26 NOW, THEREFORE, BE IT RESOLVED AND ENACTED BY
27 THE GENERAL ASSEMBLY OF GEORGIA:

28 ARTICLE I
29 SECTION 1.

30 That the State of Georgia is the owner of the hereinafter described real property lying and
31 being in Barrow County, Georgia, and is commonly known as Fort Yargo State Park; and the
32 property is in the custody of the Georgia Department of Natural Resources which, by official
33 action dated August 25, 2020, does not object to the granting of an easement; and, in all
34 matters relating to the easement, the State of Georgia is acting by and through its State
35 Properties Commission.

36 SECTION 2.

37 That the State of Georgia, acting by and through its State Properties Commission, may grant
38 to Granite-Active Networks, or its successors and assigns, a nonexclusive easement to
39 construct, install, operate, and maintain high-speed internet cable to serve the Park Kiosk and

40 Visitors Center. Said easement area is located in Barrow County, and is more particularly
41 described as follows:

42 That approximately 0.25 of an acre, lying and being in Land Lot WN15 001, 1st District,
43 Barrow County, Georgia, and that portion only as shown on a drawing furnished by
44 Granite-Active Networks, and being on file in the offices of the State Properties
45 Commission and may be more particularly described by a plat of survey prepared by a
46 Georgia registered land surveyor and presented to the State Properties Commission for
47 approval.

48 **SECTION 3.**

49 That the above-described easement area shall be used only for the purposes of constructing,
50 installing, operating, and maintaining high-speed internet cable.

51 **SECTION 4.**

52 That Granite-Active Networks shall have the right to remove or cause to be removed from
53 said easement area only such trees and bushes as may be reasonably necessary for the proper
54 construction, installation, operation, and maintenance of the high-speed internet cable.

55 **SECTION 5.**

56 That, after Granite-Active Networks has put into use the high-speed internet cable for which
57 this easement is granted, a subsequent abandonment of the use thereof shall cause a reversion
58 to the State of Georgia, or its successors and assigns, of all the rights, title, privileges,
59 powers, and easement granted herein. Upon abandonment, Granite-Active Networks, or its
60 successors and assigns, shall have the option of removing their facilities from the easement

68 Granite-Active Networks.

69

SECTION 7.

70 That if the State of Georgia, acting by and through its State Properties Commission,
71 determines that any or all of the facilities placed on the easement area should be removed or
72 relocated to an alternate site on state-owned land in order to avoid interference with the state
73 use or intended use of the easement area, it may grant a substantially equivalent nonexclusive
74 easement to allow placement of the removed or relocated facilities across the alternate site
75 under such terms and conditions as the State Properties Commission shall in its discretion
76 determine to be in the best interest of the State of Georgia, and Granite-Active Networks
77 shall remove or relocate its facilities to the alternate easement area at its sole cost and
78 expense without reimbursement by the State of Georgia unless, in advance of any
79 construction being commenced, Granite-Active Networks provides a written estimate for the
80 cost of such removal and relocation and the State Properties Commission determines, in its
81 sole discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
82 Upon written request from Granite-Active Networks or any third party, the State Properties
83 Commission, in its sole discretion, may grant a substantially equivalent nonexclusive
84 easement within the property for the relocation of the facilities without cost, expense, or
85 reimbursement from the State of Georgia.

86 **SECTION 8.**

87 That the easement granted to Granite-Active Networks shall contain such other reasonable
88 terms, conditions, and covenants as the State Properties Commission shall deem in the best

96 respect to the city street system. Granite-Active Networks shall obtain any and all other
97 required permits from the appropriate governmental agencies as are necessary for its lawful
98 use of the easement area or public highway right of way and comply with all applicable state
99 and federal environmental statutes in its use of the easement area.

100 **SECTION 10.**

101 That, given the public purpose of the project, the consideration for such easement shall be
102 \$10.00 and such further consideration and provisions as the State Properties Commission
103 may determine to be in the best interest of the State of Georgia.

104 **SECTION 11.**

105 That this grant of easement shall be recorded by Granite-Active Networks in the Superior
106 Court of Barrow County and a recorded copy shall be promptly forwarded to the State

143 lines and associated equipment.

