

BY THE GOVERNOR OF THE STATE OF GEORGIA

A PROCLAMATION

COMPUTER SCIENCE EDUCATION WEEK

- WHEREAS:** Computer Science Education Week highlights the crucial role that computer science plays in transforming society and fostering innovation and economic opportunity. Computing technology is deeply embedded in modern culture and transforms how individuals interact with one another and the world; and
- WHEREAS:** Digital science, which includes artificial intelligence (AI) science, computer science, and data science, is foundational to almost every sector of the U.S. economy, significantly contributing to economic output; and
- WHEREAS:** Digital fluency refers to a student's ability to understand, direct, question, and create with the technology shaping their lives. This includes understanding how AI systems work, why they produce what they produce, where they break, how data and design choices shape behavior, and how to direct AI toward purposeful outcomes; and
- WHEREAS:** The fields of digital sciences, include powerful technologies with the capacity to transform nearly all sectors of the U.S. economy. Technological leadership in all areas of digital science is essential for both economic strength and national security, so it is crucial to encourage students to participate in high-quality digital science learning opportunities, such as completing an Hour of AI, to help demystify these fields and inspire further study and exploration; and
- WHEREAS:** The Hour of AI is launched globally and year-round to advance digital fluency for learners of all ages, accessible to students and educators anywhere; now
- THEREFORE:** I, BRIAN P. KEMP, Governor of the State of Georgia, do hereby proclaim December 6-12, 2026, as COMPUTER SCIENCE EDUCATION WEEK in Georgia.

In witness thereof, I have hereunto set my hand and caused the Seal of the Executive Department to be affixed this 28th day of September in the year of our Lord, Two Thousand and Twenty-Six.
