 133 written notice of a first offense. Following a third written notice of a recurring violation,
 134 the commission may also order a licensee to cease operations for a period of up to 30
 135 days to correct the violation. Any such fines or orders to cease operations shall be subject
 136 to Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.'"

137

SECTION 4.

138 Said title is further amended by revising Code Section 16-12-204, relating to the issuance of
 139 nontransferable designated university licenses for production of low THC oil, research on
 140 therapeutic use, reporting, collected information, and license revocation, as follows:

141 "16-12-204.

142 (a) ~~The~~ Upon request by a designated university, the commission shall issue
 143 nontransferable designated university licenses for the production of low THC oil and
 144 products. The licenses granted to designated universities pursuant to this Code section
 145 shall be in addition to any licenses issued pursuant to Part 2 of this article. The designated
 146 universities shall have the option to be licensed as a production facility, either separately
 147 or jointly. The designated universities shall be authorized to contract with private entities

148 to fulfill the terms of the license, including contracting for the production of low THC oil
149 and products. All contracts shall be approved by the commission.

150 (b) Each designated university may conduct research on marijuana for therapeutic use if
151 such university is licensed as a production facility pursuant to this Code section. Effective
152 January 1, 2020, and annually thereafter, the designated universities shall submit a report
153 to the Senate Health and Human Services Committee and the House Committee on Health
154 and Human Services, to include data and outcomes of the research conducted pursuant to
155 this paragraph.

156 (c)(1) The commission shall collect the following information from each licensee:

157 (A) The amount of low THC oil and products produced by the licensee during each
158 calendar year;

159 (B) The details of all production costs, including but not limited to seed, fertilizer,
160 labor, advisory services, construction, and irrigation;

161 (C) The details of any items or services for which the licensee subcontracted and the
162 costs of each subcontractor directly or indirectly working for the licensee;

163 (D) The amount of therapeutic chemicals produced resulting from the low THC oil and
164 products manufactured pursuant to this article;

165 (E) The amounts paid each year to the licensee related to the licensee's production of
166 low THC oil and products manufactured pursuant to this article; and

167 (F) The amount of low THC oil and products distributed to each dispensing licensee
168 to dispense low THC oil and products in this state during each calendar year.

169 (2) The commission shall provide the information collected pursuant to this subsection
170 for the previous calendar year in the form of a written report to the Senate Health and
171 Human Services Committee and the House Committee on Health and Human Services
172 no later than February 1 of each year. The commission shall also make a copy of such
173 report available to the public by posting such report on the commission's website.

174 (d) The commission may revoke the license of a designated university if it is found by the
 175 commission to have violated any of the requirements established pursuant to this article."

176 **SECTION 5.**

177 Said title is further amended by repealing and reserving Code Section 16-12-205, relating to
 178 the role of Georgia universities and testing of specifications.

233 dispensing licenses to Class 1 and Class 2 production licensees commensurate with the
234 location of the retail outlet and demand for low THC oil and products at such location."

235

SECTION 7.

236 Said title is further amended by revising Code Section 16-12-207, relating to establishment
237 of Medical Cannabis Commission Oversight Committee, membership, and inspections, as
238 follows:

239 "16-12-207.

240 (a) The General Assembly shall establish a Medical Cannabis Commission Oversight
241 Committee with two members appointed by the Lieutenant Governor and two members
242 appointed by the Speaker of the House of Representatives. Any member of the Medical
243 Cannabis Commission Oversight Committee shall be permitted to inspect any production
244 facility upon request and after reasonable notice is provided to the production facility.

245 (b) The commission shall promptly provide any document or information requested by the
246 oversight committee that is in its possession, provided that the commission shall not share
247 documents containing data identifying individual patients or physicians, information
248 marked as trade secrets by applicants or licensees, information that in the view of the
249 commission would interfere with an ongoing licensing applicant selection process, or

250 information that in the judgment of the commission would create law enforcement or
251 security risks to the citizens of Georgia.

252 (c) No later than August 1, 2021, the oversight committee shall recommend to the
253 commission a process and plan for providing accredited lab testing of products produced
254 by licensees and for labeling such products. The commission shall consider the
255 recommendations of the oversight committee in adopting policies, procedures, and
256 regulations regarding such testing and labeling.

257 (d) The oversight committee may regularly seek input from patients and physicians as to
258 the availability and quality of products produced pursuant to this chapter, and recommend
259 to the commission changes to policies, procedures, and regulations to improve availability
260 and quality. The commission shall consider such recommendations in adopting policies,
261 procedures, and regulations."