144 **SECTION 18.**

145 That, after Georgia Power Company has put into use the underground electrical distribution
146 lines and associated equipment for which this easement is granted, a subsequent
147 abandonment of the use thereof shall cause a reversion to the State of Georgia, or its

1623 electrical transmission lines and associated equipment for which this easement is granted, a
1624 subsequent abandonment of the use thereof shall cause a reversion to the State of Georgia,
1625 or its successors and assigns, of all the rights, title, privileges, powers, and easement granted
1626 herein. Upon abandonment, Altamaha Electric Membership Corporation, or its successors
1627 and assigns, shall have the option of removing their facilities from the easement area or
1628 leaving the same in place, in which event the overhead electrical distribution lines and
1629 associated equipment shall become the property of the State of Georgia, or its successors and
1630 assigns.

SECTION 239.

1631
1632 That no title shall be conveyed to Altamaha Electric Membership Corporation and, except
1633 as herein specifically granted to Altamaha Electric Membership Corporation, all rights, title,
1634 and interest in and to said easement area are reserved in the State of Georgia, which may
1635 make any use of said easement area not inconsistent with or detrimental to the rights,
1636 privileges, and interest granted to Altamaha Electric Membership Corporation.

SECTION 240.

1637
1638 That if the State of Georgia, acting by and through its State Properties Commission,
1639 determines that any or all of the facilities placed on the easement area should be removed or
1640 relocated to an alternate site on state-owned land in order to avoid interference with the state
1641 use or intended use of the easement area, it may grant a substantially equivalent nonexclusive
1642 easement to allow placement of the removed or relocated facilities across the alternate site
1643 under such terms and conditions as the State Properties Commission shall in its discretion
1644 determine to be in the best interest of the State of Georgia, and Altamaha Electric
1645 Membership Corporation shall remove or relocate its facilities to the alternate easement area

1646 at its sole cost and expense without reimbursement by the State of Georgia unless, in advance
1647 of any installation being commenced, Altamaha Electric Membership Corporation provides
1648 a written estimate for the cost of such removal and relocation and the State Properties
1649 Commission determines, in its sole discretion, that the removal and relocation is for the sole
1650 benefit of the State of Georgia. Upon written request from Altamaha Electric Membership
1651 Corporation or any third party, the State Properties Commission, in its sole discretion, may
1652 grant a substantially equivalent nonexclusive easement within the property for the relocation
1653 of the facilities without cost, expense, or reimbursement from the State of Georgia.

1654 **SECTION 241.**

1655 That the easement granted to Altamaha Electric Membership Corporation shall contain such
1656 other reasonable terms, conditions, and covenants as the State Properties Commission shall
1657 deem in the best interest of the State of Georgia and that the State Properties Commission is
1658 authorized to use a more accurate description of the easement area, so long as the description
1659 utilized by the State Properties Commission describes the same easement area herein granted.

1660 **SECTION 242.**

1661 That this resolution does not affect and is not intended to affect any rights, powers, interest,
1662 or liability of the Georgia Department of Transportation with respect to the state highway
1663 system or of a county with respect to the county road system or of a municipality with
1664 respect to the city street system. Altamaha Electric Membership Corporation shall obtain any
1665 and all other required permits from the appropriate governmental agencies as are necessary
1666 for its lawful use of the easement area or public highway right of way and comply with all
1667 applicable state and federal environmental statutes in its use of the easement area.

SECTION 243.

1668
1669 That, given the public purpose of the project, the consideration for such easement shall be
1670 \$10.00 and such further consideration and provisions as the State Properties Commission
1671 may determine to be in the best interest of the State of Georgia.

SECTION 244.

1672
1673 That this grant of easement shall be recorded by Altamaha Electric Membership Corporation
1674 in the Superior Court of Montgomery County and a recorded copy shall be promptly
1675 forwarded to the State Properties Commission.

SECTION 245.

1676
1677 That the authorization to grant the above-described easement to Altamaha Electric
1678 Membership Corporation shall expire three years after the date that this resolution becomes
1679 effective.

SECTION 246.

1706 **SECTION 250.**

1707 That Georgia Power Company shall have the right to remove or cause to be removed from
1708 said easement area only such trees and bushes as may be reasonably necessary for the proper

SECTION 251.

1711
1712 That, after Georgia Power Company has put into use the power lines and associated
1713 equipment for which this easement is granted, a subsequent abandonment of the use thereof
1714 shall cause a reversion to the State of Georgia, or its successors and assigns, of all the rights,
1715 title, privileges, powers, and easement granted herein. Upon abandonment, Georgia Power
1716 Company, or its successors and assigns, shall have the option of removing their facilities

SECTION 252.

