145 for the issuance of revenue bonds for the purpose of paying all or any part of the costs of  
146 the project and for the purpose of refunding revenue bonds or other obligations  
147 previously issued. The principal of and interest on such revenue bonds shall be payable  
148 solely from the revenues and properties pledged to the payment of such revenue bonds.  
149 The revenue bonds issued by the authority shall contain such terms as the authority shall  
150 determine are in the best interest of the authority; provided, however, that no revenue  
151 bonds shall have a maturity exceeding 40 years. All such revenue bonds shall bear the  
152 manual or facsimile signature of the chairperson or vice chairperson of the authority and

161 nevertheless be valid and sufficient for all purposes, the same as if that person had  
162 remained in office until such delivery. All revenue bonds shall have and are hereby  
163 declared to have all the qualities and incidents of negotiable instruments under the laws  
164 of the state. All revenue bonds, their transfer, and the income therefrom shall be exempt  
165 from all taxation within the state. The authority shall adopt a resolution authorizing the  
166 issuance of the revenue bonds. In the resolution, the authority shall determine that the

168 Revenue bonds may be issued without any other proceedings or the happening of any  
169 other conditions or things other than those proceedings, conditions, and things which are  
170 specified or required by this Act. Any resolution providing for the issuance of revenue  
171 bonds under the provisions of this Act shall become effective immediately upon its  
172 passage and need not be published or posted, and any such resolution may be passed at  
173 any regular or special or adjourned meeting of the authority.

174 **SECTION 6.**

175 Credit not pledged and debt not created by bonds.

176 Revenue bonds shall not be deemed to constitute a debt of the state or of the city nor a pledge  
177 of the faith and credit of the state or the city. Revenue bonds shall be payable solely from  
178 the revenues and properties pledged to the payment of such revenue bonds. The issuance of  
179 revenue bonds shall not directly, indirectly, or contingently obligate the state or the city to  
180 levy or to pledge any form of taxation whatsoever for the payment of such revenue bonds or  
181 to make any appropriation for their payment. All revenue bonds shall contain recitals on  
182 their face covering substantially the foregoing provisions of this section. Notwithstanding the  
183 foregoing provisions, this Act shall not affect the ability of the authority and the city to enter  
184 into an intergovernmental contract pursuant to which the city agrees to pay amounts  
185 sufficient to cover the operating charges and other costs of the authority or any project,  
186 including, without limitation, the principal of and interest on revenue bonds, in consideration  
187 for services or facilities of the authority.

188 **SECTION 7.**

189 Trust agreement.

190 In the discretion of the authority, any issuance of revenue bonds may be secured by a trust  
191 indenture by and between the authority and a corporate trustee, which may be any trust  
192 company or bank having the powers of a trust company within or without the state. Such  
193 trust indenture may contain such provisions for protecting and enforcing the rights and  
194 remedies of the bondholders as may be reasonable and proper and not in violation of law,  
195 including covenants setting forth the duties of the authority in relation to the acquisition and  
196 construction of the project, the maintenance, operation, repair, and insuring of the project,  
197 and the custody, safeguarding, and application of all moneys.

198 **SECTION 8.**

199 Remedies of bondholders.

200 Any holder of revenue bonds and the trustee under the trust indenture, if any, except to the  
201 extent the rights herein given may be restricted by resolution passed before the issuance of  
202 the revenue bonds or by the trust indenture, may, either at law or in equity, by suit, action,  
203 mandamus, or other proceedings, protect and enforce any and all rights it may have under  
204 the laws of the state, including specifically but without limitation, the Revenue Bond Law,  
205 or granted hereunder or under such resolution or trust indenture, and may enforce and compel  
206 performance of all duties required by this Act or by such resolution or trust indenture to be  
207 performed by the authority or any officer thereof, including the fixing, charging, and  
208 collecting of revenues, fees, tolls, fines, and other charges for the use of the facilities and  
209 services furnished.

210

**SECTION 9.**

211

Venue of actions, jurisdiction.

212

Any action to protect or enforce any rights under the provisions of this Act or any action

213

against the authority brought in the courts of the State of Georgia shall be brought in the

214

Superior Court of DeKalb County, Georgia, and any action pertaining to validation of any

215

bonds issued under the provisions of this Act shall be brought in said court, which shall have

216

exclusive, original jurisdiction of such actions.