262 **SECTION 8.**

263 Said title is further amended by revising Code Section 16-12-210, relating to powers, duties,
264 and responsibilities of commission, no undue burden on patients, and remission of fees, as
265 follows:

266 "16-12-210.

267 (a) The commission shall have the following powers, duties, and responsibilities to
268 implement the provisions of this part:

269 (1) Issue licenses related to the production, growing, and manufacturing of low THC oil
270 and products in accordance with the provisions of this part;

271 (2) Coordinate with the Georgia Bureau of Investigation to implement security plans and
272 enforce the provisions of this part;

273 (3) Establish procedures for granting licenses, testing products, and inspecting facilities;

274 (4) Establish requirements and procedures to ensure quality control, security, and
275 oversight of all low THC oil and product production in this state, including, but not

276 limited to, conducting testing for purity and dosage levels and verifying that product
277 labels accurately reflect product content. The commission is authorized to contract with
278 private laboratories to perform the functions described in this paragraph;
279 (5) Establish procedures and ensure sufficient resources are available to receive and
280 resolve complaints from registered patients;
281 (6) Establish applications and forms necessary to carry out the provisions of this part;
282 (7) Establish criteria for applicants and licensees as necessary to ensure market stability
283 and adequate supply;
284 (8) Provide for the selection, implementation, and oversight of tracking systems;
285 (9) Provide oversight of licensee reporting, data collection, and analysis;
286 (10) Establish requirements and procedures for marketing and signage; and
287 (11) Promulgate rules and regulations and adopt policies and procedures necessary to
288 carry out the provisions of this part.
289 (b) The commission shall not promulgate any rules or regulations that would unduly
290 burden access to low THC oil or products by registered patients.
291 (c) All fees collected by the commission shall be remitted to the general fund of the state
292 treasury."

293 **SECTION 9.**

294 Said title is further amended by revising subsections (a), (b), and (g) of Code Section
295 16-12-211, relating to Class 1 production licenses, application fee, revocation, limitation on
296 ownership, and replacement licenses, as follows:

297 "(a) The commission may issue up to two Class 1 production licenses. A Class 1
298 production licensee shall be authorized to:

- 299 (1) Grow cannabis only in indoor facilities for use in producing low THC oil, limited to
300 100,000 square feet of cultivation space; and
301 (2) Manufacture low THC oil and products.

302 (b) Class 1 production licenses shall be issued to applicants selected by the commission
303 following a competitive application and review process in accordance with the
304 requirements set forth in this part. An applicant must be a Georgia corporation or entity
305 and shall maintain a bank account with a bank or credit union located in this state. An
306 applicant for a Class 1 production license shall submit an application on a form established
307 by the commission, together with the following information:

308 (1) Proof of available capital to make the investments needed to safely, securely, and
309 promptly perform all required functions of a licensee. Prior to issuance of a Class 1
310 production license, the applicant shall provide written documentation showing that on the
311 date of application and award such applicant holds at least \$2 million in available cash
312 reserves to invest in operations in this state;

313 (2) A written production plan detailing the production processes that, at a minimum,
314 includes details describing how the chain of custody will be maintained, documented, and
315 made available for review by the commission or the Georgia Bureau of Investigation.
316 Production processes shall include compliance with all production standards, laws, and
317 regulations needed to protect public safety and ensure product purity;

318 (3) A comprehensive security plan that ensures compliance with the applicable laws of
319 this state. At a minimum, a security plan shall include a 24 hours per day, seven days per
320 week interior and exterior video monitoring and intrusion detection monitoring system,
321 recording and video storage capabilities for all facilities, and licensed security personnel.
322 The entire premises of licensees shall be equipped with a centralized access control
323 system capable of generating detailed reports of access logs for a minimum of one year.
324 All videos, access logs, and any other monitoring data shall be available to the Georgia
325 Bureau of Investigation upon request. The commission is authorized to set requirements
326 for the minimum technology, resolution, and storage capacity of at least 45 days for the
327 video recording capabilities of licensees;