1720
1721 That no title shall be conveyed to Georgia Power Company and, except as herein specifically
1722 granted to Georgia Power Company, all rights, title, and interest in and to said easement area

1735 expense without reimbursement by the State of Georgia unless, in advance of any installation

1736 being commenced, Georgia Power Company provides a written estimate for the cost of such
1737 removal and relocation and the State Properties Commission determines, in its sole
1738 discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
1739 Upon written request from Georgia Power Company or any third party, the State Properties
1740 Commission, in its sole discretion, may grant a substantially equivalent nonexclusive
1741 easement within the property for the relocation of the facilities without cost, expense, or
1742 reimbursement from the State of Georgia.

1743 **SECTION 254.**

1744 That the easement granted to Georgia Power Company shall contain such other reasonable
1745 terms, conditions, and covenants as the State Properties Commission shall deem in the best
1746 interest of the State of Georgia and that the State Properties Commission is authorized to use
1747 a more accurate description of the easement area, so long as the description utilized by the
1748 State Properties Commission describes the same easement area herein granted.

1759 \$650.00 and such further consideration and provisions as the State Properties Commission
1760 may determine to be in the best interest of the State of Georgia.

SECTION 257.

SECTION 258.

1765
1766 That the authorization to grant the above-described easement to Georgia Power Company
1767 shall expire three years after the date that this resolution becomes effective.

SECTION 259.

1768
1769 That the State Properties Commission is authorized and empowered to do all acts and things

SECTION 264.

1799
1800 That, after Ronald Collum has put into use the ingress and egress for which this easement is
1801 granted, a subsequent abandonment of the use thereof shall cause a reversion to the State of
1802 Georgia, or its successors and assigns, of all the rights, title, privileges, powers, and easement

1803 granted herein. Upon abandonment, Ronald Collum, or his successors and assigns, shall
1804 have the option of removing their facilities from the easement area or leaving the same in
1805 place, in which event the ingress and egress shall become the property of the State of
1806 Georgia, or its successors and assigns.

1807 **SECTION 265.**

1808 That no title shall be conveyed to Ronald Collum and, except as herein specifically granted
1809 to Ronald Collum, all rights, title, and interest in and to said easement area are reserved in

1822 commenced, Ronald Collum provides a written estimate for the cost of such removal and
1823 relocation and the State Properties Commission determines, in its sole discretion, that the
1824 removal and relocation is for the sole benefit of the State of Georgia. Upon written request
1825 from Ronald Collum or any third party, the State Properties Commission, in its sole
1826 discretion, may grant a substantially equivalent nonexclusive easement within the property

1827 for the relocation of the ingress and egress easement without cost, expense, or reimbursement
1828 from the State of Georgia.

1829 **SECTION 267.**

1830 That the easement granted to Ronald Collum shall contain such other reasonable terms,

1843 **SECTION 269.**

1844 That the consideration for such easement shall be for the conveyance of an old access
1845 easement to the state, along with three additional access easements, totaling approximately
1846 2.51 acres and such further consideration and provisions as the State Properties Commission
1847 may determine to be in the best interest of the State of Georgia.

1851 Properties Commission.

SECTION 271.

1852
1853 That the authorization to grant the above-described easement to Ronald Collum shall expire
1854 three years after the date that this resolution becomes effective.

SECTION 272.

1855
1856 That the State Properties Commission is authorized and empowered to do all acts and things

1885 **SECTION 277.**

1886 That, after the Motes Family has put into use the utilities and road for ingress and egress for
1887 which this easement is granted, a subsequent abandonment of the use thereof shall cause a

1889 privileges, powers, and easement granted herein. Upon abandonment, the Motes Family, or
1890 their successors and assigns, shall have the option of removing their facilities from the

1903 easement to allow placement of the removed or relocated facilities across the alternate site
1904 under such terms and conditions as the State Properties Commission shall in its discretion
1905 determine to be in the best interest of the State of Georgia, and the Motes Family shall

1909 relocation and the State Properties Commission determines, in its sole discretion, that the
1910 removal and relocation is for the sole benefit of the State of Georgia. Upon written request
1911 from the Motes Family or any third party, the State Properties Commission, in its sole
1912 discretion, may grant a substantially equivalent nonexclusive easement within the property

1939 expire three years after the date that this resolution becomes effective.