217

**SECTION 10.**

218

Revenue bond validation.

219

Revenue bonds and the security therefor shall be confirmed and validated in accordance with

220

the procedures of the Revenue Bond Law. The petition for validation shall also make the

221

city a party defendant to such action if the city has contracted with the authority for services

222

or facilities relating to the project for which revenue bonds are to be issued and sought to be

223

validated, and the city shall be required to show cause, if any exists, why such contract or

224

contracts shall not be adjudicated as a part of the basis for the security for the payment of any

225

such revenue bonds. The revenue bonds when validated, and the judgment of validation,

226

shall be final and conclusive with respect to such revenue bonds and the security for the

227

payment thereof and interest thereon and against the authority and all other defendants.

228

**SECTION 11.**

229

Interest of bondholders protected.

230 While any of the revenue bonds issued by the authority remain outstanding, the powers,  
231 duties, or existence of the authority or its officers, employees, or agents, shall not be  
232 diminished or impaired in any manner that will affect adversely the interests and rights of the  
233 holders of such revenue bonds, and no other entity, department, agency, or authority shall be  
234 created which will compete with the authority to such an extent as to affect adversely the  
235 interests and rights of the holders of such revenue bonds. The provisions of this Act shall be  
236 for the benefit of the authority and the holders of any such revenue bonds, and upon the  
237 issuance of such revenue bonds under the provisions of this Act, shall constitute a contract  
238 with the holders of such revenue bonds.

239

**SECTION 12.**

240

Effect on other governments.

241 This Act shall not and does not in any way take from the city the authority to own, operate,  
242 and maintain public facilities or to issue revenue bonds as provided by the Revenue Bond  
243 Law.

244

**SECTION 13.**

245

Moneys received considered trust funds.

246 All moneys received pursuant to the authority of this Act, whether as proceeds from the sale  
247 of revenue bonds, as grants or other contributions, or as revenue, income, fees, and earnings,  
248 shall be deemed to be trust funds to be held and applied solely as provided in this Act.

249 **SECTION 14.**

250 Taxation status.

251 The income of the authority, the properties of the authority, both real and personal, and all  
252 revenue bonds, notes, and other forms of obligations issued by the authority shall be exempt  
253 from all state and local taxes and special assessments of any kind.

254 **SECTION 15.**

255 Immunity from tort actions.

256 To the extent permitted by law, the authority shall have the same immunity and exemption  
257 from liability for torts and negligence as the city. The officers, agents, and employees of the  
258 authority, when in the performance of the work of the authority, shall have the same  
259 immunity and exemption from liability for torts and negligence as the officers, agents, and  
260 employees of the city when in the performance of their public duties or work of the city.

261 **SECTION 16.**

262 Property not subject to levy and sale.

263 The property of the authority shall not be subject to levy and sale under legal process.

264 **SECTION 17.**

265 Construction.

266 This Act, being for the welfare of the city and its inhabitants, shall be liberally construed to  
267 carry out the purposes of the authority.

268 **SECTION 18.**

269 Scope of operations.

270 Without limiting the generality of any provision of this Act, the general purpose of the  
271 authority is declared to be that of providing public buildings, facilities, equipment, and  
272 services for the citizens of the city. The scope of operations of the authority shall be limited  
273 to the city in that all projects must benefit the city or be located within the city limits.

274 **SECTION 19.**

275 Conveyance of property upon dissolution.

276 Upon the dissolution of the authority, all assets owned by the authority shall become property  
277 of the city, subject to any property rights vested in other parties.

278 **SECTION 20.**

279 Severability; effect of partial invalidity of Act.

280 Should any sentence, clause, phrase, or part of this Act be declared for any reason to be  
281 unconstitutional or invalid, the same shall not affect such remainder of this Act or any part  
282 hereof, other than the part so held to be invalid, but the remaining provisions of this Act shall  
283 remain in full force and effect, and it is the express intention of this Act to enact each  
284 provision of this Act independently of any other provision hereof.

285 **SECTION 21.**

286 General repealer.

287 All laws and parts of laws in conflict with this Act are repealed.

288 **SECTION 22.**

289 Effective date.

290 This Act shall become effective upon its approval by the Governor or upon its becoming law  
291 without such approval.