- 328 (4) A written plan detailing specific security measures to ensure secured transportation
329 and tracking of delivered products for intrafacility transportation;
- 330 (5) A detailed employment plan specifying the jobs and salaries of employees and
331 demonstrating the expected economic impact of proposed activities in Georgia;
- 332 (6) A written plan to ensure that no pesticides are used at any point in the production
333 process other than those certified organic by the Organic Materials Review Institute or
334 another similar standards organization;
- 335 (7) Detailed designs of all production facilities;
- 336 (8) Letters of support from one or more local governmental entities where the primary
337 facilities will be located;
- 338 (9) A demonstration of significant involvement in the business by one or more minority
339 business enterprises as defined in Code Section 50-5-131, either as co-owners of the
340 business or as significant suppliers of goods and services for the business. Such
341 applicants shall be encouraged to form business relationships with Georgia agricultural
342 businesses and military veterans;
- 343 (10) Documentation of the applicant's industry capabilities and management experience.
344 The commission shall consider the relevant industry experience and strength of the
345 applicant's management team and board of directors when considering its merits;
- 346 (11) Sufficient documentation to prove that a \$1.5 million cash bond or for any licenses
347 that are applied for on or after July 1, 2021, other comparable surety as determined by the
348 commission, payable to the State of Georgia or an irrevocable letter of credit can be
349 obtained within 30 days of license award. Failure to provide the requisite bond or letter
350 of credit within 30 days of the license award date shall be cause for revocation of the
351 license;
- 352 (12) At least one set of classifiable electronically recorded fingerprints submitted to the
353 commission in accordance with the fingerprint system of identification established by the
354 director of the Federal Bureau of Investigation. The commission shall transmit the

355 fingerprints to the Georgia Crime Information Center, which shall submit the fingerprints
356 to the Federal Bureau of Investigation for a search of bureau records and an appropriate
357 report and shall promptly conduct a search of state records based upon the fingerprints.
358 After receiving the report from the Georgia Crime Information Center and the Federal
359 Bureau of Investigation, the commission shall review the record for all owners, officers,
360 and employees of the applicant demonstrating a lack of convictions, except for felony
361 convictions that are greater than ten years old, are not drug related, or have been
362 expunged or pardoned; and

363 (13) A description of any efforts made by the applicant to create jobs or locate facilities
364 in tier one or tier two counties as defined in Code Section 48-7-40."

365 ~~"(g) In the event a license issued pursuant to this Code section is revoked by the~~
366 ~~commission or surrendered by the licensee, the commission shall be authorized to issue a~~
367 ~~replacement license through a competitive application and review process conducted in~~
368 ~~accordance with this Code section."~~

369 **SECTION 10.**

370 Said title is further amended by revising subsections (a), (b), and (g) of Code Section
371 16-12-212, relating to Class 2 production licenses, application fee, revocation, limitation on
372 ownership, and replacement licenses, as follows:

373 "(a) The commission may issue up to four Class 2 production licenses. A Class 2
374 production licensee shall be authorized to:

375 (1) Grow cannabis only in indoor facilities for use in producing low THC oil, limited to
376 50,000 square feet of cultivation space; and

377 (2) Manufacture low THC oil and products.

378 (b) Class 2 production licenses shall be issued to applicants selected by the commission
379 following a competitive application and review process in accordance with the
380 requirements set forth in this part. An applicant must be a Georgia corporation or entity

381 and shall maintain a bank account with a bank or credit union located in this state. An
382 applicant for a Class 2 production license shall submit an application on a form established
383 by the commission, together with the following information:

384 (1) Proof of available capital to make the investments needed to safely, securely, and
385 promptly perform all required functions of a licensee. Prior to issuance of a Class 2
386 production license, the applicant shall provide written documentation showing that on the
387 date of application and award such applicant holds at least \$1.25 million in available cash
388 reserves to invest in operations in this state;

389 (2) A written production plan detailing the production processes that, at a minimum,
390 includes details describing how the chain of custody will be maintained, documented, and
391 made available for review by the commission or the Georgia Bureau of Investigation.
392 Production processes shall include compliance with all production standards, laws, and
393 regulations needed to protect public safety and ensure product purity;

394 (3) A comprehensive security plan that ensures compliance with the applicable laws of
395 this state. At a minimum, a security plan shall include a 24 hours per day, seven days per
396 week interior and exterior video monitoring and intrusion detection monitoring system,
397 recording and video storage capabilities for all facilities, and licensed security personnel.
398 The entire premises of licensees shall be equipped with a centralized access control
399 system capable of generating detailed reports of access logs for a minimum of one year.
400 All videos, access logs, and any other monitoring data shall be available to the Georgia
401 Bureau of Investigation upon request. The commission is authorized to set requirements
402 for the minimum technology, resolution, and storage capacity of at least 45 days for the
403 video recording capabilities of licensees;

404 (4) A written plan detailing specific security measures to ensure secured transportation
405 and tracking of delivered products for intrafacility transportation;

406 (5) A detailed employment plan specifying the jobs and salaries of employees and
407 demonstrating the expected economic impact of proposed activities in Georgia;