SECTION 285.

1940
1941 That the State Properties Commission is authorized and empowered to do all acts and things
1942 necessary and proper to effect the grant of the easement.

ARTICLE XXIII**SECTION 286.**

1943
1944
1945 That the State of Georgia is the owner of the hereinafter described real property lying and
1946 being in Talbot County, Georgia, and is commonly known as Big Lazer Wildlife
1947 Management Area; and the property is in the custody of the Georgia Department of Natural
1948 Resources which, by official action dated February 25, 2020, does not object to the granting
1949 of an easement; and, in all matters relating to the easement, the State of Georgia is acting by
1950 and through its State Properties Commission.

SECTION 287.

1951
1952 That the State of Georgia, acting by and through its State Properties Commission, may grant
1953 to Upson Electric Membership Corporation, or its successors and assigns, a nonexclusive
1954 easement to construct, install, operate, and maintain underground and overhead electrical
1955 distribution lines and associated equipment. Said easement area is located in Talbot County,
1956 and is more particularly described as follows:

1957 That approximately 1.0 acre, lying and being in the Land Lots 243 and 23, 2nd District,
1958 Talbot County, Georgia, and that portion only as shown on a drawing furnished by Upson

1961 Georgia registered land surveyor and presented to the State Properties Commission for
1962 approval.

SECTION 288.

1963
1964 That the above-described easement area shall be used only for the purposes of constructing,
1965 installing, operating, and maintaining underground and overhead electrical distribution lines
1966 and associated equipment.

SECTION 289.

1967
1968 That Upson Electric Membership Corporation shall have the right to remove or cause to be
1969 removed from said easement area only such trees and bushes as may be reasonably necessary
1970 for the construction, installation, operation, and maintenance of the underground and

SECTION 290.

1972
1973 That, after Upson Electric Membership has put into use the underground and overhead
1974 electrical distribution lines and associated equipment for which this easement is granted, a
1975 subsequent abandonment of the use thereof shall cause a reversion to the State of Georgia,
1976 or its successors and assigns, of all the rights, title, privileges, powers, and easement granted
1977 herein. Upon abandonment, Upson Electric Membership Corporation, or its successors and
1978 assigns, shall have the option of removing their facilities from the easement area or leaving
1979 the same in place, in which event the underground and overhead electrical distribution lines
1980 and associated equipment shall become the property of the State of Georgia, or its successors
1981 and assigns.

SECTION 291.

1982
1983 That no title shall be conveyed to Upson Electric Membership Corporation and, except as
1984 herein specifically granted to Upson Electric Membership Corporation, all rights, title, and
1985 interest in and to said easement area are reserved in the State of Georgia, which may make

1986 any use of said easement area not inconsistent with or detrimental to the rights, privileges,

1992 use or intended use of the easement area, it may grant a substantially equivalent nonexclusive
1993 easement to allow placement of the removed or relocated facilities across the alternate site
1994 under such terms and conditions as the State Properties Commission shall in its discretion
1995 determine to be in the best interest of the State of Georgia, and Upson Electric Membership
1996 Corporation shall remove or relocate its facilities to the alternate easement area at its sole
1997 cost and expense without reimbursement by the State of Georgia unless, in advance of any
1998 construction being commenced, Upson Electric Membership Corporation provides a written
1999 estimate for the cost of such removal and relocation and the State Properties Commission
2000 determines, in its sole discretion, that the removal and relocation is for the sole benefit of the
2001 State of Georgia. Upon written request from Upson Electric Membership Corporation or any
2002 third party, the State Properties Commission, in its sole discretion, may grant a substantially
2003 equivalent nonexclusive easement within the property for the relocation of the facilities
2004 without cost, expense, or reimbursement from the State of Georgia.

2005 **SECTION 293.**

2006 That the easement granted to Upson Electric Membership Corporation shall contain such
2007 other reasonable terms, conditions, and covenants as the State Properties Commission shall

SECTION 303.

2059

2060 That, after the City of LaGrange has put into use the telecommunication lines for which this

2147
2148 That, after Walton Electric Membership Corporation has put into use the aboveground
2149 electrical distribution lines and associated equipment for which this easement is granted, a
