieving ready marketability of and low interest rates on such bonds; and

(6) Pay any expenses in connection with such bond issue or of such project or projects, including but not limited to trustees', attorneys', and fiscal agents' fees.

(b) Such rent shall be payable at such intervals as may be agreed upon and set forth in the rental contract or lease providing therefor, and any such contract or lease may provide for the commencement of rent payments to the authority prior to the completion of the undertaking by the authority of any such project and may provide for the payment of rent during such times as such project or projects may be partially or wholly untenantable.

(c) Such rental contract or lease may obligate the tenants or lessees to operate, maintain, and keep in good repair, including complete reconstruction, if necessary, the rented or leased premises and projects, regardless of the cause of the necessity of such maintenance, repair, or reconstruction.

(d) Such rental contract or lease may obligate the tenants or lessees to indemnify and save harmless the authority from any and all damage to persons and property occurring on or by reason of the leased property or improvements thereon and to undertake, at the expense of the tenants or lessees, the defense of any action brought against the authority by reason of injury or damages to persons or property occurring on or by reason of the leased premises.
(e) In the event of any failure or refusal on the part of the tenants or lessees to perform punctually any covenant or obligation contained in any such rental contract or lease, the authority may enforce performance by any legal or equitable process against the tenants or lessees.

(f) The authority shall be permitted to assign any rent payable to it, pursuant to such rental contract or lease, to a trustee or paying agent as may be required by the terms of the resolution or trust agreement or indenture relating to the issuance of and security for such bonds.

(g) The use and disposition of the authority's revenue shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of the trust agreement or indenture, if any, securing the same.

SECTION 13.

Sinking fund.

The revenue, rents, and earnings derived from any particular project or projects and any and all revenue, rents, and earnings received by the authority, regardless of whether such revenue, rents, and earnings were produced by a particular project for which bonds have been issued, unless otherwise pledged, may be pledged by the authority to payment of the principal of and interest on revenue bonds of the authority as may be provided in any resolution authorizing the issuance of such bonds or in any trust instrument pertaining to such bonds, and such funds so pledged, from whatever source received, may include funds received from one or more or all sources and may be set aside at regular intervals into sinking funds for which provision may be made in any such resolution or trust instrument and which may be pledged to and charged with the payment of the interest upon such revenue bonds as such interest shall become due, the principal of the bonds as the same shall mature, the necessary charges of any trustee or paying agent for paying such principal and
interest, and any premium upon bonds retired by call or purchase. The use and disposition of any sinking fund may be subject to such regulation as may be provided for in the resolution authorizing the issuance of the bonds or in the trust instrument securing the payment of the same.

SECTION 14.

Property acquired for public purpose.

The exercise of the powers conferred upon the authority hereunder shall constitute an essential governmental function for a public purpose, and to the extent permitted by the general laws of this state, the authority shall be required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction, control, possession, or supervision or upon its activities in the operation and maintenance of property acquired by it or of buildings or other improvements erected or acquired by it or any fees, rents, or other charges for the use of such property or buildings or improvements or other income received by the authority. Nothing herein provided shall include an exemption from sales and use tax on property purchased by or for the use of the authority.

SECTION 15.

Immunity from tort actions.

The authority shall have the same immunity and exemption from liability for torts and negligence as the State of Georgia; and the officers, agents, and employees of the authority, when in performance of work of the authority, shall have the same immunity and exemption from liability for torts and negligence as officers, agents, and employees of the State of Georgia. The authority may be sued the same as private corporations on any contractual obligation of the authority.
SECTION 16.

Property not subject to levy and sale.

The property of the authority shall not be subject to levy and sale under legal process.

SECTION 17.

Trust funds.

All funds received pursuant to authority of Section 12, whether as proceeds from the sale of revenue bonds or as revenue, rents, fees, charges, or other earnings or as grants, gifts, or other contributions, shall be deemed to be trust funds to be held and applied by the authority, solely as provided herein. The bondholders entitled to receive the benefits of such funds shall have a lien on all such funds until the same are applied as provided for in any such resolution or trust instrument of the authority.

SECTION 18.

Construction.

This Act and any other law enacted with reference to the authority shall be liberally construed for the accomplishment of its purposes.

SECTION 19.

Scope of operations.

The projects of the authority's operation shall be located in the territory embraced within the jurisdictional limits of Wayne County as the same now or may hereafter exist.
SECTION 20.
Conveyance of property upon dissolution.

Should the authority for any reason be dissolved after full payment of all bonded indebtedness incurred hereunder, both as to principal and interest, title to all property of any kind and nature, real and personal, held by the authority at the time of such dissolution shall be conveyed to Wayne County. The title to any such property may be conveyed prior to such dissolution in accordance with provisions which may be made therefor in any resolution or trust instrument relating to such property, subject to any liens, leases, or other encumbrances outstanding against or in respect to said property at the time of such conveyance.

SECTION 21.
Effect of partial invalidity of Act.

Should any sentence, clause, phrase, or part of this Act be declared for any reason to be unconstitutional or invalid, the same shall not affect such remainder of this Act or any part hereof, other than the part so held to be invalid, but the remaining provisions of this Act shall remain in full force and effect. It is the express intention of this Act to enact each provision of this Act independently of any other provision hereof.

SECTION 22.
Repealer.

All laws and parts of laws in conflict with this Act are repealed.