- 408 (6) A written plan to ensure that no pesticides are used at any point in the production
409 process other than those certified organic by the Organic Materials Review Institute or
410 another similar standards organization;
- 411 (7) Detailed designs of all production facilities;
- 412 (8) Letters of support from one or more local governmental entities where the primary
413 facilities will be located;
- 414 (9) A demonstration of significant involvement in the business by one or more minority
415 business enterprises as defined in Code Section 50-5-131, either as co-owners of the
416 business or as significant suppliers of goods and services for the business. Such
417 applicants shall be encouraged to form business relationships with Georgia agricultural
418 businesses and military veterans;
- 419 (10) Documentation of the applicant's industry capabilities and management experience.
420 The commission shall consider the relevant industry experience and strength of the
421 applicant's management team and board of directors when considering its merits;
- 422 (11) Sufficient documentation to prove that a \$625,000.00 cash bond or for any licenses
423 that are applied for on or after July 1, 2021, other comparable surety as determined by the
424 commission, payable to the State of Georgia or an irrevocable letter of credit can be
425 obtained within 30 days of license award. Failure to provide the requisite bond or letter
426 of credit within 30 days of the license award date shall be cause for revocation of the
427 license;
- 428 (12) At least one set of classifiable electronically recorded fingerprints submitted to the
429 commission in accordance with the fingerprint system of identification established by the
430 director of the Federal Bureau of Investigation. The commission shall transmit the
431 fingerprints to the Georgia Crime Information Center, which shall submit the fingerprints
432 to the Federal Bureau of Investigation for a search of bureau records and an appropriate
433 report and shall promptly conduct a search of state records based upon the fingerprints.
434 After receiving the report from the Georgia Crime Information Center and the Federal

435 Bureau of Investigation, the commission shall review the record for all owners, officers,
436 and employees of the applicant demonstrating a lack of convictions, except for felony
437 convictions that are greater than ten years old, are not drug related, or have been
438 expunged or pardoned; and

439 (13) A description of any efforts made by the applicant to create jobs or locate facilities
440 in tier one or tier two counties as defined in Code Section 48-7-40."

441 ~~"(g) In the event a license issued pursuant to this Code section is revoked by the~~
442 ~~commission or surrendered by the licensee, the commission shall be authorized to issue a~~
443 ~~replacement license through a competitive application and review process conducted in~~
444 ~~accordance with this Code section."~~

445 **SECTION 11.**

446 Said title is further amended by revising Code Section 16-12-213, relating to tracking
447 systems required, as follows:

448 "16-12-213.

449 (a) The commission shall require that each Class 1 production licensee and Class 2
450 production licensee establish, maintain, and utilize, directly or by contract, a tracking
451 system. The commission shall approve one or more vendors to provide or operate tracking
452 systems.

453 (b) A tracking system shall have the functions and capabilities described in subsections (c)
454 and (d) of this Code section and shall be operated in compliance with the federal Health
455 Insurance Portability and Accountability Act of 1996, Public Law 104-191.

456 (c) The tracking system shall be hosted on a platform that allows for:

457 (1) Dynamic allocation of resources;

458 (2) Data redundancy; and

459 (3) Recovery from natural disaster within 12 hours.

460 (d) The tracking system shall be capable of:

- 461 (1) Tracking all plants, products, packages, and registered patients' purchase totals,
462 waste, transfers, conversions, sales, and returns that, if practicable, are linked to unique
463 identification numbers;
- 464 (2) Tracking lot and batch information throughout the entire chain of custody;
- 465 (3) Tracking all marijuana, ~~and~~ low THC oil, and products throughout the entire chain
466 of custody;
- 467 (4) Tracking plant, batch, and marijuana, ~~and~~ low THC oil, and product destruction;
- 468 (5) Tracking transportation of marijuana, ~~and~~ low THC oil, and products;
- 469 (6) Performing complete batch recall tracking that clearly identifies all of the following
470 details relating to the specific batch subject to the recall:
- 471 (A) Amount of low THC oil and products sold;
- 472 (B) Amount of low THC oil and products inventory that is finished and available for
473 sale;
- 474 (C) Amount of low THC oil and products that is in the process of transfer;
- 475 (D) Amount of low THC oil and products being processed into another form; and
- 476 (E) Amount of postharvest raw marijuana, such as marijuana that is in the drying,
477 trimming, or curing process;
- 478 (7) Reporting and tracking loss, theft, or diversion of marijuana, ~~or~~ low THC oil, or
479 products;
- 480 (8) Reporting and tracking all inventory discrepancies;
- 481 (9) Reporting and tracking adverse patient responses or dose related efficacy issues;
- 482 (10) Reporting and tracking all sales and refunds;
- 483 (11) Tracking purchase limits and flagging purchases in excess of authorized limits;
- 484 (12) Receiving electronically submitted information required to be reported under this
485 Code section;

