

# AARON ZIMLICH

## UX/UI AND GRAPHIC DESIGN

aaronzimlich.com

I am a designer with deep, web-based experience with responsive design. I have worked in a wide range of industries with big brands such as Google, ebay, Turner, and Disney. I am highly adaptable and can be dropped in to any situation and succeed. I have also built and lead a successful design team.

### TECHNICAL SKILLS

---

**UX/UI Design** User flows, personas, user journeys, research, wireframing, prototyping, interaction design, visual communication, analytics, writing, agile/scrum  
**Design** Print, digital & motion, branding, style guides, logos, packaging, mockups, renderings, typography, color correction, retouching  
**Projects** Resource management, traffic management, budget management, communication, planning, documentation, stake holder engagement, presenting  
**Software** Axure, Sketch, Invision, Adobe XD, Balsamiq, Photoshop, InDesign, Illustrator, Acrobat, After Effects, MS Office, Team Foundation Server, JIRA, Slack

### PROFESSIONAL EXPERIENCE

---

#### Springbot

**UX Designer** March 2018 - Present

I work on the usability of a marketing SaaS platform. Adding new features as well as working a completely new application to unify the user experience, reduce churn and streamline the onboarding experience for new users.

---

#### WOLTERS KLUWER

**UX Consultant** May 2017 - November 2017

I created a plan to integrate multiple websites in to one holistic property that improves user experience and increases digital sales.

Through a complete site audit, user surveys and analytics breakdown, problem areas were identified. Best design practices were used to address these problems. This included creating user stories and personas, redefining the information architecture, and wireframing new product pages. A product finder was also created to help the user define their own needs to get them in to the sales funnel with minimal confusion. A mix of Axure, OneNote, and PowerPoint were used for this project along with Google Analytics, MouseFlow, and MailChimp for user research.

---

#### ASSURANT

**UX Designer** April 2016 - February 2017

I designed user experiences and interfaces for various insurance claims processing, sales and informational sites as well as showcasing the company's capabilities through prototypes for sales purposes. Some was app based, but mostly responsive web-based design.

User research and data analysis played key roles in defining new experiences for end users. Working closely with business analysts, product owners and developers in an Agile/Scrum environment, projects were tackled in a collaborative effort. Wireframing and prototyping was accomplished through a mix of Axure, Balsamiq, Sketch, Invision and Photoshop. Projects were managed through JIRA and Team Foundation Server. Google Analytics and MailChimp was used for research.

---

#### FREELANCE

**Graphic Designer** November 2014 - April 2016

I managed and design work for clients that included Turner Broadcasting, Disney, and AmeriFleet.

Utilizing my many years of design experience, I used my skills with Photoshop, Illustrator, InDesign, and After Effects to create marketing materials for clients that ranged from microsities to billboards to motion graphics.

---

#### TURNER BROADCASTING

**Design Manager** September 2007 - November 2014

I managed a team of designers, which included trafficking, creative direction and setting workflow and preflight/premedia standards. We handled large marketing campaigns that included motion, digital and print graphics for all of Turner Broadcasting that included but wasn't limited to CNN, Cartoon Network, Adult Swim, TNT, TBS, and TCM.

I built a creative workflow from the ground up as well as designed project management tools for the team. This included building and mentoring a team of designers. I also built, designed, and maintained an internal web site to deliver web and motion related graphics for approval. InDesign, Photoshop, Illustrator, Acrobat and After Effects were utilized along with FileMaker for project management.

---

#### PARALLAX DIGITAL

**Graphic Designer** August 2005 - September 2007

As an in-house graphic designer and preflight production manager, I created designs for various business that included Lockheed-Martin, Song Airlines, Coca-Cola and Burger King. I also managed the operation of CNC equipment and a small IT infrastructure.

I designed multiple tools to shorten the turnaround time for jobs. Also built CNC workflow. Spced out and managed new CMS, storage and server solutions. I also managed the CMS. I used mostly Illustrator and Photoshop for design and color correction, but I also implemented Applescript and Javascript for automation.

---

#### FAST SIGNS

**Graphic Designer** November 2001 - August 2004

---

#### SCHLUMBERGER

**Graphic Designer** June 2000 - October 2001

---

## Adrian William Moss

### Objective

I am applying for the job of Senator for the State of Georgia. I began serving my community in 2009 when I chose a career in law enforcement. I quickly discovered that being a public servant was my calling and have since dedicated my life to the profession. I am a very active member in the community and my passion lays in resolving problems fast, effectively, and within reason. My goals are to lead the great State of Georgia in a more progressive direction while still maintaining our strengths and values.

### Skills

- Maintained a Healthy Working Relationship with my Community
- Engaged in Community Policing Activities with the Youth
- Undertook operation patrols and responded to situations that warranted law enforcement
- Records Administrator within my previous agency.
- Handled day-to-day operations within the Patrol Division
- Testified in both Felony and Misdemeanor Court Cases
- Signed and Obtained Warrants
- Field Training Officer
- Hostage Negotiator
- FTO Coordinator
- Certified POST Instructor
- Handled Citizen Complaints
- Worked with Youth Members in the Community
- Cultural Diversity Instructor
- Maintained a Minimum 20 Hour a Year Training Record
- Handled technical support for all in-vehicle computer equipment
- Oversee the equipment & uniform ordering for the agency
- Shift supervisor on my squad
- Handle Department Scheduling
- Senior Sergeant within the Patrol Division
- Checked officer's crime reports and ensured they were filed properly

## Education

### **Columbia Southern University (Graduated)**

2011 - 2015

- Bachelors of Science in Criminal Justice Administration Degree

### **Columbia Southern University (Graduated)**

2015 – 2018

- Master of Public Administration Concentration in Criminal Justice Administration

### **Columbia Southern University (Enrolled)**

2018 - Present

- Masters Degree in Criminal Justice and Criminology

## Experience

### **Patrol Officer – Senior Sergeant on Patrol**

2009 – 2016 (City of Centerville, Ga.)

### **Patrol Officer - Instructor**

2016 – 2018 (City of Perry, Ga.)

### **Sheriff's Deputy – Patrol**

2018 – Present (Houston County Sheriff's Office)

- Routine patrol duties throughout day & night shift, which include patrolling the City of Centerville, checking on businesses and residential areas
- Daily contact with the citizens and business owners of our city
- Criminal Investigations
- Prepare and Execute Court Documents for Prosecutions
- Testified in Magistrate, City, and Superior Courts
- Field Training Officer (2012) began training new recruits who were hired on and managed their daily shift activities.
- Began supervising shifts in 2011-2012 when the Patrol Division was short handed
- Promoted to Sergeant 2013
- Became the Senior Patrol Sergeant 2014
- General POST Certified Instructor (2014) for the agency
- Began working as our in-house IT/Technical equipment and computer coordinator (2015)
- Work closely with our support contacts with OSSI, Stalker, WRPD (server support), and our local 911 Dispatch Center
- In charge of handling new equipment & uniform orders through Galls Int.
- Currently the only PISTOL administrator for the department
- Handle the department's schedule and make changes where necessary
- Training Coordinator within the department through GPSTC
- Maintain a healthy working relationship with all divisions within the agency
- RITE (Racial Intelligence Training and Engagement) Instructor. One of only a handful of cultural diversity training instructors for RITE in Georgia.

## Accomplishments

### **Departmental Growth**

- Designed the new Centerville Police Department patch and logo in 2014
- Assisted my previous administration with a detailed report & PowerPoint on the advantages of a take-home policy for departmental vehicles
- Designed and coordinated the new Centerville Police uniform from top to bottom
- Designed the new vehicle logo and striping for the 2015 Patrol Tahoe

- Assisted in research and field tests of the new Taser Axon Body Cameras that are now used today as well as its installation with our servers that are now synced with Evidence.com

# ALAN H. MORRIS

Griffin, GA 30223

My objective is to replace Hon. Senator Johnny Isakson for the rest of his elected term to allow for an in-depth vetting of accomplished and electable candidates to be made for the next election.

## EXPERIENCE

MAY 1968 – MAY 1970    MAY 1976 – AUGUST 1987

**COMMUNICATIONS**, U.S. NAVY

Communications on board ships as well as overseas shore stations. Worked from Supervisor to Communications Officer in charge of Naval Air Station Misawa, Japan communications center to Communications Watch Officer at Naval Station Communications station, Rota, Spain. Discharged medically with injury in 1987.

MAY 1989 – OCT 2006    OCT 2006 – JUNE 2015

**TELECOMMUNICATIONS SPECIALIST (GS-12)**, FEDERAL EMERGENCY MANAGEMENT AGENCY – MERS BRANCH. 2006-2015 FEMA RESERVIST WORKING DISASTERS.

Provided satellite fed telephones and network circuits to support the Federal Coordinating Officer and his staff. Interfaced with both FEMA personnel as well as disaster survivors. Provided services for visiting dignitaries. Maintained SBI/SCI Top Secret security clearance.

## EDUCATION

APRIL 1984

**ASSOCIATE DEGREE IN BUSINESS MANAGEMENT**, UNIVERSITY OF MARYLAND.

Degree work was accomplished while on active duty in evening hours. Many other credit hours have been earned beyond that point, but not assigned to a further degree.

## SKILLS

- Organized and skilled in business management as well as marketing.
- Outspoken in response to political posturing to maintain positions of power.
- Maintain fiscal responsibility for state as well as Federal government.

## **ACTIVITIES**

As a registered Republican in the State of Georgia, I wish to become a duly ordained law maker and responsible representative of the Federal Government (again) in good standing to replace Hon. Senator Johnny Isakson for his current term only. I have no political aspirations beyond the election which will give the Republican state machine time to find an electable, accomplished, Republican candidate to permanently fill the Senatorial slot vacated by Johnny Isakson without a gap in occupancy. I can work well with both constituents and other law makers from the other side of the aisle to harmoniously accomplish what needs to be done. I have experience with the U.S. military, and the Veterans Administration processes and feel that I can contribute in those fields. I am 72 years old and seen more than many, all of which can be put to good use during my term in office.

# Glenn Ozburn

---

### SUMMARY

Innovative Chief Executive and Board Member with significant global experience and an outstanding record of results in consumer products, agriculture and “business to business” industries. Recognized for profitable growth, “turnarounds”, M&A, commercializing innovation and revitalizing mature brands. Demonstrated leadership in board positions and directing organizations successfully through change including strategic planning, sales, mergers, refinancing and public listings. Deep knowledge of global markets, consumer products, agriculture, dairy industry and national government advocacy.

### PROFESSIONAL EXPERIENCE

**CALIFORNIA DAIRIES INC., Visalia California**

**2012 – December 2019**

*President and Chief Executive Officer*

California Dairies, Inc. (CDI) is the largest milk marketing and processing cooperative in California and the second largest in the United States (9 percent share of the US milk supply). CDI (\$3.5 billion USD) manufactures butter, cream cheese, fluid milk products and milk powders. CDI is the largest US dairy exporter and butter manufacturer. CDI operates Challenge Brands as a wholly owned subsidiary, has majority ownership in Dairy America and has a dairy foodservice distribution business. The company offers branded and private label products domestically and in over 50 countries.

- Developed a long term strategic plan that transitioned CDI from a strong national organization to an international market leader. The strategic plan reinforces a performance based culture and repositioned the company’ product portfolio.
- Advocated for the cooperative membership and the US Dairy industry both at the State and Federal level currently focused on trade policy, immigration and water regulations.
- Consistently set earnings records in the first two years resulting in a 40% annual return on invested capital for the owners. ROE has averaged above 15% per year for last eight years.
- Developed and initiated a capital plan to support the asset strategy including growth and optimization. The plan resulted in capital for growth to support an expansion plan increasing capacity and the expanded production of higher margin products.
- Improved financial performance by restructuring the debt and bank portfolio for the company resulting in lower interest rates, more acceptable covenants and an increase in patronage dividends through a reduction in the number of commercial banks.
- Segmented the company into defined business units with full P&L accountability. Added R&D, technical, sales and marketing resources to improve innovation and interaction with the customer base both domestically and internationally. Opened an Innovation Center to sell, market and co-develop newly designed value added products.

- Eliminated a third party supply chain provider for the international markets at Dairy America. This necessitated the complete development of international sales, marketing and supply chain functions.
- Developed a board approved risk management strategy to reduce commodity volatility.
- Increased innovation efforts by expanding product offerings, increasing the customer base, developing new geographies insuring reduced volatility in earnings. Added new self-manufactured product segments including spreadable butters, retail and foodservice cream cheese, AMF, Milk Protein Concentrates and Isolates, and increased the availability of higher specification milk powders.
- Acquired Security Milk Processors, the fourth largest cooperative in California to improve returns by strengthening the fluid sales portfolio and insure a consistent supply of raw materials. Acquired the milk powder assets from Hilmar Cheese to update the asset portfolio.
- Added a new subsidiary, Sunrise Labs in Visalia to perform all finished product testing and retention.

**FONTERRA COOPERATIVE, Auckland, New Zealand / Chicago IL            2007 – 2011**

***Managing Director Global Ingredients and Foodservice,  
Managing Director Latin America,  
Global Head of Technology and Innovation***

Fonterra is the world's largest dairy processor and the fifth largest dairy company in the world, (\$14 billion USD). Global Ingredients is a \$6+ billion USD business that manufactures and sells dairy and specialty ingredients in over 140 countries. The portfolio includes liquid and powdered milks, butter, and cheese, highly specialised protein ingredients in medical application, cultured foods, infant nutrition and foodservice products. Lead a staff of 20 direct reports with over 4,000 employees.

- Set the strategic direction and positioned the Global Ingredients division as the core competency of the overall company.
- Participated in leading the framework for capital restructure and in developing “the case for change”. Three phase capital restructure was successful in developing a traded share that insures capital for growth and a significant reduction in shareholder redemption risk.
- Led a “turn around” in the Ingredients business from a negative EBIT position to positive earnings performance resulting in EBIT turn around of \$320 Million in year 1.
- Drove the transition from a low margin commodity dairy ingredients business to double digit margin value add and specialty ingredient business by successfully commercializing existing and developing new pipeline intellectual property.
- Repositioned the Infant Nutrition Business resulting in supplying 10% of the world market. Expanded key customer partnerships to include contract manufacturing and a highly specialized ingredient business. Supplied the Top 5 Infant Nutrition customers.

- Repositioned food service business as a global \$500 million business with McDonalds, Starbucks, Yum, Pizza Hut and Domino's. Developed innovation and solution selling to create new wealth in cheese, pastry and dairy offerings while expanding the geographic reach.
- Improved investment and JV earnings +300% by focussing on effective price management and portfolio rationalization opportunities. Expanded investments with Burrill Health and Science Ventures and acquired a position in new start-ups.
- Consistently led the operating units in the company in employee engagement results as measured by Gallup. Utilized various employee engagement measurement tools to evaluate and strengthen employee satisfaction and develop high performing work teams.
- Created a strategic plan for innovation and executed by developing a global set of application centers in Chicago, Tokyo, Melbourne and Amsterdam to support the lead R&D technology center in New Zealand. These efforts resulted in over \$200 million in new ingredient sales from innovation each year.
- As Chairman, led DairiConcepts, (\$800 Million USD joint venture with Dairy Farmers of America) to drive positive performance in both revenue and earnings by resetting the key strategic goals. Improved performance from low single digit returns to exceed 15% ROIC.
- Expanded the business base of DFE (\$500 Million USD joint venture with Royal Friesland Campina) through the acquisition of DPL and internal capacity expansion to a 30%+ market share of the pharmaceutical lactose and disintergent businesses.
- Successfully managed Soprole (40% dairy market share in Chile) through the February 27<sup>th</sup>, 2010 earthquake recovery and grew earnings the same year by +44%. Successfully entered the bottled water business gaining a profitable 6 market share within 18 months.

**SYMRISE INC, Holzminden Germany / Teterboro, NJ****2004 - 2007*****Global President Flavors, Management Owner /Executive Board***

Symrise is a German based \$1.5B global creator of Flavors, Fragrances, Cosmetics and Aroma ingredients. The company was formed in 2001 by EQT Equity through the merger of Haarmann & Reimer (Bayer Corporation) and Dragoco in 2001. Direct responsibility for the core most profitable Flavor Division (\$800 Million Revenue).

- Completed a \$100 million EBIT "turn around" and positioned the company for an owner exit that would deliver exceptional value to the shareholders. IPO completed in December 2006 on the Frankfurt stock exchange.
- Grew net sales to the third largest Flavor share (10%) worldwide while improving EBITDA margins to over 20%. Consistent double digit earnings growth over 3 years.
- Identified and acquired companies to support business growth and to add immediate short term value to the company. Acquisitions completed in North America and Europe – Flavours Direct UK and Aromatics Madagascar.

---

**GEORGIA PACIFIC CORPORATION, Atlanta, GA** 1997 – 2004  
**FORT JAMES CORPORATION, Norwalk, CT (Acquired in 2001)**

*President North American Retail Business (2002 – 2004)*

*Vice President - North America, Norwalk CT / Atlanta GA (2001 – 2002)*

*Senior Vice President, Consumer Products North America (1997 – 2001)*

Georgia Pacific was a \$22 Billion USD producer of building materials, packaging and consumer paper products. Led North America's largest retail consumer paper business, \$3.5+ billion business (\$600 million EBIT, \$140 Million marketing spend) with leading market share in both brands and customer brand businesses. Lead 15 direct reports with staff of 450.

- Revitalized flagship brands Quilted Northern and Brawny in the premium segments through product improvements and targeted integrated marketing programs. Attained branded category market share leadership in all key businesses.
- Awarded Promotion Marketing Association's "Super Reggie" for the "Do you know a Brawny Man" promotion.
- Developed customer brands (Private Label) business to 40% market share and participated in all key strategic account programs in North America including Wal-Mart and Costco.
- Established a 20% revenue target for new business growth. Year one results delivered over \$100 million in incremental revenue. New products included Brawny in a box, Vanity Fair Tablecloths, Brawny Freshkins, and licensed Scooby Doo and Spiderman prints.
- Initiated a program to balance assets improving cost position and increasing capacity to meet changing marketplace demands. Invested \$600 million in capital to improve product performance. Managed an additional capital budget of \$175 million per year.
- Participated in and lead segments of integration of acquisitions of the James River Corporation and Fort James Corporation.

**CAMPBELL SOUP COMPANY** 1976 – 1997

*Vice President, Supply Chain Management, Camden, NJ (1995-1997)*

*Vice President, General Manager Sales, Camden, NJ (1993-1995)*

*Vice President Strategic Sales Systems, Camden, NJ (1993)*

*Vice President, National Accounts and Customer Planning, Camden, NJ (1992-1993)*

*Vice President, Business Planning, Camden, NJ (1991-1992)*

*Selected Executive Accomplishments:*

- Participated in revenue growth from \$1.5 Billion to over \$7 Billion with involvement in introducing new brands including Prego, Home Cookin', Chunky Soup, Refrigerated V8, Swanson Great Starts, Red and White soup line extensions.

- Developed North American business models for international segments and implemented the plans in the US and Canada. Established Godiva retail stores in the US and introduced private label cookies sourced from Delacre, Belgium.
- Participated in the acquisition / integration of Pace Foods (\$1.5B) and Vlasic Pickles.
- Participated in the development of the first VMI – Continuous Replenishment program in the US at Wal-Mart, HEB and Kroger.

██████████ Guyton, GA 31312, ██████████

## Objective

Completions Electrical Design Engineer – TS 1

## Education

**AAS | MAY 12, 2017 | EASTERN NEW MEXICO UNIVERTISY ROSWELL**

- Major: Aviation Maintenance Technology
- Minor: Career and Technical Education

**CARPENTRY | MAY 10, 1989 | ROCHESTER TECHNICAL INSTITUTE**

Major: Carpentry

## MANAGEMENT

- 19 years of leadership experience in various positions within the United States Army

## SALES

- Provide Direct contact and instruction to clients who purchase training packages for their Gulfstream Aircraft.

## COMMUNICATION

- Technical training instructor with 7 years' experience of instruction at all levels of training both with Gulfstream Aerospace and the United States Army

## LEADERSHIP

- Proven dedicated team leader who successfully led men and women into hostile environments with no losses. Personally, handles classroom environment and groups of clients safely in classroom as well as on practical training on flyable aircraft.

## Experience

**TECHNICAL TRAINING INSTRUCTOR | GULFSTREAM AEROSPACE | OCT 2016 - PRESENT**

Conduct classroom and practical training as requested at all GAC, GDAS, and Flight Safety facilities. Training may include certification training for engine/APU qualifications, Aircraft Recurrent/Refresher Training, Familiarization Training, and System Line Maintenance Training on assigned aircraft or on assigned systems for employees and customers. Identify, research, and verify technical accuracy of information required for training course development. Monitor all applicable information sources to determine required changes to current training programs. Prepare and contribute to the development of all necessary training materials (course outlines, lesson plans, books, handouts, presentations, CBTs) needed to meet training objectives while maintaining established departmental, company, and training provider standards. Prepare all necessary training materials (course outlines, lesson plans, books, handouts, presentations, CBTs) needed to meet training objectives while maintaining established departmental, company, and training provider standards. As assigned, maintain technical expertise on existing Gulfstream products and acquire knowledge on new product designs from available sources, i.e. Engineering, Tech Ops, Pubs, etc. As assigned, obtain, and maintain

qualification to instruct in at least two subject areas (system, area or subject) and any associated simulator requirements. Schedule Aircraft Equipment resources as required for Practical Training. Update training records accordingly to company and training provider standards. Prepare and coordinate technical data and training information as required for use in off-site training/seminar sessions. Solicit, promote, and exhibit a spirit of teamwork between Gulfstream and Flight Safety

### **AVIONICS TECHNICIAN SR. | GULFSTREAM AEROSPACE | FEB 2013 – OCT 2016**

Provided technical expertise in testing aircraft systems, troubleshooting and repairing system discrepancies to ensure minimum schedule impact. Demonstrates technical expertise by implementing process changes to reduce cost and meet schedule without compromising safety or quality. Worked in 650 completion center in accordance and maintained familiarity of 14 CFR under assigned repair station licensee. Demonstrates technical skills and expertise in avionics and aircraft systems operational testing and troubleshooting. Performs the installation and functionally testing of electrical/avionics and GCMS components and systems on aircraft per Engineering specifications, drawings and maintenance manuals ensuring a defect free system. Ensures quality and efficiency of all installations: troubleshoots processes/concepts to provide timely, quality repairs of malfunctioning systems. GCMS/AVDS Configuration file loading and updates, SPDS updates and software loads. Demonstrates effective repair techniques using acceptable practices including splicing, soldering, and pinning of wiring. Performs and complies with engineering changes and modifications as required. Sets up and operates necessary test equipment. Conducts functional and operational tests to evaluate performance and reliability. Ensures that all work performed on the aircraft is properly and completely documented and ready for inspection. Tests and maintains test equipment, electronic systems, and components. Complies with the company FOD program, tool control program, 5-S program, and all safety regulations. Supports aircraft certification and final phase testing, conducting flight tests on aircraft and performing other duties as assigned. Provided loan in help to G450 and G550 Completion Center when schedule permitted performing the same duties as G650 completions. Demonstrated proficiency in the operation and troubleshooting of other aircraft systems or disciplines other than avionics, such as hydraulics, landing gear, flight controls, environmental controls or structural installations and repairs. Possesses the Ability to read and interpret basic blueprints and schematic diagrams. Demonstrates excellent communication skills as well as a skilled user of power Point, MS Word, and Lotus Notes. Routinely lifts and moves items from 40 to 80 lbs.

### **ARMAMENT AVIONICS ELECTRICAL REPAIR SUPERVISOR | UNITED STATES ARMY | JUN 1995 – FEB 2013**

Managed the Armament Electrical Avionics Shop of 38 repair technicians that maintained a fleet of 24 Helicopters. Experienced with models such as AH-64 A&D, UH-60 A&D, and CH-47. Served in all roles of maintenance and maintenance management to include Production Control and Quality Control. Shared subject matter, and technical expertise as well as consultation to all who performed maintenance on Armament, Avionics, Navigation, and Electrical Systems inherent on all military Aircraft. Troubleshoot and performed operational checks of Avionics communications systems such as Doppler, UHF, VHF, HF, SINCGARS, BFT, SATCOM, ADF, and GPS systems such as embedded global positioning systems. As well as Helmet displays sight systems provided by Honeywell, FLIR and Radar sight systems, power generation and utility electrical systems. Proficient in troubleshooting systems such as flight controls and fly by wire systems controlled with a flight management computer. Used schematics and diagrams in interactive technical manuals to test systems and troubleshoot problems. Set up and used avionics specific test equipment to aid in troubleshooting of aircraft systems. Proficient with computers and data base systems such as Microsoft office suite. Routinely engaged and briefed senior officers including General officers on combat readiness of aircraft while forward deployed.

As an Instructor/Technical writer I was responsible for 24 Military and two civilian Instructors teaching a combined student load of 200 American and 36 International students annually. Provided direct and indirect instruction to over 1500 total Aircraft Maintainers at all levels for Armament Electrical and Avionics Systems. Under general supervision assisted in the research, and development of training curriculum. Demonstrated strong verbal, written, and teaching skills. Provided assistance in the installation of and used media equipment in the classroom. Maintained control of classroom environments and abilities to diffuse difficult situations. Attended Instructor Evaluator Training and evaluated subordinate instructors for currency. Provided subject matter expertise for lesson plan development in the United States Army Aviation Logistics School and worked with a group of instructor writers that developed the courseware for the Apache Longbow course adopted from Boeing to be taught in Army schools.

#### Gulfstream Training:

*Greetings.*

*I am submitting my request for consideration for the position of gubernatorial appointment to the U.S. Senate following Johnny Isakson's retirement - effective December 31, 2019 - for the remainder of his unexpired term.*

*I trust that my involvement in my community, the state of Georgia and being that of a dedicated die-hard military family, fairness to all and my ability to represent the public regardless of gender, religion or political affiliation, amounts other qualities, qualifies me as a perfectly credible candidate for the people of Georgia and the United states of America.*

*Thank you in advance for your consideration*

*Angela*

## CV & Political Resume of Angela Moore

E: [REDACTED]

### PROFILE. EDUCATION. SKILLS

*"...exceptionally energetic and enthusiastic and very authentic in every PR campaign, understanding that what you put in is what you get out...Angela projects a charisma that captures the imagination of the populous...demonstrates excellent business management skills...She is by all means an educator in her chosen field"*

#### **Gus Readmon**

Music Quest Entertainment,  
Chicago, Ill.

*"...Angela's business background coupled with her unspoken passion for Music and the Arts, along with her technology ability is taking her very far...She seeks cooperative opportunities in the media and asserts her knowledge to accommodate goals...I recommend her with the highest regard..."*

#### **Wendell Ralph, CEO**

Psalms Group,  
Atlanta, GA

*"Angela is an awesome Publicist. Her attention to detail has helped me to keep my Father's legacy alive"*

#### **Sheila Raye Charles**

### **Professional Profile**

I am a skilled communications professional and creative artisan, committed to my craft and proud of my contributions to the industry and my community: an unparalleled and dedicated "Entertainment Publicist, Mass & Social Media Maven." Results driven. Able to handle high-pressure, fast-paced campaigns with effect of ease. Experienced working with high profile clients with multiple and complex brands. Experienced with VIP, celebrity events and confidential situations. Brand Resuscitator, Crisis Manager.

### **PC & Publishing**

- Microsoft Windows
- 2010-2013 MS Word/Excel/Publisher/Power Point
- Email/Face Book/Twitter/LinkedIn/ Instagram/ReverbNation/Sound Cloud/App web Integration

### **Education and Certifications**

University Of The District Of Columbia, Washington, DC

#### **Emergency Medic- Pharmacy Program II**

Prince Georges Community College, Upper Marlboro, Maryland

#### **Advanced Business & Theory 1995**

Georgia Technical Institute Atlanta, Georgia **Bachelor of Science and Biology 1990**

### **Political Training**

**EMILY's List Political Training Program**—Certified: Acquired, in-depth knowledge of the latest techniques for fundraising, message development, grassroots organizing, media strategy, and voter contact. This training program arms candidates with the skills needed to gain an advantage in any political situation.

**The White House Project: Boot Camp** -Certified: A comprehensive training course in public speaking and ballot measure to become a spokes-woman in many situations. This experience enhanced my ability to speak persuasively with passion and purpose, and expanded my capacity to discuss and defend issues. This course of training equipped me with information to be an expert in the area of national security, which is typically dominated by men. Training provided skills to create a winning plan for raising money. Finally, strategies, in developing a winning voter contact and field plan.

**Emily's List Political Opportunity Training Program** - Certified: Learned, in-depth knowledge of the latest techniques for fundraising, message development, grassroots Organizing, media strategy, and voter contact.

**The White House Project: Campaign Training** – Certified: This is an intensive, highly interactive training course in campaign strategy, promotions and fundraising.

**Kennesaw State University Candidate Training Project** -Certified: This training prepared me for the legal aspect of political management.

### **Honors & Awards**

- Atlanta's Hottest Publicist Award 2011, 2012, 15 & 19
- Executive of the Year "The Chosen Awards"-2010
- Democratic Chairman's award- 2008
- Appointed-Georgia Ambassador— 2008~ Secretary of State of Georgia
- Outstanding Georgia Citizen - 2007 ~ Georgia House of Representatives Resolution
- Youth Volunteer - 2006 ~ Junior Achievement Award

### **Unique Qualifications**

As the former communications director for a political organization, with a clear understanding that, Entertainment, Business, Politics and Religion are all synonymous; politics has perfectly positioned me to do "the people's" business in every genre' of every spectrum of the Arts.

This has afforded me the opportunity to be the out spoken authority figure that my clients have come to expect. Fusing my background of entertainment, civic and social affiliations and politics has proven a perfected blend of bi-partisan relationship building, knowing that everyone falls within one of these categories'. It has been my own secret formula that has gotten both my feet in any door I have knocked upon. I am willing to relocate.

## CV & Political Resume of Angela Moore

E: [REDACTED]  
...deeply involved in mastering of the Arts in all forms, in-depth researcher and detailed designing of promotional campaigns, along with her bold and assured personality, makes Angela one of the most pragmatic

Publicist...I look forward to seeing Angela win her first Emmy Award."

**Maynard Eaton**, 9 time, Emmy Award Journalist

Angela's ability to motivate her clients and share a love of entertainment makes her a successful and skilled Public Relations professional. ...I support this awesome woman of God."

**BB King**, Los Vegas, NV.

Angela is the epitome of Pop Culture in a cultured society. Her vision for the humanities are forward in thinking and sets the tone for the next 7 generations "**Ambassador, Andrew Young**, Atlanta, Georgia

**My Publicist, Inc.- CEO/PUBLICIST**, October 1, 2001 to present a national Publicist firm based in "The Heart-Beat of the South"- Atlanta, Georgia.

The firm specializes in mass and social communications for national and international events, public figures, high profile entertainers and businesses' world-wide.

- Direct Lobbying, Local Campaigns, Statewide Campaigns, Network Development, Coalition Building, Policy Training, Legal Observer Training.

## SELECTED CAREER HIGHLIGHTS

Georgia Equality: Local Community Builder Award

*Recognized for starting the Middle Georgia queer rights movement at the 2018 Annual Board Retreat. These efforts produced the proclamation of Macon Unity Day, a resolution of support from the County Commission for the March on Macon, and an amendment to the Charter and Code of Ordinances that granted public employment discrimination protections for LGBTQ individuals in Macon Bibb.*

ACLU of Georgia: Success at the Capitol & Statewide

*Organized for the defeat of harmful legislation and the passage of criminal justice reform efforts. Total event attendance exceeded 76,000 in six months. Increased membership by 200 individuals. Developed a statewide strategy and literature for the SMARTJustice Campaign and My Vote Matters Too.*

American Philosophical Association: Research for Change

*Presented undergraduate thesis, The Bioethics of Queer Erasure: Conversion Therapy for Minors, at the 114th Eastern Division Annual Meeting. This was later used as expert witness in a committee hearing on legislation to enact a conversion therapy ban in the 2019 Georgia Legislative Session.*

Election of Rep. Bee Nguyen & Re election of Rep. Sam Park  
*I served on Rep. Bee Nguyen's field team and on Rep. Sam Park's campaign as the Communications Director for his re election campaign in Gwinnett.*

Georgia Voice's Best of Atlanta 2018: "Up & Coming LGBTQ Youth" Award (Winner), Best of Atlanta 2019: "Activist" (Finalist)  
*I was selected for my work as an activist for institutional changes in how politics function in LGBTQ spaces.*

## VOLUNTEER WORK

Campaign Workers' Guild, Advisory Committee Member  
(April 2019 - current)

STAG VETS, Web Development & Fundraising Committee Chair  
(May 2018 - current)

Macon Unity, Director  
(June 2016 - current)

## EDUCATION

Mercer University, Bachelor of Arts, Philosophy  
(August 2011 - May 2017)  
*Published research in the Bioethics of Law & Policy*

September 18, 2019

Governor Brian P. Kemp  
Governor, GA  
203 State Capitol  
Atlanta, GA 30334

Dear Governor Brian P. Kemp:

I am writing in response to your request for candidates to fill Senator Isakson's U.S. Senate seat upon his retirement on December 31, 2019. I am interested in filling Senator Isakson's position for the remainder of his unexpired term. Upon conditional appointment to his seat, I will allow you and the state of Georgia to decide if I should be considered for re-election beyond that date.

I have spent over 20 years working for the U.S. military on active duty and as an Army civilian. My military expertise in Intelligence offers the U.S. Senate an invaluable asset for both national and homeland security issues. My degrees in Homeland Security and Criminal Justice bring a more robust and rounded perspective to many issues that are of tremendous interest and importance to the state of Georgia, and our great nation. I have deployed throughout the world in support of our nation's interest, and now I want to serve our great state of Georgia. I know that I have the education, experience, and passion to be a great Senator.

My attached resume will provide you with a more in-depth look into my education and career, which I will be more than happy to expand upon at your request. Thank you for taking the time to review my application, and if selected you can sleep peacefully knowing that I will represent the people of our state with pride and honor.

Sincerely,

Anthony Sprouse

# Anthony W Sprouse

## CIVILIAN EDUCATION:

*Doctorate Business Administration Leadership and Policy – Current*  
Northcentral University

*M.A. Intelligence*  
American Military University

*B.S. Criminal Justice*  
Troy University

## EMPLOYMENT HISTORY:

***Intelligence Operations Specialist, U.S. Army GEOINT Battalion - NGIC, GG-13***  
*(Fort Gordon - Augusta, GA) August 2012 – Current*

- Currently serving as a Senior Geospatial Intelligence Liaison Officer to the 513<sup>th</sup> MI Brigade on Fort Gordon, Georgia for the Army GEOINT Battalion, responsible for providing expert guidance and training of Overhead Persistent Infrared (OPIR).
- Responsible for planning and formulating policies, procedures, strategies, and briefings that provide outreach and advisory services for various government agencies.
- Is recognized by leadership and peers as a senior subject matter expert in developing new intelligence analytical techniques that produce accurate and actionable multi-source intelligence products.
- Served as the Production Manager responsible for supervising an analytical intelligence team responsible for gathering, fusing, analyzing, evaluating, and dissemination of OPIR intelligence for the Army OPIR Program - Dayton.
- Competitively selected to be a member of The Department of Homeland Security and Office of the Director of National Intelligence's 2015 Intelligence Community Analyst – Private Sector Program.
- Served as the primary Army OPIR Program Dayton's intelligence liaison between various federal government intelligence agencies including DHS, NGA, and DIA.

***Program Manager and Senior Advisor, U.S. Army - Defense Security Cooperation Agency, GG13***  
*(Kabul, Afghanistan) Joint Duty Assignment January 2018 – March 2019*

- Selected for a Joint Duty Assignment as a Program Manager and Senior Ministry of Defense Advisor (MoDA) to the Afghan Director of Police Intelligence for the Defense Security Cooperation Agency (DSCA) in Kabul Afghanistan.
- Serves as the Program Manager and Contract Officer Representative (COR) Responsible for the creation, development, and operation of the first ever Afghan Judicial Wire Intercept Program, worth \$50 million, to be implemented within the Afghan Police Intelligence Directorate.
- Served as a Senior Police Intelligence Advisor to the Afghan Director of Police Intelligence Network Targeting and Exploitation Center (NTEC), as well as, the Director of the Afghan Judicial Wire Intercept Program.
- Trained, assisted, and advised senior Afghan National Police Officers on the integration of intelligence into high risk warrants.
- Responsible for formulating intelligence policies and procedures for Afghan Ministry of Interior, then implementing them in accordance with U.S. and Afghan laws and regulations.

***Expeditionary Intelligence Analyst, Science Applications International Corporation***  
*(Kandahar, Afghanistan) October 2011 – August 2012*

- Senior Expeditionary Intelligence Analyst for a U.S. Air Force multi-source Intelligence Surveillance and Reconnaissance (ISR) asset forward deployed in Afghanistan to identify trends, patterns, and anomalies in terrorist operational tactics.
- Fused and analyzed Geospatial, Human, Signals, and Open Source Intelligence reporting in order to generate a comprehensive intelligence report that would provide relevant and actionable intelligence to tactical military decision makers, conducting real world military operations.
- Identified and created processes to identify trends, patterns, and anomalies in terrorist operational tactics.
- Served as the primary liaison between private, federal, and military intelligence agencies in order to ensure that all strategic and tactical intelligence operations elements were sharing appropriate intelligence information and were conscious of all necessary information and operations.
- Subject matter expertise in ISR platforms and their capabilities, identified intelligence sharing practices that enabled effective collaboration with other Intelligence agencies and ISR platforms, thereby creating a system for effective communication and information sharing between ISR platforms.

***Lead Intelligence Training and Curriculum Developer, Booz Allen Hamilton***  
*(Wright Patterson Air Force Base – Dayton, OH) August 2010 – October 2011*

- Lead the creation of the first ever Intelligence Initial Qualification Training (IQT) for Distributed Mission Site (DMS)  
- National Air and Space Intelligence Center (NASIC).
- Managed a team of intelligence professionals ensuring their work was completed in a timely and efficient manner in accordance with the government statement of work, financial obligations, and in compliance with government regulations.
- Authored and reviewed training materials that introduced and educated intelligence personnel about ISR Platforms, NASIC's intelligence roles, missions, sensors, Techniques, Tactics, and Procedures (TTPs), and how to effectively fuse intelligence within the DMS-NASIC in order to support their Tasking, Collection, Processing, Exploitation, and Dissemination (TCPED) process.
- Created and maintained professional relationships throughout NASIC and the Intelligence Community in order to facilitate accurate intelligence information and training processes and procedures.
- Presented formal briefings and written reports to high-level officials throughout the intelligence community.