- 486 (13) Receiving testing results electronically from a laboratory via a secured application
487 program interface into the tracking system and directly linking the testing results to each
488 applicable source batch and sample;
- 489 (14) Flagging test results that have characteristics indicating that they may have been
490 altered;
- 491 (15) Providing information to cross-check that low THC oil and product sales are made
492 to a registered patient, caregiver, or designated caregiver and that the low THC oil and
493 products received the required testing;
- 494 (16) Providing the commission with real-time access to information in the tracking
495 system; and
- 496 (17) Providing real-time information to the commission regarding key performance
497 indicators, including:
- 498 (A) Total low THC oil and products daily sales;
- 499 (B) Total marijuana plants in production;
- 500 (C) Total marijuana plants destroyed; and
- 501 (D) Total inventory adjustments.
- 502 (e) A Class 1 production licensee or Class 2 production licensee shall supply the relevant
503 tracking or testing information regarding each plant, product, package, batch, test, transfer,
504 conversion, sale, recall, or disposition of marijuana, ~~or~~ low THC oil, or products in or from
505 such licensee's possession or control on forms created by the commission."

506

SECTION 12.

507 Said title is further amended by revising Code Section 16-12-215, relating to limitation on
508 locations, advertising or marketing prohibited, and information available to physicians, as
509 follows:

510 "16-12-215.

511 (a) No licensee shall operate in any location, whether for cultivation, harvesting, and
512 processing of marijuana or for processing, manufacturing, packaging, or distributing low
513 THC oil or products, within a 3,000 foot radius of a covered entity, measured from
514 property boundary to property boundary. No dispensing licensee may operate in any
515 location within a 1,000 foot radius of a covered entity, measured from property boundary
516 to property boundary. Notwithstanding the provisions of this subsection, local
517 governments may, via use of existing zoning powers otherwise provided by law, allow
518 dispensing licensees only to locate in places other than those provided in this subsection
519 so long as such modification is needed to allow retail outlets to be established to service
520 registered patients residing within such local jurisdiction. As used in this subsection, the
521 term 'covered entity' means a public or private school; an early care and education program
522 as defined in Code Section 20-1A-2; or a church, synagogue, or other place of public
523 religious worship, in existence prior to the date of licensure of such licensee by the
524 commission or State Board of Pharmacy.

525 (b) No licensee shall advertise or market low THC oil or products to registered patients or
526 the public; provided, however, that a licensee shall be authorized to provide information
527 regarding its low THC oil and products directly to physicians."

528

SECTION 13.

529 Said title is further amended by revising Code Section 16-12-216, relating to Georgia Bureau
530 of Investigation ensuring compliance, as follows:

531 "16-12-216.

532 The Georgia Bureau of Investigation shall be responsible for ~~ensuring~~ investigating any
533 alleged criminal activities related to the activities of the licensees, and shall work with the
534 commission and the Georgia Composite Medical Board to develop procedures to ensure
535 that all activities of licensees are conducted in accordance with this part and the laws of this

536 state. In addition to other powers and duties, the Georgia Bureau of Investigation, the
537 commission, and the Georgia Composite Medical Board shall jointly establish procedures
538 to ensure that no activities conducted under this part result in the illegal or recreational use
539 of low THC oil, products, or manufacturing by-products and jointly establish any other
540 procedures necessary to carry out its duties and responsibilities pursuant to this part."

541 **SECTION 14.**

542 Said title is further amended by revising Code Section 16-12-217, relating to on-demand
543 access to facilities, provision of samples, testing, and secured transportation, as follows:

544 "16-12-217.

545 (a) All licensees shall provide on-demand access to facilities for inspection when requested
546 by the Georgia Bureau of Investigation, the commission, or the local law enforcement
547 agency for the jurisdiction in which the facility is located. The commission and the
548 Georgia Drugs and Narcotics Agency may each conduct one annual inspection. Upon
549 request by the Georgia Bureau of Investigation, the commission, the Georgia Drugs and
550 Narcotics Agency, or the local law enforcement agency for the jurisdiction in which the
551 facility is located, a licensee shall immediately provide product samples for the purposes
552 of laboratory testing.

553 (b) Each Class 1 production licensee and Class 2 production licensee shall contract with
554 a laboratory on the commission's approved list of independent laboratories, subject to any
555 requirements set by the commission, for purposes of testing low THC oil and products
556 manufactured by such licensees. Low THC oil and products shall be analyzed for potency,
557 foreign matter, microbial presence, pesticides, heavy metals, and residual solvents. The
558 commission shall establish limits for each item tested to verify that such low THC oil and
559 products meet ~~meets~~ the requirements of this part. The commission shall promulgate rules
560 and regulations governing the operations of laboratories for the testing of low THC oil and
561 products. The costs of laboratory testing shall be paid by the licensees. Each low THC oil

562 product shall be required to pass all requirements established by the commission before
563 being distributed. Products that do not pass the commission's requirements shall be
564 destroyed by the licensee and proof of such destruction shall be sent to the commission
565 upon request.

566 (c) This Code section shall not apply to intrafacility transportation of low THC oil or
567 products; provided, however, that licensees engaging in such transportation shall maintain
568 secured transportation and tracking of product delivery."

569

SECTION 15.

570 Said title is further amended by revising Code Section 16-12-221, relating to contracts
571 awarded through bids or proposals, minimum contract terms and renewals, subcontracting,
572 and giving or receiving things of value limited, as follows:

573 "16-12-221.

574 (a) The commission shall grant initial licenses under this part pursuant to contracts
575 awarded through competitive sealed bids or competitive sealed proposals as provided for
576 in Article 3 of Chapter 5 of Title 50. After issuance of two initial Class 1 production
577 licenses pursuant to Code Section 16-12-211 and four initial Class 2 production licenses
578 pursuant to Code Section 16-12-212, and in the event that the commission revokes a
579 Class 1 or Class 2 production license, a Class 1 or 2 production license is surrendered for
580 any reason, or the commission issues an additional Class 1 production license pursuant to
581 Code Section 16-12-214, the commission shall be authorized to issue any replacement
582 Class 1 or Class 2 production licenses in accordance with rules and regulations established
583 by the commission for such purpose. Such rules and regulations shall not otherwise
584 conflict with this article, and to the extent practicable, such rules and regulations shall
585 incorporate provisions and processes similar to Article 3 of Chapter 5 of Title 50.

586 (b) Any contract for a license awarded pursuant to this subsection shall not be for less than
587 five years and may contain provisions for automatic renewal.

588 (c) No licensee shall subcontract for services for the cultivation or processing in any way
589 of marijuana if the subcontractor, or any of the service providers in the chain of
590 subcontractors, is owned wholly or in excess of 5 percent by any state employee or member
591 of a state employee's immediate family, including but not limited to any legislator,
592 state-wide public official, or employee of a designated university. For purposes of this
593 subsection, the term 'immediate family member' means a spouse, child, sibling, or parent
594 or the spouse of a child, sibling, or parent.

595 (d) No licensee shall give or receive anything of value in connection with any contract,
596 memorandum of understanding, or cooperative endeavor agreement executed pursuant to
597 this part except the value that is expressed in the contract, memorandum of understanding,
598 or cooperative endeavor agreement."

599

SECTION 16.

600 Said title is further amended by revising Code Section 16-12-224, relating to limitation on
601 ownership by member or former member of commission, limitation on physician's
602 involvement, and identification when contributing to political campaigns, as follows:

603 "16-12-224.

604 (a) No current member of the commission, or former member of the commission for a
605 period of five years from the date such individual ceased to be a member, shall own,
606 operate, have a financial interest in, or be employed by a low THC oil or product
607 manufacturer or distributor, including any licensee under this part.

608 (b) No physician who, presently or during the period of such business relationship,
609 certifies individuals to the commission pursuant to Code Section 31-2A-18 for the use of
610 low THC oil and products to treat certain conditions shall own, operate, have a financial
611 interest in, or be employed by a low THC oil or product manufacturer or distributor,
612 including any licensee under this part. This subsection shall not prohibit a physician from
613 furnishing a registered patient or his or her caregiver, upon request, with the names of low

614 THC oil and product manufacturers or distributors. Any physician violating this Code
615 section shall be guilty of a misdemeanor.

616 (c) A licensee that makes a campaign contribution pursuant to Article 2 of Chapter 5 of
617 Title 21 shall identify itself as a licensee under this part to the recipient of such campaign
618 contribution."

619 **SECTION 17.**

620 Said title is further amended by revising Code Section 16-12-225, relating to criminal
621 offenses and penalty, as follows:

622 "16-12-225.

623 (a) A licensee or licensee's employee who knowingly or willfully encourages, causes,
624 abets, connives, conspires, or aids in the endangerment of patients, trafficking of low THC
625 oil, products, or its manufacturing by-products, or criminal distribution of raw materials
626 and agricultural inputs, including but not limited to seeds, under this part shall be guilty of
627 a felony and, upon conviction thereof, be punished by a fine not to exceed \$100,000.00,
628 imprisonment for not less than five nor more than ten years, or both.