***Senior Intelligence Analyst, Science Applications International Corporation***  
*(COB Speicher - Iraq) December 2009 – August 2010*

- Senior Intelligence Analyst for a U.S. Army ISR Airborne Reconnaissance, Wide Area Persistent Surveillance collection platform (Constant Hawk) in support of Task Force ODIN forward deployed in Iraq.
- Analyzed and Geospatially mapped terrorist attacks, improvised explosive devices, and other criminal events, with Human, Signals, and Imagery Intelligence, in order to produce intelligence analysis and trending reports for intelligence collection managers and policymakers; thus overall improving the intelligence collection of future terrorist attacks by properly allocating intelligence resources, equipment, and reconnaissance platforms.
- Managed and supervised a team of deployed intelligence analysts for a private company, liaised with federal and military intelligence community members, and provided weekly situation reports and briefings to high-level officials in Iraq and United States.

***Supervisory Intelligence Production Manager, Booz Allen Hamilton***

*(Wright Patterson Air Force Base - Dayton, OH) August 2007 – November 2009*

- Production Manager and Senior Intelligence Analyst for the U.S. Air Force's NASIC Distributed Common Ground System Analysis and Reporting Team (DART); managed the collection, fusing, analyzing, evaluating, and disseminating of multi-source integrated intelligence data.
- Reviewed, processed, and evaluated intelligence information from Geospatial, Signals, Human, and Open Source Intelligence reporting, using creative methodologies to develop trends, patterns, profiles, estimates,

studies, and tactical interdiction information as well as to solve unusual problems.

- Developed intelligence collection plans for aerial reconnaissance platforms, including the most complex and difficult assignments then educated intelligence consumers on how to prepare, utilize, and cross cue collection assets; which lead to the arrest and detention of known terrorists.
- Represented the Senior Leadership of the NASIC DART at International U.S. Air Force meetings, working groups, and provided input to several Air Force ISR intelligence policies, manuals, and training guides.
- Recognized the need to collaborate with other intelligence community partners, established effective intelligence information sharing methods, and liaised with private, federal, and military intelligence community partners.

***Supervisory Intelligence Analyst, Special Operations Command Central - United States Army***

*(MacDill Air Force Base - Tampa, FL) February 2005 - August 2007*

- Supervisory Intelligence Analyst responsible for providing strategic and tactical intelligence to Special Operations Command Central (SOCCENT) Commanding General, his staff, and deployed U.S. Special Operations Forces engaged in military operations in the Middle East.
- Managed an Interagency team of Intelligence Analysts from various military and federal agencies; who conducted various Imagery, Geospatial, Signals, and Human intelligence exploitation efforts, whilst being deployed throughout the Middle East in support of military combat operations.
- Created classified and unclassified intelligence products for various military, federal, and foreign military agencies, and ensured that the Director of National Intelligence information-sharing standards, intelligence protection guidance, and Intelligence Community Directives (ICDs) such as ICD-501, Intelligence Oversight, etc; thus ensuring all classified and unclassified research, analysis, and fusion activities were conducted in accordance with all federal intelligence laws, guidelines, and regulations.
- Coordinated and synchronized intelligence operations and activities between intelligence agencies and tactical military action elements in order to determine the validity and comprehension of intelligence information before distributing; in order to prevent a critical loss of personnel and equipment.

***Intelligence Analyst, 3rd BN 3rd Special Forces Group - United States Army***

*(Fort Bragg - Fayetteville, NC) US Army February 2001 - January 2005*

- Served as an Intelligence Analyst for a dual appointed Middle East and Africa oriented Special Forces Battalion conducting counter-terrorism operations within the Middle East.
- Awarded two Bronze Star Medals and a Joint Meritorious Unit Award for superior mission accomplishment of combat missions and operations in Iraq and Afghanistan.
- Integrated Human and Signals Intelligence data with Geospatial Intelligence in order to create comprehensive multi-source reports for Special Operations Forces while deployed to arduous locations in Africa and the Middle East.
- Collaborated intelligence operations and information sharing with private, federal, military, and foreign intelligence agencies such as the FBI, DEA, and British Customs Agents, in Afghanistan and Iraq to create multi-agency intelligence reports.

***Infantryman, 3rd BN 504th Parachute Infantry Regiment - United States Army***

*(Fort Bragg - Fayetteville, NC) July 1997 - February 2001*

- Served as an infantry fire team leader for 3rd Battalion 504th Parachute Infantry Regiment in Fort Bragg, North Carolina, responsible for preparing and leading soldiers into combat and peace keeping operations in Kosovo.
- Awarded Expert Infantry Badge for expert skills involving map reading, land navigation, enemy techniques, tactics and procedures, and identification of enemy weapons and equipment.
- The first junior enlisted infantryman to become an Anti-armor Weapons (Javelin) Subject Matter Expert and Instructor for 3rd Battalion 504th Parachute Infantry Regiment.

[REDACTED]

Senior manager with experience in local governments, organizational management and development, community relations, and public affairs, in progressive and growing organizations that worked with people, businesses, and agencies.

**Experience (Retired since July 2012)**

**March 2008 to July 2012** – Deputy Director, Jacksonville Public Library, Jacksonville FL, Responsible for Finance, Administration, Communication and Marketing of a Main Library and 20 branch locations with 356 employees and a \$39 million budget to serve a county of 900,000 citizens.

**November 2003 to March 2008** – Senior Budget Analyst, City of Jacksonville, FL., Responsible for planning and monitoring departmental spending and performance reviews for assigned city departments for a city with a total budget of more than \$1 billion. Responsibilities included Capital Improvements, Parks, Recreation & Community Services, Jacksonville Children’s Commission, Jacksonville Public Library, Jacksonville Human Rights Commission, Medical Examiner, Public Health Department, Public Service Grants, Supervisor of Elections, and Solid Waste, Environmental Resources Management.

**November 2002 to October 2003** – Self-employed consultant, in government affairs, marketing, public affairs and media relations services for individuals and organizations.

**September 1998 to November 2002** – County Administrator, Camden County, Ga., Chief appointed official responsible for day-to-day functions of county government with 350 employees and 46,000 residents. Managed total budget of \$67 million with a general fund budget of over \$21 million. Brought county from \$1.7 million deficit in FY 97 to a \$2 million positive fund balance in FY 02. Directly managed non-constitutional departments and services, including Administration and Finance, Roads, Fire and Rescue, and Planning and Development. Worked directly with numerous boards and agencies. Improved county’s ISO (Fire Insurance Rating) from a 10 to a 4, saving property owners hundreds of thousands of dollars in insurance premium costs. Provided support for County Board of Commissioners, drafted ordinances, developed and recommended policy, and maintained liaison with federal and state and local governments agencies, boards and the citizens of Camden County. Represented County and Region on local, regional and state advisory boards.

**April 1996 to September 1998** – Executive Assistant, Newton County, Ga. (Covington, Ga.) Principal assistant to full-time chairman of the Newton County Board of Commissioners in a county with more than 400 employees and a population of 55,000. Duties included finance, budgeting, human resources management, supervision of code enforcement, planning and zoning, and interagency liaison with other governments, state agencies and organizations.

**August 1994 to January 1996** – Assistant Editor then Editor, The Rockdale Citizen, Conyers, Ga. Directed all editorial functions and news staff of a suburban metropolitan Atlanta area daily newspaper with a circulation of 20,000. Skills included writing, editing, layout, pre-press operations, news assignments, community relations and other functions of a small daily newspaper.

**August 1992 to August 1994** – Public Information Officer, Georgia Department of Education, Atlanta, Ga. Served in all public relations functions for this state agency, including media relations, speech writing, public affairs planning, community relations, internal communications and support of local school systems as required.

**June 1990 to August 1992** – Self-employed public relations consultant and business writer. Clients included Atlanta Chamber of Commerce, Bank South, Bill Shipp's Georgia, International Business Chronicle (Miami, Fla.), and Fortune Magazine.

**August 1989 to June 1990** – Director of Media Relations, U.S. Chamber of Commerce, Washington, D.C. Coordinated national news and media operations for this major national business organization.

**June 1987 to August 1989** – Vice President Communications, Metropolitan Atlanta Chamber of Commerce, Atlanta, Ga. Significant activities and events included organizing and implementing the Chamber's public relations programs for the 1988 Democratic National Convention and the Atlanta Olympic Organizing Committee quest for the 1996 Olympics.

**April 1985 to June 1987** – Vice President and Director of Public Relations, National Bank of Georgia/First American Bank of Georgia, Atlanta. Directed Media Relations, Community Relations, Corporate Contributions programs. Served as the bank's representative to various community boards, including the Metropolitan Atlanta Community Foundation and United Way of Metropolitan Atlanta.

**May 1977 to April 1985** – The Atlanta Constitution, Atlanta, Ga. Reporter, Assistant Metro Editor, Bureau Chief. Covered metropolitan Atlanta issues, local and state governments and agencies. Also supervised reporting staff in three metropolitan area news bureaus.

**July 1975 to May 1977** – Assistant Director College Relations, North Georgia College and State University, Dahlonega, Ga.

**September 1973 to June 1975** – Graduate Studies, University of Georgia, Athens.

**August 1969 to September 1973** – Commissioned Officer United States Army, Active Duty. Infantry and Special Forces assignments in Berlin, Germany, Korea, and the U.S.

**Continued Reserve Duty through March 2002.** Retired with rank of full Colonel in 2002, after 32 ½ years of combined active and reserve service in infantry, special forces, public affairs and senior army staff assignments. Served extended active duty tours in Honduras and Kuwait. Final active assignment recalled to active duty from September 2001 to March 2002 as Deputy Chief of Staff for Third United States Army. Awards include Legion of Merit, two Meritorious Service Medals, four Army Commendation Medals, Special Forces Tab, Expert Infantry Badge and Parachutist Badge.

**Recalled to Active Duty October 2006 to October 2007.** (Military Leave of Absence City of Jacksonville). Served as Director of Public Affairs, Assistant Chief of Staff, Third Army and Coalition Forces Land Forces Component Command, with duty in Atlanta, Kuwait and Iraq. Responsible for all Public Affairs activities in Theater and served as chief Army spokesman for Third Army and Coalition Forces in Atlanta and Kuwait. Directed the activities of the Digital Video Imagery Distribution System, which provided all still and video products from the U.S. Military from throughout the 27-nation U.S. Central Command area of operations in Southwest Asia and Africa to audiences in the United States. Responsible for the embedded journalist program in Kuwait and Iraq, and managed visits of Congressional Delegations and Department of Defense VIPs and others to the CFLCC headquarters in Kuwait. Participated in information exchange program to the Republic of Kazakhstan as senior U.S. representative to the Kazakh Ministry of Information. Coordinated public affairs activities for the inaugural CENTCOM symposium in Atlanta for the top military leaders from the 27 nations in the Central Command area of responsibility to exchange ideas to improve cooperation and security in the region.

## **Education**

North Georgia College 1965-1967, Undergraduate studies  
University of Georgia 1967-1969, Bachelor of Arts, Journalism and History  
University of Georgia 1973-1975, Graduate Studies toward Masters of Journalism  
United States Army Command and General Staff College 1986, Military Science and Strategy  
United States Army War College Seminars and Strategic Studies 1988-89  
U.S. Chamber of Commerce Institute for Organizational Management 1988 - 1990

## **Qualifications, Certifications and Activities**

Certified Government Finance Officer, Carl Vinson Institute of Government, Univ. of Georgia – 1998  
Certified County Official, Carl Vinson Institute of Government, University of Georgia – 1999  
Leadership Institutes: Georgia Academy for Economic Development: Association County Commissioners of Georgia Leadership, Leadership Southeast Georgia; and leadership academies in Rockdale, Newton and Camden counties  
Association County Commissioners of Georgia (ACCG), Secretary and Vice President, County Managers Section – 2001 and 2002.  
Board Member, Regional Advisory Council, Region 12, Georgia Department of Community Affairs and Georgia Department of Industry, Trade and Tourism. 1999 – 2002.  
Committee Member Georgia Dept. of Natural Resources Coastal Marsh Hammock Collaborative Dialog, 2002 and 2003.  
Advisory Board Member, Center for a Sustainable Coast (Georgia) 1999 to present.  
Board Member, Metropolitan Atlanta Community Foundation, 1985-1987.  
Regional Board Member (Rockdale County) Metropolitan Atlanta United Way, 1995-1997.  
Board of Trustees, St. Marys Submarine Museum, 2002-2003; Vice-President 2003  
Boy Scouts of America, Atlanta Area Council, Cub Master, Assistant Scout Master, Troop Committee, District Advisor, Rockdale County 1977-1997  
Volunteer, Habitat for Humanity, 1999 to Present

## **Memberships**

Navy League of the United States, Kings Bay Chapter – Life Member  
Military Officers Association of America, Camden County Chapter – Life Member  
Guale Historical Society, Camden County – Life Member  
National Audubon Society  
Sierra Club  
Friends of Crooked River State Park (current treasurer)  
Georgia Botanical Society  
Florida Native Plant Society  
Georgia Native Plant Society  
Coastal Audubon Society (Georgia)  
Riverkeeper organizations for St. Marys River, Altamaha River, Satilla River, and St. Johns River  
Center for a Sustainable Coast (Georgia) – Advisory Board Member, 1999 to present  
Amelia Community Theatre  
Saint Marys Little Theatre

---

## Conservative- North Fulton Republican // Marketing// Sales

Extensive experience in strategy, consensus building, and management of projects. My professional experience is in the telecommunications and information technology industries. A proven track record of revenue growth combined with the highest levels of customer satisfaction. I am a strong team builder with significant accomplishments in difficult environments, including start-up's, medium and enterprise organizations and turnaround situations. I have a strong professional presence gained from working with C-level executives of enterprise companies and well as public sector power brokers.

---

### HIGHLIGHTS OF EXPERIENCE

#### *City Council Member- Liaison to Economic Development*

*City of Alpharetta*

*January 2018- Current*

- Raised Georgia's Already Highest Homestead Exemption from \$40,000 to \$45,000
- Assisted in the leadership to get Tech Alpharetta away from city subsidy.
- Recruited ZKteco to the city of Alpharetta with the Metro Atlanta Chamber and GA Dept. of Economic Development.
- Raised the minimum wage for fulltime city employees to \$16 in hourly salary
- Implementing Paid Family Leave with our human resources for all employees having or adopting a child.
- Prolific Fundraiser on behalf of the party
- House District 49 Delegate
- Passed the Safe Hotels Act where Alpharetta proactively choose to crack down on human trafficking
- Received 60% of the vote in a 50/50 Republican/ Democrat at large seat.
- Never voted for an Apartment. And will never.
- Ardent defender of civil liberties
- Limited Government Advocate
- Voted against raising franchise fee's taxes on homeowners on right of way.

#### **Business and Economic Development // Site Selection // Sales // Marketing**

*DC BLOX INC*

*May 2018- August 2019*

Responsible for identifying opportunities in the United States to put into "Edge Connected" markets

- Developed a secondary storage offering to sell into the southeast
- Designed and negotiated planning and zoning activities with municipalities as well as tax strategies
- Designed and maintained a quota of \$10k in monthly recurring revenue.
- Developed and implemented strategies for IoT companies, carriers, and technical sales

#### **Product Management**

*Verizon Terremark/ IBM: Sales and Marketing January 2015- April 2018*

Responsible for identifying carriers and systems integrators to develop a platforms. In this role I worked with Direct Sales, Channel Sales, Engineering, and Finance Teams,

- Developed white label cloud platforms to integrate with existing cloud environments and stand alone
- Frequently worked with carriers inside the fortune and S&P 500 to augment their existing infrastructure
- Developed cloud environments for systems integrators such as Westcon, Ingram Micro, Avnet, SHI, and CDW
- Managed Colocation environments for Windstream, Wordpress, Charter, AT&T, and Time Warner Cable
- Responsible for over \$350 million dollars in total contract value and over \$100 million dollars in annual revenue.

### **ISV- Practice Lead**

*Logicalis November 2013- January 2015*

Responsible for developing a cloud platform that lends itself specifically to software companies. Built a platform on the Cisco UCS backbone that uses a buildable, scaleable, and repeatable platform. I was responsible for evaluating and implementing OEM's as well as cloud vendors who we elected to partner with to deploy a 2 location data center.

- Consulting engagement
- Evaluated and hired sales Reps to build the ISV team
- Grew software revenues 400%
- Implemented new IaaS vendors that we layered on top of
- Implemented several managed services partners as part of our organic offering.

### **Cloud Services Sales**

*Ceyond Cloud Services, Sales Operations, Atlanta, GA, June 2011 – Nov 2013*

Responsible for closing opportunities generated by lead sources and actively hunting for new business through outbound prospect contacts. Worked and sold with Direct Sales, National Accounts, Account Managers, Sales Engineers, Channel Account Managers, and Private Label Resellers for opportunities nationally.

- Experience selling IaaS, SaaS, and Cloud PBX solutions to IT department leaders and C-level executives
- Counseled medical facilities on HIPPA compliance and worked with third party auditors to deliver custom hosted solutions
- Performed constantly at or above 100% quota, frequently identified as a top performer
- Served as an industry networking and subject matter expert of SaaS, IaaS, VoIP to IT departments and executives
- Advised businesses with PCI compliance requirements
- Order Tracking
- Measuring to metrics
- Adhearing to sales operations processes
- Managing Projects from ink to installation

### **Regional Account Executive**

*AT&T, Sales Operations, Birmingham, AL, Feb 2010 to May 2011*

Tasked with selling complex solutions to existing customers and prospects across a module of 10,000 accounts in the southeast. Fluent with C-level interactions and a value based selling approach that relies on improving business processes and return-oninvestment (ROI) justifications.

- Developed and maintained business relationships with clients of a Fortune 10 company
- Utilized consultative sales experience to demonstrate the value of AT&T's business solutions, often resulting in revenue growth and/or a reduction in operational costs for the client
- Analyzed advertising needs of clients while providing superior customer service
- Developed sales presentations and maintained relationships with strategic partners
- CEO Club/New Business Development Team
- Top Quartile Ranking- Sales Team Leader

### **Owner**

*Driven Sports Marketing, Sales & Marketing, Birmingham, AL November 2008 to February 2010*

Responsible for closing opportunities generated by lead sources and actively hunted for new business through outbound prospect contacts. Worked and sold with other marketing firms independently and through existing clients.

- Assisted in the management and marketing of Ken Butler III (NASCAR Driver) and Michael Waltrip (2-time Daytona 500 Champion)
- Developed sponsorship leads for a multi-million dollar sports team
- Worked closely with Zaxby's and Napa to cultivate branding

- Organized appearances (marketing and charity) for Ken Butler/ R3 Motorsports
- Search Engine Optimization and Public Relations

*Résumé of Benjamin Burnett, page 2 of 3*

Awards & Activities:

- Elected Official
- Presidents Club: Cbeyond 2011 and 2012
- Presidents Club AT&T Advertising Solutions, 2010 (114% objective)
- Eagle Scout, Boy Scouts of America

**EDUCATION**

**Bachelor of Arts – Management**

Samford University, Birmingham, Alabama 2005

**Masters of Business Administration – Concentration in Finance** Georgia

College and State Universtiy, Milledgeville, Georgia 2017

**Professional Organizations:** Toastmasters International, Boy Scouts of America, North Fulton Chamber of Commerce, City of Alpharetta, Metro Atlanta Chamber of Commerce, First Baptist Church of Alpharetta

Benjamin B. Manning, Ph.D.

Athens, GA

## **Professional Summary (and a little personal stuff)**

Twenty years of leadership and practical experience in engineering and education and seasoned Machine Learning Engineer. (Personal: Super-fan of Walt Disney, Socrates and anything to do with the Golden Ratio. Uber tech-nerd and old school computer hobbyist with an interest in distributed IoT systems and AI. Family man, gray-haired amateur philosopher and forever optimistic skeptic)

## **Experience/Accomplishments**

### **Senior Data Scientist**

2014-present

Socratic Arts

Subject Matter Expert and Senior Corporate Liaison for Data Science Programs

*Socratic Arts is a premier provider of performance improvement solutions. We create engaging, hands-on experiences to influence behavior change which leads to improved performance. We use the power of stories to motivate, intrigue, and personalize the experience to your practitioners. Combining our deep expertise in instructional design, computer science, and artificial intelligence, each of our services can be leveraged on their own or together to provide a packaged solution.*

1. Created **Data Analytics and Big Data program** for School of Professional Development at University of Texas-Austin and Rutgers Universities
  - a. Grew the program from 12 students to over 125 current students at UT-Austin and from 22 students to over 200 current students at Rutgers University
2. Created **Machine Learning and Artificial Intelligence Certificate** program covering Supervised, Unsupervised, Reinforcement and Deep Learning
  - a. Developed Machine Learning tracks for both non-technical and technically experienced students
3. Mentored over 400 online adult learners on specific **Data Analytics and Machine Learning** tasks on real world engineering projects.
4. Worked with numerous industry partners (Deloitte, Metlife, etc.) to help create a Data Science focus within their organizations.

### **Postdoctoral Research Associate**

2019-present

**University of Georgia**

**Currently working on Deep Probabilistic Learning problem in Cellular Biology**

*Abstract: Cilia are microscopic hairs that protrude from nearly every cell in the human body, including those in the throat, nose, lungs, kidneys, and brain. Cilia move in regular, rhythmic patterns in order to transport materials outside the cells. These movements of the cilia are important at every stage of life, from early embryonic development to reproduction and regular healthy maintenance; in short, healthy cilia are a critical component of overall health of an organism. Consequently, when cilia move abnormally, numerous debilitating conditions can result, encompassing disorders ranging from developmental shortcomings in the embryo to adult pathologies such as infertility and lung scarring. Therefore, the key question this proposal seeks to answer is: by observing the motion of cilia, is it possible to predict whether the morphology or behavior is abnormal, and if so, whether that particular abnormality is associated with a specific condition? The answer to this question has implications not only in human health, but also in building fundamental knowledge of the biology around how cilia are*

*constructed and maintained. To address this question, we are building the CiliaWeb platform, which will include new algorithms for analyzing videos of cilia and shedding light on the statistics of ciliary motion. The algorithms will take advantage of the regular back-and-forth movements of cilia and be built to incorporate crowdsourced feedback from users to improve the models of ciliary motion. As its name implies, CiliaWeb will be internet-accessible for researchers and clinicians to upload datasets, conduct analyses, and visualize results. The ultimate goal of CiliaWeb is to provide a standardized platform for ciliary motion analysis that can be reproduced and validated by others, encouraging collaboration and catalyzing new discoveries in fundamental cilia research as well as connections to health and well-being.*

### **Lead Data Scientist**

2018-2019

Hashmap

Consulting role overseeing the creation and growth of a new Data Science/AI vertical for this Big Data consulting company. Worked on numerous machine learning and data engineering projects including migration from on-prem to cloud. Specialized in data ingestion with Snowflake and Data Science with JupyterHub and Python. Deep Learning frameworks included Tensorflow and Pytorch

Projects: Customer 360 modelling (Supervised and Unsupervised Learning) for Netgear, Fraud Detection (Unbalanced Classification problem) for Murphy Oil and Deep Learning projects for SM Energy and Devon Energy (for Oil and Gas exploration)

### **Engineering Faculty**

2016-2019

University of Georgia

Taught Introduction to Computer Systems Engineering I and II, Informatics I, Capstone Engineering Design Project I and Computer Systems Engineering Design Methodology

1. Founder and sponsor of #DataDawgs, the first Informatics student club at UGA
2. Developed and taught first course (INFO2000) in the Informatics Certificate Series (undergraduate)
3. Consulted on the development of the first course (INFO8000) in the Informatics Certificate Series (graduate)
4. Formed partnership between the Disability Resource Center and the College of Engineering to host first [Experiential Learning-type Project in CSEE2210](#)

### **National Assistant Dean / Data Analyst**

2009-2015

Devry University

Senior leadership position managing a large portfolio of projects and programs for sixty-six campuses and online. **Created data driven solutions for managing national persistence and completion rates; planning and implementation of innovation initiatives**

1. Successfully rebuilt four academic programs, designed and implemented three new programs and grew enrollment to over 10,000 course takers in the first two years
2. Managed the development of over 200 courses for online, blended and campus delivery
3. **Created Program Attrition Data Initiative to address online attrition rates and successful reduced attrition by 20% and increased persistence to 92%**
4. Selected and managed all online faculty and subject matter experts used for content creation and programmatic support and supporting performance and development plans

### **Owner**

2005-2015

Blake Design Group, LLC

Founder and Owner of this **predictive analytics and software engineering company. Clients included McKesson, Equifax and AT&T.**

**Design and Engineering Manager**

2005-2007

Neill Development

1. Managed the design and engineering departments for this commercial developer and performed many duties including scheduling, custom programming, estimating, conceptual design and civil planning and coordinated all aspects of departmental management.
2. Managed both the design and engineering departments with twenty-two full-time direct reports and implemented all annual performance and development plans
3. Ensured streamlined production with zero safety and code violations during my tenure
4. LAN and WAN design, deployment and maintenance

**Art Institute of Atlanta**

2001-2005

Instructor

*A. Students supervised or mentored in sponsored external activities*

- Taught courses in Computer Aided Design, Interior Design

**University of Southern Mississippi**

1998-2001

Instructor

*A. Students supervised or mentored in sponsored external activities*

- Taught Statics, Electrical and Mechanical Engineering courses

**Education**

---

PhD, Computer and Electrical Engineering

2018

University of Georgia

Thesis: *Improving Global Horizontal Irradiance Prediction Using Deep Learning and Sky Images*

PhD Program, Systems Engineering

2013-2015

Colorado State University

Research Emphasis: Cognitive Predictive Systems and Early Onset Alzheimer's Prediction

Master of Science, Computer Engineering

1998-1999

University of Southern Mississippi

Thesis: *Employing Artificial Intelligence to Decrease the Amount of Deficiencies Present in Information before the Conclusions are Implemented by Existing Essential Ray Tracing Algorithms*

Bachelor of Science, Architectural Engineering

1994-1997

University of Southern Mississippi

**Awards**

---

*2017 O-Reilly Artificial Intelligence Diversity Scholarship Recipient**2016 Google Internet of Things (IoT) Technology Research Award Recipient*

Proposal: To identify how the walkable travel patterns of healthy walking people interacting with an environment correlate to patterns of people in the same environment that cannot walk or have ambulatory and/or aging issues.

## **Bernard Stefan Jarvis**

Stockbridge GA 30281

### **Qualification Highlights**

- **Multi task-oriented** operator who is at ease in high stress environments
- **Strong** attention to detail
- **Organized** hands on, time manager
- **Superb** interpersonal, intuitive and leadership skills
- **Excellent** self motivator

### **Employment History**

#### **3 F Ventures, LLC (Sbarro Pizzeria)**

**November 2018 – Present**

##### ***District Manager***

Responsible for achieving restaurant objectives for two restaurants. Assigns, directs and follows up on activities of subordinate employees including managers and team members. Ensures compliance with all company policies and procedures, federal, state and local laws and company business standards. Work and communicate effectively with the restaurant management team and the team members in order to drive sales and profits. Responsible for maintaining and managing a combined annual budget of one million dollars. Provides direct supervision to others. Provides functional guidance to team members including delegating assignments, instruction and follow up. Carries out opening and closing procedures and has authority to hire, discipline or terminate employees.

- Trains, monitors and reinforces food safety procedures to subordinate managers and team members. Ensures all Company food safety procedures are followed. Ensures that all health, safety and sanitation requirements are met in accordance with federal, state and local standards
- Maintains safe working conditions by following and enforcing all Company safety, security and maintenance policies and procedures
- Hires, develops, evaluates, coaches and counsels Managers and Team Members in accordance with Company Human Resources policies and procedures. Monitors tasks performed to ensure achievement of Company goals and objectives
- Responsible for entire store operations including, but not limited to, systems usage, recipe adherence, payroll and timekeeping procedures and guest interactions. Takes corrective action as necessary
- Responsible for profit and loss management through cash control / security policies and procedures, maintaining inventory, food cost, managing labor and reviewing financial reports. Takes corrective action as necessary
- Takes inventory and orders / purchases food and supplies while applying appropriate cost control measures
- Generates Manager and Team Member schedules ensuring coverage appropriate to drive sales and profits
- Engages in local restaurant marketing (LSM) efforts
- Performs other job-related duties as may be assigned or required

## **New Beginning Home Inspections, LLC**

**February 2017 – October 2018**

### ***Owner/Home Inspector***

- Coordinate home inspections, appraisals, and other necessary inspections with all parties involved
- Maintain calendars for inspections, appraisals, and other appointments
- Ensure timely delivery of reports.
- Review inspection and appraisal reports for accuracy and completion
- Coordinate bid generation with general contractors
- Schedule revisions of inspection and appraisal reports as needed
- Build vendor database and maintain relationship

## **Georgia Department of Community Supervision**

**January 2016 – January 2017**

### ***Community Supervision Officer***

Under supervision, supervised a full caseload of probation/parolees providing case planning and classification for purposes of tailoring supervision to an individual, conducted interviews with probation/parolees, family members, referral counselors and law enforcement personnel to determine compliance with probation/parole conditions. Investigated allegations of probation/parole violations including both technical and criminal elements. Requested and served warrants as the situation dictated. Completed supervision reports.

- Aids in making plans for helping offenders with life adjustments.
- Counsels probationers or parolees via office visits, employment visits, telephone inquiries, community contacts and correspondence.
- Informs offenders or inmates of requirements of conditional release, such as office visits, restitution payments, or educational and employment stipulations.
- Investigates activities of probationers or parolees to ascertain their level of readjustment to society.
- Investigates background histories of probationers or parolees; review court files, police reports and other pertinent reports to gather information.
- May testify in court concerning matters pertaining to clients such as sentencing, trials, pleas and violations of probation or parole conditions.
- Monitors and conducts surveillance of probationers or parolees.
- Writes reports detailing clients' progress and other reports/paperwork as necessary accurately completing them within established time frame.
- Performs arrests of probationers or parolees who have violated the terms of their release, in accordance with statutory requirements

## **Memorial Day School**

**July 2011 – March 2015**

### ***High School Teacher/Head Varsity Soccer Coach***

Under limited, planned, organized and monitored daily class discussions. Prepared classroom instructions and activities for high school students assigned to my US History and US Government classes.

- Aids in making plans for helping students with adjustments to high school.
- Counsels students as to the best course of action to complete the course successfully.
- Maintains records of progress for students.
- Planned, organized and supervised workout and practice routine for boys and girls varsity soccer teams.
- Planned, organized and executed fundraising activities with recruited parent volunteers.

## **Jarvis Window Cleaning**

August 2004 – June 2011

### ***Owner/Operator***

Plan and execute marketing strategies for small business. Interact with company CEO's and Directors of Operation to secure contracts for professional window cleaning services.

- Maintain service records for secured contracts.
- Plan and execute presentations for prospective clients.
- Inventory and maintain needed supplies.
- Maintain financial records such as bank statements and P&L statements.
- Supervise 3-7 part-time employees.

## **US Army-3<sup>rd</sup> Infantry Division**

July 1998 – April 2004

### ***Infantry Combat Team Leader***

Accountable for the soldiers and equipment assigned to the **team**. This includes enforcing discipline with subordinates and ensuring the members of **unit** abide to military standards in all areas. Established a suitable maintenance schedule of **team** equipment.

- Aids in making plans for helping soldiers with life adjustments.
- Counsels team members regarding personal and professional matters.
- Planned, organized and supervised physical fitness regime for team.
- Supervised 3 to 30 combat Infantry soldiers.
- Responsible for ensuring all team members were prepared for any range of real world missions.
- Writes reports detailing soldiers' progress and other reports/paperwork as necessary accurately completing them within established time frame.

## **Education**

Columbia College, Columbia MO  
Bachelor of Arts, Criminal Justice Administration  
December 2008

Norwich University, Northfield, VT  
Masters of Public Administration  
GPA: 3.22  
December 2010

████████████████████

## Objective

Seeking a key and/or leadership role that will utilize my skills in developing positive and cohesive teams of over-achievers in exceeding an organization's service expectations.

## Profile

Ambitious and results driven professional eager to contribute academic and real world business acumen and experience to an organization's continued growth and overall profitability. Possess a strong work ethic and entrepreneurial spirit as demonstrated by the humble beginning and subsequent growth with current employer, a Fortune 500 ranked national media sales/ marketing company. In addition to current employment, maintained a small landscaping business for five years and attended college full time to complete BBA degree. Key contributing strengths include an open and above average communications style, ability to form and build lasting customer relationships, a positive and forward thinking attitude, and, demonstrated desire to succeed and ultimately exceed company quotas and expectations. Technical Skills/Proficiencies: Proficient in the use of Microsoft Word, Excel, and PowerPoint; Working knowledge of SKYPE and various social media marketing tools and how successfully applicable in sales/networking; SCALA digital security trained.

## Education

Southern Wesleyan University Graduate, 2011  
Bachelor of Business Administration, Business Management  
\*G.P.A. – 3.57/4.0 (*Cum Laude*)

Southern Wesleyan University  
Associate Degree, Business Administration, 2009

Augusta Technical College  
Diploma, Landscape Design and Management , 2005

## Professional Experience

*Lamar Advertising Company    Augusta, GA*

*February 2006 – present*

### *Account Executive (2011 - present)*

- Graduated Lamar Sales School (June 2011)
- Implemented marketing strategies based on client needs.
- Account management of over 1.2 million dollars of customer accounts.
- Fulfilled customer requests and in a timely manner.
- National and local customer base.

- Maintained and grew business from ground up .
- Managed a crew to perform assigned tasks as assigned.
- Maintained records for tax purposes and inventory control.
- Implemented new scheduling procedures to obtain higher output.
- Provided high customer service through constant interaction.

### **Kelley Electrical**

#### ***Electrician's Helper***

- Learned the basics of residential and commercial wiring
- Installed electrical components per local and state code
- Performed work in government and VA areas
- Safely worked with hot electrical feeds as needed

## **Professional Interests/Associations**

- Founder, Better Augusta Networking Group (BANG)
- Member, Augusta Chamber of Commerce
- Member, A.M Business Connections Group

- o Graduate, Lamar Sales School
- o Certification, Lamar Digital Tech I
- o Award/Recognition, Lamar 10 years' Service 2009

**Personal Interests/ Activities**

- o Thespian Society, lifetime member
- o Volunteer, Habitat for Humanity
- o Volunteer, Neighborhood Association Board Member
- o Participated in church local and domestic missions work
- o Served on church finance committee and as usher, bible study leader, and deacon
- o Southern Wesleyan Alumni
- o Cycling, running , swimming, CrossFit

**CENTRAL MICHIGAN UNIVERSITY (GLOBAL CAMPUS)**

**9/2013-12/2014**

Approved to facilitate (mentor) the following graduate course offered at the College of Business

- MSA 699: Applied Research Project in Administration

**U.S. DEPARTMENT OF EDUCATION (ED)**

**2010-2015**

**OFFICE OF POSTSECONDARY EDUCATION, HIGHER EDUCATION  
FIELD READER**

**NORTHCENTRAL UNIVERSITY**

**9/2007-7/2011**

**SUBJECT MATTER EXPERT (SME) AND FACILITATOR (MENTOR)**

Scope involves revising curriculums (\*) and mentoring Learners in the following master/doctoral courses\*\* offered at the College of Business:

- CS7005 Complex Database Management Systems\*
- CS7010 Advanced Topics in Network Communications\*
- CS7014 Software Engineering Fundamentals Technology for Leaders\*
- CS7015 Distributed Computing Fundamentals for Technology Leaders\*
- CIS5000 Introduction to Computer Security\*/\*\*
- CIS7002 Organizations Corporate Computer and Network Security\*/\*\*
- CIS5008 Risk Management in Information Assurance and Security\*
- CIS7008 Advance Risk Management in Information Assurance and Security\*/\*\*
- CIS7007 Information Security and Outsourcing Computer Systems\*/\*\*
- MIS5000 Management Information System (MIS)\*\*
- MIS7002 Database Administration and Management\*/\*\*
- MIS7003 Decision Support System (DSS)\*
- MIS7004 Data Communication Management\*/\*\*
- MIS7005 Enterprise Network Architecture\*
- MGT5009 International Business\*\*
- MGT5011/MGT7011 Managerial Women: Strategies and Skills\*/\*\*
- MGT5013 Entrepreneurship\*\*
- FIN7013 Investments\*
- FIN7012 Advanced Corporate Finance\*
- FIN7018 Accounting and Control for Nonprofit Organizations\*
- RSH8961-B Research Topic, Problem, Purpose and Question\*\*

**PROCUREMENT SENIOR ADMINISTRATIVE ASSISTANT - Atlanta, GA**

Georgia Department of Revenue: Purchasing Division

Supervised 2 subordinate purchasing secretaries. Posted maintenance, repair, & operation (MRO) and vehicle expenses, such as gas and oil prices, and monthly mileage to Cost Accounting Management System (CAMS). Calculated and submitted salary/hourly payroll for 45 employees. Correspondences, IFBs, and RFP were composed in Word Perfect 6.0. Used SPIN database with a Georgia commodity code (GCC) to access vendors. Composed, developed, and recorded payroll and usage of leased copiers in Excel Spreadsheets, which was previous done manually. Utilized Lotus 123 for Windows. 95-96

## **EDUCATION AND TRAINING**

### **GRADUATE COLLEGES AND ADVANCED STUDY PROGRAMS:**

**POSTDOCTORAL RESEARCH SCIENTIST**

**12/2007-Present**

*Alumni Association Network (AAN)-Newnan, GA*

Collaboration initiatives involving approaching higher education issues and constructing peer-reviewed sources

**INTERNATIONAL DOCTOR of PHILOSOPHY (PhD) - Honorary**

**4/2007-11/2017**

*World Information Distributed University (WIDU)-Switzerland/Russia*

**Doctoral Thesis** (*Virtual Clinical Research Trial*): Behavioral Economics Approach to Perimenopause, A Learning Culpability of Women in Developing Nations

**Papers Completed:** Africa, African women, natural health, perimenopause: <http://www.bridgettes.com/AboutBrenda.htm>  
[not conferred/unpublished]

### **DOCTOR OF NATUROPATHY (ND)**

7/2013-6/2015

Trinity: School of Natural Health-Warsaw, IN

GPA 95

**Dissertation:** Academic Curriculum Preparedness: Incorporation of Principles of Homeopathy

**Courses Completed:** History of Naturopathy; Medical Jurisprudence; Orthomolecular Nutrition, Reflexology, RX for Nutritional Healing; Choices in Therapy: A Cancer Battle Plan; Practical Iridology; Herbal Materia Medica, Homeopathy I; Men's Health; Children's Health; Women's Health; Pregnancy Health; Senior Health; Kinesiology; Anatomy and Physiology – Advanced; Dry Blood Cell Analysis; Acupressure; Enzyme Health; Chemistry of Man; Bach Flower Therapy; Positive Mental Health; Diet and Nutrition; Analyzing pH.

### **VIRTUAL COURSES: CERTIFICATES EARNED**

#### **Research**

Discovering Science: Scientific Writing (University of Leeds~FutureLearn) 2/2017

Developing Your Research Project (University of Southampton~FutureLearn) 8/2014

Mastering Academic Research: Information Skills for Successful Students (FIT~Canvas Network) 7/2014

Understanding Research Methods (University of London~Coursera) 7/2014

Data Management for Clinical Research (Vanderbilt University~Coursera) 7/2014

Doing Journalism with Data (European Journalism Centre~Canvas Network) 6/2014

#### **Politics/Law/Procedures**

Cultural Diplomacy (European University Institute (EUI)~Future Learn) 3/2019-Present

The Changing Global Order (Universiteit Leiden~Coursera) 1/2019-Present

Diplomacy in the 21st Century (The Open University (OU)~Future Learn) 1/2019-Present

Global Diplomacy-Diplomacy in the Modern World (University of London~Coursera) 12/2018-1/2019

Public Policy Challenges of the 21st Century (University of Virginia~Coursera) 7/2018-1/2019

Moral Foundations of Politics (Yale~Coursera) 5/2018-Present

Global Systems Science for Policy (Complex Systems Digital Campus~Future Learn) 4/2018

Financial Industry Regulatory Authority (FINRA) Arbitrator

- Discovery-Abuses & Sanctions Training 12/2018
- Dispute Resolution: Basic Arbitrator Training 9/2016- 3/2017
  - Prepare to Conduct a Fair and Impartial Hearing
  - Conduct a Fair and Impartial Hearing
  - Decide the Outcome of the Case

- Dispute Resolution: Expungement 3/2017

- Dispute Resolution: Understanding the Prehearing 3/2017

Arbitration Forums, Inc. 10/2016-4/2017

- Writing Quality Decisions
- Writing Effective Contentions (Filing Company)
- Writing Effective Contentions (Responder Company)
- Intermediate Arbitration for Arbitrators

Intro to Contractual Compliance (ICANN) 9/2016

Risk Management in Higher Education: Student Issues (Canvas Network) 11/2013

U.S. Military Service and the Law (The John Marshall Law School~Canvas Network) 11/2013

#### **Information Technology/Data Science**

Internet Giants: The Law and Economics of Media Platforms (The University of Chicago~Coursera) 3/2017-Present

ICANN for Business 9/2016

Data Scientist's Toolbox (John Hopkins University~Coursera) 3/2015

Metadata: Organizing and Discovering Information (University of NC at Chapel Hill~Coursera) 10/2013

ASME Standards Assessment Based Course (American Society of Mechanical Engineers) 7/2013

#### **Business/Education**

Globalizing Higher Education & Research for the 'Knowledge Economy' (UW-Madison/Bristol) 5/2014

Organizational Analysis (Stanford University~Coursera) 12/2013

Project Management Skills for All Careers (Canvas Network) 12/2013

Innovation & Design Thinking (University of Cincinnati~Coursesites) 11/2013

Lean Canvas (udemy academy) 9/2013  
 Reinventing School-A Design Thinking Challenge (udemy academy) 9/2013  
 Design Thinking Action Lab (Stanford University~NovoEd) 8/2013

**Health**

Understanding Plants-Part I: What a Plant Knows (Tel Aviv University, Coursera) 2/2017  
 Health Technology Assessment: Choosing which Treatment Gets Funded (University of Sheffield) 3/2016  
 Introduction to Neuroeconomics: How the Brain Makes Decisions (HSE/NRU~Coursera) 8/2014  
 Introduction to Pharmacy (Ohio State University~Coursera) 3/2014  
 Inside Cancer (University of Bath~Future Learn) 2/2014  
 Good Brain, Bad Brain (University of Birmingham~FutureLearn) 2/2014  
 New Nordic Diet-from Gastronomy to Health (University of Copenhagen~Coursera) 11/2013  
 Fundamentals of Human Nutrition (University of Florida~Coursera) 4/2013

**SCHOOLS of LAW**

*California School of Law (CSL) - Bar Attorney Track* 8/2012-4/2013

**Courses Completed:** Torts, Criminal, and Contracts I & II Law

*Former Law Schools – Non Bar Executive JD Track (5 months of courses)*

**DOCTOR of MANAGEMENT (DM)**

**Organizational Leadership Concentration** - Practitioner Degree 12/2001-7/2004  
*University of Phoenix (UOP)–Online – Phoenix, AZ* GPA 3.8

**Published Dissertation: Women Executives in the Information Technology Arena**

**Theory Formulated: Organizational Gender Perception Theory**

**Courses Completed:** Catalytic Leadership and Group Process; A Philosophy of Knowledge; Inventing the World: How We Construct Meaning; Organizational Theory: The Structural Conventions of the Industrial Paradigm; Leadership Theory: The Human Conventions of the Industrial Paradigm; Organizational Culture and Change; The Essence of Leadership: Communicating, Team Building and Coaching; A Skill shop; The Mind of the Manager/The Mind of the Managed; Unconventional Wisdom and the Anti-Establishment Challenge; Organizations and Systems Thinking: The Web of Inclusion; The Moral and Social Responsibility of Leadership; Appropriate Research Methods; Four Comprehensive Exams (Organizational, Leadership, and Management Theories, and Epistemology); Finalizing the Design of the Doctoral Project; Reading and Conference: Preparing the Doctoral Proposal with Mentor (DOC 789); Doctoral Project Research/Writing (DOC 798); Preparing the Doctoral Project (DOC 799).

Communicated via online newsgroups: posting individual and group analytical papers and participated in in-depth discussions. Attended 2-week and 4-day residencies annually. Team-oriented environment. Worked with a mentor and three committee members who hold Doctorate’s degrees in technology or diversity from different universities.

**LEADERSHIP CERTIFICATE PROGRAM** 12/2001-2004

Self-pace course by the American Business Women Association (ABWA)

**EXECUTIVE LEADERSHIP DEVELOPMENT PROGRAM** 10/2001-4/2002

One-on-one coaching/20-week training course present by Connected Solutions Incorporated (CSI)

**DOCTOR OF PHILOSOPHY OF APPLIED MANAGEMENT AND DECISION SCIENCES**

**Leadership & Organizational Change Specialization** 02/2001-11/2001

*Walden University Online* - {Transferred to the University of Phoenix}

Research analysis/courses completed:

- How Technology has Altered Societal Development and Organizational Culture: Completed a Survey Methodology: Forwarded Results to Technology & Magazines Companies, Universities, and so forth.
- Human Inquiry (What is science?)

**MASTER OF INFORMATION TECHNOLOGY (MIT)** Graduated 09/2000

*American InterContinental University (AIU): School of Information Technology -Dunwoody, GA* GPA 3.4

**Projects Summary:**

- Designed and created database structures to store, update, and display data in relational database; created shareable

- PL/SQL blocks of application code, and used Oracle Procedure Builder to develop and debug PL/SQL programs.
- Designed, built, and tested a database (backend) and a Program Data System (front end) for a training company data system in a team oriented environment
- Installed and configured Windows NT; conducted troubleshooting and preventative maintenance techniques on hardware and software. Prepared a detailed network layout design for the installation of a Local Area Network (LAN)
- Developed VB programs incorporating Active X/Access database in a 3-tiered client/server model
- Designed personal web site using HTML, ASP, MS Access, FrontPage 97, and VB Script
- Utilized the phases of Project Management/Leadership in the technical, behavioral, and change management fields.
- Created business proposals for the acquisition of contracts for IT projects/a kiosk application for a retail outlet using Java.

## UNDERGRADUATE COLLEGES:

**BACHELOR OF APPLIED SCIENCE (BAS) DEGREE** – Morrow, GA. **Graduated 6/1998**  
**ADMINISTRATIVE MANAGEMENT** - Clayton College & State University: School of Technology **GPA 3.5**

**Harcourt Learning Direct (formerly ICS):** Correspondence Course – Journalism/Short Story Writing, **Diploma**, 1996

**Old Dominion University (ODU):** Business Management & Journalism courses, 1994-1995

**Gordon College:** Associate of Applied Science (AAS) in Business, **Degree**, 1993, **GPA 3.4**. Made Dean's list and Honor Roll

**Macon Technical Institute:** Information and Office Technology/Information Processing Specialist (IPS), **Diploma**, and Secretary, Diploma, 1992, GPA 3.96

## PROFESSIONAL PROFILE

I am a proud veteran and business owner / executive possessing impeccable integrity and leadership skills. I am an effective communicator, motivator, coach, official, community leader, loving father and husband. I welcome challenges and changes head-on and influence others towards positive results using my interpersonal and problem-solving skills. I am highly self-motivated, calm under adversity, exceptionally fit, extremely athletic and mentally tough...I love to serve and win! I have a strong desire to utilize my vast talents and wealth of knowledge and experience that I have gained serving our outstanding military, community (HOA and non-profit board President) and civilian sector (company owner/executive) to continue to make positive differences for my family, my work place, my community and our great country. I currently reside in Marietta, GA and own a residence in Annapolis, MD.

---

- Participate in afternoon and evening information sessions held by the TCOB for potential students for the Terry Professional MBA programs.
- Participate in MBA fairs on behalf of TCOB to talk to potential students for the Terry Professional MBA programs.
- Featured alumni in current TCOB Professional MBA brochure and mentor to a Terry undergraduate student.
- Mentor two Terry undergraduate students as they prepare for life after college.

### **UNIVERSITY OF WEST GEORGIA, CARROLLTON, GA**

- Member of the Alumni Association Board of Directors to further mission of the university, connect with undergraduates, and to strengthen the West Georgia alumni base.
- Serve on the Student/Alumni committee which includes speaking at Admission Road Shows to potential students and participate in on campus activities to connect with current students.

### **BUCKHEAD CHURCH, ATLANTA, GA**

- InsideOut high school ministry small group leader which involves developing 10 high school Freshmen while they work their way through high school.
- Work one on one with each Freshman in the small group to facilitate mentor style relationship.
- Conduct weekly small group sessions to go over the message and address issues they are currently handling.
- Attend after school activities to show support and reaffirm positive relationship.

## EDUCATION

### Georgia State University

Bachelor of Science in Physical Therapy, June 1987

### Young Harris College

Associate of Science, June 1983

## AFFILIATIONS & CERTIFICATION

American Physical Therapy Association, Orthopedic Section

Georgia Board of Physical Therapists

California Board of Physical Therapists

Colorado Board of Physical Therapists

Idaho Board of Physical Therapists

National Strength and Conditioning Association

Certified Strength and Conditioning Specialist

Certified Ergonomics Assessment Specialist II

Certified Spinal Manipulation Therapist

Certified Dry Needling Specialist

Certified Osteopractor ©

## PROFESSIONAL EXPERIENCE

### PCS Fitness, Inc.

*Owner & President, March 2013-Present*

- *Own and operate concierge-based/PRN physical therapy practice.*

### Lamonde Wellness, Inc. - PRN P.T.

*March 2015- Present*

- *Provide Rehabilitation and Conditioning for Sports Medicine and Orthopedic population.*

### NeuroSport/NeuroTour - PRN P.T.

*February 2017 -Present*

- *Provide rehabilitation and strength training for the performing arts and in an outpatient clinic*
- *List of Tours for provision of care:*
  - *2018 -Just Mercy - New Film Production*
  - *2018 - Nine Inch Nails - Industrial Rock Tour*
  - *2018 - Finding Neverland - Off Broadway Theatre*
  - *2017 -Into the Woods - Broadway Theatre*
  - *2017 -Phantom of the Opera - Broadway Theatre*
  - *2017 -Stomp - Physical Theatre*

### **Top Tier Sports Medicine - LPGA and Symetra Tours**

*January 2014 - October 2016*

- *Responsible for medical/rehabilitation/training implementation and care for the professional athletes of the LPGA Tour*

### **Comp Health Traveling Physical Therapist**

*August 2013 - July 2019*

- *Assignment in Camarillo, California, with United States Health Works*
- *Lead P.T. in busy outpatient department for Kaiser*
- *P.T. in Concord, Ca. OP PT department*

### **Habersham County Medical Center**

*Outpatient Rehabilitation Specialist & Outpatient Coordinator*

*Staff P.T., October 2004 - October 2011, July 2012 - March 2013*

*Director, April 2013 - July 2013*

- *Responsible for all outpatient care, education, marketing, industrial and sports medicine program development; procured satellite clinical settings*
- *HMC/PreCare contractual agreement for Johnson & Johnson Industrial Wellness Program*

### **Bench Mark/ProTherapy Physical Therapy**

*Floater/Trainee for Area Director, April 2012 - June 2012*

- *Responsible for all outpatient care for multiple clinics, marketing, and training for the area director of North Georgia*

### **CompHealth**

*Traveling Physical Therapist, October 2011 - January 2012*

- *Benewah Community Hospital Outpatient Physical Therapy*

### **Career Staff Unlimited**

*Traveling Physical Therapist, February 2012 - April 2012*

- *First Assignment: Southern Orthopedic Specialists*

### **Resurgens Rehabilitation**

*Director of Rehabilitation, January 2004 - October 2004*

- *Responsible for all outpatient care, operations management, and development of outpatient orthopedic clinic*

### **Baptist Medical Center - Northside Hospital Forsyth**

*Lead P.T. and Rehabilitation Coordinator, August 2001 - December 2003*

- Responsible for staff supervision, marketing and project development, process improvement, and patient care in outpatient wellness

### **Steagall Physical Therapy and Wellness Center**

*Owner/Director, January 1999 - December 2003*

- Responsible for all operations management, marketing, and patient care using multi-discipline wellness
- Services provided include exercise therapy, physical therapy, wellness therapy, and the development of personalized training programs

### **Chalcedon School**

*Athletic Director, June 2000 - June 2003*

- Served as a special consultant who developed the school's athletic program, including sports training, conditioning, and general health instruction.
- Empowered students to pursue total wellness through cultivating their best physical/mental performance.

### **Rehabworks**

*State Director of Georgia, April 1997 - December 1998*

- Responsible for all operations management and development of multi-discipline rehabilitation clinics for the state of Georgia.
- Responsible for the operations coordination, management, and marketing of all REHABWORKS clinics throughout the state of Georgia, as well as the procurement of additional clinics for the network.

### **American Mobile Therapists**

*Traveling Therapist, Converse County Memorial Hospital, October 1996 - February 1997*

- Responsible for patient care in administrative and supervisory roles
- Responsible for program development in athletics and industrial settings (focus on outpatient acute care and SNF settings)
- Temporary assignment in Douglas, Wyoming

### **Pinnacle Rehabilitation/Lanier Park Regional Hospital**

*Assistant Administrator, May 1994 - March 1996*

- Assisted in the management of the hospital's daily administrative activities and inpatient/outpatient services
- Responsible for providing patient care in both inpatient and outpatient settings, as well as for the hospital's marketing and development in Northeast Georgia

### **Physical Therapy Clinics of Georgia/Rockdale Hospital**

*Director of Physical Therapy, May 1992 - May 1994*

- Oversaw inpatient, outpatient, and sports medicine patient care

### **Physical Therapy Clinics of Georgia/Spalding Regional Hospital**

*Director, April 1991 - May 1992*

- Same as Rockdale Hospital and outpatient center responsibilities highlighted above

**North Fulton Regional Hospital**

*Sr. Physical Therapist, November 1988 - April 1991*

- Responsible for patient care in outpatient, orthopedic, and sports-related injuries

**Saint Joseph's Regional Hospital**

*Staff Physical Therapist, June 1987 - August 1988*

- Responsible for treatment modalities in acute care, wound care, cardiopulmonary joint replacement, and all surgical specialties

***References and a list of continuing education courses are available upon request.***

# CLIFFORD E. LOVEJOY

Top Secret Security Clearance/SSBI/Date Final Clearance 19 Oct 2013

## PROFESSIONAL EXPERIENCE

### **MOBILIZATION OFFICER (GS-13)** | Installation Management Command (IMCOM), San Antonio, TX | 2013 to 2016

Serves as the command's lead in providing leadership and control (C2) or Army Staff Level Command/Region's HQs, who in turn provide command and control for Army Garrisons/Installations worldwide responsible for executing Base Operations (BASOPS); Training Support; and Mission Readiness Operations to support USAREUR; EUSA; USARPAC; FORSCOM; TRADOC and MEDCOM. Provides operations and mobilization support services to IMCOM HQs and six Regional Offices, DRUs and installations. The operations support services include operating in the IMCOM Emergency Operation Center. Serves as the decision-maker for Support Base Services contract for IMCOM sustaining base installations. Provides ARSTAF, Mission Installation Contracting Command (MICC) and IMCOM leadership with recommendations that are logical, accurate, and complete.

- Executive Officer and team lead on FORSCOM Inspection Team responsible for the mobilization, deployment, demobilization, and redeployment operations. Cost avoidance of \$26.7M and helped develop new mobilization policy for Department of the Army.
- I supervised the IMCOM Contingency-Active Duty for Operational Support (CO-ADOS) reduction plan for six Force Generation Installations (FGI). \$37.6MI (45%) reduction of ADOS
- Developed the Tour of Duty OPOD enterprise approach to validate, announce, and manage all IMCOM CO-ADOS positions worldwide. IMCOM has 433 Soldiers across 4 Regions performing all common levels of support.
- Lean Six Sigma Black Belt project leader responsible for the reduction of process cycle time for military manpower to fill critical positions on FGIs. I reduced the IMCOM PCT by 25%.

### **CHIEF, EXPEDITIONARY COMMAND TEAM** | Installation Management Command (IMCOM), San Antonio, TX | 2012 to 2013

Responsible for operations, management, and logistical support in the ECT. Provides leadership to 10-15, senior non-commissioned officers, and managed a budget and resources over 36K. Conducts independent analysis, research analysis, and assessment on matters affecting Army policies, programs, and the well-being of Soldiers, Civilian Component, and Contractors. Manage for IMCOM the United States Forces – Afghanistan Base Operations Support Integration (BOS-I) for two strategic hubs in Afghanistan – Bastion/Leatherneck (BLN) and Bagram Airfield (BAF).

- Selected to serve as Chief, ECT, which is a Colonel billet (O-6). Single handily developed the ECT to handle Expeditionary Operations, which is a new, rapidly emerging mission for the Army.
- Chief, supervised a strategic cell responsible for sourcing two strategic hubs in Afghanistan. I have identified and managed budget requirements for BOS-I Operations and Mobile Training Teams. I executed flawless rotations.
- Leveraged operations, staff leadership, and selected source selection board members to provide Acquisition leadership with recommendations that were accurate, logical, and complete. Cost avoidance of \$6.5 mil.
- Superbly planned, programmed and developed the logistical, personnel and operational requirements for the BOS-I and Tour of Duty (TOD) programs for Active Duty 3-Star HQ.

### **WESTERN HEMISPHERE POLICY INTEGRATOR** | Secretary of Defense, Counternarcotics, Counterproliferation, and Global Threats, Arlington, VA | 2006 to 2007

Devised and delivered DoD's collective counternarcotic strategies and program leadership, incorporated AC/RC component employment in program activities in the United States, Mexico, Canada, and the Horn of Africa. Advised on critical factors that affected the planning and future of DoD counternarcotics policies. Completed independent research/analysis on proposed strategies, planning, and operational deployments (international/domestic) as well as special operations before presenting for approval.

- I briefed DoD's input to the FY07 Drug strategy at the White House Office of National Drug Control Policy; superior communicator. I was entrusted with inserting DoD's contributions to the National Southwest Border Counternarcotics Strategy.

## CLIFFORD E. LOVEJOY

- Personally, briefed the Principal Deputy Undersecretary of Defense on multiple complex and short-fused counterdrug missions securing his approval for over 25 domestic Counternarcotics missions: 100% approval rate.
- I have reviewed daily proposed policies, plans, and operation deployments, which are inextricably linked to GWOT in general, and Narcoterrorism that influenced strategy and operations.
- I drafted and coordinated OSD implementing guidance for DoD and Presidential level policies and executed all counternarcotic deployment/operation missions; that included law enforcement agencies, joint staff, special operations, and interagency mission execution.
- Policy integrator performing independent analysis and research at the National level; met and exceeded all complex requirements.
- Supervised the planning, development, and execution of the Worldwide Counter-Narcoterrorism Conference; updated interagency counternarcotics strategies: Superior results.

### STRATEGIC PLANNER | Pentagon, Arlington, VA | 2000 to 2002

Served as a strategic planner in the Army Initiatives Group, a vital cell working directly for the DCS, Operations, and Plans. Conducted independent research, management analysis reviews that influenced policy decisions affecting national security strategy, emerging doctrine, global mobilization, and plans and operations. Initiates and coordinates the development of innovative ideas, procedures, processes, methods, or approaches of substantial scope, difficulty, and complexity. Served as team lead and member of the Crises Action Team in the Army Operations Center. Certified and experienced with JSCPS, WWMCCS, GCCS, JOPES, WIAS, PACMERS, DMMS, and C2PC systems.

- Significantly instrumental in high visibility efforts involving Army Transformation planning, continuous improvement issues, and program integration. Responsible for performing SMA's "blue chip" programs.
- Ideated innovative concepts, procedures, processes, and approaches in short- and long-range strategic planning, development, and deployment of Army Transformation.
- I have completed numerous quick-reaction studies and analysis of multiple sources throughout the Army and other external organizations that provided reliable intelligence.
- Traveled the Globe as the Army's top enlisted subject matter expert working Strategic Planning and Army Transformation issues; feedback used to influence important policy decisions.

### EARLY CAREER

#### FORCE READINESS, SERGEANT MAJOR | Pentagon, Arlington, VA | 1999 to 2000

Served as a primary action officer and leader in reviewing and coordination of HQDA (Headquarters Department of the Army) response to official Congressional inquiries from the House and Senate Armed Services Committees in fiscal, equipment, readiness, operations, mobilization, and contingency planning. Managed \$3M worth of classified real property. Team leader and member of the Crises Action Team in the Army Operation Center. Experienced with SIPRNET IASO duties, accreditations, and proper security.

- Develops issues books to prepare Director for questions from a member of Congress and conducts required preparatory sessions to ensure Director is fully prepared to appear before the military oversight committee or members of Congress.
- Participates in the preparation of congressional testimony for the Chief of Staff, Army and attended selected committee sessions. Fully coordinate statements through ARSTAF, JCS, and OMB.
- Translates operations and plans guidance into executable mission requirements through development and dissemination of Operation Orders (OPORDS) and Execution Orders (EXORDS).

#### PROGRAM MANAGER | U.S. Army, Fort Belvoir, VA | 1995 to 1999

Manages the execution for the Command Training Guidance, Organizational Inspection Program, Reserve Affairs (ROTC/JROTC) programs, and Army Schools program. Manage 12 military training areas (17,000 acres) and six training facilities. Oversees range and training area operations to include developing contracts and writing statement of works, planning for maintenance and improvements, to include major and minor renovations, and conducts periodic inspections to ensure implementation.

- Plans manage and supervise the mobilization, deployment, demobilization and redeployment operations for Fort Belvoir and its tenants.
- Serves as Resource Manager, monitored the execution of the approved operating budget for OMAR and OMA funding, and certified the availability for commitments. I have exercised budget control through review and approval of the obligation of funds and authenticated all military TDY orders for the installation.
- Supervise the Installation ammunition program, and indoor medium bore rifle/pistol range on strategic base.

## CLIFFORD E. LOVEJOY

- I Supervised 20-25 professional personnel directly and through subordinate supervisors. Select, review, and approve the selection and hiring of staff. Establish performance standards and reviews and write accurate job descriptions.

M.S., Emergency and Disaster Management – Saint Leo University, Saint Leo, FL – In progress (full-time)  
B.A., Sociology (Applied & Clinical & Diversity Inequality)– Saint Leo University (Gwinnett Center), Saint Leo, FL – 2018

---

### PROFESSIONAL TRAINING/CERTIFICATION

---

Sexual Harassment/Assault Response and Prevention, Department of the Army, 80 hrs.  
Lean Six Sigma Black Belt (SSBB), Department of the Army, 120 hrs  
Executive Level, Combined Federal Campaign, Georgetown University, 40 hrs  
Antiterrorism Program Manager, U.S. Army Military Police School, 80 hrs.  
Conventional Physical Security/Crime Prevention, U.S. Army Military Police School, 80 hrs.  
Army Management Staff College Personnel Management Executives-I, 72 hrs.  
Army Management Staff College Sustaining Base Leadership Management, 480 hrs.  
Organizational Leadership for Executives, Army War College, 80 hrs.  
Resource Management Budget Course, U.S. Army Finance School, 80 hrs.  
U.S. Special Operations Command – Joint Special Operations Forces (JSOF), 40 hrs.  
Army Force Management Course, U.S. Army Force Management School, 160 hrs.  
Planning, Programming, Budgeting and Execution, U.S. Army Finance School, 80 hrs.  
Joint Operation Planning & Execution Systems, U.S. Transportation Command, 40 hrs.  
Army Global Command and Control System, Strategic and Theater Command, 40 hrs.

**PROFESSIONAL EXPERIENCE**

**THE COCA-COLA COMPANY** Atlanta, GA April 2014 – present  
**SENIOR DIRECTOR, RISK ASSESSMENT CENTER OF EXCELLENCE**  
*Global Scientific and Regulatory Affairs*

**SC JOHNSON AND SON, INC.** Racine, WI and Shanghai, China July 2010 – April 2014  
**DIRECTOR, ASIA PACIFIC SAFETY ASSESSMENT AND REGULATORY AFFAIRS** (Aug 2011 – April 2014)  
*Global Safety Assessment and Regulatory Affairs Division (GSARA), Shanghai, China*  
**SENIOR SECTION MANAGER, PRODUCT SAFETY** (July 2010 – July 2011)  
*Global Safety Assessment & Regulatory Affairs Division, Racine, WI*

**RJ REYNOLDS TOBACCO COMPANY, INC.** Winston-Salem, NC Feb 2006 – July 2010  
**SENIOR MANAGER, METHODS OF TOXICOLOGICAL ASSESSMENT, PRODUCT INTEGRITY**

**NATIONAL CENTER FOR FOREIGN ANIMAL AND ZONOTIC DISEASE DEFENSE** Nov 2004 – Feb 2006  
*A U.S. Department of Homeland Security University Center of Excellence*  
**COORDINATOR FOR EXTERNAL AFFAIRS / RESEARCH SCIENTIST**  
*Texas A&M University, College Station, TX; University of California, Davis, CA*

**UNITED STATES NAVY** Dec 1997 – Dec 2004  
**ACTIVE DUTY COMMISSIONED OFFICER AND TOXICOLOGIST**

**EDUCATION / CREDENTIALS**

Doctor of Philosophy in Toxicology, Texas A&M University, College Station, TX  
Bachelor of Science in Biochemistry, Texas A&M University, College Station, TX  
Fellow, Academy of Toxicological Sciences (2019 – present)  
European Registered Toxicologist (2016 – present)  
United Kingdom Register of Toxicology (2016 – present)  
Diplomate, American Board of Toxicology (2001 – present)  
Certified Hazardous Materials Manager (1999 – 2015)

**SELECTED PROFESSIONAL ACTIVITIES**

2019 – present Editorial Board, *Toxicology Research and Application*  
2018 – present President, The Toxicology Forum  
2018 – present Chair, Joint Institute for Food Safety and Applied Nutrition Advisory Council  
2017 – 2019 Councilor, Food Safety Specialty Section, Society of Toxicology  
2016 – 2018 Vice President, The Toxicology Forum  
2016 – 2018 Co-chair, JIFSAN Symposium Planning Committee  
2015 – present Advisory Council, Joint Institute for Food Safety and Applied Nutrition (JIFSAN)  
2015 – present Board of Directors, The Toxicology Forum  
2011 – present Industry Advisory Council, Professional Program in Biotechnology, Texas A&M University  
2015 – 2017 Councilor, International Society for Regulatory Toxicology and Pharmacology  
2012 – 2014 Globalization Committee, American Board of Toxicology

2006 – present	Society for Risk Analysis
2002 – 2005	Society of Toxicology Task Force on Chemical and Biological Terrorism Preparedness
1994 – present	Society of Toxicology
1999 – 2000	Tri-Service Toxicology Consortium Steering Committee
1999 – 2000	Environmental Advisory Board, City of Dayton, Ohio

## ACADEMIC APPOINTMENTS

Adjunct Associate Professor, Department of Environmental & Occupational Health Texas A&M University Health Science Center, College Station, TX	2005 – present
Adjunct Professor, Integrated Toxicology and Environmental Health Program Duke University, Durham, NC	2008 – 2011
Adjunct Assistant Professor, Department of Preventive Medicine & Biometrics Uniformed Services University, Bethesda, MD	2000 – 2003

# COLEMAN E. WILLIAMSON

◆ ATLANTA, GA ◆ 30324

## PROFILE

Public service minded, constitutional conservative who excels in a fast-paced environment. One with a quick wit and tough grit to get through the most stressful of situations. Strong views that can be communicated with diplomatic grace and pragmatic enough to find common ground with even the most doggedly partisan individuals. Excellent project management, interpersonal and organizational skills, with the ability to drive and implement ideas in a changing environment, while increasing productivity and proficiency.

## WORK OF EXPERIENCE

### Accreditation Commission for Education in Nursing, Inc. (ACEN), Atlanta, GA

#### Peer Evaluator Advisor

08/2018–Present

- ◆ Recruit and train new Peer Evaluators to be prepared to serve on site visits to nursing program so that those program may be evaluated for the ACEN's standards for accreditation.
- ◆ Coordinate the travel arrangements for Peer Evaluators to visit nursing programs being visited while maintaining budgets and cost expectations.
- ◆ Manages database of all Peer Evaluators and upcoming site visit in order to produce the necessary documents to be sent to programs and site visit teams.
- ◆ Updates the ACEN website ([www.acenursing.org](http://www.acenursing.org)) regularly for newly added Peer Evaluators and those who have retired.

#### Operations Assistant

08/2017–08/2018

- ◆ Provided accreditation verification to those inquiring if a nursing program has and/or had been accredited with the ACEN in the past.
- ◆ Helped coordinate logistics and sponsorships for ACEN events located in Atlanta, Georgia.
- ◆ Built database of nursing program files that were converted from paper documents to electronic files.
- ◆ Assisted the Operations Department as needed.

### Law Offices of Catherine S. Bernard, Brookhaven, GA

05/2014–08/2017

#### Legal Assistant

- ◆ Kept cases organized by establishing and organizing files; monitoring calendars; meeting deadlines; documenting actions; inputting information into file database and case management software; confirming case status with attorney.
- ◆ Helped develop cases by maintaining contact with people involved in the case; scheduling depositions; forwarding summonses and subpoenas; drafting complaints; preparing and filing discovery requests; preparing responses to opposing counsel; generating status reports.
- ◆ Kept clients informed by maintaining contact; communicating case progress.
- ◆ Maintained case costs by verifying outstanding balances with attorney and clients.
- ◆ Supported case preparation by preparing case summaries and materials for mediation conferences; preparing pleadings; monitoring and obtaining discovery responses; organizing materials for team case review.
- ◆ Enhanced trial proceedings by organizing evidence; preparing exhibits; scheduling witnesses; ensuring that witnesses are ready when needed; taking courtroom notes.
- ◆ Accomplished organization goals by accepting ownership for accomplishing new and different requests; exploring opportunities to add value to job accomplishments.

### PNC Financial Services Group Inc., Atlanta, GA

07/2013–04/2014

#### Personal Banker

- ◆ Responsible for attaining established bank and branch goals through active participation in sales management, officer call programs, referrals, and retention of account relationships.
- ◆ Developed new deposit and loan business; provides a superior level of customer relations and promotes the sales and service culture through coaching, guidance and staff motivation.
- ◆ Responsible for the administration and efficient daily operation of a full-service branch office in accordance with the bank's objectives by overseeing the teller function, ATM balancing, night depository processing, Diebold security processing and customer service duties.
- ◆ Performed duties in the absence of the Branch Manager or other such management capacities as directed by the Regional Manager.

**Macy's Inc., Atlanta, GA**

**12/2006–07/2013**

An experienced Senior Pastor with a demonstrated history of leadership in a variety of Christian organizations. Skilled in pastoral care, expository preaching, evangelism, discipleship training, and team management.

### EXPERIENCE

MISSIONARY, COURAGEOUS SERVANT MINISTRIES  
CUMMING, GA 2014 - PRESENT

As a missionary, I endeavor to share the gospel with first responders throughout the southeastern United States. Through our work, lost men and women are evangelized, then incorporated into the local church for discipleship. This has resulted in establishing relationships with numerous Chiefs of Police and Sheriffs throughout the southeastern United States that are now receptive to the gospel being shared within their departments. Providing compassionate counsel for First responders at traumatic events. Participation in Critical Incident Stress Debriefings where I present the gospel. Equipping and training several churches to effectively share the gospel with law enforcement officers. The creation of a Bible study within a large Sheriffs department, and the profession of faith for several first responders.

PASTOR OF DISCIPLESHIP, MARANATHA BAPTIST  
CHURCH

OAKWOOD, GA. 2016-2018

As the pastor of Discipleship, I created and implemented a discipleship programs for new and mature believers that challenged individuals to grow spiritually. I created and implemented outreach programs designed to effectively reach the lost of our community, the state, nation and world. I supported the senior pastor in implementing strategic initiatives, vision, and direction for the church.

---

## DAN CRUMLEY

---

SENIOR PASTOR. OAK CHAPEL BAPTIST CHURCH  
ORANGE, VA. 2013-2014

As the Senior Pastor, I preached weekly and taught midweek Bible studies. I mobilized the church into fulfilling the vision that God had provided to me. This resulted in the tripling of attendance on Sunday morning. The first church wide formal evangelism training to equip the saints to share the love of Christ with the community. The creation and implementation of planned outreach events which included Bible track dissemination, street evangelism, local, regional, and international mission trips. The creation of additional Sunday School classes, and the transition to a Biblically based curriculum which resulted in an increase of new Christians. Counseling of church members covering a broad range of subjects.

SENIOR PASTOR, GRACE FAMILY FELLOWSHIP  
JEFFERSON, GA. 2011-2013

This was a church plant in the suburbs of North Ga. As the "planter" and Senior Pastor I established a core group of families that desired to worship God. Developed the core group into church emphasizing evangelism and discipleship. We grew from our core group of 3 families to a church of 25 in one year. After an additional year, we determined the best way to reach our community was to merge with an existing church of similar size. The new church is growing and continuing to reach others for Christ.

**DARBY M. WILLIAMS**  
[REDACTED]  
**SAVANNAH, GEORGIA 31401**  
[REDACTED]  
[REDACTED]

**PROFESSIONAL SUMMARY**

Highly experienced criminal trial attorney with decades of trial work in California. Completed 86 jury trials to verdict (43 felony trials, five homicides, and two Not Guilty by Reason of Insanity). State wide attorney trainer, consultant, mentor and presenter in California.

Excellent capacity to analyze and articulate complex legal concepts, issues, and to develop persuasive arguments for a wide variety of audiences. Exceptionally strong oral and written advocacy skills.

Extremely capable at managing trial teams and working with others as either the lead attorney, assisting on a team or committee. Second chair experience as well as trial support experience. These skills translate to working on committees within the university system as part of a team of professionals responsible for creation of college bylaws, and standards for student learning outcomes (SLO).

Proven abilities working with justice partners inside and outside of the courtroom for optimal case resolution in a variety of serious felony matters with penalties including death penalty matters. Long standing commitment and dedication to community-based lawyering and advocacy as both a defense attorney and prosecutor in communities of color.

**CORE QUALIFICATIONS**

Strong Organizational Skills  
Compassionate and Tenacious Advocate  
Ability to Work Independently or as Part of a Team  
Quick Learner and Adept Self-Starter  
Strong Trainer, Presenter/Speaker, and Peer Mentor  
Fully Fluent in Microsoft Office Products

**EXPERIENCE**

GEORGIA SOUTHERN UNIVERSITY  
Full Time Lecturer, Criminal Justice Department  
Statesboro, Georgia

August 2017 to May 2019

Subjects taught include Judicial Process, Justice and Ethics, Criminal Investigations, and Criminal Law to undergraduate students pursuing a Bachelor of Science in Criminal Justice. Courses taught are mostly in person but also on-line. Each class is built by the lecturer. To date,

I have built and taught five subjects: Ethics in Criminal Justice, Legal (formerly Judicial Process) Process, Investigations, Criminal Law, and Evidence and Procedure.

This position also requires service to the university in addition to full time course prep and teaching with a 4/4 load. Service positions committed to at present include the Committee on Bylaws, Committee to draft Student Learning Outcomes (SLO), Library Liaison, and Committee for Lavender Graduation (Spring 2019).

SAN FRANCISCO DISTRICT ATTORNEY  
INDEPENDENT INVESTIGATIONS BUREAU  
Assistant District Attorney  
San Francisco, California

May 2016 to June 2017

Assigned to the General Felonies Team, Homicide Team, and Lead Attorney Investigator in cases involving Officer Involved Shootings and In-Custody Deaths occurring in the City and County of San Francisco. Authored multiple declination to prosecute reports, responded to OIS events, and responsible for the thorough investigation into matters involving potential criminal liability for police officers. Responsible for the assembly of the investigative team which included consultation with multiple experts from a variety of disciplines relevant to the investigation.