629 (b) Any person whose acts or omissions of gross, willful, or wanton negligence contribute
630 to or cause the endangerment of patients, trafficking of low THC oil, products, or its
631 manufacturing by-products, or criminal distribution of raw materials and agricultural
632 inputs, including but not limited to seeds, under this part shall be guilty of a misdemeanor
633 of a high and aggravated nature and, upon conviction thereof, be punished by a fine of up
634 to \$5,000.00, imprisonment for up to 12 months, or both.

635 (c) Failure to comply with all other provisions of this part shall be punishable by a fine of
636 up to \$500.00 for the first offense. All persons convicted of a second or subsequent offense
637 shall be guilty of a misdemeanor and, upon conviction thereof, be punished by a fine of up
638 to \$1,000.00, imprisonment for up to six months, or both, for each violation.

639 (d) The provisions of this Code section shall not preclude prosecution and punishment for
640 the commission of any offense otherwise provided by law."

641 **SECTION 18.**

642 Said title is further amended by revising Code Section 16-12-226, relating to applicable sales
643 and use tax, as follows:

644 "16-12-226.

645 The sale of low THC oil and products authorized by this article shall be subject to all
646 applicable sales and use taxes."

647 **SECTION 19.**

648 Said title is further amended by revising Code Section 16-12-230, relating to requirements
649 for dispensing low THC oil, as follows:

650 "16-12-230.

651 (a) Low THC oil and products shall only be dispensed to registered patients in this state
652 by a dispensing licensee or directly from the commission pursuant to this article.

653 (b) A pharmacist who dispenses low THC oil or products shall seek and review
654 information on a registered patient from the prescription drug monitoring program data
655 base established pursuant to Code Section 16-13-57 prior to dispensing low THC oil or
656 products to the registered patient."

657 **SECTION 20.**

658 Said title is further amended by revising Code Section 16-12-231, relating to exemptions
659 from arrest, prosecutions, or penalty, as follows:

660 "16-12-231.

661 The following persons and entities, when acting in accordance with the provisions of this
662 article, shall not be subject to arrest, prosecution, or any civil or administrative penalty,

663 including a civil penalty or disciplinary action by a professional licensing board, or be
 664 denied any right or privilege, for the medical use, prescription, administration,
 665 manufacture, or distribution, or transport of low THC oil or products:

666 (1) A registered patient who is in possession of an amount of low THC oil or products
 667 authorized under Code Section 16-12-191 or such patient's caregiver, parent, or guardian;

668 (2) A physician who certifies a patient to the Department of Public Health as being
 669 diagnosed with a condition or in a hospice program and authorized to use low THC oil
 670 or products for treatment pursuant to Code Section 31-2A-18;

671 (3) A pharmacist or pharmacy that dispenses or provides low THC oil or products to a
 672 registered patient;

673 (4) The commission or its employees or contractors associated with the production of
 674 low THC oil or products in accordance with this article; ~~and~~

675 (5) A designated university, an employee of a designated university, or any other person
 676 associated with the production of low THC oil or products in accordance with this article;
 677 and

678 (6) An employee, contractor, or agent of a licensee with proper identification associated
 679 with the production, manufacture, distribution, transport, or sale of low THC oil or
 680 products in accordance with this article."

681 **SECTION 21.**

682 Said title is further amended by revising Code Section 16-12-233, relating to contracts not
 683 against public policy, as follows:

684 "16-12-233.

685 It is the intent of the General Assembly that contracts related to the cultivation, harvesting,
 686 manufacturing, production, and distribution of cannabis solely for the manufacture of low
 687 THC oil or products pursuant to this article are not deemed contracts against public policy

688 pursuant to Code Section 13-8-2 and shall be enforceable. No such contract shall be
689 unenforceable on the basis that activities related to cannabis are prohibited by federal law."

690 **SECTION 22.**

691 Said title is further amended by revising Code Section 16-12-234, relating to unlawful ways
692 to ingest low THC oil, as follows:

693 "16-12-234.

694 It shall be unlawful to ingest low THC oil or products in a manner that employs a heating
695 element, power source, electronic circuit, or other electronic, chemical, or mechanical
696 means, regardless of shape or size, that can be used to produce vapor in a solution or other
697 form, including but not limited to any electronic cigarette, electronic cigar, electronic
698 cigarillo, electronic pipe, or similar product or device and any vapor cartridge or other
699 container of low THC oil or product in a solution or other form that is intended to be used
700 with or in an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe, or
701 similar product or device."

702 **SECTION 23.**

703 Said title is further amended by revising Code Section 16-12-235, relating to research in
704 compliance with federal regulations and other research permitted, as follows:

705 "16-12-235.