SANTA CLARA COUNTY PUBLIC DEFENDER  
Deputy Public Defender  
San Jose, California

January 2010 to April 2016

Senior felony trial attorney assigned to defend individuals charged with all class of felony offenses including but not limited to homicide, felony murder, special circumstance murder, multiple sex abuse allegations, rape, pimping, arson, car-jacking, robbery, and assault against police officers.

INNOCENCE LEGAL  
Associate Attorney  
Walnut Creek, California

June 2009 to November 2009

Trial attorney assigned to represent clients charged with felony sexual allegations most often involving children and multiple allegations of molestation throughout the state of California. Responsible for all phases of case preparation including pre-charging negotiation.

SOLANO COUNTY PUBLIC DEFENDER  
Deputy Public Defender  
Fairfield, California

March 2009 to June 2009

Felony trial attorney recruited as extra-help (non-permanent) to assist in the development of peer trial attorneys in the felony division.

BAY AREA LEGAL AID

April 2008 to August 2008

Associate Attorney  
Oakland, California

VAWA (Violence Against Women Act) Grant associate attorney position (temporary) assigned to represent victims of Domestic Violence and Sex Trafficking at all stages of Family Court proceedings including the pursuit of restraining orders, protective orders, move away orders, child custody orders, and dissolution for women who were indigent, undocumented, and victims of mental and physical abuse.

LOS ANGELES COUNTY PUBLIC DEFENDER

December 1996 to April 2008

Deputy Public Defender  
Los Angeles County, California

August 2008 to March 2009

Trial attorney assigned to misdemeanor court, juvenile court, felony adult and juvenile trials. Worked in a number of felony courts all over Los Angeles County including Compton Superior Court, Long Beach Superior Court, Norwalk Superior Court, Criminal Courts Building (Clara Shortridge Foltz Criminal Justice Center-Downtown Los Angeles) and Pasadena Superior Court. Litigated misdemeanor matters, juvenile fitness and delinquency adjudications, and felony matters at the pre-trial and jury trial stage.

Held a supervisory position as a Deputy in Charge of the Bellflower Superior Court from January 2007 to April 2008.

LOS ANGELES COUNTY PUBLIC DEFENDER

June 1993 to December 1996

Paralegal/Law Clerk

Responsible for litigation support for deputy public defenders assigned to all classes of misdemeanor and felony offenses. Assigned to assist Capital Case attorneys as case support and background investigator (preparation of social histories to assist in mitigation stage) for defendants charged with multiple homicides and facing the death penalty.

Worked full time as a Paralegal/Law Clerk during Law School and while taking the California Bar Exam.

LOS ANGELES COUNTY PUBLIC DEFENDER

June 1990 to June 1993

Volunteer/Student Worker

Full time volunteer for approximately eight months performing quasi-paralegal duties, and general office assistance which included filing, answering phones, and document photocopying. Promoted to Student Worker position after which my duties expanded to assisting the deputy public defenders in misdemeanor court.

- 2019            *Doctorate in Public Administration, Valdosta State University (Valdosta, GA)*
- 2009            *Masters in Public Administration, Augusta University (Augusta, GA)*
- 1996            *Bachelors of Science, Stillman College (Tuscaloosa, AL); Magna cum laude*  
Major - Chemistry

## **EMPLOYMENT HISTORY**

**2012 – Present**    **Research Operations Coordinator (Building Manager), Georgia Cancer Center at Augusta University (Augusta, GA)** Maintained Vendor Service Contracts; Served as a Liaison for various campus departments; Compliance contact person for Environmental Health & Safety Division; Contact for METASYS Equipment Alarm Services Installation; Served as Administrative functions/processes: work orders, purchase orders, and equipment rentals; Maintains Safety & Compliance standards; Orders all large equipment and computer purchases as well as responsible for routine maintenance; etc.

**2010 – 2012**    **Outreach Development Coordinator, Center of Innovation (COI) for Life Sciences (Augusta, GA)**  
Involved with business and entrepreneurial development as it pertains to the COI and the Life Science Business Development Center located on the campus of MCG/GHSU. Manage daily operations of the business incubator including recruiting new staff and technology.

**Adjunct Faculty, Augusta Technical College (Augusta, GA)**  
College Algebra Professor in the General Education and Learning Support Department

**Adjunct Faculty, Strayer University (Augusta, GA)**  
Contemporary International Issues (POL300) and U.S. Government (POL110)  
Professor in the Political Science Department; Developmental Mathematics (MAT090)  
Professor in the Mathematics Department

**2006 – 2009**    **Hazardous Material Technician, MCG/GHSU (Augusta, GA)**  
Ensure that campus wide adherence to local, state and federal regulation pertaining to hazardous materials. Assist in educating staff of MCG policies and procedures

**2006-2009**    **Radiation Safety Technician I, MCG/GHSU (Augusta, GA)**  
Conduct Department of Corrections Medical Facility Survey visits for Georgia

**2000 – 2005**    **Chemist, Westinghouse Savannah River Company (Aiken, SC)**  
Project leader for new installations and radiological laboratory. Ensure compliance with environmental regulations. Design and present various technical/non-technical presentations.

**2001 – 2009**    **Adjunct Faculty, Aiken Technical College (Aiken, SC)**  
College Algebra Professor in the Mathematics Department

**Board Membership:**

Citizen's Advisory Board to the Department of Energy (Savannah River Site)

**References:** (Available Upon Request)

# David Heenan

B.A., International Affairs, the University of Georgia

## EDUCATION: University of Georgia, School of Public and International Affairs

- Bachelor of Art, International Affairs
- Security Leadership Fellow, Center for International Trade and Security
- Global Leadership Certificate, Center for the Study of Global Issues
- China Fellow, MOFCOM/NORINCO

*Visionary leader with strong track record of defining complex problems, identify their root causes and creating novel solutions to deliver exponential value. My diverse background gives me unique, systems level perspective on driving innovation and experience on ground executing against strategic plans.*

## EXPERIENCE

### DIRECTOR OF OPERATIONS, BRIGHTEDGE

AUGUST 2018 - PRESENT

The Philanthropic Impact Fund of the American Cancer Society

- 1 of 2 member founding team responsible for formation, process development, marketing, back office operations and recruitment.
- Chartered and launch new fund with unique model from scratch in 9 months.
- Reviewed over 250 potential investment deals and executed 4 investments totaling \$11 million.
- Designed, initiated and managed marketing and development campaign.

### CO-FOUNDER & CEO, ACES HEALTH

MAY 2015 – AUGUST 2018

Automated Collection and Engagement Systems for life science and population health

- Founded and scaled technology startup through acquisition.
- Raised over \$4 million in venture and institutional capital.
- Managed team of 16 including development, compliance, sales, and P&L.
- Managed validated product development from inception through V 3.0.

### EDITORIAL ASSISTANT, THE COLEMAN GROUP, INC.

SEP 2014 -MARCH 2016

*The Journal on Preventing Chronic Disease*, Center for Disease Control and Prevention

- Perform preliminary edit on approximately 60 manuscripts every month.
- Act as communication hub for all editors, authors, reviewers, and staff.
- Maintain manuscript database in order to track submissions and publishing workflows.

### CONGRESSIONAL AIDE, UNITED STATES HOUSE OF REPRESENTATIVES

MAY 2013-AUG 2014

10<sup>th</sup> Congressional District of Georgia

- Coordinate with DC staff to prepare stateside schedule for an active Member of the US House of Representatives.
- Liaise with constituents, community stakeholders, and local, state, and federal officials.
- Represent or accompany the Congressman to all events and meetings within the state of Georgia.

### GRASSROOTS DIRECTOR, UNITED STATES SENATORIAL CAMPAIGN

MAY 2013-AUG 2014

2014 US Senate election of Georgia

- Managed 12 interns, 3,600 volunteers, and dozens of grassroots organizations for 2014 United States Senate campaign.
- Supported fundraising efforts of over \$1 million.
- Managed all social media outlets to generated original campaign content and coordinated with senior level staff on messaging, graphics, and targeting.
- Conducted research and provided timely reports on trending policy topics in order to integrate messaging priorities.

### NONPROLIFERATION POLICY ASSISTANT, US DEPARTMENT OF ENERGY

NOV 2012-NOV 2013

Argonne National Laboratory

- Coordinated international training events and analyzed evolving US/international trade regulations and defense/dual-use technologies.
- Updated and maintained online database of client state and international trade regulations provided to over 70 countries.

- Updated and revise National Nuclear Security Administration’s Engagement Plans for China, Latin American, and the Caribbean.
- Co-authored “Virtual Reality Training for Nuclear Facility Inspectors.”

**PROGRAM ASSISTANT, OFFICE OF WORKFORCE DEVELOPMENT**

SEP 2012-DEC 2012

Governor’s Office of Georgia

- Assisted in the development and implementation of the Governor's "Georgia Jobs for Veterans" initiative.
- Assisted in the development and implementation of "Troops to Trucks" MOU between GOWD, GDOL, GDOT, and Ft. Benning.
- Authored "Pledge to Support Georgia Veterans," signed by 50+ Georgia employers and first draft of the "Veteran Licensure Bill," passed into law by the State Legislature during 2013 session.
- Co-organized "2012 Veteran's Career and Services Expo" that included over 300 vendors and over 2,000 participants.

**RESIDENT ASSOCIATE, US DEPARTMENT OF ENERGY**

MAY 2012-SEP 2012

Argonne National Laboratory

- Supported engagement with foreign partners for the International Nonproliferation Export Control Program.
- Assisted in the organization of the Nuclear Nonproliferation Workshop on Reactors and the Commercial Nuclear Industry.
- Produced “Ten Year Analysis of US Export Control Violations.”

**CHINA FELLOW, CHINA MINISTRY OF COMMERCE/NORTH CHINA INDUSTRIES CORPORATION**

JUN 2012-JUL 2012

Shenzhen, Beijing, Xi’an, Shanghai

- Lectured on ITAR, EAR, CCL, USML, OFAC, United States licensing and enforcement mechanisms, and multilateral export control regimes.
- Co-organized and participated in two strategic trade control workshops for over 140 representatives from a variety of sectors in Chinese Industry.
- Generated reports on United States export control reform initiative and current export control laws and regulations including the STA, VEU, EAA, IEEP, AECA, EAR, and ITAR.

**RESEARCH ASSOCIATE, BRITISH STANDARDS INSTITUTE**

NOV 2011-MAY 2012

Athens, Georgia

- Generated reports on emerging dual-use technologies and current proliferation risks.
- Assisted in the "Technical Development and Network Analysis," special project on behalf of the U.S. Dept. of State.

**SECURITY LEADERSHIP FELLOW, CENTER FOR INTERNATIONAL TRADE AND SECURITY**

AUG 2011-JUL 2012

University of Georgia

- Lead author on joint work report provided to 15 Caribbean Community Heads of State at the United Nations General Assembly; “CARICOM: Working Together Toward Security” September, 2011.
- Conducted research on export controls, global trade compliance, nonproliferation, and supply chain security to provide context for international conference attendees and CITS projects.
- Provided support for and attended the 13<sup>th</sup> and 14<sup>th</sup> Annual Security and Strategic Trade Management Academy for U.S. and foreign officials: October 2011, March 2012.

DAVID W. SULLIVAN

[REDACTED] Fayetteville, Georgia 30214

[REDACTED]

[REDACTED]

BACKGROUND

Retired military officer / former helicopter instructor pilot with over 2800 hours of flight experience. Owner/operator of balloon repair station since 1994, owner/school administrator for sole balloon flight training program in the Southeast with FAA approval. Previous consulting positions include maintenance data program analysis and changeover for Delta Air Lines, tech writer for contractor for rewrite of FAA training handbooks. Former contract training manager for Raven/Aerostar; developing training program for major manufacturer / supplier of aerostat surveillance programs and equipment to U.S. and foreign government / military agencies.

EDUCATION

BS, Education/Sociology, Excelsior University, Albany, NY  
Graduate work in Aviation Management/Safety Management, Embry-Riddle Aeronautical University  
Military Instructor Pilot Course, U.S. Army Aviation Center, Fort Rucker, Alabama  
Human Factors and Risk Mitigation Course, U.S. Army Safety Center, Fort Rucker, Alabama  
Accident Investigator's Course, U.S. Army Safety Center, Fort Rucker, AL  
500+ hours safety seminar continuing education in current standards of pilot decision-making, federal regulations, accident analysis, weather and maintenance/repair by the nation's leading authorities in ballooning.

OCCUPATION

Commercial Pilot, Rotary-Wing/Instrument, and Lighter-than-Air, Free Balloon (limited to airborne heater).  
Balloon Instructor Pilot; Flight Instructor for FAA Air Agency Part 141 Flight School  
Military Instructor Pilot, Rotary-Wing, CH-47 Initial Qualification and Transition Courses  
Hot Air Balloon Repairman; FAA Repairman Certificate 3714815  
Certificated Flight Instructor, Rotary-Wing, 2684028CFI (expired)  
Designated Pilot Examiner SO-11-61  
Corporate Balloon Program Manager/Pilot

CORPORATE SPONSORS

Harley-Davidson, Evoshield, Ringling Brothers & Barnum and Bailey Circus (Feld Entertainment), World Championship Wrestling, FOX Television, various special shape and appendage balloons

PUBLICATIONS – BOOKS

Lead Technical Writer/Author, Balloon Flying Handbook, FAA-H-8083-11A  
Technical Writer, Aviation Instructor's Handbook, FAA-H-8083-9A  
Technical Writer, Rotorcraft Flying Handbook, FAA-H-8083-21A  
Technical Writer, Pilot's Handbook of Aeronautical Knowledge, FAA-H-8083-25A  
Project Manger for rewrite of FAA General, Airframe, and Powerplant training handbooks  
Numerous technical publications, field manuals, and concept documents for U.S. Army Aviation Center, Fort Rucker, Alabama

## INDUSTRY ACHIEVEMENTS

- Conceptualized and fielded first fully mobile hot-air balloon repair station in the United States. Attended major competitions and events to provide on-site repair and maintenance services for competition balloon pilots.
- Consulted with the Federal Aviation Administration in first major rewrite of Private and Commercial Pilot Practical Test Standards, setting requirements and guidelines for balloon pilot testing and certification.
- Provided the only federally recognized (FAA Part 141) balloon flight training program on the East Coast. In October 2012, the school was selected as one of the top 50 flight training programs in the United States by AOPA (Aircraft Owners and Pilots Association).
- Designated as parts supplier for Raven/Aerostar balloons, which ceased manufacturing in 2008. Provides parts and consumable for the Aerostar line of balloons worldwide.
- Currently hold repair station authority for Ball Variometer line of instruments as used in hot air balloons, the only such facility worldwide.
- Certified and brought to market the Digtool DBI3 flight instrument, in partnership with Digtool AB, Stockholm, Sweden. Conceptualized instrument in conjunction with the Design team, and achieved full STC certification in September, 2017. Serves as worldwide distributor and certification holder on three continents for same.

## SEMINAR INSTRUCTION – FEATURED SPEAKER, BFA SANCTIONED SAFETY SEMINARS

- Balloon Federation of America National Convention
- Heart of Dixie Balloon Club, Decatur, Alabama
- Georgia Balloon Association
- Hot Air Balloons in Tallahassee (Florida)
- Wisconsin Balloon Group
- Indiana Balloon Association
- Carolina Balloon Association

## EXPERIENCE

- Balloon Pilot since 1974; helicopter pilot since 1985. Total of over 2800 hours experience with outstanding safety record.
- Balloon repairman since 1994; maintains client base of approximately 80 customers.
- Designated Pilot Examiner, Lighter-than-Air, Free Balloon (limited to airborne heater)
- Previously served as Aviation Safety Counselor, Atlanta FSDO, Atlanta, Georgia

## RELEVANT EXPERIENCE

- Nine years as military paralegal; primary focus in military criminal law, with both prosecution and defense experience; claims laws and adjudication. Served as defense counsel in military summary court actions. Has consulted on several civilian litigation actions regarding balloon accidents. Provides advice and counsel to National Transportation Safety Board investigators regarding pilot training/aeronautical decision making and risk management procedures

# David Syen

Atlanta, GA 30324

**Education** Georgia Institute of Technology, Atlanta, GA  
Bachelor of Science in Civil Engineering, 2008

**Employment History** Professional Engineer – Licensed December, 2013

Level II Certified Design Professional – Licensed September, 2014

**STV/Ralph Whitehead Associates – Transportation and Infrastructure**

*Roadway Design Engineer, February 2009-Present*

*Project Manager, January 2015-Present*

- Monitored schedule, budget, and work effort for projects ranging from sidewalk additions to complete widening/relocation efforts
- Served as single point of contact for clients and sub-consultants on projects of varying size and complexity
- Lead design team effort for roadways in the states of Georgia, South Carolina, and North Carolina
- Additional experience designing roadways in the states of Virginia and Florida
- Experienced with geometric design, including horizontal alignment, vertical alignment, and cross sections
- Lead involvement with ROW take calculations
- Aided in the drainage design and erosion control design for projects of all sizes
- Lead the design process during concept, preliminary, and final phases
- Experienced in quantity calculation and engineer's cost estimation
- Familiarity in plan construction, QA/QC, and typical schedule and budget settings
- Supported engineering tasks during all aspects of the design process

**Facilities – Design and Construction – Georgia Institute of Technology**

*Index Maintenance, August 2007-December 2008*

- Prepared drawings for addition to online file server system
- Filed hard copy plans and specifications in physical archive
- Perform general office tasks
- Used Auto-Cad to “clean up” Drawings

**Relevant  
Projects**

- ~**US 17 Bypass and SC 707/Farrow Parkway, Myrtle Beach, South Carolina**
  - ~At-grade intersection redesigned as SPUI interchange
  - ~Assisted roadway design with interdisciplinary coordination
  - ~Assisted design of extensive traffic staging plans
  - ~Lead construction stage engineering effort (RFI's, construction revisions, etc.)
  - ~Coordination lead between client, design team, and contractor during 4 year construction
- ~**Spout Springs Road Widening, Flowery Branch, Georgia**
  - ~6 mile long widening/relocation of existing corridor
  - ~Aided concept development, alternatives analysis, and VE Study
  - ~Served as roadway designer during preliminary design phase
  - ~Served as lead project engineer during right of way phase and final design phase
  - ~Extensive design work using InRoads software (geometry, templates, corridor modeling, etc.)
  - ~Standard roadway wall layouts and special structural wall coordination
  - ~Extensive right of way design, coordination, and layout (256 affected parcels)
  - ~Aiding in project management responsibilities including but not limited to scoping, fee estimates, and client communication
  - ~Serving as lead project engineer during ongoing construction phase
- ~**I-20 Widening, Lexington County, South Carolina**
  - ~Lead maintenance of traffic design effort during successful design-build pursuit
  - ~Conceptual layout of temporary widening, temporary alignments, traffic shifts, and complex staged construction
  - ~Lead maintenance of traffic design effort during preliminary, final, and RFC plan preparation phases
  - ~Staged construction includes traffic split of interstate lanes with complex traffic shifts for ramp construction
  - ~Currently leading maintenance of traffic design effort during ongoing construction phase. Includes, but not limited to, RFIs, plan revisions, and coordination with contractor for a streamlined construction process
- ~**SR 520 BU @ Flint River, Albany, Georgia**
  - ~Serving as lead project engineer on major bridge replacement project
  - ~800' long bridge over the Flint River in downtown Albany
  - ~Lead design team through concept phase including concept layouts, typical sections, cost estimate, alternatives analysis, and meetings with local stakeholders
  - ~Conceptual analysis required balancing desires of local stakeholders with budget consciousness at the state level
  - ~Currently serving as lead roadway engineer during preliminary plans phase with tasks ranging from general roadway design, coordination with structural/hydraulic engineers, environmentally sensitive area concerns, and public involvement
- ~**SR 376 @ Alapahoochee River, Statenville, Georgia**
  - ~Serving as lead project engineer on bridge replacement project
  - ~425' long bridge over the Alapahoochee River
  - ~Lead design team through concept phase including concept layouts, typical sections, cost estimate, alternatives analysis, and meetings with local stakeholders
  - ~Currently serving as lead roadway engineer during preliminary plans phase which includes heavy coordination with GDOT-Bridge Office and environmental analysts
- ~**SR 62 @ Breastworks Branch, Dry Creek, and Dry Creek Overflow, Blakely, Georgia**
  - ~Serving as lead project engineer on bridge replacement project consisting of 3 bridges on the same alignment
  - ~3 bridges of various lengths
  - ~Proximity to Early County Airport requires additional analysis and coordination to ensure access to the airport will be maintained during construction at all times
  - ~Leading design team through on-going concept phase including concept layouts, typical sections, cost estimate, alternatives analysis, and meetings with local stakeholders.
  - ~Submitted concept report to client for signature ahead of schedule and on budget

**~SR 14 @ CSX Railroad, Union City, Georgia**

- ~Serving as lead project engineer on bridge replacement project over CSX Railroad in south Fulton County
- ~Leading design team through on-going concept phase including concept layouts, typical sections, cost estimate, alternatives analysis, and meetings with local stakeholders.
- ~Proximity to parallel and perpendicular railroads requires high level design and analysis to avoid impacting the railroads and an adjacent gas station

**~CR 784 (Jerry Jones Drive/Eager Road) Improvements, Valdosta, Georgia**

- ~Serving as lead project engineer on road widening and improvements project
- ~Scope calls for the addition of a two-way-left-turn-lane for 2.5 miles along an existing alignment, various right turn lanes, and pedestrian improvements
- ~Lead design team through concept phase including concept layouts, typical sections, cost estimates, alternatives analysis, and meetings with local stakeholders
- ~Lead design team through complicated and accelerated right of way plans phase to achieve right of way authorization per predetermined schedule
- ~Currently serving as lead roadway engineer during ongoing preliminary plans phase which incorporates all manner of design tasks ranging from roadway design to closed system longitudinal drainage design to wall design
- ~High level coordination required due to split funding of project and interest from upper management and board member at GDOT

**~US 27/SR 1 Passing Lane, Harris County, Georgia**

- ~Served as lead project engineer on TIA project to add one northbound passing lane to US 27/SR 1 just south of Hamilton, Georgia
- ~Designed to the approved budget is of paramount concern to stakeholders at the state and local level
- ~Submitted and received approval on concept report ahead of schedule and under budget
- ~Completed final design and submitted construction plans to client with primary focus on budget and schedule
- ~Serving as deputy project manager, aiding the project manager in activities including fee estimates, schedule projections, scoping, and client relations

**~SR 85 Widening, Fayette County, Georgia**

- ~Currently serving as lead project engineer on GDOT project to widen and rehabilitate SR 85
- ~Conceptual level activities are ongoing with a primary focus on traffic volumes and determining logical termini
- ~Currently providing GDOT technical support in order to move funding to the state level and move forward with the original 1.5 mile improvement corridor

**~Mount Gallant Road Widening, York County, South Carolina**

- ~Lead as project engineer on York County project to widen existing Mount Gallant road in Rock Hill, South Carolina
- ~Conceptual design calls for the addition of a 15 foot TWLTL with rural shoulders
- ~The client has specifically requested all design features be done assuming the eventual widening to a 5 lane section
- ~In order to maximize right of way for a future 5 lane roadway, roadside ditches will be constructed and a 10' multi-use path will be installed behind the ditch on one side of the roadway
- ~The project involves 2 bridge replacements over creeks that require close coordination with hydro-analysts and structural designers
- ~Multiple side road intersections lie in the project corridor and will be redesigned to match the new mainline typical section

**~I-85 Widening – Design Build Owner’s Representative, Spartanburg/Cherokee Counties, South Carolina**

- ~Serving as maintenance of traffic review engineer for SCDOT Design Build project to widen I-85 north of Spartanburg, South Carolina
- ~Will review the design-build team’s MOT plans to ensure that they are in compliance with the RFP and all SCDOT standards and specifications
- ~Heavy coordination between client and design-build team required

**~Gwinnett County GEC Services, Various Locations, Georgia**

- ~Multiple locations of light roadway redesign, pedestrian improvements, and drainage design
- ~Served as project manager, monitoring schedule, budget, and design effort for multiple projects
- ~Single point of contact for client and sub-consultants
- ~Sidewalk and pedestrian improvements
- ~Roadway widening where needed
- ~Utility coordination needed for design of roadway walls

**~Norfolk Southern Bridge Jackings, Various Locations, Alta Vista, Virginia**

- ~Lead roadway design team for 5 bridge raisings over Norfolk Southern Railroad
- ~Designed horizontal and vertical alignments for adequate, proposed clearance
- ~Coordinated with structural designers to ensure synchronization between roadway and structural design
- ~Prepared plans to VDOT standards and specifications

**~Tucker Streetscape Project, Tucker, Georgia**

- ~Lead roadway design team for streetscape project in the City of Tucker
- ~Added pedestrian and drainage improvements to an existing roadway grid
- ~Aspects of design were formulated to minimize right of way and utility impacts
- ~Currently leading the design effort in final design phases

**~McAfee Road Sidewalk Project, DeKalb County, Georgia**

- ~Leading roadway design team for sidewalk project in unincorporated DeKalb County
- ~Added pedestrian and drainage improvements to an existing roadway
- ~Aspects of design were formulated to minimize right of way and utility impacts
- ~Coordinated with MARTA to provide an updated pedestrian facility which necessitated the need for retaining walls
- ~Currently leading the design effort in right of way and final design phases

**~Hiram Lithia Springs Road, Atlanta, Georgia**

- ~Multiple intersection redesigns along Hiram Lithia Springs Road
- ~Aided in all aspects of roadway design

**~East Cherokee Drive and State Route 20, Atlanta, Georgia**

- ~Roadway tasks for intersection redesign
- ~Aided in all aspects of roadway design

**~Peachtree Industrial Blvd and Tench Road, Atlanta, Georgia**

- ~Roadway tasks for intersection redesign
- ~Aided in all aspects of roadway design

**~Fort Mill Southern Bypass, Fort Mill, South Carolina**

- ~Phases 1 and 2
- ~Preliminary, right of way, and final plans for new location roadway
- ~Aided in all aspects of roadway design
- ~Lead design effort for pavement marking and signing along the entire corridor

**~Low Impact Bridge Replacements, Multiple Locations, North Carolina**

- ~Roadway design for various bridge replacements
- ~Extensive interdisciplinary coordination required due to hydraulically driven design criteria
- ~BSR's, CSR's, preliminary and final plan phases
- ~Permit drawings
- ~Aided and/or lead roadway design effort on approximately 30 bridge replacements

**~Miscellaneous**

- ~Norfolk Southern Railroad Coal Rate Case
- ~QA/QC Charlotte Area Transit-Blue Line Extension, Charlotte, North Carolina
- ~Quantity Calculation and QA/QC for Bellwood and Berkley Station Improvements, (IDOT) Chicago, Illinois
- ~Sustainability and environmental impact assessment on New Orleans' Superdome and Atlanta's Georgia Dome
- ~Emergency Access Maps, Statesboro, Georgia
- ~Math Tutoring At Ferguson Elementary School

# Deniz Z.A. Ballero, Ph.D.

September 2019

## Personal Information

Monroe, Georgia 30655

04 July 1971, Passaic, New Jersey  
United States of America

## Career Objective

Current employment as a tenured professor of collegiate biological (microbiology, molecular, organismal, and evolutionary) and geological sciences in the traditional face to face and online learning platforms. Also serve the college as an administrator in academia as department chairperson of online sciences. Volunteer with GSU veterans and police.

Currently a registered Republican but officially identify as *Libertarian* in ideology and philosophy and am enthusiastic to serve my state as a United States Senator.

- Trained scientist that examines the derivation of any statistic—I analyze data and come to my conclusions without cherry picking data to support a specific agenda.
- Wholeheartedly agree with our Founding Fathers, the United States Constitution and refuse this country to become a socialist or communist nation.
- I have supported Donald Trump as candidate for President of the United States throughout the primary. This country needs a NON-politician to set it back on track.
- I will fight for the rights of all Georgians to have the means to take care of themselves.
- I am the daughter of a Turkish immigrant (paternal) and second generation on my maternal side. Up until 2017, I never worked less than 2 jobs simultaneously.

## Education

Ph.D. (GPA 4.0)	Department of Geology, University of Georgia, Athens, GA	2013
M.S. Biology (GPA 4.0)	Department of Biology, Montclair State University, Upper Montclair, NJ	1998
M.S. Geology (GPA 3.9)	Department of Geology, Montclair State University, Upper Montclair, NJ	1998
B.S. Biology (GPA 3.4)	Department of Biology, Montclair State University, Upper Montclair, NJ (with minors in chemistry and geology)	1995
Certification	Earth Science Teaching Certification, New Jersey Department of Education	1998
Certification	Biological Sciences Teaching Certification, New Jersey Department of Education	1995

## Research Interests

Foraminifera represent a numerically large and diverse group of single-celled, eukaryotic, marine organisms that have an extensive fossil record rendering them excellent biostratigraphic, paleoclimatological and paleoenvironmental indicators. Although ribosomal DNA sequences have been used to determine their phylogenetic position among eukaryotes, estimate evolutionary divergence, and address intraspecific classification within the clade, these data sets can be further supported with additional gene markers used in concert. Hypotheses regarding foraminiferal systematics such as, evolutionary divergence for the group, certain suprageneric relationships within the group, placement of ambiguous species and speciation patterns can be further tested. Phylogeny reconstruction using alternative protein-coding genetic markers can be used to supplement preexisting phylogenies based on ribosomal DNA sequences. Phylogeny reconstruction using concatenated gene sequences in conjunction with rDNA markers can be used to rigorously test a consortium of alternative hypotheses regarding foraminiferal ecology, biology and morphology, suprageneric classification and evolutionary patterns.

Doctoral dissertation focused on improving phylogenetic resolution for a selected group of extant, monothalamid (single-chambered) foraminifera through a multi-gene analysis coupled with fine cellular ultrastructure using transmission electron microscopy.

## Relevant Courses of Study

### Biological

Prokaryotic Biology, Pathogenic Bacteriology, Gene Technology, Biology of Protists, Genetics, Cell Biology, Mammalian Anatomy and Histology, Plant Kingdom.

### Technical

Electron Microscopy, Data Analysis, Principles of Systematics.

### Ecological

Microbial Ecology, Ecology, Benthic Ecology, Estuarine Ecology, Limnology, Field Ecology, Paleoecology, Paleocommunities.

### Organismal

Marine Micropaleontology, Zoology I, II, Marine Fishes, Seashore Ornithology, Invertebrate Paleontology.

### Geological

Stratigraphy, Structural Geology, Mineralogy, Petrology, Oceanography, Historical Geology, Earth and the Environment, Meteorology, Introduction to Process Geomorphology\*, History of Life\*, Environmental Geoscience, Environmental Graphics. \*Courses taken for non-credit, non-degree. Attended these courses during employment residency at Valdosta State University.

### Chemical

General Chemistry I, II, Organic Chemistry I, II, Experimental Organic Chemistry I, II, Biochemistry I, Experimental Biochemistry, Molecular Biology I, II.

### Marine Littoral

Courses taken at the New Jersey Marine Science Consortium. Marine Biology, NJ Marine Fossils, Toxic Substances in the Marine Environment, Field Methods.

### Educational

Critical Thinking, Educational Psychology, Educational Philosophy, Effective Teaching-Productive Learning, Field Experience I, II.

# Employment

## **Associate Department Chairperson of Online Science Department**

2017-

*Georgia State University—Perimeter College, Online Science Department, Clarkston, Georgia*

- Manage the online science department consisting of fully online faculty, tenure-track faculty with split loads between face to face and online courses, part time faculty and full time lecturers.
- Responsible for conducting classroom observations for full time faculty, final exam scheduling, managing departmental budgets, scheduling courses.
- Full time, online faculty evaluations.
- Rectify student scheduling needs.
- Professional development sessions via webinars and professional meetings (national and regional).
- Continue with online teaching obligations, serving on curriculum committees (geology and environmental science) and college wide committees (i.e. student appeals committee).
- Maintain a continuum between faculty, students, staff and administrators.
- Teach and renovate current only geology courses into new formats to enhance the online student learning experience.

## **Associate Professor of Biology, Geology and Environmental Science**

2004-

*Georgia State University—Perimeter College, Online Science Department, Clarkston, Georgia*

- Taught classes both face to face and exclusively online in geology, biology, environmental sciences.
- Served as assistant chairperson for the online science department. Responsible for conducting classroom observations for part time faculty, handling student issues, mediating online faculty with various GPC departments, final exam scheduling. Maintain a continuum between faculty, students, staff and administrators.
- Designed course template for Environmental Science ENVS1401 for the online college.
- Teach GEOL1121 Principles of Physical Geology lecture, GEOL1121L Principles of Physical Geology Laboratory and ENVS1401 Environmental Science exclusively online using the college icollege platform (, WebCT Vista, Desire 2 Learn).
- Instructor for GEOL1121 Principles of Physical Geology lecture and laboratory and GEOL1122 Principles of Historical Geology lecture and laboratory, BIOL1402L Cell Biology and Genetics Laboratory.
- Taught biology for majors BIOL2107 Principles of Biology I lecture and BIOL2108 and BIOL2108L.
- Serve the college through of suite of committees (geology curriculum, environmental science curriculum, faculty and staff hiring committees, iCollege Advisory Committee, Online Academic Exclusion Committee and more).
- Actively attended and presented at regional, national and international conferences (Geological Society of America, Forams 2010, Southeastern Microscopy Society, as examples).

## **Term to Term Instructor**

2003-2004

*Georgia Perimeter College, Science Department; Lawrenceville, Georgia*

- Instructor for GEOL1121 Principles of Physical Geology lecture and laboratory and GEOL1122 Principles of Historical Geology lecture and laboratory, BIOL1402L Cell Biology and Genetics Laboratory.
- Served on the Geology Curriculum Committee.

## **Part Time Instructor**

2003

*Georgia Perimeter College, Science Department; Lawrenceville, Georgia*

- Instructor for BIOL2108 Principles of Biology II lecture and laboratory and BIOL1402 Cell Biology and Genetics lecture and laboratory.
- Prepare lectures using computer visual aids (powerpoint presentation), webct and the internet to maintain lectures at the forefront of technology and current on biological and geological research.
- All courses are accessible to students on webct. Students can download class notes/outlines, study guides, images and homework assignments as well as visit selected html links and perform internet exercises.

**President and Founder****2002-***Save Our Strays, Inc. D/B/A S.O.S., Inc.; Monroe, Georgia*

- Founded a non-profit (501c3 tax exemption) animal rescue organization dedicated to companion animal rescue serving the metro-Atlanta area.
- Serve as President and Treasurer of the organization.
- Responsible for grant writing, pulling animals from animal control, hold adoption sessions, manage veterinary care, business accounting and volunteer staff.
- Successfully written a national grant funding a low-cost spay/neuter program P.E.T.S. (Preventing Euthanasia Through Sterilization), a subsidiary of Save Our Strays, Inc.
- Web page design [www.saveourstraysatlanta.com](http://www.saveourstraysatlanta.com).

**Research Assistant, Instructor****2000-2002, 2006-2010***Department of Geology, The University of Georgia; Athens, Georgia*

- Instructor for the non-major science elective course entitled 'Earth Processes and Environments'.
- Collection and maintenance of Foraminifera specimens.
- Application of electron microscopy to foraminiferal studies.
- Personal Web Page design.

**Lab Coordinator and Instructor****1998-2000***Department of Physics, Astronomy and Geosciences, Valdosta State University; Valdosta, Georgia*

- Instructor for 'Principles of Physical Geology' (lecture and lab), 'Introduction to Landforms' (lecture and lab), 'Introduction to Weather and Climate' (lab) and 'Principles of Historical Geology' (lab) for the major required and non-major science electives.
- Created new laboratory exercises for Physical Geology and Historical Geology incorporating critical thinking, metacognition and hands-on field and classroom activities.
- Cataloged and organized departmental topographic/geologic maps, fossils, rock and mineral samples. Managed a budget and ordered supplies and equipment for the entire department.
- Served as chair of the Space Utilization Committee and played an active role serving on the departmental Geography Area, Geology Area, Policy and Procedures and Vision Committees.
- Served on geography/geology faculty search committees.
- Maintained student scholarship applications in geology/geography.

**Adjunct Professor****1998***Department of Earth and Environmental Studies, Montclair State University; Upper Montclair, NJ*

- Instructor for the non-major science elective 'Natural Disasters' course.
- Topics of instruction included continental drift, sea floor spreading, plate tectonics, earthquakes, volcanism, streams and flooding, mass wasting and coastal and atmospheric hazards.
- Incorporated hands-on activities including mineral/rock identification, earthquake intensity and locating epicenter activities, coastal erosion via topographic maps and flood prediction using recurrence intervals.

**Graduate Assistant****1996-1998***Department of Earth and Environmental Studies, Montclair State University; Upper Montclair, NJ*

- Laboratory lecturer/instructor for the 'Historical Geology' and 'Earth and the Environment' undergraduate, major and elective courses.
- Prepared and executed weekly lectures, laboratory investigations, practicum/quizzes and evaluated student laboratory reports.
- Investigations included rock/mineral/fossil identification, taxonomy, structural geology, earthquakes, groundwater, floods, coastal processes and local field trips.
- Acted as an unofficial advisor to biology and geology students.

**Research Volunteer in Molecular Biology** 1997  
**Department of Biology, Montclair State University; Upper Montclair, NJ**

- Research concentrated on site-directed mutagenesis of the human gene DSEF-1 whose product is involved in regulation of gene expression.
- Research goal was to construct a structural/functional map of the DSEF-1 auxiliary protein product.
- Employed PCR techniques for site-directed mutagenesis, agarose gel electrophoresis for diagnostics and DNA purification, prepared competent cell lines for transformation.

**Adjunct Professor** 1996  
**Department of Biology, Bloomfield College; Bloomfield, NJ**

- Laboratory instructor for the 'Genetics' and 'Microbiology' courses for biology and nursing majors.
- Assumed full responsibility for the instruction of laboratory investigations and the preparation of original practicum/quizzes.
- Topics of instruction in genetics included Mendelian genetics, colony transformation, DNA extraction, restriction digestion of plasmids, agarose gel electrophoresis for DNA separation, and *Drosophila* culture and crossing.
- Microbiological topics included microbial identification through varied staining methods, isolation of cultures, bacterial analysis of milk and water, IMViC testing, effects of chemicals and UV radiation on bacteria, and aseptic media/culture preparation.

**Instructor** 1996  
**Academically Gifted and Talented Program, Montclair State University; Upper Montclair, NJ**

- Designed and executed original lessons about the Earth and the Environment for the academically gifted and talented program for student grades 4 through 6.
- Activities concentrated on micro/macrosopic fossils, rocks and minerals, lithologic structures and processes, map reading and fossilization mechanics.

**Science Demonstrator** 1994-1996  
**Demonstrations Department, Liberty Science Center; Jersey City, New Jersey**

- Performed hands-on, live science demonstrations involving physical, chemical and physiological concepts to audiences of variable sizes, age groups and learning abilities.
- Co-designed original demonstrations relating to chemistry and physics concepts.

**Student Assistant** 1993-1996  
**Departments of Biology and Earth and Environmental Studies, Montclair State University; Upper Montclair, NJ**

- Provided classes with demonstrations on proper laboratory techniques, taught/assisted in laboratory investigations and prepared materials for exercises.
- Ordered and maintained live *Drosophila* cultures and prepared solutions.
- Organized and maintained the zoology, anatomy and histology, microbiology, genetics and geology laboratories and stockrooms.

**Science Educator (Biology)** 1994  
**Science Department, Nutley High School; Nutley, NJ**

- Student teacher for tenth grade, heterogeneous biology classes.
- Provided a comfortable, open-discussion classroom, incorporated critical thinking assignments into units and encouraged group work, cooperative learning and peer teaching.
- Prepared original lesson plans, laboratory investigations, activities, demonstrations and tests.

## Collegiate Service

### **Georgia Perimeter College; Clarkston, Georgia**

Chairperson, Geology Faculty Search Committee (3 positions) 2019-2020  
Physics Search Committee (2 positions) 2019  
Faculty Senate Student Discipline Committee 2019-2021  
Faculty Senate Admissions and Standards Committee 2019-2021  
Online Academic Honesty Appeals Committee 2017-  
Administrative Assistant Search Committee (X2 positions) 2017  
Biochemistry Course Development Committee 2013  
Anatomy and Physiology Search Committee 2011  
Biology Lecturer Search Committee (Online) 2012  
Online Testing Coordinator Search Committee 2011  
Online Academic Exclusion Committee (College) 2010-2016  
Geology Curriculum Committee (College) 2003-  
Biology Curriculum Committee (College) 2003-  
Environmental Science Curriculum Committee (College) 2003-  
Lab Supervisor Search Committee (Newton) 2008  
Hospitality Committee (Newton) 2007-2008  
Geology Faculty Search Committee (College) 2008  
Anatomy and Physiology Search Committee (College) 2011  
Online Testing Coordinator Search Committee (College) 2011  
Secretary for Geology, Environmental Science and Online Science Department Committees (2009-)  
OIT IT Specialist Search Committee (College) 2009-2010  
Online Faculty Mentor Committee (2010)  
Course Materials Review Committee (2010)  
Recycling Committee (Newton) 2007-2009  
Chairperson Geology Curriculum Committee (College) 2005-2006  
Commencement Committee (College) 2004-  
Advisement Committee (College) 2005-2006  
Distance Learning Academic Oversight Committee (College) 2005-  
Faculty Senate Alternate (College) 2004-2005  
Faculty Senate, Science, Newton Campus 2007-2008  
Student Recognition and Awards Committee (Campus) 2004-  
Student Volunteer Corps, Faculty Member (Campus) 2003-  
Social Committee (Department) 2003-  
Awards and Recognition Committee (Campus) 2003-2007  
Departmental Awards and Recognition Committee 2009-  
Advising Specialist (Department)  
Faculty Mentor for Part-Time Faculty (Department) 2003-  
Faculty Mentor for Save Our Strays 2004-2006  
Service Learning Faculty Fellow 2004-  
Instructional Technology Scholar 2005-2006  
Grades Appeal Committee 2005

### **Department of Physics, Astronomy and Geosciences; Valdosta State University; Valdosta, Georgia**

Space Utilization Committee, Chairperson  
Policy and Procedures Committee  
Vision Committee  
Geology Area Committee  
Geography Area Committee  
Faculty Search Committees for Geology and Geography

## Collegiate Teaching Experience

**Department of Online Science, Georgia State University Perimeter College; Clarkston, Georgia**

Principles of Physical Geology Lecture and Laboratory (for majors and non-majors)  
Principles of Historical Geology Lecture and Laboratory (for majors and non-majors)  
Environmental Science

**Department of Science, Georgia Perimeter College; Lawrenceville, Georgia**

Principles of Biology I Lecture and Laboratory (for majors)  
Principles of Biology II Lecture and Laboratory (for majors)  
Cell Biology and Genetics Lecture and Laboratory (for non-majors)  
Principles of Physical Geology Lecture and Laboratory (for majors and non-majors)  
Principles of Historical Geology Lecture and Laboratory (for majors and non-majors)  
Environmental Science

Principles of Physical Geology (Distance Learning)

Environmental Science (Distance Learning)

**Department of Biology, Bloomfield College; Bloomfield, New Jersey**

Genetics Laboratory  
Microbiology Laboratory  
Assistant to the professor in Anatomy and Physiology I

**Department of Biology, Montclair State University; Upper Montclair, New Jersey**

Assistant to the professor in  
Genetics  
Mammalian Anatomy and Histology  
Field Ecology  
Animal Form and Function (Zoology)

**Department of Geology, The University of Georgia; Athens, Georgia**

Earth Processes and Environments, Lecture

**Department of Physics, Astronomy and Geosciences; Valdosta State University; Valdosta, Georgia**

Principles of Physical Geology, Lecture and Laboratory  
Introduction to Landforms, Lecture and Laboratory  
Principles of Historical Geology, Laboratory  
Introduction to Weather and Climate, Laboratory

**Department of Earth and Environmental Studies, Montclair State University; Upper Montclair, NJ**

Natural Disasters, Lecture  
Historical Geology, Laboratory  
Earth and the Environment, Laboratory

## Grants and Awards

2019 Learning Improvement Grant (CETL) (application pending)	\$300.00
2019 Travel Grant SAGE 2YC Geological Society of America Meeting	\$900.00
2018 Travel Grant SAGE 2YC Geological Society of America Meeting	\$1000.00
2014 Geoscience Education Division Grant (GSA)	\$250.00
2014 Subaru Two Year College Travel Grant (GSA)	\$200.00
2014 Geological Society of America, Student Travel Grant	\$50.00
2014 Georgia Governor's Teaching Fellow	\$1500.00
2014 Graduate Student of the Year, University of Georgia, Geology Department	
2013 Watts-Wheeler Student Travel Grant, UGA Geology Department	\$415.00
2013 Subaru Two Year College Travel Grant (GSA)	\$200.00
2013 Geological Society of America, Geosciences in Two Year Colleges Travel Stipend	\$400.00
2013 Geological Society of America, Student Travel Grant	\$100.00
2012 Watts-Wheeler Student Travel Grant	\$100.00
2012 Geological Society of America, Geosciences in Two Year Colleges Travel Stipend	\$400.00
2012 Geological Society of America, Student Travel Grant	\$70.00
2010 Cushman Student Travel Award, Cushman Foundation for Foaminifer Research	\$1250.00
2009 Watts-Wheeler Student Aid Grant, UGA Geology Department	\$700.00
2009 Lerner-Gray Award, National Museum of Natural History	\$1960.00
2009 Levy Award for Marine Research, UGA Graduate School	\$1500.00
2009 Rodney M. Feldmann Student Research Award, Paleontological Society	\$750.00
2009 Geological Society of America, Student Research Grant	\$625.00
2009 Geological Society of America, Student Travel Grant	\$137.00
2008 Watts-Wheeler Student Aid Grant, UGA Geology Department	\$1000.00
2007 Loeblich and Tappan Student Research Award, Cushman Foundation for Foram. Res.	\$660.00
2007 Geological Society of America, Student Travel Grant	\$100.00
2007 Minority and Women in the Geosciences Student Grant, Geological Society of America	\$750.00
2007 Friends of UGA Marine Institute (Ultrastructure, EM funding)	\$1000.00
2002 Cushman Foundation for Foraminifer Research	\$700.00
2002 Levy Grants-In-Aid for Graduate Students in Marine Geology, The University of Georgia	\$1500.00
2002 Wheeler-Watts Award, Department of Geology, The University of Georgia	\$1810.00
2001 Wheeler-Watts Award, Department of Geology, The University of Georgia	\$1650.00
1997 Margaret and Herman Sokol Award for International Graduate Research	\$5000.00

## Technical Skills

### Biotechnical Skills

Cloning  
Aseptic media/culture and solution preparation  
PCR Techniques  
Agarose and SDS-PAGE gel electrophoresis  
Bacterial transformations and plasmid mini-preparations  
DNA purification  
Light/UV spectroscopy for DNA quantification  
Transmission and Scanning Electron Microscopy  
Primer Design  
Sequence Alignments  
Geneious Software  
Mr. Bayes, Phylml, MEGA 5 GenBank, BLAST

### Instructional Technology

Desire 2 Learn/ Blackboard  
Webct VISTA  
Microsoft Office  
Illuminate, Wimba, Blackboard Collaborate, Online  
Meeting Software  
SMART Board/Symposium\  
Computer/Overhead AV Equipment  
DOC Camera and Projection Microscope  
Hands-on Demonstrations  
Adobe Software  
Webex

### Geological/Ecological Skills

Global Positioning Systems (GPS)  
Fence Diagrams and Graphic Columns  
Sediment Grain Size Analysis  
Rock Thin Section Preparation and Petrographic  
Microscopy  
Benthic and planktonic sampling via trawl, grab, and  
plankton net methods  
Estuarine, Marine and Freshwater Quality Analysis

## Academic Honors, Certifications and Professional Development

International Association for Geoscience Diversity 2013-  
 Southeastern Microscopy Society 2009- (Board of Directors 2018-)  
 Geological Society of America 2007-  
 The Paleontological Society 2007-  
 Georgia Academy of Science, 2004-  
 International Society of Protozoologists, 2001-  
 Cushman Foundation for Foraminiferal Research, 2001-  
 Georgia Geological Society, 1999-  
 Phi Kappa Phi National Honor Society, Montclair State University Chapter, 1997-

Georgia Governor's Teaching Fellow 2014  
 Radiographic Techniques and Radiographic Safety for Veterinary Technicians, Certification, 2006  
 Golden Grid Award, Center of Advanced Ultrastructural Research, 2000  
 Outstanding Master's Degree Candidate, College of Math and Science, Montclair State University, 1998  
 Earth Science Certification for Secondary Education, Montclair State University, 1998  
 Margaret and Herman Sokol Award for International graduate Study Research, 1997  
 Commissioner's Distinguished Teachers Candidate Award, New Jersey Department of Education, 1995  
 Biological Science Certification for Secondary Education, Montclair State University 1995  
 Dean's List, School of Mathematics and Natural Sciences, Montclair State University, 1993-1995

National Geological Society of America Meeting, Portland, Oregon	2009
Southeastern Geological Society of America Meeting Charlotte, North Carolina	2008
Geological Society of America Meeting, Denver, Colorado	2007
Southeastern Geological Society of America Meeting Savannah, Georgia	2007
Southeastern Scholarship Conference on E-Learning Macon, Georgia	2006
Southeastern Geological Society of America Meeting Knoxville, Tennessee	2006
C-Sloan International Conference on Asynchronous Learning Networks, Orlando, Florida	2005, 2006
Southeastern Geological Society of America Meeting Biloxi, Mississippi	2005
Georgia Academy of Sciences Meeting, Barnesville, Georgia Perimeter College	2005
Instructional Technology Scholar	2005-2006
State of the Art in Biology Meeting, Athens, Georgia	2006

## Graduate Research

*The application of the total evidence approach for phylogenetic reconstruction of selected monothalamous foraminifera of Sapelo Island, Georgia, USA.* Ph.D. Dissertation, University of Georgia, 2013.

*Vertical distribution of light penetration, chlorophyll content and diatom assemblages of intertidal estuarine sediments of Shark River; Avon, New Jersey.*

Collaborative research with C.D. Valenti under the advisement of Dr. J. Michael McCormick, Department of Biology, Montclair State University; Upper Montclair, New Jersey. Fall 1997.

*Site-directed mutagenesis of the human auxiliary protein, DSEF-1.*

Collaborative research with C.D. Valenti and G. Balaburski, under the advisement of Dr. Paramjeet S. Bagga, Department of Biology, Montclair State University; Upper Montclair, New Jersey. Summer 1997.

*Microfacies analysis of carbonate sedimentary environments through petrographic investigations; a comparison of two distinct carbonate suites from a Western Pacific Guyot and Lanai Lookout, Oahu.*

Collaborative research with C.D. Valenti, under the advisement of Dr. Jonathan M. Lincoln, Chairperson, Department of Earth and Environmental Studies, Montclair State University; Upper Montclair, New Jersey. Spring, 1997.

*Beach profiling and sediment sorting analysis along three distinct areas of a modern sedimentary beach environment; Sandy Hook, New Jersey.*

Original research project, under the advisement of Dr. Jonathan M. Lincoln for a Stratigraphy course. Spring, 1996.

## Additional Presentations

*Leptospira: an emerging zoonotic pathogen.* Presented in Bacterial Pathogenesis, spring 2014, University of Georgia.

*Bioluminescence in Vibrio fisheri: biochemistry and lux regulation.* Presented in Prokaryotic Biology, spring 2014, University of Georgia.

*Increasing Accessibility, Interest and Understanding: The application of multimedia elements in distance and face to face courses.* March 2007, Southeastern Geological Society of America Meeting, Savannah, Georgia; September 2006, Southeastern Scholarship Conference on E-Learning, Macon, Georgia; February 2006, Georgia Perimeter College, Faculty Development Day.

*What is it to be alive? The requirements for the first life on earth.* March, 2003. Georgia Perimeter College, Geology and Physics search committee. Talk discussed the conditions necessary for the appearance of the first cells on earth.

*Hormonal regulation of human digestion: The how and why we don't digest ourselves.* March, 2003. Georgia Perimeter College, Biology search committee. If we are what we eat, then how do animals avoid digesting their own tissues. Talk discussed some regulatory metabolic feedback loops involved in human digestion focusing on how and when certain systems turn on and off to prevent self-digestion.

*Applications of Molecular Technology to Assess the Diversity of Life on Earth.* April, 2003. Georgia Perimeter College, Biology search committee. Talk discussed the advances of molecular technology as a tool for inferring phylogenetic relationships with emphasis on re-classifying of life on earth.

*Deep-Sea Benthic Foraminifera. What's going on down there?* Presented in Paleocommunities, spring, 2002, The University of Georgia.

*Molecular Systematics in Foraminifera.* Presented in Gene Technology, spring 2002, The University of Georgia.

*The effects of ultraviolet radiation on bacterioplankton DNA as a function of diel patterns, depth and cell size.* Presented in Microbial Ecology, spring 2001, The University of Georgia.

*Deep sea, subsurface bacterial communities.* Presented in Microbial Ecology, spring 2001, The University of Georgia.

*Reproduction and Life Cycles in the Foraminifera.* Presented in Biology of Protists, spring 2001, The University of Georgia.

*What is a Rock? Be a rock.* Guest talk at local elementary school. Discussed different types of rocks, igneous, sedimentary and metamorphic, how they form, and how to 'be' one. S.L. Mason Elementary School, Valdosta, Georgia. May, 1999.

*The New Jersey Coastline: Geomorphological Processes and Environmental Impacts.* Discussed geomorphic processes acting on the New Jersey Coastline and addressed environmental impacts and human impacts of the region. Valdosta State University, Valdosta, Georgia. June 1998.

*Volcanoes and the Ring of Fire.* Discussed the types of volcanoes, their geographic distribution and lithological components. Montville High School, New Jersey, Earth Science, 9th Grade. April, 1998.

*Glaciers: How they form and how they move.* Discussed processes of alpine and continental glacier formation and driving forces on glacial movement. Included demonstrations showing the development of ground and terminal moraines, and glacial scratches/scouring. Landforms that are produced were also discussed. Kinnelon High School, New Jersey, Earth Science, 9th Grade. April, 1998.

*Vertical distribution of light penetration, chlorophyll content and diatom assemblages of intertidal estuarine sediments of Shark River; Avon, New Jersey.* Research concluded that light penetration increased when chlorophyll and organic constituents were removed from sediments. Graduate Research in Biology, fall, 1997.

*Microfacies analysis of carbonate sedimentary environments through petrographic investigations; a comparison of two distinct carbonate suites from a Western Pacific Guyot and Lanai Lookout, Oahu.* Carbonate rocks were classified on their fossil content, allochemical components and matrices. Samples were assigned formal carbonate names and depositional environments. Post-depositional events were also addressed. Graduate Research in Geology, spring, 1997.

*Beach profiling and sediment sorting analysis along three distinct areas of a modern sedimentary beach environment; Sandy Hook, New Jersey.* Original research analyzed the sedimentology with respect to geographic zones (using beach profiling) along Sandy Hook. Poster presentation for Stratigraphy, spring, 1996.

*Geology of Sandy Hook.* Presentation focused on the geomorphologic nature of the New Jersey coastline and the formation of Sand Hook over time. Physics of wave dynamics and beach preservation methods were also discussed. Presented in Advanced Marine Geology, fall, 1995.

*The OB(obese) gene.* Discussed the molecular technology and physiology of contemporary research leading to the discovery of a protein product associated with human obesity. Presented in Molecular Biology I, fall, 1995.

## Summary of Qualifications

Dynamic Manager with solid experience in manufacturing combined with excellent administrative management skills. Seeking long term employment with a strong company.

## Experience

### **Area EH&S Manager: WestRock Container LLC**

**College Park, GA**

**April, 2015- Present**

- Oversee Corporate Environmental Health and Safety initiatives for the WestRock Atlanta Complex
- Creating, updating and maintaining Safety and Environmental policies for the three facilities
- Property Conservation and Security, FM Global liaison
- Applying for, securing and maintaining all applicable permits
- Working knowledge of environmental regulations, (CAA, CWA, RCRA, SARA, EPCRA, and CERCLA.
- Conduct annual facility environmental and safety assessments
- Oversee process wastewater treatment
- Accident investigation, OSHA 300/300A recordkeeping
- Workers Compensation

### **EH&S Manager: Carrier Corporation**

**Carlyle Compressor**

**February, 2009- April 2015**

**Stone Mountain, GA.**

- Responsible for the health, safety of 300 employees.
- Lowered TIR from 3.28 to 0.42 between 2008 and 2013

## ***Curriculum Vitae***

FRANK KENIMER NORTON, JR.

██████████  
Gainesville, Georgia 30501

Frank K. Norton, Jr. joined his family's company in 1986 to manage the Commercial and Residential Real Estate Divisions. He brought to the business 9 years of sales and management experience from the Atlanta Commercial real estate market, as well as a creative energy and imagination to direct the company's growth.

Widely recognized for his excellent marketing skills and keen business intuition, Frank has presented - for the past 32 years - an economic forecast outlining growth and business trends for the Northeast Georgia region. The report, based on a wealth of data collected by The Norton Agency's Native Intelligence Division, is a resource that guides many area companies and organizations in making their own business decisions. Frank is also a noted national speaker, guest lecturer and teacher on the principles of investing, reality economics and the changing dynamics of real estate. He regularly speaks 30-40 times a year to business, civic, industry and government institutions.

- As Executive Vice President and President, CEO and now Chairman, he moved The Norton Agency from \$35 million in annual business volume to over \$680 million in business volume and from 80 employees to over 315 employees. (2019)
- Created Norton Commercial Brokerage, which is today, North Georgia's leading commercial company with annual sales exceeding \$250 million.
- Personally participated (as broker or consultant) in over one billion dollars in commercial related sales during his brokerage career.
- Created a series of closed end real estate investment funds focusing on investment, medical, raw land and residential development investments. The Firm now manages over \$350 million in investor related assets.
- Along with brother Bob, created an Investment Development Company, Ncredible Properties, LLC to focus Norton resources on Historic Renovation, Historic Adaptation and new innovative Housing and Commercial Assets. Frank, through the firm, family and partnerships, owns 11 Historic properties.

### **WORK HISTORY:**

2009 to Present:	CEO, CHAIRMAN, NORTON LEGACY CORP. A diversified financial services real estate and investment firm. Norton is the largest privately-owned Real Estate and Insurance firm in Georgia.
1986 to 2009:	EXECUTIVE VICE PRESIDENT/GENERAL MANAGER/PRESIDENT, NORTON & SUBSIDIARIES
1986 to 1989:	COLDWELL BANKER COMMERCIAL REAL ESTATE (Now CBRE)
May 1983 to April 1986:	ASSISTANT VICE PRESIDENT, SALES MANAGER, Atlanta Galleria. Responsible for recruitment, training and development of sales personnel. Responsible for day-to-day sales activity of 34 salespeople. Involved in business development, information management, profit planning and public relations. Youngest manager in company's 75 year history (still holds that record). \$250 million in annual office sales 1985.
July 1980 to May 1983:	OFFICE PROPERTIES SALESMAN, CBRE Atlanta Downtown. Concentrated efforts on land for speculative development and project marketing and leasing. Sold in

excess of 135 acres for development and completed 195,000 square feet of leases. Clients included The Murphree Company, General Electric Real Estate Equities, Abrahms Industries, Gerald D. Hines Interests, Allstate and Portman Berry, Inc., Rookie of the Year 1982.

June 1979 to  
July 1980:

COMMERCIAL GROUP PRE-SALES TRAINING PROGRAM (CB), Houston, Texas. Rotated through the Real Estate Appraisal, Real Estate Finance and Development Services Divisions in a program designed to expose and direct future salespeople and managers.

April 1978 to  
June 1980:

DATA BANK RESEARCHER (CB), Atlanta Downtown. Field and in-house research on the Office and Industrial Prospect Systems.

**EDUCATION:**

COLLEGE EMPLOYMENT. The Wrecking Bar of Atlanta, Frierson McEver Company, W.L. Norton Agency, Green Street Cleaning Service. Paid 60% of college tuition and expenses.

Graduate of GEORGIA INSTITUTE OF TECHNOLOGY, earning a Bachelor of Science in Building Construction from the College of Architecture. Further professional development through courses with the Council of Commercial Investment Managers.

Eagle Scout, Age 13, Boy Scout of the Year State of Georgia (1970)

**PROFESSIONAL ORGANIZATIONS:**

Brokers License State of Georgia, Alabama, South Carolina and North Carolina, Multiple Board of Realtors and Chamber of Commerce, Council Commercial Investment Managers, Rotary International.

**FAMILY:**

Frank is native of Hall County, born in 1956. His mother is Hispanic American who immigrated from Havana Cuba in the 1940's. Frank and his wife, Nancy, live in Hall County and have three married adult children - Teddie, Emilie, Tripp and grandson, Cooper.

## EXPERIENCE

- 2013-Present **THE HOME DEPOT** **ATLANTA, GA**  
**Senior Manager, New Product Development – Customer Incentives (2019-Present)**  
Leads cross-functional teams to sustain existing business while developing and coordinating new customer incentive programs.
- Manages Home Depot’s third party and online gift card programs – channels accountable for \$725M in cumulative annual sales.
- Manager, New Product Development – Financial Services (2015-2019)**  
Manage cross-functional teams to develop and coordinate new credit products for The Home Depot.
- Administered and managed Home Depot’s Project Loan and Home Improver credit programs – products accountable for \$500M in cumulative annual spend. Nominated for CFO’s Award for the Home Improver program’s performance.
  - Led effort to add three additional financial institutions to the Home Improver program to create a consortium of lenders, driving competition among banks to optimize program performance. Negotiated contracts, lobbied senior leadership for company resources, coordinated IT integration, and developed operational protocols / store training materials. Oversaw the growth of the Home Improver Card from \$20M annual spend in FY 2015 to \$170M in FY 2017.
- Senior Analyst – Assurance and Advisory Management (2013-2015)**  
Led and executed strategic projects in a development program designed to forge future business leaders through a series of rotations in Store Operations, Finance, Supply Chain, IT, and Merchandising.
- Provided consultancy to internal business partners’ \$28M Supplier Compliance program, uncovering process improvement opportunities and creating an additional \$4.5M in projected annual repayments from non-compliant vendors.
  - Utilized comprehensive data analytics to identify system defects that drove inaccuracies related to \$1.2B in markup and markdown transactions over an eight-month period, both in-store and online.
  - Coordinated with US and Mexico-based teams to establish a continuous fraud-monitoring program to spotlight gaps in Payroll, Travel & Expense, and Vendor payment processes in Mexico operations. Engaged Mexican partners, travelling to Monterrey to successfully mitigate fraud risk.
- Summer 2012 **AMAZON.COM** **LEXINGTON, KY**  
**Operations Finance Intern**  
Executed projects to streamline operational processes within the Lexington Fulfillment Center, utilizing quantitative modeling to increase efficiency and decrease waste in shipping.
- 2003-2008 **UNITED STATES ARMY** **GA / NC / GLOBAL DEPLOYMENTS**  
2015-2018 **Special Forces Intelligence Specialist - 7<sup>th</sup>/20<sup>th</sup> Special Forces Group**  
Member of a twelve-man Alpha team (A-team), tasked with planning, training and leading indigenous forces in combat with limited support.
- Coordinated and summarized intelligence products within the detachment’s area of responsibility. Successfully developed intelligence reports that facilitated the removal of three high-priority targets during the detachment’s deployment. Was awarded the Army Commendation Medal for this effort.
  - Conducted daily meetings with host nation counterparts, in their native language, to strengthen US diplomacy, and increase our partner’s tactical and strategic lethality.
  - Coordinated all logistics to support over 250 personnel, including food, fuel, ammunition, equipment and \$3M in contract awards, utilizing Excel-based system to track, forecast and report all financial and material transactions.
  - Led a contingent of 220 Afghan National Policemen on over 60 combat missions, dramatically reducing the number of enemy attacks within the detachment’s assigned province. Awarded the Bronze Star Medal for this effort.
  - Created and led a briefing on the IED threat and team’s response to U.S. Representative Jim Marshall and his staff. Subsequently invited with team to brief the House Armed Services Committee on Capitol Hill.
  - Delivered training in Spanish to 90+ Paraguayan Special Forces on technical and combat-related subjects. Awarded the Army Achievement Medal for proficiency and professionalism.

## EDUCATION

- May 2013 **UNIVERSITY OF FLORIDA** **GAINESVILLE, FL**  
**Master in Business Administration degree (MBA)**, Concentration in Strategy & Marketing
- Active with Collegiate Veterans Society – an advocacy platform for student veterans.
- Dec 2010 **UNIVERSITY OF FLORIDA** **GAINESVILLE, FL**  
**Bachelor of Arts in Political Science and Minor degree in History**
- Graduated *cum laude* - 3.74/4.0 GPA – Earned Certificate in International Relations.

**FEDERAL CAREER EXPERIENCE:**

Centers for Disease Control and Prevention, Atlanta, Georgia

October 2007 – Present

Stephen Papagiotas: 404.639.4190

**Public Health Advisor, GS-0685-13**

In this position, I serve as a subject matter expert in the areas of medical, epidemiologic, and surveillance issues associated with public health preparedness and emergency response specific to bioterrorism and infectious disease outbreaks. In this capacity, I respond to bioterrorism threats, hoaxes, and events and infectious disease outbreaks; serve as a technical consultant on public health programs and studies specific bioterrorism, infectious disease outbreaks, public health preparedness, and emergency response; and provide public health program support and analysis applicable to national and local public health preparedness and emergency response programs (80%). As an Emergency Coordinator, I serve as the primary point of contact for information transmitted between the CDC’s Emergency Operation Center (EOC), the Office of Infectious Diseases (OID), and the National Center for Emerging and Zoonotic Infectious Diseases (NCEZID) for Emergency Support Function 8 (ESF8) events and incidents. Responsibilities include updating and submitting all emergency notification contact information to the EOC, from OID/NCEZID. Maintaining status of involvement in public health emergencies (including deployed assets and resources). Providing updates and information to key leadership personnel in accordance with the Director’s information requirements and requests for information from federal interagency and state/local officials; providing input to the Continuity of Operations Plan (COOP) and Standard Operating Procedures (SOPs) for the various CDC centers, institutes, and offices (CIOs). Working with the preparedness coordinator on training for subject matter experts (SMEs) and other response personnel; and supporting the development of best practices and preparedness materials. In this position, I hold a Secret security clearance. I have provide direct support to the following Public Health Emergency Responses – Hurricane Harvey/Irma/Mara; H1N1 Pandemic; Ebola Outbreak; Zika Virus, Global Polio Eradication, Middle Eastern Respiratory Syndrome (MERS) – Coronavirus (CoV) Epidemic; Flint, Michigan Water Contamination; Multistate Outbreak of Fungal Meningitis; Unaccompanied Children Crossing US Border; Multistate Cyclosporiasis Outbreak. During the Ebola Outbreak, I deployed to the Atlanta Quarantine Station at Hartsfield-Jackson International Airport from November 2014 to February 2015. During this deployment, I was responsible for conducting tertiary medical screening of passengers whose travel itinerary included travel to or from West Africa.

Centers for Disease Control and Prevention, Atlanta, Georgia  
March 2006 – September 2007

Mr. Kem Williams, MBA: 404-639-7417

**Program & Management Analyst, GS-0343-13**

Served as the Acting Team Lead (July – September 2007) for the Division of Business Services' Evaluation Team. In this role, I am responsible for assigning work, directing 4 FTEs and 3 contractors, and the technical review of the team's work. As a strategic advisor to the Director, Division of Business Services/Management Official (GS15) and Chief Management Official (SES) for the Coordinating Office for Terrorism Preparedness and Emergency Response, my responsibilities include metric measurements, organizational excellence assessment (OEA), policy analysis and development, internal management controls, and business process analysis and evaluation (80%). Since October 2006, I have served as a contributing member of the CDC's All Hazards Preparedness Goals Team. This intra-agency team is responsible for the development of specific Goals Action Plans to support multiple all-hazards public health emergency scenarios. In this position, I support the Emerging Infectious Disease scenario team and the Public Health Infrastructure/Cross-Cutting Support Teams. (20%)

Centers for Disease Control and Prevention, Atlanta, Georgia  
December 2003 – September 2007

Ms. Bobbie Potter: 404-639-6046

**Public Health Analyst, GS-0685-13**

Responsible for the project management of over \$60.0M in annual acquisition activities in direct support of federal, state, local, tribal, and territorial government public health agencies and their development and enhancement of public health plans, infrastructure, and systems to prepare for and respond to terrorism, infectious disease outbreaks, and other public health emergencies.

Centers of Disease Control and Prevention, Atlanta, Georgia  
April 2001 – December 2003

Ms. Gail Williams, MPH, CHES: 404-639-6082

**Program Analyst, GS-0343-12**

Responsible for the project management in the development, implementation, and maintenance of state- and community-based immunization information systems for the following State and Local Public Health Departments: Washington DC, Maryland, Delaware, Pennsylvania, New Jersey, and Philadelphia. These duties and responsibilities supported the mission of assessing the extent of immunization coverage within the United States and the eventual interface of 64 state and community-based immunization information systems as part of national immunization surveillance and tracking system. I also served as a management leader for public health program initiatives and projects, specific to immunizations, immunization coverage, and immunization information systems.

Department of the Army, Fort McPherson, Georgia

August 1991 – April 2001

Mr. Donald Langdon: 404-464-9031

**Administrative Officer, GS-0341-12**

Planned, directed, and coordinated business services of a 30 person staff with the mission of providing ombudsman services to over 200,000 customers in 48 states and Puerto Rico.

Responsibilities included organizational management, human resources, finance and budget (annual operating budget of \$2.0M), information management, and security operations (60%).

Conducted inquiries, investigations, and assessments on an extensive range of matters related to misconduct, fraud, waste, abuse, and mismanagement. (40%). In this position, I held a Top Secret security clearance.

**MILITARY CAREER EXPERIENCE (Active and Reserve Component)**

Department of the Army, Arlington Heights, Illinois

June 1985 - October 1988/February 1994 - February 1999

LTC Robert Knight: 404-850-3524

**Psychological Operations Officer (Captain/03)**

Supervised and directed the collection, analysis, and dissemination of tactical, political, strategic, and technical intelligence information to facilitate the development of military or political strategies. Supervised and conducted targeted research and analysis of unclassified and classified information to support the construction of specialized intelligence products to support various intelligence and electronic warfare missions and operations. The primary focus of these production efforts was to develop reports, estimates, studies, and strategic/operational analyses from a cross-cultural, historical, political, social, economic, psychological, demographic, system, and religious perspectives. In this position, I held a Top Secret security clearance. I transferred to the Retired Reserves as of July 1999 after completing 20 years of continuous service.

North Atlantic Treaty Organization (NATO), Stabilization Force (SFOR), Sarajevo, Bosnia

January 1998 - October 1998

LTC Charles F. Smith: 314-260-8680

**Personnel Officer/HHD Commander (Captain/03)**

**Personnel Officer (75%):** Planned, directed, and coordinated human resource management activities of an international organization comprised of 225 personnel from Western Europe and North America, to maximize the operational use of human resources. This included employee compensation, recruitment, personnel policies, and regulatory compliance.

**HHD Commander (25%)** Responsible for the training, discipline, morale, safety, and welfare of 120 military and civilian (U.S.) employees in the production to develop reports, estimates, studies, and strategic/operational analyses from a cross-cultural, historical, political, social, economic, psychological, demographic, system, and religious perspectives. I served as an advisor to the Task Force Commander (Colonel/06) and Deputy Commander (LTC/05) on all matters related to U.S. military personnel assigned to the Task Force. In this position, I held a Top Secret security clearance.

**EDUCATION:** Eastern Illinois University, Psychology, BA, May 1985

**HONORS AND AWARDS:** 28 Outstanding & Excellent Performance Evaluations in 32 years of service. Over 29 Civilian Performance Merit Awards (monetary and non-monetary) in 32 years of service. The 2017 NCEH/ATSDR Honor Award for Excellence in Emergency Response – Domestic Emergency Response for Hurricanes HARVEY, IRMA, and MARIA; The 2015 US Centers for Disease Control and Prevention’s Award for Excellence in Administration, The 2014-2015 Ebola Outbreak Administration Team, Division of Global Migration and Quarantine. The Office of Infectious Diseases’ (OID) 2014 Excellence in Frontline Public Health Service award for the 2014 Unaccompanied Children Response. The 2013 Department of Health and Human Services Secretary’s Award for Distinguished Service for the Multi-State Outbreak of Fungal Meningitis (Group Award). Civilian and Military Decorations include the Department of Army’s Superior Civilian Service Medal (2001), the United States Army’s Meritorious Service Medal (1999), the Department of Defense’s Joint Commendation Medal (1998), and the Department of Defense’s National Defense Service Medal (1991)

## PROFESSIONAL EXPERIENCE

RIVERS CROSSING COMMUNITY CHURCH, MASON, OH.

September 2017 to December 2018

### DIRECTOR OF GROUPS

- Developed and directed over 40 community and men's groups through curriculum-based study for a non-denominational megachurch of over 3500 resulting in the growth of community groups by 10%, increased community engagement, and spiritual growth.
- Established one on one mentoring/training sessions and established a coaching program with group leaders to explore facilitators and barriers in group dynamics, which led to personal and spiritual growth in leading their groups.
- Collaborated with a team of executive pastors and community group leaders to produce new initiatives for all community groups, which caused dynamic growth in prayer and other spiritual disciplines to fulfill the mission and vision of the church.
- Implemented new group tracking technology, resulting in more seamlessly and efficiently tracking group metrics, which led to the development of new strategies for group connections and engagement.
- Delivered operations, administration, customer service, and logistics support to create a learning environment for Rivers Crossing Discipleship School that enabled worship and teaching to encourage the spiritual growth of students.

12STONE CHURCH, LAWRENCEVILLE, GRAYSON, SNELLVILLE, GA - December 2008 to May 2017

### VOLUNTEER CAMPUS LEADER

- Led over 15 small groups, teaching the basics of the Christian faith resulting in new believers developing a deeper connection to their faith and volunteering in the church community.
- Volunteered with high school student ministry, assisting with operational logistics, and developed connections with students to help them form deeper spiritual formation in their lives and relationships.
- Coordinated guest services experience on various teams between ministry leaders and the church community at two of the church's campuses to create a welcoming environment of connection and engagement.

DEVRY UNIVERSITY, DOWNERS GROVE, IL - July 2011 to July 2013

### BRAND AMBASSADOR

- Selected from a pool of 200 students to become Brand Ambassador for "The Driven Class," an online support community for over 1,000 students nationwide to encourage students through the mental and emotional challenges of academic study.

- Tutored students in education and life skills through 100 blogs, "Coach Harold" motivational videos, town hall meetings, and online training materials, resulting in 50% increased traffic on the website.
- Created and implemented strategic plans for successful onsite and offsite campus activities that propelled online enrollment at Driven Class by 10%.

GARY COMPENSATION CONTRACTING, LOGANVILLE, GA - March 2008 to September 2012

- Delivered superior customer service in providing compensation services for Fortune 500 clients.

**HR ANALYST**

SAGE SOFTWARE, LAWRENCEVILLE, GA

- Augmented payment processes by restructuring internal systems for over 100 plan participants during the commission plan transition resulting in increased efficiency in calculating payouts.
- Administered eight complex sales compensation programs that significantly enhanced HR processes to ensure seamless payments to the salesforce.

MERIAL, LAWRENCEVILLE, GA

- Managed five compensation/commission plans that averaged over \$800K a month for over 300 plan participants with 100% accuracy that ensured on-time payments.
- Contributed to the launching and implementation of improved Oracle business system for new compensation plan in collaboration with HR and finance team, which resulted in a 50% increase in system efficiency.

MCKESSON PROVIDER SYSTEMS, ALPHARETTA, GA

- Utilized new software solution to revamp compensation database system resulting in seamless transition of data into the new Oracle system (HRIS), resulting in 40% increased efficiency.
- Created and managed numerous contracts for Incentive team and trained them on how to understand contract terms, resulting in a deeper understanding of commissions in terms of payment for over 200 plan participants.