706 (a) Notwithstanding anything to the contrary within this article, nothing herein shall be
707 construed to prohibit the conduct of research involving low THC oil, ~~or~~ cannabis, or
708 products that is conducted in full accordance with federal regulations, including the
709 regulations of the United States Food and Drug Administration and United States Drug
710 Enforcement Administration by any university or nonprofit institution of higher education
711 within the State of Georgia, provided that:

712 (1) The university researchers conducting the research have the appropriate federal and
 713 state permits to acquire and use low THC oil, ~~or cannabis, or products~~ in clinical or
 714 preclinical research; and

715 (2) The substances used for such research are obtained from licensed pharmaceutical
 716 companies or through channels established by the United States government, such as the
 717 National Institute on Drug Abuse.

718 (b) Nothing in this article shall be construed to prohibit research otherwise permitted by
 719 Chapter 51 of Title 31."

720 **SECTION 24.**

721 Said title is further amended by adding a new Code section to read as follows:

722 "16-12-235.1.

723 (a) The commission shall issue permits for colleges and universities located within the
 724 State of Georgia to possess limited quantities of low THC oil and products for purposes of
 725 conducting medical research via a bona fide partnership with a Class 1 or Class 2 licensee.
 726 Such permits shall be for a Georgia based college or university that:

727 (1) Is a member of the University System of Georgia, or an independent college or
 728 university accredited by a higher education accrediting body with comparable academic
 729 standards to those utilized by member institutions of the University System of Georgia;

730 (2) Has a campus that has been located at a physical location within the state for at
 731 least 20 years, and a full-time enrollment of at least 200 Georgia students during the past
 732 year;

733 (3) Is proposing a research partnership that is, in the sole judgment of the commission,
 734 fully compliant with the laws of this article; and

735 (4) Is proposing a research partnership that has been approved by the primary
 736 institutional review board located at such institution.

737 (b) Any such permit issued pursuant to this Code section shall specify:

- 738 (1) The individuals at the institution authorized to work with low THC oil;
739 (2) The primary objectives of the research study;
740 (3) The physical location on campus where the low THC oil will be stored, and security
741 measures in place to prevent unauthorized use of such low THC oil;
742 (4) The method of transporting low THC oil from a licensed production facility to the
743 campus;
744 (5) The method of returning low THC oil to a licensed production facility at the
745 conclusion of the study; and
746 (6) The beginning and end date of the study.
747 (c) Any institution which receives a permit pursuant to this Code section shall provide
748 on-demand access to facilities for inspection when requested by the Georgia Bureau of
749 Investigation, the commission, or the local law enforcement agency for the jurisdiction in
750 which the facility is located."

751 **SECTION 25.**

752 Said title is further amended in Code Section 16-13-21, relating to definitions relative to
753 "Georgia Controlled Substances Act," by revising paragraph (16) as follows:

754 "(16) 'Marijuana' means all parts of the plant of the genus Cannabis, whether growing or
755 not, the seeds thereof, the resin extracted from any part of such plant, and every
756 compound, manufacture, salt, derivative, mixture, or preparation of such plant, its seeds,
757 or resin, but shall not include samples as described in subparagraph (P) of paragraph (3)
758 of Code Section 16-13-25; shall not include the completely defoliated mature stalks of
759 such plant, fiber produced from such stalks, oil, or cake, or the completely sterilized
760 samples of seeds of the plant which are incapable of germination; and shall not include
761 hemp or hemp products as such terms are defined in Code Section 2-23-3. Such term
762 shall not include products approved by the federal Food and Drug Administration under
763 Section 505 of the federal Food, Drug, and Cosmetic Act."

764

SECTION 26.

765 Said title is further amended in Code Section 16-13-25, relating to Schedule I controlled
766 substances, by revising subparagraph (3)(P) as follows:

767 "(P) Tetrahydrocannabinol, tetrahydrocannabinolic acid, or a combination of
768 tetrahydrocannabinol and tetrahydrocannabinolic acid which does not contain plant
769 material exhibiting the external morphological features of the plant of the genus
770 Cannabis, but not including such substance when found in hemp or hemp products as
771 such terms are defined in Code Section 2-23-3. Tetrahydrocannabinols do not include
772 products approved by the federal Food and Drug Administration under Section 505 of
773 the federal Food, Drug, and Cosmetic Act;"

774

SECTION 27.

775 Said title is further amended in Code Section 16-13-29, relating to Schedule V controlled
776 substances, by repealing paragraph (1.5).

777

SECTION 28.

778 Nothing in this Act shall be deemed to change, amend, or alter any criteria for applications
779 for a Class 1 or Class 2 production license submitted to the Georgia Access to Medical
780 Cannabis Commission on or prior to January 27, 2021.

781

SECTION 29.

782 All laws and parts of laws in conflict with this Act are repealed.