NETLINE ACCESS, LAWRENCEVILLE, GA - June 2007 to Feb 2008

**GRAPHICS/WEB DESIGN ASSISTANT**

- Updated and maintained five client websites, which produced a 30% increase in traffic.
- Created and published books, brochures, forms, and other business materials to enhance brand awareness for new and existing clients.

BLUELIX CORPORATION, ATLANTA, GA - July 1998 to January 2007

**HR ANALYST**

- Successfully supported sales operations through employee relations, onboarding, troubleshooting, training, payroll, and compliance that ensured a vibrant environment for a strong salesforce.
- Created and managed 10 compensation/commission and total rewards plans for regional managers and 200+ in salesforce resulting in more than \$10 million in compensation.
- Conducted and facilitated one on one and group training focused on sales compensation education for salesforce, resulting in 20% increased gross margins and 30% in sales growth.
- Established productive, collaborative relationships with all sales vice-presidents, influencing their decisions on workplace planning and policy, resulting in a 90% retention of top sales performers.
- Trained and educated employees on diversity policy and practices which significantly increased both employee participation and awareness.

---

**RELATED EXPERIENCE**

GARY HOUSEHOLD, Loganville, GA

July 2010 to August 2017

## Civic & Community Leader

Visionary, challenge-driven, successful in both professional and community arenas.

Natural communicator with the ability to inspire individuals to work toward achieving a common goal and to create consensus among divergent groups. Assisted with several political campaigns through my involvement with our local GOP. Currently serve as Hoschton City Councilmember, Ninth District GOP Assistant Treasurer, Jackson County GOP Treasurer, Brook Glen HOA Treasurer, and Hoschton Women's Civic Club Vice President.

---

## PROFESSIONAL EXPERIENCE

---

### Jackson County Water & Sewerage Authority

2017-Present

#### Accounting Manager (2017-Present)

Maintain financial and operational controls and procedures. Supervise a staff of four accounting and customer service professionals while collaborating with the Finance Director on accounting and annual budget. Lead many functional projects and initiatives with operational oversight for all daily, monthly, and annual operational accounting and controls practices.

- Led successful chart of accounts and software conversion projects.
- Shortened monthly closing from 30 to 20 days by better distributing work and incorporating efficiencies.
- Managed and improved physical inventory processes.
- Developed and implemented new purchasing procedures to improve internal controls and expedite processing.
- Coordinated with Finance Director on annual budget planning and results.

### Kubota Industrial Equipment Corporation

2011-2017

*Held multiple positions of increasing responsibility over five year career with this equipment manufacturing company with complex accounting practices and multiple product lines.*

#### Accounting Manager (2014-2017)

Maintain financial and operational controls and procedures. Supervise a staff of three accounting professionals while collaborating with the Accounting Director and Treasurer on business accounting and annual budget. Lead many functional projects and initiatives with operational oversight for all daily, monthly, and annual operational accounting and controls practices.

- Led successful chart of accounts and software conversion projects.
- Shortened annual closing from 30 to 15 days by better distributing work and incorporating efficiencies.
- Facilitated successful project to standardize all processes with our sister company, KMA.
- Managed semi-annual physical inventory of \$44M across 5 buildings.
- Managed property tax filing in over 25 jurisdictions and managed Development Bond planning and filing.
- Coordinated and reported annual budget planning and results.

#### Accounting Analyst (2011-2014)

Focused on fixed asset management, account reconciliations, accounts receivable, and cash management.

- Coordinated and organized annual SOX and GAAP audits.
- Managed foreign and domestic currency accounts.
- Reviewed and reported fixed asset projects while managing budgets and coordinating with requesting departments.
- Prepared quarterly consolidated financial statement reports and annual confirmation letters.

### Greensouth Equipment

2009-2011

#### Bank Reconciliation/AP Specialist

Focused on bank account reconciliations, accounts payable management, and paperwork audits.

- Completed monthly bank reconciliations for 14 locations, posted entries to the general ledger, reconciled various internal accounts, performed audits of paperwork.
- Processed checks for all 14 locations, reconciled monthly vendor statements, resolved issues with purchase orders, and all AP duties.
- Provided support to Controller as needed, especially during month end.

### Gainesville Truck Center

2001-2009

#### Accounting Clerk

Assisted Controller in all accounting functions including accounts payable, accounts receivable, payroll, account reconciliations, and sales tax

- Performed duties of AP and AR including issuing purchase orders, entering invoices, reconciling vendor statements, issuing checks, account collections, journal entries, account reconciliation, and posting cash receipts.
  - Performed duties of Human Resources department including payroll, managing employee files, Drug Free Workplace coordination, and processing new hires.
  - Provided support to other departments including parts, sales, and service. Experienced in service writer duties and parts inventory functions. Also assisted in answering 12-line switchboard.
-

### **Quick Summary**

**James Morrow** (Republican) was a candidate who sought election to the Georgia House of Representatives to represent District 39. Morrow lost the general election on November 6, 2018, after advancing from the primary on May 22, 2018. Morrow was a 2016 Republican candidate for District 38 of the Georgia State Senate.

Morrow received a B.A. in History from the University of Arkansas at Pine Bluff in 1997 and his M.A. in secondary education from the University of Arkansas at Little Rock in 1999. He works as a high school teacher/coach and academic recruiter for the University of Arkansas at Pine Bluff. Morrow is licensed to teach by Georgia Professional Standards.

I am the best candidate for the position because I am very effective, very efficient, and I know how to work with people. Regardless of their political affiliation. I am the best candidate because I am not a lifelong politician. As I was told when I first mention to someone that I was planning on running for office six years ago. They laughed and said I was just a regular school teacher and a coach, no one is going vote for you is what I have been told numerous times. Whether I win or not I will have brought attention to the major concerns and issues that no one seems to know about or know about and just don't care. It is time to fix Education.

For the past 22 years, Mr. Morrow has been an educator and coach in Little Rock School District, Clark County School District in Las Vegas, Nevada, Atlanta Public Schools and currently Clayton County Public Schools. Subjects I have taught include-Economics, A. P. Human Geography, History, Political Science, Government, Political Science, Physical Education and Health.

As Arbitration specialist, file first party claims including special arbitration; counterclaims, affirmative defense as well as Med-Pay, Worker Compensation, Auto Material Damages and property claims.

Defense Base Act, (Longshore claims); 4yrs

Responsible to review, audit, research, prepare and file claims with The Department of Labor for reimbursement under the war hazard provisions of the Defense Base Act. This started as one person (myself) to develop the process map, spreadsheet and procedures in conjunction with the adjusters and support teams. Eventually developed into a team of five plus a manager. Claims involved millions of dollars annually for benefits paid and recovered. I directly or indirectly submitted or supervised the submission of nearly \$80 million in claims and recovered about \$50 million over 4 years.

4) Senior Claim Representative (AIG Claim Service, Inc. 2yrs

Investigate, evaluate, negotiate and resolve liability, material damage, property and bodily injury claims of moderate to severe nature within prescribed authority. Determine proper coverage. Establish, recommend and authorize adequate, appropriate reserves and claim payment up to authority and or policy limits.

Manage and supervise litigated files with attorneys. Litigated files averaged 65% of pending. Used AIG automated claim systems and software such as Wrexpert biomechanical for low impact analysis. Assisted training and mentoring of new claim representatives. Multi-state experience.

5) Associate District Manager - Marketing & Training (NHCD)

National Health Care Discount 4.5yrs

NHCD is/was a Discount Health, dental, chiropractor and vision plan sold via telemarketers. Responsible for customer service, survey and marketing representatives working from home and office. Interview, hire, train & manage phone survey and marketing representatives for my team. Achieved top sales qualifications, consistently ranked in top ten producers nationwide.

6) Claim Specialist – (Nationwide Insurance & Permanent General) 9yrs 1982 to 1995

My positions at Nationwide (standard insurance) and at PGAC (mostly non-standard) I handled and recommended settlement of non-rep and attorney represented injury & property claims including total loss, within assigned authority and or policy limits. Reviewed and completed liability investigations, conducted/requested scene investigations. Compiled, researched, negotiated and recommended injury settlements to management (including structured). Conducted litigation management with contract and company attorneys when required. Occasionally attended hearings. Applied comparative negligence according to appropriate state laws. Filed Arbitration. Multi-state experience.

6) Assistant Professor of Military Science - U.S. Army & University of Akron 11/11/88 - 12/31/91  
Prepared outlines and taught courses at the University level ranging from Freshmen to Seniors.  
Primary class was American History and Military History to Sophomore level students.  
Emphasis was placed on the development of the civilian oversight of the military in western society and volunteer armies. Other class samples were the Geneva Convention, Rules of War, Ethics and other military related topics. Interviewed and evaluated potential candidates for ROTC and academic scholarship applicants. Performed as academic advisor for all ROTC scholarship students and the sophomore ROTC class, mentored students.

#### EDUCATION:

CCLA/ FCLA - American Educational Inst. (Casualty Claim/ Fraud Claim Law Associate)  
U.S. ARMY COMBINED ARMS SCHOOL (CAS3) Ft. Leavenworth KS 1992  
- Mid Level Staff and Operations course (received post-graduate credits)  
U.S. Army Officer Advanced Course Field Artillery, Ft. Sill, OK 1984  
U.S. Army Officer Basic Course Air Defense Artillery, Ft Bliss, TX 1978  
U.S. Army Enlisted Basic and Advanced Individual Training Ft. Jackson, SC 1974  
UNIVERSITY OF AKRON B.A. - POLITICAL SCIENCE 1978  
TOASTMASTERS INTERNATIONAL - CC designation & Club President for 2yrs

CONTACTS/References - Military References available upon request  
404-514-3284 cell - Ryan Noordhoon Unit Manager at Access (former Marine)  
404-313-6962 cell - Tyler Freeman ( Access - now VP at another company)  
770-312-2226 cell - Ginger Glass - (former manager at CNA - now works for a TPA)  
678-463-5652 cell - Vance Woods (former manager still works at CNA)  
678-482-1688 cell Cynthia Gawrys (former manager at AIG)  
678-778-2063 cell - Jeanne Alpers (personal reference)  
404-550-1051 cell - Julia Weeks co-worker/personal reference

U.S. Military Service: (Current Status - Retired Reserve; Rank - Major)  
Army National Guard & Active Duty Positions

Primary positions included;

Assistant Professor of Military Science, Army ROTC (3yrs)  
1/134 Field Artillery, Battalion Operations Officer  
37th Armored Brigade Fire Support Officer  
State of Ohio Artillery Transition Training Officer  
107th Armored Cavalry Regiment Fire Support Officer  
2nd Squadron, 107th Armored Cavalry Regiment Fire Support Officer  
2nd Squadron, 107th Cavalry - Howitzer Battery Commander (4 years)  
3rd Brigade, 9th Inf. Div Air Defense Artillery Liaison Officer & Platoon Leader (3yrs)

Some highlights of my duties included but not limited to:

Prioritize & monitor training of individual to multi-level unit tasks for a Battalion 600-person unit.

Coordinate training calendars & events for six separate units across Ohio.

Coordinate movements of the vehicles within the Battalion to and from training sites & in tactical exercises.

Commanded 150 person Artillery unit; exceeded standards in training, logistics, & administration

Passed Two Dept of Army/Pentagon inspections for training, logistics, administration, security & tactics. As a nuclear capable 155mm artillery unit it was my understanding we were the first National Guard unit to be tested and pass this testing.

Assisted the Regiment to write a revolving 3year training plan to prepare units to do the same.

Assisted the Regiment to write the 2 week task by task tactical testing program.

As Artillery and heavy weapons Range officer monitored training and safety for live fire exercises. This ensured safety of the military personnel doing the firing and that no civilians wandered onto the range impact areas.

James S. Richardson  
Duluth, GA 30096

#### O B J E C T I V E

To provide a foundation for discussing employment and business opportunities in various fields of endeavor.

#### S U M M A R Y

- Solid experience as a broker and developer: sales and management. Responsible for new commercial properties being built and leased in excess of 1,000,000 square feet. Most recent project is a retail and industrial park of 25 acres. The focus of these developments encompassed the entire spectrum of acquisition or sale of raw land, guiding these properties through the regulatory stages of zoning, platting, site planning, and leasing. Moreover, creation of pro forma funding proposals for mortgagees was an integral part of the process. In addition, James represented major developers in the sale of single-family homes and buildable lots.

- Well-rounded experience in the securities industry in sales and management. Most recent position was Southeastern Regional Manager for a premier money manager on Wall Street. Featured on TV and radio on several occasions as an expert regarding retirement planning.

- Inventor: Methods and Systems for Providing a Safety Apparatus to Distressed Persons: #9,745,062 & #9,809,307

#### W O R K H I S T O R Y

James S. Richardson, Developer  
1991-2019

Last project developed was a 25-acre mixed-use industrial park in northern Alabama. A current project slated to be built includes a major oil company and AAA fast-food restaurant in a co-branded concept on 2.2 acres. The site plan also includes a national motel of 40-60 units.

Pg.2, Richardson

President, James S. Richardson & Associates, Inc.  
1977-1991

This entity was a hands-on real estate brokerage and development firm. In the course of business, three Publix anchored shopping centers were brought to fruition.

Moreover, James S. Richardson & Associates represented major developers as their exclusive agent. James was the broker for several transactions including McDonald's, Burger King, Wendy's, 7-11, Mobil Oil, Shell Oil, Coral Gables Federal, Flagler Federal, Glendale Federal, Royal Trust Bank, Westinghouse (Coral Ridge Properties, et al.)

Southeastern Reg. Manager, Lord, Abbett & Co. 1975-1977  
Functioned as a mutual fund wholesaler to the retail firms operating under the N.A.S.D. & S.E.C. With a stable of mutual funds under Lord, Abbett's management, the sales of the products doubled in two years in assigned territory.

Process management: Planned work flow, managed multiple priorities and met daily production targets while consistently reducing downtime. This position required the management of not only the manufacturing process but also plant inventory, cost, and staff; managed several million dollars worth of mobile/stationary equipment, machinery and inventory with no incidents or unnecessary downtime; initiated work orders when necessary and ensured the work was performed in a timely and efficient manner;

enforced strict occupational safety guidelines while observing them as well; produced production reports; coordinated production runs while taking into consideration customer requests, total inventory, available space, and processing time; completed orders for consumables and other equipment or tooling required to complete jobs; made recommendations for and initiated slight engineering changes to equipment and machinery in order to increase efficiency and productivity. Utilized lean manufacturing processes in order to increase efficiency and timeliness; identified, diagnosed and resolved operational, manufacturing and maintenance problems within deadlines which directly contributed to a 30% decrease in production downtime; interpreted and developed reports to include standard operating procedures, production schedules, and other word/excel documents; received, processed and resolved customer complaints; Participated in meetings with upper management to include the CEO, CFO, VP, and President of Cherokee Brick and Tile.

Supervisory Responsibilities- For 10+ employees in all facets of the manufacturing process; ensured proper PPE was worn at all times; ensured employees were gainfully employed and performing work related functions at all times; employed manufacturing best practices in order to increase efficiency while minimizing unnecessary downtime; maintained employee time cards and authorized overtime only under extenuating circumstances where production time constraints had to be met; effectively developed inter-personal relationships with employees and worked to resolve conflicts; identified process improvement opportunities and employed strategies to make necessary changes; maintained a level of quality that met customer standards and satisfaction by implementing a series of quality checks to be performed by production employees; trained and mentored employees in effort to raise efficiency and develop employee skills; planned for and adequately staffed all positions according daily and weekly workload.

Maintenance Responsibilities: Changed various types of drive belts (primarily cog and v-types), changed and aligned sheaves and pulleys; repaired/replaced hydraulic hoses utilizing pneumatic press; filtered and changed insulating oils and hydraulic oils; serviced and repaired heat exchanging units; replaced parts as needed on mill machinery; replaced various types of limit and safety switches; changed filters as needed or according to service maintenance schedule; laced, repaired and replaced conveyor belts; changed, serviced and repaired tail pulleys and bearings; checked oil levels and serviced all drive motors; replaced gas/oil pipe couplings as needed; serviced, replaced or fabricated safety equipment such as handrails, catwalks and guards; serviced or replaced love joys connections on motor drive shafts; assisted maintenance dept. with complete machine removal, overhauls and installations; made slight engineering changes to production machinery in order to increase both production and efficiency; followed blueprints, schematics and technical manuals for all prescribed repairs; utilized welders grinders, sanders, drills and cutting torches for machine/machine guard repairs and maintenance; used dial indicators, micrometers and other measuring devices to ensure proper alignment and to verify tolerances; followed all lockout/tag out procedures when performing repairs

and maintenance.

Accomplishments- Maintained a high degree of customer satisfaction (be it vendors or buyers) that helped to set the industry standard, and made Cherokee Brick and tile the preferred brick manufacturer in the Southeastern region; promoted to engineering plant after 3-months employment as a result of exponential increase in quality at Plant 2, which was my initial assignment; given significant pay raises on two separate occasions as a method of retention and appreciation; no lost time incidents or significant accidents that led to recordable safety violations; only department without significant findings during OSHA walk-through;

Special Duties: Conducted employee interviews and participated in new hire orientations; attended unemployment hearings and produced evidence supporting company's decision to terminate employees; Participated in multiple small group learning sessions on developing communication skills, writing reports, handling complaints, and processing employee grievances.

## Executive Summary

Highly motivated individual with advanced degrees in business administration and public administration. Experience at the state, county, and city government level. Extensive experience with the State of Georgia providing oversight of 15 Executive Branch agencies to the State Senate. The agencies are responsible for Georgia's efforts to help eliminate hunger, food insecurity and malnutrition, reduce poverty, care for the elderly, and administer the safety net of public-private providers that deliver services for public health and behavioral health care. My education and experiences have given me the skills to collect, analyze and synthesize data that supports effective policy, legislation, and budgetary decision-making. I excel in engaging a diverse set of stakeholders, advocates, legislators, and top executive staff to gather input and build common understanding.

## Education

### **Kennesaw State University**

Master of Business Administration (M.B.A.)	5/2013
Master of Public Administration (M.P.A.)	5/2011
Bachelor of Science, Political Science	12/2007

## EXPERIENCE

### LEADERSHIFT INSIGHTS, INC.

Oct 2007 – Present

*Consulting firm focused on helping leaders and teams facing disruption increase their capacity to adapt.*

**President** (Professional Speaker, Author, Executive Coach and Consultant), Oct 2007 - Present

Professional speaker, author, executive coach and consultant

Founded consulting firm with deep expertise in accelerating business strategy through authentic leadership.

- Provided extensive organization design, leadership development, performance management and large-scale transition management services and programs.
- Cultivated and leveraged alliances with several premier partner firms.
- Built LeaderShift Transition Toolkit, a simple integrated set of pragmatic tools to drive large scale change.
- Designed RapidOD program and training proven to lead clients through an org. redesign in a one day session.
- Invited to become one of four partners with Cambridge Leadership Group, a multi-national, best in class performance leadership firm credited with saving one client \$50M annually for three years.
- Coached leaders at all levels to improve their ability to drive performance through others.

**Partner, Cambridge Leadership Group, Jan 2009 - Dec 2010**

Led US practice of a global consulting firm specializing in performance leadership & organization change.

- Designed and marketed measurable five-course series that generated more than \$10M in revenue and integrated cutting edge adult learning and leadership thinking from Harvard University.
- Developed communications and marketing for US market that tripled inquiries in one year.

### COCA-COLA ENTERPRISES – ATLANTA, GA

Jan 2010 – March 2011

*World's largest Coca-Cola bottler with more than \$19B in revenue and 74,000 FTEs across North America and Western Europe.*

**Group Director, Organization Development & Change Management**

Created organization development function to provide company-wide methodology, thought leadership, tools and training around change management, organization design, group facilitation and team effectiveness.

- Developed and socialized strategy for global Organization Development (OD) function resulting in the implementation of standard best practices and training that significantly improved project sustainment and HR's ability to drive sustainable business results and leadership support.
- Revitalized change management methodology, tools and training and implemented globally. Eliminated more than 2000 pages of training content and reduced required tools by 75%.
- Evaluated and selected preferred change management partner firms to be used globally.
- Led design work and served as OD and change management Subject Matter Expert (SME) to set up 'New CCE' as a stand-alone European company generating \$7.3B in revenue with 13K employees.
- Created alignment of European HRVPs around one global labor strategy, predicted to drive \$50MM+ in annual cost savings.
- Consulted on global organization designs including creation of a united EU Learning & Development team and strategy.
- Partnered with large consulting firm to lead cross-functional project to evaluate and restructure the front-line supervisor role resulting in recommendations to drive \$38M in annual savings (a 59% ROI).

**PROFESSIONAL EXPERIENCE** *(continued)***AUTOZONE PARTS, INC.****Nov 2004 - Oct 2007***No. 1 auto parts retailer in North America with \$6B in revenue and 50,000 employees.***Director, Organization & Leadership Development**

Established and grew the organization, leadership development and learning function. Hired a six-member team and created a center of expertise in cross-function process improvement.

- Developed experiential executive development program for high potentials that tripled internal promotions from Director to VP level, doubled diversity on the CEO Team, and increased sales in Mexico by 17%.
- Advised on selection and implementation of a Learning Management System that enabled e-learning in the field and increased specialist certifications by 80%.
- Built cross-functional process improvement center of expertise: integrated merchandising, supply chain and operations processes to decrease 'out-of-stocks' by 80%.
- Led two-year implementation and integration of three core merchandising systems to replace 12 legacy systems in partnership with large global consulting firm. Project included 'as-is' and future state process analysis, role definitions, organization realignments, integration of processes cross-functionally and implementation of all recommendations and resulted in saving six FTEs and total ROI of at least 15%.
- Established talent planning process to improve dialogue and drive business performance (succession, leadership reviews, and performance management) resulting in an increased focus on hiring and developing ready-now successors for critical positions.
- Led organization structure reviews, interventions, innovation sessions, and executive coaching that increased sales, resolved group dynamics issues, and improved employee and executive retention. Sample results include generating ideas resulting in a 15% increase in sales and the retention/resolution of two key executives with behavior issues.

**BANK OF AMERICA****Dec 2000 – Nov 2004***Second largest financial services firm in the world (\$25B in revenue and 150,000 FTEs).***Vice President, Leadership Development & Learning - Consumer Skill Building, Oct 2003 – Nov 2004**

Built 25-person team to implement integrated learning, leadership development and organization effectiveness supporting all business within card services and ecommerce sections.

- Developed and implemented learning strategy for more than 20% of the company, aimed at increasing sales and driving customer service rating up 10 points.
- Served on the corporate team that redesigned all training processes company-wide, selected and implemented a Learning Management System. Reduced spend by 10% while improving ability to meet content delivery dates by 100%, doubled shelf life of programs from up to 6 months to up to 12 months.

**Vice President, Learning Initiatives - Merchant Services, Card Operations, Jan 2002 - Sep 2003**

Created an eight-person team to drive learning, Six Sigma and strategy for the merchant business.

- Launched Six Sigma in merchant services business, saving more than 19.5% of OpEx in three years.
- Developed sustainable blended sales curricula for field sales, telesales, and client relations teams including skills, product, pricing, and business-specific training that reduced individual ramp-up time from 13 months to six weeks and generated \$5.5M in annual revenue in its first year.
- Led development and implementation of success profiles for all major job functions to streamline selection, performance dialogs and cross-functional rotation by creating a common language around skills and competencies.

**Vice President, Leadership Development - Corporate Personnel, Dec 2000 - Dec 2001**

Coached the president and leadership team of \$5B card & Ecommerce business on leadership and organization development issues. Led interventions to resolve conflict threatening the business and provided organization development, leadership development and organization design solutions.

- Led five large restructuring initiatives to optimize talent in key roles and eliminate redundancy. Designed organization, planned and executed communication and managed change.
- Designed and implemented a world-class talent and performance management process (including 360) after benchmarking with Pepsi, GE, Ford and Honeywell. Process was launched bank-wide and lauded by our board as key HR processes that drive results.

**PROFESSIONAL EXPERIENCE** *(continued)***HONEYWELL (FORMERLY ALLIEDSIGNAL, INC.)****Feb 1999 - Oct 2000**

*Major producer of consumer products, engineering services and aerospace systems employing 150,000 people and generating \$25B in annual revenue.*

**Organization Development Leader**

Created alignment between HR VPs of 17 distinct global businesses to standardize core HR processes resulting in standard HR metrics for all businesses.

- Led a global cross-functional team of 50 and an external consulting firm in developing a process to engage employees and proactively drive the culture of the new Honeywell, resulting in a baseline for measuring engagement.
- Facilitated interventions to resolve conflict on several newly integrated teams with vastly different cultures.
- Led 13 integration teams to merge the AlliedSignal and Honeywell HR functions.
- Directed graduate level intern program resulting in a 50% increase in recruiting efficiency and a 20% increase in the number of interns converted to full-time hires.

**EMPOWERED SYNERGY****Jun 1998 - Jan 1999**

*Independent management consulting firm focused on executive coaching and project management.*

**President**

Established independent consulting firm to deliver organization development, executive coaching, and project management. Maintained 100% billable hours for life of firm.

- Partnered with and coached CFO of \$54M client to manage implementation of enterprise resource software involving three vendors and an organization realignment.
- Designed a team-based client service model for the largest commercial printing company in the US aimed at improving customer satisfaction by 50%. Hired and trained 30 people to implement model across the US.

**ARTHUR ANDERSEN, LLP, BUSINESS CONSULTING GROUP****Sep 1994 - Jun 1998**

*At the time, a global 'Big 6' tax, assurance, and consulting firm.*

**Experienced Senior Consultant**

Provided consulting and advisory services to global 1000 clients. Managed joint client teams.

- Led Change Management for an SAP implementation in the Dominican Republic. Planned and facilitated a bilingual team development session to unite a cross-functional, multi-cultural team of 60. Drove a culture, and skills shift from paper/pencil to fully automated financials increasing efficiency by 60% and accuracy by 25%.
- Coached 10 teams in a total hospital reengineering. Redesigned 25% of all functions in hospital. Automated payroll/time tracking, streamlined recruiting, established a development center, created a feedback program, redesigned benefits, turned a fitness center into a profit center and revolutionized communications. Result was a 30% decrease in OpEx and a thwarted union organizing attempt.
- Conducted investigation to determine the cause of a seven-year multi-million dollar circulation fraud and implemented controls to minimize future fraud risk.
- Led optimization and restructure of all finance functions for a US-Based media services firm saving 6% of OpEx and reduce headcount by 80%. Managed subsequent project to select and implement Finance ERP system.
- Built relationship as CFO's trusted advisor and built plans to transition the organization through change management, communication and training.
- Managed several teams to develop and implement a new claims processing system and outsource data functions for a large insurance company. Utilized interactive systems diagramming exercise to highlight complex cultural and political issues, resulting in an executive session that generated the strategy to drive culture change and a 35% cost reduction.
- Saved \$13M by leading a cross-functional team from three distinct cultures and companies to implement best practices for accounts receivable and billing and consolidate actuarial functions (including gaps analysis, process improvement, role definition and headcount reduction).

**EDUCATION****B.S., Marketing – Concentration in Reengineering & Managerial Strategy****1994**

## PROFESSIONAL SUMMARY

Versatile, persuasive Executive with 20+ years experience helping organizations achieve their strategic objectives and articulate a future vision. Pivotal resource for diverse organizations, including FEMA, Department of Veteran Affairs, University of Minnesota, Troy State University and Department of the Air Force. Successfully partner with business leaders, high-ranking government officials and technical teams to plan, integrate and execute \$MM project plans on time/on budget. Master Presenter, skilled at achieving proposal buy-in, translating complex concepts to diverse audiences, and facilitating change and acceptance of new approaches enterprise-wide. Possess 5 degrees: PhD (Policy and Procedures), MS (Management and Education Leadership), BA (Physics & International Affairs) and AA (Logistics Management).

- Solutions-driven strategist and resourceful problem solver who consistently improves efficiency, productivity and the bottom-line.
- Uncompromising commitment to performance excellence with an ardent bias for action. Thrive in fast-paced environments, readily adapting to evolving business challenges.
- Strong motivator, managing organizational change, mitigating risk, infusing new ideas and delivering unparalleled results in cross-functional environments.

---

## PROFESSIONAL CERTIFICATIONS

DTM, Toastmasters International  
Certified Surgical Technician

Private Pilot  
Acquisition Professional (COTR)

---

## PROFESSIONAL EXPERIENCE

**The Partnership (TPI), Atlanta Georgia**  
**Director, Government Markets**

**2010-2018**  
**8 years**

Develop and lead acquisition of government contracts and grants. Annual target awards range from five to 100 million and represent a substantial growth arena for The Partnership. Duties include research, documentation, development, through the bidding process and administration of awarded grants and contracts. Principle duties include serving as advisor to the President and Senior Vice president as well as training other staff as required to assure a timely, seamless process throughout the bidding and acquisition process.

### Key Accomplishments:

- Facilitated federal contracting eligibility application and trained team members on contract research, evaluation, and competition process.
- Oversaw development of online profiles for federal acquisition programs and outlets and directed registration of DUNS, tax, and CN accounts for corporate structure.
- Established automated research function to encompass a broad range of award opportunities to include state and local government awards.

---

**Federal Emergency Management Agency (FEMA), Atlanta, GA**  
**Emergency Management Specialist and Risk Mitigation Specialist**

**2005 – 2010**  
**5 years**

Supplied leadership and oversight for multi-million, 5-year map modernization, the largest funded project in agency history. Collaborated with national, state and municipal officials in 8 states, specialists and engineers from 32 participating federal agencies and national service provider (contractor) management. Emergency Response Disaster Support liaison.

### Key Accomplishments:

- Led development of a national outreach and training plan for 10 federal regions and 32 federal agencies. With no actual organizational authority, completed plan in 32 days (97 signatories) and had it fully functional in 90 days.
- Skillfully resolved conflicts with Governors and Congressional/White House staffers demanding special exceptions for their districts; only 6 incidents over 5 years required Headquarters intervention and resulted in actual exceptions.
- Convinced local and state elected officials to comply with federal statutes/regulations for adoption of 911 flood maps as the basis for community zoning and construction.
- Saved over \$5MM in the first year and reduced error/delay rate by 300%, by initiating and implementing a national quality assurance/quality control process in 6 months.
- Kept a detailed paper trail of all communications and 100% transparency practices, ensuring all parties were informed on deliverables and eliminating cost overruns/delays.
- Updated and supported operational and global information systems, including ERP, Finance, HR, Law/Patents, Supply Chain, Manufacturing and Procurement.
- Exceeded benchmarks of ordinance change adoption rates for 3 years by over 4%.
- Maintained lowest travel cost in region, despite traveling 30% more than anyone else.
- Established funding pattern and support for continued cost-saving upgrades. Saved 5 staff hours per week per person for a 16-member branch for 3+ years.

**Department of Veteran Affairs, Minneapolis, MN**  
**Special Projects Manager/QA Manager/Trainer**

**1996 – 2005**  
**9 years**

Successfully held diverse roles, including Special Projects Manager for Chief Logistics Officer spanning 5 clinics and the largest VA Department in the Midwest. Supervised Surgical Core as well as oversaw Quality Assurance and Quality Control and functioned as public training representative.

**Key Accomplishments:**

- Increased productivity 7% and saved \$500K annually after reducing staff by 10%.
- Revamped property management program, leading to 30% reduction in excess stock/supplies with a procurement value of \$15MM+.
- Developed new draft policies for region and redesigned regulation management system, increasing publication currency rating by 42%.
- As trainer for Service Outreach Program, grew participation by 700% in one year.
- Improved JIT delivery from 82% to 99%+ and lowered JIT error rating from 19.5% to <1% through system automation.
- Developed a scheduling system for volunteers that resulted in 500+ additional staff hours becoming available in the first year of implementation.
- Achieved 5 consecutive “excellent” ratings in QA/QC inspections.

**University of Minnesota/Troy State University, MN/Korea**  
**President/Director of Graduate Studies**

**1991 – 1996**  
**5 years**

**Key Accomplishments:**

- **University of Minnesota:** Implemented comprehensive health care plan, recognized as a national model. Improved financial support for constituents by 15% and state budgetary support by \$53MM+.
- **Troy State:** Managed program in 12 countries with 15 sites and 19 staff members.
  - Expanded Graduate Studies Program by 150% and added 8 degree offerings.
  - Raised enrollment 480% with commensurate profit increase.

**Department of the Air Force, various global locations**  
**Superintendent of Service**

**1978 – 1991**  
**13 years**

Managed international support and contract programs in excess of \$12MM.

**Key Accomplishments:**

- Improved response time of federal disaster response logistics support by 20%.
- Increased efficiency 32+%, by realigning emergency response policies/procedures.

### EDUCATION/CERTIFICATIONS

- **University of Georgia Graduate School, Athens, GA** – student 8/2015 - 5/2016  
Graduate classes include Fish Physiology, Environmental Fish Biology, Microbial Ecology and Scientific Diving.
- **Georgia Southern University, College of Science and Technology, Statesboro, GA.** Major: Biology, Concentration: Environmental Sustainability. Courses include Biology, Chemistry, Organic Chemistry, Marine Ecology, Oceanography, Geology, Public Health, and Environmental Science. Bachelor of Science Degree 5/10/2014.
- **Neurological Assessment Certificate** - diving certification through the Divers Alert Network (DAN)– January 27, 2015
- **Georgia Boating Safety Course** – NASBLA approved course for Georgia boaters covering Navigational Aids and Emergency Situations to Rules of the Road and Required Equipment. Certificate through BoatU.S. Foundation - June 17, 2015
- **First Aid for Hazardous Marine Life Injuries Certificate** – certification through DAN – January 26, 2015
- **Basic Life Support: CPR and First Aid** – certification through DAN – January 26, 2015
- **CPR and AED** – certification through American Safety and Health Institute – November 4, 2016.
- **Georgia Project WILD Certification** – education of students in Georgia’s wildlife and natural resources. 2014.
- **Georgia Project Learning Tree Certification** – Education Workshop - April 12, 2014
- **Advanced Open Water Diver** from Scuba Schools International - December 23, 2011  
Specialty: Deep Diving, Nitrox (up to FAN40), Equipment & Techniques, Underwater Photography, Underwater Navigation, and Scientific Diving. Forty plus logged dives. Diving since 2007.

### WORK EXPERIENCE

- Hatchery Technician III - Prince William Sound Aquaculture Corporation, Cordova, AK – 40 hours/week, \$14/hour plus full living accommodations, temporary seasonal position. – April 2018 – November 2018.  
Prince William Sound Aquaculture Corporation is a private nonprofit corporation that produces hatchery-born, ocean-raised wild salmon for the fisheries of Prince William Sound region. My duties include fish propagation and harvest and the supervision of six fisheries technicians during the spawning of pink salmon. I am also responsible for the operation of hatchery boats including a 16 ft center console and 6-person aluminum skiffs, and ATVs. This is a temporary position to broaden my knowledge of the fisheries industry. Supervisor: Armando Alvarez, Assistant Hatchery Manager, [REDACTED]
- Northeast Fisheries Observer Program (NEFOP) Observer, Biologist - A.I.S. Inc., Marion, MA – A.I.S. is a contractor to the National Oceanic and Atmospheric Administration (NOAA) – 50+ hours/week, \$17/hr – November 2016 – April 2018. Returning following hatchery position above. A.I.S. Inc. is a contractor to the NOAA Fisheries Service as part of the National Fisheries Observation Program. My responsibility as a field biologist is to be a fisheries observer on U.S.

commercial fishing vessels to collect data for use by NOAA, and support compliance with fishing regulations. The objective of my work is to obtain data from commercial fishing operations in order to estimate stock levels, protect endangered species, and manage the fisheries. Data obtained includes estimates of catch and discards, biological sampling of the catch, estimates of incidental takes of protected species, monitoring of conservation gear, and economic information on revenue, costs, gear performance, and characteristics.

Accomplishments/awards:

Fisheries Sampling Branch Silver Scales Award for providing noteworthy data on incidental takes of seals (4/10/2017); Certificate of Achievement for the submission of the first verified record of the Deepwater flounder, *Monolene sessilicauda* to the NE Fisheries Science Center (2/8/2018)

Supervisor: Charlie Pitts [REDACTED]

- Supervisor /Flyboard Operator– Oconee Flyboard, Eatonton, GA – 32 hours/week, \$12/hr – May 2015 – August 2015.

Flyboarding is a new extreme sport. The flyboard is a personal water craft accessory that once installed allows an operator to elevate a person up to 45 feet in the air using water jet propulsion technology. Oconee Flyboard is a business that promotes flyboarding as a sport in the Lake Oconee area and provides the activity to customers. My responsibility as the flyboard supervisor was to supervise two flyboard operators and assure that the flyboard equipment, jet skis and pontoon boat were maintained in good working condition at all times. I was also responsible for scheduling bookings and providing good and safe customer service. I also was a flyboard operator and provided demonstrations for the public. During my tenure, I was featured in a commercial film highlighting Oconee Flyboarding for the Green County Tourism Office in Greensboro, GA. The film is available at [visitlakeoconee.com](http://visitlakeoconee.com) for the promotion of tourism. Related skills included marketing, boat safety, supervision, and customer service. This was a summer position that operated from May of 2015 until the end of the season at which time I began my studies at the University of Georgia.

- Bimini Biological Field Station, Sharklab, Bimini, Bahamas – 70+ hours/week, onsite living with availability 24/7 – January 2015 – March 2015. The Bimini Biological Field Station, Sharklab is a nonprofit organization located in Bimini, Bahamas. Its mission is to advance the knowledge of the biology of marine animals, especially sharks and rays, to educate future scientists and to disseminate its research results to advance the field of marine science and conservation biology. I worked as an intern at the facility gaining experience and skills in marine fauna and flora, gillnetting, long lining, tagging, bull shark fishing, black tip fishing, shark wrangling, ledge mapping, GPS, boating, species collection and identification, ethograms, seine fishing, tracking, and stingray collection and training. Supervisor: Jack Massuger, Lab Manager [REDACTED]
- Georgia Aquarium, Atlanta, GA – 16-24 hrs/week, August 2014 – December 2014. From August 2014 – December 2014.

From August 2014 - December 2014. I recorded 167 hours of service and training at the Georgia Aquarium prior to my internship. I was responsible for the Ocean Voyage Education Station leading guests through activities to discover and learn about marine debris, ocean conservation and ocean animals through query-led interactions. While at the Aquarium, I took training in areas including science, safety, and public outreach. Related skills include public outreach and scientific instruction.

- Capstone, Practicum in Environmental Sustainability, Georgia Southern University/City of Darien, GA Utilities Department – Five month practicum – 10 hours/week January 2014 – May 2014  
My Capstone/Practicum in Environmental Sustainability was a joint effort of Georgia Southern University, the United States Environmental Protection Agency, the Georgia Coastal Commission, and the City of Darien, GA. The work took place over a five-month period from January 2014 until May of 2014. The purpose of my project was to propose sustainable solutions that would improve the efficiency of the Darien wastewater treatment plant. Daren's main problem was the slow rate at which sludge was being dewatered. While observing the dewatering process, we deduced that the months that should have experienced the highest rates of evaporation also witnessed a high rate of precipitation, this lowering the drying efficiency of the process. What was needed was a sustainable

solution that would prevent precipitation from entering the drying beds while still allowing the water to evaporate from the sludge. As a result, I designed and built solar stills and conducted independent field tests at the City of Darien Wastewater Treatment Plant. The tests were designed to evaluate the feasibility of a sustainable (passive, low-cost) method to decrease the sludge drying time of the plant's existing sludge drying beds. I successfully presented my final results during Georgia Southern University's "No Impact Week" and in a PowerPoint presentation at the televised Darien City Council Meeting on May 20, 2014, before the Darien City Council, the City of Darien Utilities Superintendent, USEPA officials, and the general public. My results showed that the City could install passive systems at their plant and alleviate the need to increase the area of the sludge drying beds or install mechanical devices.

Skills include innovative thinking, data management, computer and presentation skills. Proficient in WORD, Excel and PowerPoint.

Supervisor: Keith Wilson, Utilities Supervisor, City of Darien, GA [REDACTED]

- Resident manager, rental property, Statesboro, GA -15 hrs/week June 2008 – August 2014.

### **SKILLS AND ABILITIES**

- Hatcheries Operations 2018
- NOAA Fisheries Observation Training - Nov-Dec 2016;
- Graduate classes in Fish Physiology, Environmental Fish Biology, Microbial Ecology and Scientific Diving.
- Fauna and flora, gillnetting, long lining, tagging, bull shark fishing, black tip fishing, shark wrangling, ledge mapping, GPS, boating, species collection and identification, echograms, seine fishing, tracking, and stingray collection and training through Bimini Sharklab.
- Experience operating small boats and working aboard vessels while at sea
- Proficient in Microsoft Office: Word, Excel, PowerPoint

### **LEADERSHIP**

- Supervisor of six fisheries technicians during spawning of pink salmon at Prince William Sound Corporation, Cordova, AK 2018.
- Supervisor – Oconee Flyboard, Eatonton, GA 2015.
- Resident manager of a rental property, Statesboro, GA, responsible for the operations and maintenance of a private residential rental, including marketing, lease agreements and collections of rents.

## **JON LAMONT**

████████████████████  
McDonough, GA 30252  
████████████████████  
████████████████████

### **OBJECTIVE**

To obtain full-time employment, using my artistic skills and abilities.

### **EDUCATION**

#### ***Associates Degree in Healthcare Science and Radiology Technology***

Southern Crescent Technical College, Griffin, GA

- Major 1: Healthcare Science, Dept. of Human and Public Services
- Major 2: Radiology Technology, Dept. of Human and Public Service
- Completed courses: Composition and Rhetoric; Public Speaking; Introduction to Computers; Introduction to Psychology; Introduction to Humanities; Anatomy and Physiology I & II; Anatomy/Physiology Lab I & II; College Success and Career Exploration; Medical Terminology, College Algebra.
- Current/Future courses: Radiology Technology

#### ***Diploma in Commercial Art/Graphic Design***

08/85 — 08/86

DeKalb Technical College

- Working under pressure and meeting deadlines as required.
- Conceptual Development, Drawing Techniques, Typography, Layout and Design, Pen and Ink, Color Theory, Art History, Perspective, Illustration and Multimedia.

### **SKILLS & ABILITIES**

To work independently and efficiently, placing high value on accuracy, detail and quality, while following procedures, safety guidelines, and meeting deadlines while under pressure.

To work in a team environment as both a leader, as well as in a support level, giving creative and constructive ideas to complete the tasks needed for the project.

I am proficient in both the Macintosh and Windows computer operating environments. Public speaking, Technical Writing, Microsoft Office, Research, Clerical, Customer Service, Retail Sales, Technical Support, Merchandising, Inventory, Phone, General Office Skills in a corporate environment.

Other skills and abilities include: Photography, Illustration, Drafting, Layout and Design, Advertising, Food Preparation, Cook, Warehouse, Forklift, Shipping/Receiving.

## PROFESSIONAL EXPERIENCE

### ***Customer Service, Retail Sales, Digital Imaging Consultant***

03/03 — 12/11

Showcase Photo & Video, Atlanta, GA

- Working with professional, student, and consumer-level photographers in sales and support of film and digital photographic equipment and lighting.
- Sales and support of large to small photographic printers and scanners.
- Specializing in Image and Data Recovery.
- Helped in establishing the dealership in becoming an Authorized Apple Reseller through my Apple Support, Level - 4 status in technical support of Apple computers and products.

### ***Technical Support / Technical Writing***

08/06 — 07/07

K.E.H., Inc., Atlanta, GA

- Responsible for accurately writing up and grading new and used equipment based on knowledge of specifications and operations of photographic equipment.

### ***Aerial Camera Operator / Lab Technician and Manager***

03/05 — 05/06

Photo Science, Inc., Norcross, GA

- Responsible for planning and coordinating aerial flight missions, operating and maintaining aerial and ground based equipment used in gathering and collection of airborne data and images for mapping and surveying.
- Responsible for loading/unloading film in FMC, and non-FMC magazines, film processing and printing of B&W contacts for control and diapositives for photogrammetry purposes.
- Responsible for ordering, and keeping inventory of film, paper and chemicals.
- Responsible for updating database systems, flight job reports, mission log book, and keeping records of exposed film.

### ***Customer Service, Professional Photo Retail Sales***

06/94 — 03/03

Photo Barn, Inc., Lilburn, GA

- Working with professional and student photographers throughout the southeast.
- Consult and provide technical assistance, information, sales and service of all photographic equipment, traditional and digital.
- Ordering, purchasing, shipping, receiving, and maintaining inventory.
- Utilization of my skills in graphics to create advertisements, signs, posters, and promotional materials for events and products.

**Photographer**

04/90 — 03/03

Jon Lamont Photography, Atlanta, GA

- Working as a professional photographer for myself in a small business environment.
- Specializing in Weddings and Portraits. Being hired for special events, public affairs, private parties, family reunions, Bar/Bat Mitzvahs, individual and group portrait sessions, and commercial product photography.
- Photo restoration, retouching, image manipulation and creative design.
- Calibrating color monitors and equipment in digital environments.
- Designed graphics for other professional photographers for their self-promotional advertisements and events.

**Assistant/Contract Photographer**

06/92 — 12/03

- Transportation and set-up of props and equipment, checking and setting the lights, film handling (loading/unloading), transferring digital data to computers, location and creative ideas and input, photo restoration and retouching.

**Composition / Prepress Production**

09/88 — 11/90

Gwinnett Daily News, New York Times Co., Duluth, GA

- Responsible for operating and maintaining all functions of the cameras, film processors, plate makers and their supplies. Cleaning, filling, and replenishing of the film, paper and chemicals in both the film and paper processors.
- Completing daily and weekly service schedules on all machines.
- Complete operations of all daily tasks accurately and on time.
- Worked as a paste-up and layout artist in composition, maintaining great precision and accuracy with speed and quality, while meeting constant deadlines.

**Artist, Graphic Designer, Illustrator**

09/86 — 04/90

Lamont PhotoGraphics, Atlanta, GA

- Working for myself doing graphic design work, creating posters and illustrations.
- Commissioned for illustrations, banners, murals, promotional materials such as event posters, brochures and signage, corporate logos, business cards, letterhead, sales coupons and flyers.
- Taught others the tools and techniques of Adobe Photoshop software.
- Photo restoration and retouching.

## CURRICULUM VITAE

### JOSEPH ALEXANDER MCP, CBO, CFM

CONTACT INFORMATION: [REDACTED]  
[REDACTED]

Experienced Government employee, in the leadership position of Chief Building Inspector (Building Official) with a demonstrated history of working in government administration, private sector and the military. Skilled in construction planning, plan review, construction code compliance as well as highly experience in commercial electrical design and installation. Diverse skills include team building, training, emergency management, communication engineering, fire prevention and life safety.

MCP: The certification of **Master Code Professional** is the most prestigious certification that a person can be awarded by the International Code Council. To gain this certification a health and safety worker must show outstanding recommendations from employers, safety code knowledge of an extremely high standard and overall commitment to the profession. Currently there are approximately 1000 certified Master Code Professional's Nationwide. Building inspection is primarily all about quality assurance as it relates to preventing defects, and thus safety issues, in construction by conducting exacting inspections on electrical, structural and mechanical safety item during the construction process.

#### **Current position responsibilities include:**

- Adopting, implementing and modifying building codes to fit the needs of a municipal jurisdiction.
- Enforcing building code requirements via plan review, inspection and consultation.
- Enforce Municipal codes through proactive and reactive code enforcement
- Inspect and enforce stormwater / pollution prevention standards (GSWCC- NPDES)
- Provide and facilitate training for team members in construction codes and safety

#### **JOB HISTORY**

- **Chief Building Official:** City of Suwanee Ga. May 2016 to current  
Plan review, building code adoption and enforcement, field supervisor
- **Chief Building Official:** City of Holly springs Ga. November 2013 to May 2016:  
Plan review, building code adoption and enforcement, field supervisor
- **Master electrician:** DWA Inc: Herndon Va. 2003 to 2013:  
Electrical systems design specialist and team leader

- **Facilities Engineer/ Field Maintenance** Bell-Atlantic / Verizon: 1977 to 2003  
Designed and supervised installation and construction of telecommunications and high-speed data systems
- **Avionics Technician** United States Navy/ USNR: 1976 to 1982  
Maintained and repaired airborne electronic and communications systems.

## **MILITARY / DEFENSE FORCES**

- **United States Navy/ Naval Reserves: 1976 to 1982: (Joint Base Andrews) VR-52, VR-48 Aviation Electronics Technician:** Maintained and repaired airborne electronic and communications systems. Includes navigation and communication systems such as, Radar, Tacan, IFF, Loran, VOR, VHF, UHF and HF
- **U.S. Army (Reserve) 80<sup>th</sup> Infantry Training Division: 1983 – 1983**  
**Instructor (Small Arms):** Instructed platoon strength units in the safe handling of various small arms
- **Virginia Defense Force/ Washington DC Defense Force: 2010 to 2014**  
**Company Commander** of Black Horse Brigade's Head Quarters Company: Supervised and Maintained electronic and communications systems. Which includes communications systems such as e-mail over HF, VHF, UHF and HF radio systems
- **US COAST GUARD AUXILIARY: June 2019 to present. Flotilla 2-9.** Provide safety inspections of marine vessels.

## **EDUCATION:**

- University of Georgia (Carl Vinson inst. of Government): Code enforcement officer
- NPDES (National Pollution Discharge Elimination System) Atlanta Ga.
- Aviation electronics tech A-School U.S. Navy NAS Memphis, Memphis Tenn.
- Design Center Engineering (Communications Facilities Engineering) Bell-Atlantic/ Verizon, Balti. Md.
- Fundamentals of Digital Design, Bell-Atlantic/Verizon Silver Springs Md.
- Fundamentals of Air Conditioning, Fairfax County Va. ACE Program
- National Electric Code seminars 2005, 2008, 2011, 2014 (Mike Holt Enterprises)

## **CERTIFICATIONS/ LICENSES:**

- **Electrical Contractor (Master Electrician) Georgia Non-Restricted** Lc# EN216899
- **Master Electrician** (Virginia) Lc # 2710040259
- **MCP: International Code Council:** Master Code Professional
- **CBO: International Code Council:** Certified Building Official
- **GSWCC (Georgia Soil and Water Conservation Commission) Level 2A**
- **MEMS (Military Emergency Management Specialist) SGAUS**
- **FEMA ICS Certifications:** IS-5, IS-22, IS26, IS-100a, IS-200a, IS-208a, IS-279, IS-317, IS-340, IS-558, IS-632, IS-700, IS-775, IS-800, IS-907

- **NFA (National Fire Academy) Certifications:** Q-534, Q-137, Q-218, Q-751, Q-217, Q-228, Q-0368
- **OSHA Certifications:** 700, 705, 709, 710, 711, 714, 715, 717

**PUBLICATIONS:**

- **The Guide to the Gotchas, Copywritten 2013.**  
Guide to the 51 most common home-inspection items

**Joseph B Fox P.E**

**OBJECTIVE:**

It will be obvious by reviewing my resume, that I am an Engineer, a Small Business owner and not a politician.

I have been trained to think logically and to solve problems. That is what I do and what I would do if given this opportunity. I have quite a number of ideas that I would like to bring a voice to and a resume is not the platform for that discussion.

I would only ask that I am given the chance to have a sit-down discussion with the team making this appointment.

**SUMMARY:**

Process Automation Engineering Consultant with broad spectrum of experience in DCS, PLC, and SIS systems used in regulated applications, primarily Biotechnology and Pharmaceutical API production.

**EDUCATION:**

Bachelors of Chemical Engineering Degree, Villanova University, Villanova, PA (1988)

**PROFESSIONAL LICENSE/CERTIFICATE:**

Registered Professional Control System Engineer – PA License # PE-043719-E

**INDUSTRY KNOWLEDGE:**

Process Control Platforms			
DCS	PLC & SCADA	Field Bus	MES, Historian & Virtualization
Emerson's DELTA V and DELTA V Batch Systems	Allen-Bradley SLC500 , CompactLogix & ControlLogix Series PLC's	Profibus (DP, PA)	Aspen Tech's Process Historians CIM/21, IP21
Honeywell Experion Systems: Experion PKS	Honeywell Experion HS Honeywell Experion LX, Honeywell HC900 Honeywell Masterlogic200	ProfiNet	PI Historian® & Process Book® Software
Siemens PCS 7	Rockwell Software's RSLogix 500/RSLogix 5000	Ethernet	POMS.net
	Siemens S7-200, S7-300 & S7-400 Series PLC's	ASIBus	VMWare
	GE Automation Products: RX3i, RXi & VersaMax Controllers Proficy HMI/SCADA – iFIX & CIMPLICITY Software	ControlNet	
	Moore Products Co. Systems : LIL Stations, Mycro II, APACS, APS	DeviceNet	
	TI 505 Series PLC	Foundation Fieldbus	
	Wonderware & InBatch	Modbus (Master & Slave)	
			Modbus Plus

Process Applications & Automation Standards	
Process Application Knowledge & Experiences	Experience with Automation Standards
Bio-Pharmaceutical: Fermentation, Media Prep Buffer Prep, CIP, SIP, UF/DF	ANSI/ISA-88.01-1995 Standard for Batch Process Control (Control Module, Equipment Module, Phase Class, Unit Class & Recipe Configuration & Development)
Batch - Recipe Development	ANSI/ISA-84.01-1996 Standard for Safety Instrumented Systems (SIS Design & Configuration, Cause & Effect Matrices)
Hydrocarbons Processing	ANSI/ISA-95.00.01-2010 Enterprise-Control System Integration
Boiler /Incinerator Control	
Synthetic Fiber Production: Poly-Ethylene & Poly-Propylene Production	
Solvent Recovery	
Solid Materials Handling	
HMI Configuration / Development	
Startup Operations & Training	
Microsoft Office Applications	
Report Development	
Database Management & Document Control (Smartplant-InTools / TrackWise)	
Visual Basic Programming	

**SUMMARY OF EXPERIENCE:****SELF-EMPLOYED (2014 to Present)****Position – PRINCIPAL at Fox Automation Services****Partnerships :**

- [www.Batch-A.com](http://www.Batch-A.com) - Advanced DeltaV Configuration Tools

**Clients :**

1. Independent Consultant to Zenith Technologies – Blue Bell, PA (July 2016- Present)

**Relevant Projects:**

- Biogen International – Solothurn CH site
  - DeltaV Graphics & Batch layers Routing, EM, Phase, Operations, Unit Procedure & Procedures, Multiple use Equipment (Requires CIP & SIP Operations)
- Pfizer Sanford GTx Project
  - DeltaV Recipe & Batch layers IO, CM, EM, Phase, Operations, Unit Procedure & Procedures, Single Use Equipment
- GE – Pfizer Flex Factory – Sanford NC Site

- DeltaV Recipe & Batch layers IO, CM, EM, Phase, Operations, Unit Procedure & Procedures, Single Use Equipment
- GE – Pfizer Flex Factory – Andover MA Site
  - DeltaV Recipe & Batch layers IO, CM, EM & Above, Single Use Equipment
- GE – Fuji Flex Factory – College Station TX Site
  - DeltaV Recipe & Batch layers IO, CM, EM & Above, Single Use Equipment
- Genentech Oceanside P2 Expansion Project

Responsibilities included:

To Lead the design and implementation of the Formulation on a large Emerson DeltaV control system deployed for the site's P2 Expansion.

The Delta V Software S-88 batch components delivered included the following: Control Modules, Equipment Modules, Module Supervisors, Recipes (PR, UP & OP Layers), Aliases, Phases, Units and Arbitration Modules.

To meet the time and budget constraints, my team developed a tool to generate: Procedures, Unit Procedures, Operations and Phase classes from Microsoft Excel spreadsheets.

In addition to myself, my team consisted of a Lead FHX Too Developer, A Lead Batch Engineer and 6 Junior Engineers Located in PA, CA and India

2. Independent Consultant to Merck – Stonewall site, Elkton VA – (2016)

Responsibilities included:

The execution of an approved Change Control on a large Emerson DeltaV control system deployed at the site's Factory 80 – Building 64 Facility. The purpose of the change was to add a vessel to a filtration process. The Delta V Software S-88 batch components modified via the change controls included the following: Control Modules, Equipment Modules, Module Supervisors, Recipes, Aliases, Phases, Units and Arbitration Modules.

The Development and approval of an Automation Operational Qualification Plan for the approved change control.

The Development and approval of the affected Requirements & Detail Design Specifications for the approved change control.

3. Independent Consultant to Cross Automation – Integrated Systems Group, Knoxville, TN (2015-Present)

**Relevant Projects:**

- DTE Energy
- Kemira
- Vistikon.

4. Independent Consultant to Genzyme, Framingham, MA (2014)

Responsibilities included the execution of approved Change Controls on a large Emerson DeltaV control system deployed at Genzyme's Building 74 Facility. The Delta V Software S-88 batch components modified via the change controls included the following: Control Modules, Equipment Modules, Module Supervisors, Recipes, Aliases, Phases, Units and Arbitration Modules.

HONEYWELL HPS (2010 to 2014)

**Position – LEAD BATCH APPLICATION ENGINEER**

**Role:**

I was responsible to advise & assist Project Managers in the definition of project work scopes and help define the project execution process. Additional responsibilities included training Associate & Project Engineers in how to translate P&ID's and written functional requirements into control software specifications and to deliver executable DCS Software and their HMI interfaces, specifically for batch processes.

**Relevant Projects:**

- Valero Refining – Memphis Tn.

This is a continuous process application for Refined Gasoline Blending. General Process control support including the conversion of an installed, obsolete Moore APACS System. This project implemented Honeywell's Experion Blend Control Advanced solution. My efforts were focused on reverse engineering the process control database and graphics.

- UOP - Mobile Al.

This is a batch process application for the manufacture of proprietary products used in the oil refining industry. This project utilized Honeywell's Experion Bath Manager (EBM) in the C300 platform.

- Chemtura – Gastonia NC

This is a batch process application for the manufacture of polyurethanes. This project utilized Control Modules and Sequence Control Modules in the C200 platform. A significant upgrade to the product vs. raw material selection matrix was implemented.

- CoreRX – Tampa FL

This is a HVAC monitoring application for the manufacture and testing of pharmaceutical products. This project utilized the HC900 platform.

- University OF Florida Perry Site – Perry FL

This is a batch process application for the manufacture of ethanol from pulp and paper waste biomass material. This project utilized Experion C200 Controls with a large DeviceNet network to manage and control the motor control center.

SELF-EMPLOYED (2009 to 2010)

**Position - PRINCIPAL at Fox Automation Services**

**Relevant Projects:**

Independent Consultant to Lubrizol, Houston TX

Responsibilities included detail design of a large Emerson DeltaV control system to be deployed at Lubrizol's China Facility. The S-88 batch components developed for the project included the following: Control Modules, Equipment Modules, Module Supervisors, Recipes, Aliases, Phases, Units and Arbitration Modules.

The design included 1 Process area, 4 Distinct Product Recipes, A library of 60 Equipment Modules and a library of associated Control Modules. The documents developed totaled 1400 pages.

Independent Consultant to Genentech at their Vacaville Ca. Site

General Process control support including the conversion of an installed, obsolete Moore APACS/APS System. My efforts were focused on reverse engineering tools for the APS Workstation database and graphics.

FLUOR – GREENVILLE, SC (2004 to 2009)

**Position - SENIOR CONTROL SYSTEM DESIGN ENGINEER**

**Relevant Projects:**

USEC, (2008 – 2009)

This project involves nuclear fuel material processing, per project procedures I can only invite you to read information found on USEC's web site: WWW.USEC.com .

Amgen, (2008 – 2008)

Responsibilities included testing the Chromatography Skid PLC configurations for a BIO-Pharmaceutical facility located in Puerto Rico. The control System for this project was a Allen-Bradley PLC.

Sibur (2007 – 2008)

Responsibilities included writing portions of, and updating the following project documentation: Automated System Project Plan for the Distributed Control System, the Distributed Control, the DCS vendor services and deliverable specification, created and maintained the DCS system architecture drawings, and created and maintained the DCS Equipment Drawing Status Tracking and BOM database. This would be about a 10000 IO Delta V system when delivered.

Eastman, (2006 – 2006)

Responsibilities include writing portions of, and updating the following project documentation: Automated System Project Plan for the Distributed Control System, the Distributed Control System User Requirements Specification (URS), the DCS vendor services and deliverables specification, created and maintained the DCS system architecture drawings, and created and maintained the DCS Equipment Drawing Status Tracking and BOM database.

Pfizer, (2006 – 2006)

Responsibilities include writing portions of, and updating the following project documentation: Automated System Project Plan for the Distributed Control System, the Distributed Control System User Requirements Specification (URS), the DCS vendor services and deliverable's specification, created and maintained the DCS system architecture drawing.

Lilly, (2006 – 2006)

Responsibilities included developing Loop sheet templates. The control System for this project was an Emerson Delta V.

BMS, (2006 – 2006)

This assignment was for Bristol Myers Squibb's large scale manufacturing facility in Massachusetts. Responsibilities include writing portions of, and updating the following project documentation: the Distributed Control System User Requirements Specification (URS). The control System for this project was an Emerson Delta V.

Borouge, (2005 – 2006)

This was a FEED (Front End Engineering & Design) assignment for Borouge's Polyolefin's manufacturing facility in Ruwais UAE. Responsibilities included preparing and loading instrument data sheets for the Smart Plant database.

CCP2 Project, Genentech, Vacaville, CA (2004 – 2005)

This assignment was for Genentech's CCP2 large scale manufacturing facility in Vacaville, CA. Responsibilities include writing portions of, and updating the following project documentation: Automated System Project Plan for the Honeywell Distributed Control System, the Distributed Control System User Requirements Specification (URS), the DCS vendor services and deliverables specification, created and maintained the DCS system architecture drawings, and created and maintained the DCS Equipment Drawing Status Tracking and BOM database. In addition to the above project documentation responsibilities, acted as the Owners representative at Honeywell's Factory Acceptance Testing of the DCS cabinets.

#### SELF-EMPLOYED (2002 to 2004)

##### **Position - PRINCIPAL at Fox Automation Services**

###### **Relevant Projects:**

Independent Consultant to New England Controls

Responsibilities included developing a large Emerson DeltaV control system to be deployed at Amgen's - West Greenwich, RI BioNext Facility. The S-88 batch components that I helped to develop for the project included the following: Control Modules, Equipment Modules, Module Supervisors, Recipes, Aliases, Phases, Units, Arbitration Modules, and Graphics. I tested software for Buffer Prep, Buffer Hold and Bioreactor process areas. I have tested several different operations (phases) including: CIP, COP, SIP, Transfer, Process, Sample

Writing and executing test protocols for Delta V Control Modules to be used in Bio-Pharmaceutical Batch production facility. Typical modules include Bio-Reactor Temperature, pH and DO control.

Independent Consultant to AMGEN -West Greenwich, RI. Site

General Process control support including execution of change controls for both DCS & PLC systems. Integrated Process Technologies – Database management for Bio-Pharmaceutical Batch scheduling and resource allocation.

#### SIEMENS E&A (2001 to 2002)

##### **Position - PRINCIPAL BATCH APPLICATIONS SPECIALIST (Rehired By Former Moore Manager)**

###### **Relevant Projects:**

On-site Project Lead Engineer, Amgen Rhode Island.

These responsibilities included the coordination of work and scheduling for 4 to 6 staff level Siemens engineers. The work schedule has been 7 am to 12 am, 7 days a week including holidays. We were tasked with the implementation of electronic signatures via a Comment / Doneby / Checkby Security System for Phase Step Responses and other site-specific controlled data entry items. My primary technical responsibilities centered on system wide functionality and code issues, and issuing Software Design Specifications (SDS) based on the User Requirements Specifications (URS). Responsible for specific application issues including code to interface with the CIP skids and the CIP Phases. The Application code was designed around the S-88 Batch Model. Providing support to the various Validation teams (cGMP LLC) in executing protocols on various operations including: CIP, SIP and Fermentation. Additionally I assisted in the execution of computer system validation protocols. All of the protocols were written and executed to comply with FDA 21 CFR Parts 11, 210 and 211.

NEPERA INC (2000 to 2000) This Company has closed and cannot verify this information.

##### **Position - SENIOR PROCESS CONTROL ENGINEER**

Responsibilities include the design & start up of a Siemens Moore Batch Process Control System for a new Vitamin B-3 production facility, and the operation of all process control systems already in operation on this plant site. The basic unit operations included:

- Hazardous Waste Incinerator
- Several Batch & Continuous Stills
- Tank farm
- Several High Temperature & Pressure Reactors

#### FMC CORPORATION (1997 to 2000)

##### **Position - PROCESS CONTROL ENGINEER** - Agricultural Products Group - North Plant - Baltimore, MD

Responsible for the Design, Implementation, Operation of the Automation Systems for the three Production Facilities in the North Plant at the Baltimore Site. I was responsible for the specification of all new process control equipment for the North Plant. I also developed maintenance and engineering services contracts for the control systems in the North Plant. I developed Documentation and Control System Application Software Revision control procedures for the plants control systems. I participated in the HAZOP's of the processes in the plants and then develop and carry out the remediation recommendations.

#### MOORE PRODUCTS CO (1988 to 1997) Moore was purchased by Siemens in 2000

##### **Position - LEAD PROJECT ENGINEER**

Responsible to advise Associate & Project Engineers in the definition of their project work scopes and help define the project execution process. Also to train Associate & Project Engineers in how to translate P&ID's and written functional requirements into control software specifications and their HMI interfaces. Other responsibilities included:

- Develop Project Configurations Guidelines Documents.
- Directly supervise and provide a work scope for several Project Engineers in a larger project team environment. To establish personal development goals for each member of my team and at the conclusion of the project provide performance and professional development progress evaluations to project team management for my team members.

##### **Relevant Projects:**

Lead the HMI development team of five engineers as part of a \$6 million project for the batch biomedical/pharmaceutical industry. The HMI portion of the project was worth \$1 million. This project was configured using the ISA SP88 guidelines for batch process control. The complete project scope included fermentation, product recovery, clean in place (CIP), and steam in place (SIP). The HMI was composed of several thousand displays and control points and several hundred operator displays, all historical data storage, report and display functions.

##### **Position - SENIOR PROJECT ENGINEER**

I was responsible for the Development of Software Configuration practices and guidelines for the department. Other responsibilities included:

- Development of specifications for new and enhanced APS® and 4-mation® Software function's blocks and their HMI interface's. Provided system testing procedures for the new software and conducted the testing effort.
- Trained new Associate & Project Engineers Process Control Theory and how to implement process control software to meet the requirements of a project.
- Provided technical evaluation of a potential customers bid specification against Moore Product's proposal and to provide corrections and propose alternate options and solutions based on potential future expansion, performance enhancements or project cost savings prior to submission of the bid to the client.

##### **Relevant Projects:**

Designed and implemented a S.I.S. (Safety Instrumented System) for the management and operation of 24-safety shutdown interlocks. The system was composed of a safety rated programmable controller and Wonderware's InTouch operators interface.

Designed and implemented controls of a \$1.3 million DCS system for a high temperature radio active waste incinerator. The incinerator utilized five different fuels feeds including solid active waste, fuel oil, organic wastes and aqueous solutions, the system required an extensive communications interface between the Moore DCS and the third party PLC's.

Completed \$2.4 million project to control level in cooling lower basin and motor controls for four 80,000 GPM re-circulation pumps for a weapons grade tritium production nuclear reactor facility

### **Position - PROJECT ENGINEER**

Responsible for the design and implement large Distribution Control Systems using advanced process control theories to ensure process optimization.

- Implement and modify safety interlocks and shutdown for control systems.
- Develop specifications for manufacturing of DCS systems from the sub-assembly level.
- Integrate third party purchased hardware and software.
- Train client staffs in configuration and operation of control systems.

### **Relevant Projects:**

- Designed and implemented a Modbus Interface for an Allen-Bradley SLC503 Series PLC to interface with Wonderware's InTouch operators interface. The A-B SLC503 is controlling an automated regenerating activated carbon bed skid.
- Completed a \$1.9 million system for new ethylene production plant with primary feed stocks of: methane, propane, and butane using an automated decoking sequence for furnaces.
- Performed installation and systems testing for startup operation of distribution control systems for DuPont Fiber Division; a \$2 million project. Received DuPont Certificate of Achievement.

# Joseph Leikam

## SENIOR MANAGEMENT AND OPERATIONS EXPERT

Positioned to deliver leadership excellence, proven resource maximization methodology, innovative operational efficiency, and cost reductions

██████████  
████████████████████  
████████████████████  
Decatur, Ga 30033

### EXECUTIVE SUMMARY

- Accomplished operations and performance-management professional with more than 15 years of solid operations, strategic-planning, sales and marketing management, business-expansion, and organizational-design experience.
- Effective communicator and relationship-builder with superior detail orientation that gathers and imparts information effectively across all management, department, and discipline levels and engenders collaborative spirit, consistently resulting in extraordinary outcomes.

### CORE COMPETENCIES

Account Management • Business Development • Business Coach • Relationship Building • Revenue Growth • Sales Direction & Initiatives • B2B Sales • Training/Mentoring • Revenue Road Map • Corporate Finance • Strategic Planning • Operating Infrastructure • Marketing Strategies • Financial management • Business processes

### EDUCATION

Mercer University-Stetson School of Business and Economics Atlanta, Ga Dual MBA/MAcc program.  
Anticipated Graduation June 2021

Georgia State University Atlanta, Ga 2003 Bachelor of Art in Studio Art

Young Harris College Young Harris, Ga 2001 *cum laude* Associate of Fine Arts

Reinhardt College, Waleska, Ga 2001

### PROFESSIONAL EXPERIENCE

**Business Manager** July 2019 – Present

**GO Launch Pros, LLC** Atlanta, Ga.

- Manage QuickBooks, A/P, A/R and other financial transactions.
- Develop and implement HR and payroll policies and procedures, maintain bimonthly payroll.
- Project management- Completed implementation of various projects in Starting or Maintaining Client's business.
- P & L Management

**Practice Manager** Oct. 2016 – Present

**True You Southeast / Katie Leikam LLC** Decatur, Ga.

- Manage QuickBooks, insurance billing in Simple Practice and other financial transactions.
- Develop and implement HR and payroll policies and procedures, maintain biweekly payroll.
- Project management- Creation of mailing lists to target markets and execution of mailing.
- Website SEO optimization via Wordpress

- Social media art creation, article research, blog topic assistance. Primary proofreading.
- P & L Management

**Service Assistant, Major Sales                      Nov. 2017 – Present**

**Costco Wholesale Atlanta, Ga.**

- Greet and aid Members in the Major Sales department.
- Increase knowledge of jewelry, computers TVs, appliances and other high end merchandise.
- Develop and implement sales and services strategies for the assigned zone to accomplish short and long-term growth and profitability objectives.
- Maintain store appearance standards, following established company practices.
- Adherence to timekeeping policies and trainings.

**Zone Manager, Operations      Mar. 2016 – October 2017**

**Paradies Lagardère Hartsfield Jackson Atlanta International Airport**

- Manage operations for 17 stores in a high-level sales environment.
- Develop and implement sales and services strategies for the assigned zone to accomplish short and long-term growth and profitability objectives.
- Spearhead variance research, void controls, MOS controls, facility repair and IT support.
- Ensure that all Managers within the zone are consistently providing direction to branch staff to ensure adherence to policy, procedure and other compliance related duties as assigned.

**District Training Store Manager      May. 2012 – Mar. 2016**

**Dollar General Clarkston, Ga**

- Controlled budgeting, financial reporting, inventory cost, cash management, staff and new management development and training, and financial analysis.
- Observed and evaluated workers and work procedures to ensure quality standards and service.
- Initiated personnel actions, such as hiring and discharging, to ensure proper staffing.
- Reviewed key business indicators to identify problems, concerns, and opportunities for improvement.

**KEY ACCOMPLISHMENTS**

- Three consecutive years of double-digit sales growth.
- Top overall performance in region for 2013.
- Featured in Company Newsletter magazine "DG Story".

**Store Manger      Feb. 2012 – May. 2012-RadioShack-Atlanta, Ga**

**Store Manger      2001 –2012-Blockbuster LLC-Alpharetta, Ga**

**Camp Counselor Summer 2000 and 2001, Camp Glisson Dahlonega, Ga**

**REFERENCES Available upon request**

# JOSEPH WYATT

- Cumming, GA 30040

## PROJECT COORDINATOR/PROJECT CONTROLS

*Over 18+ years project controls, coordination and office management in technical industries:*

- Data Analysis
- Project Controls
- Job Quoting/RFPs
- Contracts
- Budgeting
- Forecasting
- Project Scheduling
- Reporting
- Estimate at Completion EAC
- Accounts Payable
- Accounts Receivable
- Invoices
- Expenses
- Logistics
- Records Management
- New Hardware & Software Roll-outs
- Employee On-boarding
- Operations

## PROFESSIONAL EXPERIENCE

- As Project Coordinator created a Forecast and standardized the Estimate at Completion process for projects valued over \$20 million.
- As Project Controls Scheduler introduced a new software program to allow better visibility and management of over 100,000 data points for a \$500 million fiber to the home project.
- As Office Manager for Advanced Mobile Integration, managed the setup of processes and procedures for this 50+ employee, nationwide telecom startup.
- Managed accounting, AP/AR, invoicing, purchase orders and expense control for a company with yearly revenue of \$15-20 million.
- Advanced MS Excel (VLOOKUP, Pivot Tables, SUMIF, Macros, Advanced Formulas, etc.)

## SKILLS

- Microsoft Excel
- QuickBase
- Microsoft SharePoint
- Oracle iSupplier
- Primavera P6
- SAP
- Wrike
- Microsoft Word
- Microsoft Power BI
- Microsoft Access
- Microsoft PowerPoint

## WORK CHRONOLOGY

<b>Project Coordinator</b>	Econolite Systems, Inc.	Apr 2017 – Present
<b>Project Controls Scheduler</b>	Bechtel Corporation	Feb 2016 – Mar 2017
<b>Office Manager</b>	Perigee Integrations	Jan 2016 - Mar 2017
<b>Office Manager</b>	Advanced Mobile Integration	Jan 2012 – Jan 2016
<b>Project Administrator</b>	Bechtel Corporation	Nov 2002 – Dec 2011
<b>Account Specialist</b>	ADC Systems Integration	Feb 2000 – Oct 2002

## EDUCATION

**Bachelor of Science, Management w/ Minor in International Studies - 1999**  
**Southern Polytechnic State University – Marietta, GA**

# JUSTIN M. MULLIS, Esquire, MPA

Atlanta, Georgia 30326

---

## BAR LICENSES

---

- State of Georgia - Superior Court, Georgia Court of Appeals, Georgia Supreme Court

---

## EDUCATION

---

### Florida Coastal School of Law, Jacksonville, Florida

*Juris Doctor, Certificate in Advanced Research, Writing, and Drafting, May 2014*

Activities:

- Member, Student Bar Association; Member, Moot Court Honor Board; CALI Excellence for the Future Awards – Election Law; Georgetown University Law Center – Visiting Student

### Kennesaw State University, Kennesaw, Georgia

*Master of Public Administration, December 2009*

### Georgia Southern University, Statesboro, Georgia

*Bachelor of Science in Political Science, Minors in History and Philosophy, May 2005*

Activities:

- Vice President, Sigma Nu Fraternity Theta Kappa Chapter; Study Abroad Program, University of Surrey-Roehampton, London, England

---

## PROFESSIONAL EXPERIENCE

---

### Associate Attorney, Hamilton, Westby, Antonowich & Anderson

April 2019 - Present

Practice areas include, Workers' Compensation Defense, General Civil Litigation, General Liability Defense, and Criminal Defense. Take and defend depositions. Conduct Workers' Compensation hearings/trials. Draft and respond to civil discovery.

### Assistant District Attorney, Atlanta/Fulton County District Attorney's Office, Atlanta, Georgia

October 2017 – April 2019

Prosecute felony criminal cases. Conduct legal research on a wide range of criminal legal issues. Conduct criminal trials. Draft Indictments and Accusations. Present criminal cases during Grand Jury proceedings.

### Adjunct Instructor, Georgia Military College, Augusta, Georgia

December 2016 – September 2017

Conduct in class and online instruction for American Government class.

### Assistant District Attorney, Augusta District Attorney's Office, Augusta, Georgia

February 2015 – September 2017

Prosecute felony and misdemeanor criminal cases. Conduct legal research on a wide range of criminal legal issues. Draft appellate briefs and legal motions. Conduct criminal trials, and present appellate oral arguments. Conduct probable cause hearings. Conduct Juvenile Court trials.

### Legal Extern, Jacksonville Ethics Commission, Jacksonville, Florida

January 2014 – May 2014

Conducted legal research and analysis in reference to the State of Florida and the City of Jacksonville ethics laws; Created and implemented ethics training tools for elected city officials and city employees; Provided guidance to City Council and Ethics Commission members concerning city and state ethics laws.

### Litigation Intern, Safari Club International, Washington, District of Columbia

May 2013 – July 2013

Conducted legal research and analysis in reference to cases involving the Endangered Species Act and Lacey Act; Drafted a wide range of legal documents including administrative comment letters, federal appellate briefs, complaints, and answers.

### Law Clerk, Barnes and Cohen, LLP, Jacksonville, Florida

January 2013 – May 2013

Conducted legal research and analysis in reference to cases involving personal injury, property liability, medical malpractice, and criminal offenses; Interviewed potential clients; Drafted a variety of legal documents.

### Field Representative, Nathan Deal for Governor, Inc., Gainesville, Georgia

May 2009 – December 2009

Collaborated with citizens and local officials to resolve issues or concerns; Answered constituent questions; Spoke at public events on behalf of Congressman Deal; Consulted on strategy.

### Legislative Aide/Intern, Lt. Governor Casey Cagle and Georgia House of Representatives, Atlanta, Georgia

Session 2007 and 2009

Conducted policy research and provided analysis on issues; Interacted and developed working relationships with lobbyist, state agencies, and legislative research staff; Tracked legislation and drafted reports summarizing legislation for House leadership.

[REDACTED]  
Marietta, GA 30064 [REDACTED]

## EXPERIENCE

**Caregiver, Home.** Marietta, GA. Apr 2019 - Present

- Maintain a clean and healthy environment.
- Assist residents with daily living activities and provide resident care.
- Promote resident's well-being by providing a safe environment of genuine love and concern.

**Calibration Technician, ATS.** Marietta, GA. Sept 2018 - Apr 2019

- Troubleshooted and solved problems related to laboratory instruments.
- Calibrated and tested various laboratory instruments.
- Prepared and analyzed data and reports.

**Sales Representative, Alorica.** Marietta, GA. Sept 2018 - Apr 2019

- Answered inbound customer calls and resolved any account-related issues.
- Helped customers place orders and answer product questions.
- Suggested products to customers based on their preferences.

**Caregiver, Home.** Marietta, GA. Jun 2016 - Sept 2018

- Maintain a clean and healthy environment.
- Assist residents with daily living activities and provide resident care.
- Promote resident's well-being by providing a safe environment of genuine love and concern.

**Senior Laboratory Technician, City of Atlanta.** Atlanta, GA. Sept 2015 - Jun 2016

- Calibrated laboratory equipment and collected samples from various sites.
- Tested samples and exercised the proper chain of custody.
- Prepared and analyzed data and reports.

**Caregiver, Home.** Marietta, GA. Jun 2016 - Sept 2018

- Maintain a clean and healthy environment.
- Assist residents with daily living activities and provide resident care.

- Promote resident's well-being by providing a safe environment of genuine love and concern.

**Mechanical Engineering Lab Technician, DGS. Atlanta, GA. Oct 2010 - Dec 2014**

- Performed metallographic interpretation of substrates related to aircraft and engine articles through cutting, mounting and polishing metallographic samples..
- Used standard composite testing equipment such as: honeycomb peel, Teflon tensile, and lap shear.
- Performed the analysis of wet chemistry through titrations.
- Performed analysis of test coupons.
- Analyzed metal chip detector through x-ray spectrometry.

## EDUCATION

**Bachelor of Science in Biological Science, Chemistry minor**

*Georgia State University. Atlanta, GA*

---

*D. Keith Kilby, PLS*

## **OBJECTIVE**

To secure a position where I can continue to grow professionally while contributing to the success of my employer and the surveying community.

## **SUMMARY**

Licensed in three states with over 30 years of experience; I am a self-starter with major strengths in organization, efficiency, leadership, customer service, problem-solving, and people skills. I currently have a base salary of 85,000 per year.

## **EXPERIENCE**

The Kilby Group

June 1984 – Present

I am a second-generation Land Surveyor with over 30 years of Land Surveying and Site Design experience covering a broad range of surveying and design projects, currently licensed in Georgia, Tennessee and North Carolina as a Land Surveyor along with sediment and erosion control certifications from GSWCC: level 2. I am currently the day-to-day manager and owner of The Kilby Group, a small Land Surveying and Site Design Company located in North East Georgia.

In my capacity, I oversee and direct the workflow, employees, along with overseeing and make decisions on the purchasing of new equipment and software. I meet with new and existing clients, evaluate their needs and plan a scope of service to make their project successful. My duties include meeting with private clients, attorneys, real estate agents, along with local, state and federal agencies. As a registered land surveyor, I oversee and seal all work under my supervision.

My work experience spans several years and a board range of surveying and site design projects. This includes retracement surveys, property boundary and title research, subdivisions, commercial site plans, erosion and sediment control plans, GPS, LIDAR control, route surveys for transmission lines, and dam deformation surveys.

## **REGISTRATIONS/ CERTIFICATIONS**

- **Land Surveyor in Training (LSIT#744)** – NCEES’ 8hr. Fundamentals of Land Surveying (FLS)
- **Georgia Registered Land Surveyor (LS#2911)** – NCEES’ 6hr. Principles and Practice of Land Surveying (PLS); 4hr. Georgia State Exam – Legal Aspects; 4hr. Georgia Exam – Hydrology
- **Tennessee Registered Land Surveyor (LS#2565)** – 2hr. Tennessee State Exam
- **North Carolina Registered Land Surveyor (LS# L-4975)** – 2hr North Carolina State Exam
- **Certified Design Professional (Cert#121 - level 2)** – In 2003 Georgia Amended its Erosion and Sediment control to include a mandatory certification for all individuals involved in land disturbing activities in Georgia.

## **SKILLSETS AND EXPERINCE**

- ~ Surveying
- ~ Spatial Analysis
- ~ Hydrology
- ~ CAD
- ~ Erosion and Sediment Control Plans
- ~ Use of math, science, and legal principles for analyzing & design
- ~ Using specialized instruments for the making of precise measurements
- ~ Physically able to collect field data in diverse climate and terrain
- ~ Analyzing and consulting on real property rights and interest
- ~ Planning & Zoning, Permitting, and Research public records
- ~ Managing and running a small land surveying business
- ~ Building relationships with clients and public officials
- ~ Geospatial mapping and gathering of data sets

# Kevin Mahoney

Evans, GA 30809

## Project Controls / Senior Scheduler

### EDUCATION

Augusta State University  
Butler High School

2001 – 2003  
1996 – 1999

### CERTIFICATIONS

Advanced Project Management Primavera 6 Release 7  
Primavera Core Scheduling Interface SNC Daily & Outage  
Primavera 6 Contract Manager 201  
Primavera 6 Course 102  
OSHA 30

### Summary

Proficient Senior Scheduler in the Nuclear & Fossil power industry. Specific experiences in Work Flow Management, Primavera Scheduling, which includes but is not limited to - scheduling within the clients procedural based T-Week process, Cycle planning, Refueling Outages, Forced Outages, Major Project Scheduling of MDC's & DCP's. Establishing and maintaining Burn Down Performance Curves.

### Professional Experience

#### Williams Plant Services LLC

Waynesboro, GA

*Senior Scheduler, Project Controls, Regional, Procurement Manager, Subcontract Coordinator*

2009 - Present

- Coordination of Work Flow Management through Primavera Project Scheduling & Execution that includes but is not limited to Scheduling within the clients procedural based T-Week process, Cycle planning & scheduling, Refueling Outage Scheduling, Forced Outage Scheduling and Major Projects Scheduling of MDC's & DCP's. Establishing and maintaining Burn Down Performance Curves
- Implementation of cost controls & cost management processes
- Responsible for the purchasing & receiving of materials
- Reconciliation audits for materials, cost & subcontracts as needed with the Site Manager, Vendor & or Client

#### Bridgestone/Firestone d.b.a. Tires Plus Total Care

Augusta, GA

*Service Manager*

2005 - 2009

- Responsible for the daily operations of store
- Demonstrate analytical thinking to solve problems associated with daily business
- Effectively deal and communicate with customers for services related issues
- Delegate tasks daily with priority goals while supervising a team of twelve employees

#### Alberici Constructors

Bethlehem, NY

*Material Expeditor, Document Control Clerk*

2003 - 2005

- Manage delivery, receiving and recording of materials
- Delegate expedition of materials to job location as needed
- Perform inventory audits which led to the recovery of misplaced material
- Perform weekly safety meetings & walkdowns with job site supervisors
- Record, organize and file blueprints as well classified documents

**Union Local #150 Plumbers & Steamfitters**

**Augusta, GA**

*2<sup>nd</sup> Period Apprentice*

*2000 - 2003*

- Manage & adhere to safety procedures associated with the set-up, break-down and operation of heavy equipment
- Material take off & system installation per P&I isometric prints
- Installation, testing & certifying metering equipment

**SKILLS & FIELD EXPERIENCE**

**Commercial Field Experience:** Nuclear, Fossil and Industrial

**Technical Skills:** Microsoft Office Programs, Primavera, Maximo, eSOMs , eMaint.

**REFERENCES**

Southern Nuclear Company - Steve Goff (Outage Scheduling -VNP 1&2)  
E Group - Gene Jeffers (Scheduling Supervisor. Project Controls)  
Southern Nuclear Company - Steve Brown (Work Controls -FNP)

# KYLE H. LEVIN

www.linkedin.com/in/kylelevin/

## EXPERIENCE

**AMAZON.COM, INC.,** Seattle, WA

**Senior Analyst**..... July 2015 – Current

- Manages and oversees all aspects of Amazon’s cost segregation studies worldwide.
- Responsible for incorporating cost segregation study results into Amazon’s fixed asset and accounting systems.
- Constantly looking out for all opportunities related to fixed assets.

**PRICEWATERHOUSECOOPERS LLP,** New York, NY

**Tax Senior Associate**..... January 2012 – June 2015

- Data specialist with expertise handling and analyzing large Excel files, data cleanup, scrubbing & transformation, and merging data from multiples sources.
- Completes various cost segregation studies, purchase price allocations, and repair and maintenance studies.
- Responsible for the calculation of tax depreciation as well as Section 481(a) adjustments.
- Manages and trains both interns and associates.
- Maintains a database that contains information on multiple partnerships and over 500 real estate investment partnerships. Performs constant updates to the data and ensures that deletions and insertions are completed accurately.

**BARCLAYS INVESTMENT BANK,** Jersey City, NJ

**Technology Analyst** ..... June 2009 - December 2011

- Prime Services IT group member. Worked on and supported a client account management tool for the Prime Services department.
- Designed and implemented calculators using C++ and XML to price IR Swaps, Caps/Floors, and Swaptions for a client facing portfolio analytics tool. These tools were able to provide mark to market and P&L for standard as well as custom swaps.

**BARCLAYS INVESTMENT BANK,** New York, NY

**Technology Analyst Intern**..... Summer 2008

- Supported the asset securitization desk with a program that groups together asset backed debt instruments with various characteristics.

## EDUCATION

**UNIVERSITY OF MICHIGAN,** Ann Arbor, MI

**BSE in Electrical Engineering, Minor in Mathematics**.....2005 – 2009

- Interest theory
- Actuarial science
- Probability theory
- Logic design
- Discrete math
- C++ programming
- Digital signal processing
- Digital and analog communication systems

## SKILLS

- Extensive experience with SQL (Sybase, SQL Server, Oracle, Access)
- Enrolled Agent (EA) Certification, 10/14 - Present
- Advanced Microsoft Excel, pivot tables and VBA macros
- Ability to analyze, manipulate and format large sets of data in multiple file formats
- Fixed asset depreciation
- Strong knowledge base of probability and statistics
- Ability to think quickly and multitask

## INTERESTS

- Long distance running, travel, golf

Larry O. Bost

[REDACTED]  
Marietta, Ga. 30068-3825

## OBJECTIVE

To help in any way I can that best utilizes my knowledge, skills, and interests while allowing me to develop new skills to make valuable contributions wherever I may be.

## EXPERIENCE

Maintenance Engineer, Mt. Bethel UMC, Marietta, Ga. – May 2004 to May 2009 (Retired)

- Providing maintenance support in all areas including: HVAC, plumbing, painting, electrical, doors (keys, locks, returns, installing, and mechanical mechanisms), wood working, ceilings, sheetrock, and any other items that need installing, or repairing.
- CAD drawings, I am in the process of documenting the entire campus on computer drawings showing all details of construction. Information also includes details of paint, carpet, tile as well as routing of network and phone cables.
- I also do some computer, network and graphics support.
- Instituted a new communications system for the maintenance department by replacing an older and more expensive Motorola Two-Way system with a Nextel phone, direct talk, and two way system. This system has been implemented with great success.
- Recently installed a security camera system in our Academy, Preschool, and staff office area.

Sales Associate, Home Depot, Marietta Ga. - Oct 2002 to May 2004

- Worked in the following departments:
  - HVAC / plumbing –experience and first hand experience in all areas
  - Electrical –experienced in commercial, residential, including telephone and computer network installation
  - Paint –experience, teach FAUX classes, and troubleshoot pressure washer problems, best in color matching

IT Engineer, Hewlett-Packard, Atlanta, Ga. – May 1995 to Nov. 2002

- Developed, tested, and supported deployment of internal World Wide standard PC images:
  - Created images using Ghost, REMBO RAD, and REMBO RAB (auto deploy and auto backup)
  - Scripts for deploying software and updates within HP
  - Microsoft Operating System and MS Office packages prior to internal release
  - Maintained Test Lab NT servers and client systems for testing new images, software and hardware
- Co-manager of the Customer Outsourcing Data Center.
  - Managed the logistics of all customer and HP equipment, data connections and design of infrastructure updates
  - Initiated inventory control system for all equipment
  - Created layout drawings for the Data Center
  - Member of team to determine the Electrical, HVAC, and UPS requirements
- Lead NT System Administrator for Outsourcing Customer (Alcoa). Trained and Managed other System Administrators:
  - Day-to-day user and site server support
  - Maintained, managed, and deployed worldwide servers remotely
  - Monitored backups and restores using Backup Exec
  - Server managed – WINS, Print, Exchange, File, PDC, BDC, DNS, etc.
- Network Engineer monitoring Outsourcing Customer networks world-wide
  - NT, Novel, CISCO, Wellfleet, TELCO, hardware, networks and connections using HP OpenView and Remedy
- Heavy phone/call center support in all aspects of System Administration and Network support
- Member of onsite Medical Emergency Response Team

Software Engineer, Rockwell International TSD (now a part of Boeing Aircraft), Duluth, Ga. – Sept.1985 to May 1995  
(held D.O.D. Secret Clearance)

- Maintained, and revise engineering man-hour tracking system program for network use

- Support all of the PCs in Engineering for IT. Custom built some of the PCs
- Security Representative for the Graphics Department
- Computerized the Graphics Department. I trained personnel on the use of computers and programs. Assisted in long- range planning
- Mechanical Engineer - Checked all production design engineering documentation for Form, Fit, Function and Produce-ability

University Instructor, Southern Polytechnic State University, Marietta, Ga. – Sept. 1986 to June 1987 (Architectural Engineering Department)

- AET343 CAD Management – wrote course
- Maintained computer system for the course
- AET333 Computer Aided Design – taught course

Applications Engineer, Holguin & Associates Inc. (Engineering Graphics Software), Atlanta, Ga. / ElPaso, Tx. – Feb. 1984 to Sept.1985

- Conducted workshops and sales demos for the computer aided design software programs
- Maintained all the hardware used by the sales staff
- Set up all hardware and software used by the sales staff in the Hewlett-Packard offices and national trade shows
- Filled in for the sales personnel when they were overbooked

Group Leader / Site Instructor, General Dynamics Electric Boat Division, Atlanta, Ga. – June 1983 to Feb. 1984

- Director of training for company design procedures
- Director of new employee orientation
- Created training program for engineering drawing checkers
- Supervised the Mechanical Engineering Group

Mechanical Engineer, Dravo Engineers Pulp and Paper Division, Atlanta, Ga. – Sept.1980 to June 1983

- Project cost estimator
- Mechanical design of bulk material handling systems

Mechanical Engineer, Bacho Systems Inc., Kennesaw, Ga. – Oct. 1976 to Sept. 1980

- Senior Project Cost Estimator
- Structural / Mechanical Designer of dust pollution control systems for industrial applications
- Created and maintained the spare parts program

Engineering Design Technician, AMAX Resource Recovery Systems, Inc., Atlanta, Ga. / Dayton, Oh. – Aug. 1973 to Oct.1976

- Assistant Project Manager for design and installation of Pond Ash projects
- Senior Structural / Mechanical Design Technician for Fly Ash Collection Plants at Power Utility Plants

R&D Mechanical Designer, Temperature Control, Inc., Atlanta, Ga. – February 1970 to August 1973

- Worked with VP of Engineering to design a new line of roof top air conditioning units
- Made design improvements to existing line of industrial roof top air conditioning units

Engineering Group Leader, Kirk-Mayer, Inc. (Lockheed C5A subcontractor), Atlanta, Ga. – Oct. 1966 to Feb.1970

- Engineering drawing checker
- Mechanical Engineering Group Leader
- Graphics design for Lockheed's HR Department

## EDUCATION

Certificates of Accreditation

Chattahoochee Technical College - Aircraft Tool Design Technician

Academy of Professional Drafting - Computer Aided Drafting

Computer Science Courses

Kennesaw State University

Southern Polytechnic State University

North Metro Technical College

Certificates of Achievement (NT Server, Computer Aided Design, Systems Security)  
Microsoft, Computervision, Auto-Trol, Hewlett-Packard, and Department Of Defense

PROFESSIONAL CERTIFICATION (Sponsored by the National Society of Professional Engineers)  
Mechanical Engineering Technician - The Institute for the Certification of Engineering Technicians  
Senior Mechanical Engineering Technician - National Institute for Certification in Engineering Technologies

#### ACHIEVEMENTS

Eagle Scout Award  
Certified in Emergency Medical Procedures including Defibrillators

#### VOLUNTEER

East Valley Elementary – 4 years teaching Art Appreciation once a month grades 2 through 5  
CERT Participated in training others for CERT  
Cobb County Search And Rescue (SAR). Participated in the training others for SAR.

#### HOBBIES & INTERESTS

Computers – build, restore, and repair  
Photography – amateur (still learning) using Nikon equipment  
Woodworking  
Old car restoration (75 Corvette)  
Coin collecting  
Model trains

**CURRICULUM VITAE**  
**Laura Miller, Ph.D.**  
**University of West Georgia**

<u>Date</u>	<u>Title</u>	<u>Institution and Department</u>
2016-present	Associate Professor	University of West Georgia Department of English and Philosophy
2011-2016	Assistant Professor	University of West Georgia Department of English and Philosophy
Spring 2011	Full-time Lecturer	University of Nevada, Reno Department of English
Fall 2010	Literature Teaching Fellow	University of California, Santa Barbara College of Creative Studies
	Part-time Lecturer	University of California, Santa Barbara Department of English

<u>Degree</u>	<u>School</u>	<u>Years</u>
Ph.D., English	University of California, Santa Barbara	2004-2010
Dissertation:	"Narrating Newton, Narrating Truth: Fame, Print, and Scientific Authorship" (committee: William B. Warner, E. Heckendorn Cook, Anita Guerrini)	
M.A., English	California State University, Northridge	2002-2004
B.A., English	Duke University	1993-1997

**Publications**

**BOOK**

*Reading Popular Newtonianism: Print, the Principia, and the Dissemination of Newtonian Science.* Charlottesville: University of Virginia Press, 2018. (Reviewed in *SEL, Library and Information History, The Year's Work in Critical and Cultural Theory*)

## EDITORIAL WORK

Editor. Special Issue, "Libraries and Booksellers in the Long Eighteenth Century." *Library & Information History* 2015; 31(3).

Reviewer of articles for *Configurations*, *Authorship*, and *Literature Compass*.

## IN PROGRESS

Articles on ambivalent neutrality in early New York publishing, and on Newtonianism and Hogarth's *The Indian Emperor*.

Second book, *Reading British Science in Early American Libraries*.

## Conferences and Invited Talks

Presenter, "Scale and Exchange in Early American Scientific Reading," International Society for Eighteenth-Century Studies Congress on the Enlightenment, Edinburgh, UK, July 2019

Presenter, "Astrology at Harvard: Charles Morton's Dissenting Science," Robinson Crusoe Tercentenary, Defoe Society Conference, York, UK, July 2019

Presenter, "A Natural History of Jane Shore," ASECS, Denver, CO, March 2019.

Roundtable Participant, "Knowing Better: Empirical Epistemology and Scholarly Teleology," ASECS, Denver, CO, March 2019.

Invited Talk, "Reading British Science in Early American Libraries: An Overview," The Historical Society of Pennsylvania, May 2018

Presenter, "Irish Scientific Imprints in Early American Libraries," ASECS, Orlando, FL, March 2018.

Roundtable Participant, "Imaginative Voyages and Speculative Fictions," ASECS, Orlando, FL, March 2018.

Invited Lecture, "Reading Popular Science in Early American Libraries," Eighteenth-Century Worlds Centre, University of Liverpool, March 2018.

Presenter, "The Gendered Aesthetics of Popular Newtonianism in the Works of Francesco Algarotti," BSECS, Oxford, UK, January 2018.

Presenter, "Bodies in Resistant Media," ASECS, Minneapolis, MN, March 2017.

Roundtable Participant, "Co-Teaching Literature and Science," ASECS, Minneapolis, MN, March 2017.

Roundtable Chair and Presenter, Academic Job Market Roundtable, SEASECS, Montgomery, AL, February 2017

Presenter, "The Scottish Enlightenment and Intercultural Scientific Reading in the Early Republic," MLA, Philadelphia, PA, January 2017

Invited Talk, "Victor as Quixotic Reader of Science," Auburn University, November 2016.

Presenter, "Reading Science in New York, 1789-1805," History of Science Society, Atlanta, GA, November 2016

Roundtable Participant, "Aesthetics, Methods, and Materialities in – And Beyond – Eighteenth-Century Science," Society for Literature, Science, and the Arts, Atlanta, GA, November 2016

Invited Talk, "XML-TEI," University of West Georgia Digital History Seminar, October 2016.

Invited Lecture, "Literature and Eighteenth-Century Popular Science," Carnegie Library, Newnan, GA, October 2016

Invited Talk, "XML-TEI," Auburn University, October 2016.

Invited Lecture, "Reading Popular Newtonianism in Early American Libraries," Auburn University, October 2016.

Presenter, "Reconstructing Communities of Scientific Readers in Late Eighteenth-Century New York," ASECS, Pittsburgh, PA, March-April 2016

Roundtable Participant, "Removing Barriers to Junior Scholars at ASECS," Women's Caucus Roundtable, ASECS, Pittsburgh, PA, March-April 2016

Roundtable Chair, "Science Studies Around the Eighteenth Century," Science Studies Caucus Roundtable, ASECS, Pittsburgh, PA, March-April 2016

Presenter, "From Euler to Ann Radcliffe: Borrowing Records and Reading Communities in Eighteenth-Century New York," SEASECS, Savannah, GA, February 2016

Panel Chair and Presenter, Academic Job Market Roundtable, SEASECS, Savannah, GA, February 2016

Presenter, "Digital Library History in the Literature Classroom," "Library Records in the Digital Age: A Symposium on Teaching and New Research," New York Society Library, New York, NY, January 2016

Presenter, "The Borrowing Habits of Academic Readers at the Columbia College Library and the New York Society Library, 1789-1805," Bibliographical Society of America-sponsored panel, ASECS, Los Angeles, CA, March 2015

Roundtable Participant, "Collaborative Research Networks in Bibliography and Book History," Bibliographical Society of America-sponsored panel, ASECS, Los Angeles, CA, March 2015

Program Chair, SEASECS, Gainesville, FL, February 2015

Panel Chair and Presenter, Academic Job Market Roundtable, SEASECS, Gainesville, FL, February 2015

Presenter, "Newtonian Legacies and Antitheatricality in Hogarth's *The Indian Emperor*," SAMLA, Decatur, GA, November 2014.

Presenter, "Translating Algarotti," University of West Georgia Conference on the Humanities, Carrollton, GA, October 2014.

Commentator, Panel on the New York Society Library, Digital Approaches to Library History Conference, sponsored by Community Libraries: Connecting Readers in the Atlantic World, c.1650-c.1850. Chicago, IL, May 2014.

Roundtable Participant, "Teaching Gender and Sexuality in the Arts and Humanities," (Invited participant), Innovations in Pedagogy Conference, University of West Georgia (UWG), April 2014.

Presenter, "Algarotti's English-Language Readership." American Society for Eighteenth-Century Studies (ASECS), Williamsburg, VA, March 2014.

Panel chair, "Libraries and Booksellers," Bibliographical Society of America-sponsored panel, ASECS, Williamsburg, VA, March 2014.

Presenter, "Reading Popular Science at the New York Society Library, 1789-1792." Community Libraries: Connecting Readers in the Atlantic World, c.1650-c.1850. University of Liverpool, UK, January 2014.

Presenter, "Coetzee and Opera." SCMLA, New Orleans, LA, October 2013.

Presenter, "Reading Astronomy at the New York Society Library, 1790-1792." ASECS, Cleveland, OH, April 2013.

Panel chair, "Science and Representation," ASECS, Cleveland, OH, April 2013

Presenter, "Memorializing Newton in Hogarth's *The Indian Emperor*," SEASECS, Charleston, SC, March 2013.

Presenter, "Masculinity and Newtonian Optical Experiments." ASECS, San Antonio, TX, March 2012.

Presenter, "Newton, Information, and the Medium of Transmission." SEASECS, Decatur, GA. March 2012.

Presenter, "Masculinity, Space, and Late Seventeenth-Century Alchemical Practices." SCSECS, Asheville, NC, February 2012.

Presenter, "Publishers and Gendered Readership in English-Language Editions of *Il Newtonianismo per le Dame*." ASECS, Vancouver, BC, March 2011.

Presenter, "The Problem of Middle Age." Roundtable, "New Approaches to Life-Stage Studies." ASECS, Vancouver, BC, March 2011.

Presenter, "Newton as Spectacle." ASECS, Richmond, VA, March 2009.

Roundtable chair, "Historical Approaches to Science and Literature." ASECS, Richmond, VA, March 2009.

Presenter, "Reading Newton's *Principia*." "Reading as a Social Technology," University of California Transliterations Project's History of Reading Group Conference, UCSB, March 2009.

Presenter, "The Queerness of Books." (Invited talk and workshop) Western Regional LGBTQIA Conference, UCSB, February 2009.

Presenter, "Algarotti Removed from the Ladies: English Editions of *Il Newtonianismo per le Dame*." "The Culture of Print in Science, Technology, Engineering, and Medicine (STEM)," Center for the History of Print Culture in Modern America, UW-Madison, WI, September 2008.

Presenter, "Print, Publicity, and Extrapolation in Newton's *Principia*." Third Annual Conference on Science and the Public, Center for the History of Science, Technology, and Medicine, University of Manchester, UK, June 2008.

Presenter, "Teaching Newton to the Ladies: English-Language Translations of Algarotti" (presentation) and "English Broadside Ballad Archive" (digital projects poster session). "Teaching and Text," conference of the Society for the History of Authorship, Reading, and Publishing (SHARP), Oxford, UK, June 2008.

Presenter, "Imagination and Scientific Evidence in Comedies About Virtuosi." ASECS, Portland, OR, March 2008.

Panel chair, "Newton and Newtonianism." ASECS, Portland, OR, March 2008.

Conference assistant, "Science as Navigation: Leonhard Euler's Journeys." UCSB, November 2007.

Presenter, "Scientists, Poets, and Scientific Poets." ASECS, Atlanta, GA, March 2007.

Panel chair, "Physical Education in the Eighteenth Century." ASECS, Atlanta, GA, March 2007.

Conference co-organizer, "Making Publics: Media, Markets, and Association in Early Modern Europe: 1500-1800." UCSB Early Modern Center conference, March 2007.

Respondent, Early Modern Center Colloquium, "Making Publics." UCSB, November 2006.

Presenter, "Public Tears for the 'Already written' Mind in Pope's 'Eloisa to Abelard'." ASECS, Montreal, QC, April 2006.

Presenter, "Love's Dissolution and *The Monk's* Intercessory Medicine." ASECS, Las Vegas, NV, April 2005.

### **Workshops and Training**

*Small Teaching Online* Reading Group, Fall 2019,

Participant, American Antiquarian Society Digital Antiquarian Workshop, Worcester, MA, June 2015.

Rare Book School, University of Virginia, "The Printed Book to 1800: Description and Analysis," Charlottesville, VA, June 2015.

QM Quality Matters Online Teaching Certification, June 2014.

### **Fellowships and Grants**

Co-investigator, Libraries, Reading Communities and Cultural Formation in the Eighteenth-Century Atlantic, £1 million multi-year grant, Arts and Humanities Research Council of the UK (AHRC), 2019-2022

- Provided triage assistance for customers and company personnel relating to computer hardware, operating systems, software, and networking support
- Performed product evaluations on new equipment
- Supervise development of and provide delivery for classes in computer hardware
- Assist in evaluation of vendor products for potential sale and support
- Results included the development of a small support team into a substantial organization that was identified as a major reason for the purchase of the company

#### **Datatec Systems Inc.**

Regional Resource Administrator, Atlanta, GA

- Manage payroll for more than 50 field technicians
- Provide scheduling support to operations management in corporate offices and in the field Maintain personnel files for expense reporting and control entry of data to company intranet
- Design reporting processes for tracking added jobs for field personnel
- Manage and improved lines of communication with technicians

  
**Entex Information Services****Senior Customer Service Engineer – Atlanta, GA**

- Perform desk side support at client's corporate headquarters for hardware, software, and networking issues
- Support repairs, installs, moves, additions, and changes
- Assisted in development of time reporting tools
- Designed one-sheet instructions for clientele to simplify maintenance routines
- Received a company award for performance excellence.

**Atos (formerly Siemens Information Systems)****IT Support Engineer-Team Lead, Atlanta, GA**

- EMC Symmetrix Support Team working on VMAX, and the DMX series
- Perform VIP desk side support at client's corporate headquarters for hardware, software, and networking issues
- Support repairs, installs, moves, additions, and changes
- Configuration of new laptops and desktops, installation and configuration of printers
- Assist in the repair of servers to meet corporate specifications
- Provide advice and support to other technicians, multiple customers and programs for IMAC and desk side support needs

**NYNEX Business Centers****National Dispatch Staff Manager**

- Assist in the coordinated rollout of the national dispatch program
- Carry out day-to-day dispatch management responsibilities
- Design hiring and training policies and procedures for employees taking service calls

**Technical Support Engineer – Corporate Headquarters, Atlanta, GA**

- 1<sup>st</sup> level telephone support of field engineers, triage assistance for customers
- Perform product evaluations on new equipment
- Maintain vendor contacts and gather training and reference materials for computer hardware
- Resulted in the development of the company's first hardware and software support organization.
- Established a library system that expanded support capability and saved company funds

**Education:**

Bachelor of General Studies, University of Cincinnati, Cincinnati, OH  
Associate of Arts, University of Cincinnati, Cincinnati, OH

**Technical Certifications and Training:**

CompTIA A+, COMPAQ ACT, Dell Authorized  
Hewlett-Packard CZ IBM SP  
Microsoft Office (Advanced) EMC Foundation Certified

# MARK R. GOBER

Martinez, GA 30907

## PROFESSIONAL SUMMARY

Vice President of Engineering with over 30 years of experience in engineering and project management which includes managing large groups of engineers (over 400) in multiple offices throughout the United States, managing larger dollar engineered equipment procurements, providing guidance and technical support for the design, procurement, construction and commissioning of multi-billion dollar projects, developing and implementing process improvements throughout the engineering department and phases of projects, preparing budget and schedule management of all design functions and phases for the construction of the MOX Project and other large scale projects at the Savannah River Site in Aiken, SC; Hanford Site in Richland, WA; Wolf Creek Generating Station, in New Strawn, KS; and I.E. Hatch Generating Stations in Vidalia, GA. Worked many years in both Department of Energy and commercial nuclear industry design, procurement, and construction.

Commented [AAL1]: This section needs work; provide a general overview of your experience and add where Wolf Creek was located to this paragraph. Your experience is great; tell me about your abilities and what sets you apart from others – make resume three full pages (we can decrease font size if needed)

## EMPLOYMENT

**Chicago Bridge & Iron (CB&I) Project Services Group, LLC** **May 2010 – Present**  
**MOX Project Savannah River Site – Aiken, SC**

### Vice President of Engineering

- Manage and integrate over 400 design and operations engineers within the engineering department consisting of multiple engineering disciplines including software and nuclear safety.
- Serve as Chair of the Management Review Committee (MRC), member of Management Safety Committee, Management Six Sigma Board, and Change Review Board.
- Develop and implement process improvements throughout the engineering department and phases of the project.
- Perform as budget and schedule manager for all design functions and phases.
- Lead all technical interactions with the Nuclear Regulatory Commission and the Department of Energy.

Commented [AAL2]: Insert subsequent bullets highlighting your work; use present action words; 4-5 bullet points; add same for all jobs (don't use the exact same verbiage for each job)

**Bechtel National Inc.** **July 2007 – April 2010**  
**Waste Treatment Plant Hanford Site - Richland, WA**

### Plant Design Engineering Manager

- Managed and integrated over 100 design and operations engineers within the Plant Design discipline consisting of multiple offices in the United States.
- Developed and implemented process improvements throughout the Plant Design discipline.
- Served as the budget and schedule manager throughout the Plant Design discipline.
- Lead all Plant Design technical interactions with the Department of Energy.

Bechtel Savannah River, Inc.  
Savannah River Site – Aiken, SC

November 1989 – June 2007

**Project Engineering Manager for Liquid Waste** (February 2005 to June 2007)

- Managed and integrated over 75 design and operations engineers within the engineering department consisting of multiple engineering disciplines.
- Oversaw the MCU Project which was the pilot project for the Salt Waste Project at Savannah River and provided the technology which could be used in a production fashion. Developed technology was only proven at lab scale prior to this time.
- Budgeted and scheduled all design functions and phases.
- Lead all technical interactions with the Department of Energy

Commented [AAL3]: Insert subsequent bullets highlighting your work; use present action words; 4-5 bullet points; add same for all jobs (don't use the exact same verbiage for each job)

**Project Engineer for Solid Waste, Liquid Waste, Spent Fuel & Separations** (March 1999 to January 2005)

- Managed and integrated over 75 design engineers within the engineering department consisting of multiple engineering disciplines.
- Worked the following projects during this time: Supercompactor, Quench Vessel, "C" Area Breathing Air, CIF Evaporator, HEU Blend Down, HEU Parts and Shells, Mega Trench, TRU View, Tank 4 Bulk Waste Removal, Tank 5 Bulk Waste Removal, Tank 6 Bulk Waste Removal, Tank 11 Bulk Waste Removal, and Tank 12 Bulk Waste Removal, and H Area Control Room Consolidation
- Budgeted and scheduled all design functions and phases.
- Lead all technical interactions with the Department of Energy

Commented [AAL4]: Insert subsequent bullets highlighting your work; use present action words; 4-5 bullet points; add same for all jobs (don't use the exact same verbiage for each job)

Commented [AAL5]: Spell out acronyms- looks like you worked in reactors - say that (you don't want people not on the Savannah River Site to have to wonder what you did); add more bullet points; what did you do on the project? Calculations? Budget? Coordinated teams?

**Design Execution Lead for Spent Fuel** - (May 1996 to March 1999)

- Managed and integrated design execution activities.
- Acted as budget and schedule manager

**Project Controls Engineer for Defense Waste Processing Facility** - (May 1995 to May 1996)

- Performed schedule updates for Engineering's scheduled activities.
- Generated and issued monthly performance report for the project.

**C/S/A Design Engineer Separations** - (May 1994 to May 1995)

- Performed as the design liaison for two design build subcontracts in H Area.
- Participated in many projects during this time to include: 766H Training Facility and H Area Maintenance Facility.

**C/S/A Construction Engineer for Defense Waste Processing Facility** - (May 1993 to May 1994)

- Wrote work packages, ordered material, wrote and dispositioned NCR's, performed surveillance on field activities, created DCF's and interfaced with design to resolve field problems.
- Functioned as the Lead Civil Field Engineer for the Late Wash Project. Directed the dismantling of the Auxiliary Pump Pit Building and oversaw major excavation and backfill activities associated with inter-area transfer lines.

**C/S/A Design Engineer for Liquid Nuclear Waste & Separations** - (November 1989 to May 1993)

Originated and checked engineering activities related to Civil, Plant Design (Pipe Supports) and Architectural Disciplines some of which are:

- Designed and checked miscellaneous structures associated with the High Level Waste Tank Farm areas.
- Performed walk downs, processed DCP's and DCF's, produced backup calculations and drawings, attended project meetings, participated in QAR and DPHR processes, coordinated with Design Authority, construction, and maintenance.
- Accomplishments included evaluation of existing CMU walls to meet new design requirements, and resolving fan bearing and motor base structure vibration problems.

**Bechtel Power**

**March 1981 to November 1989**

**I.E. Hatch & Wolf Creek Generating Station - Vidalia, GA**

**Civil Design Engineer**

Originated and checked engineering activities related to Civil, Plant Design (Pipe Supports) and Architectural Disciplines some of which were:

- Provided disposition to constructor-initiated documents (nonconformance reports, field change requests, construction variance requests, and requests for clarification of information) within the guidelines of the applicable engineering procedures for piping, pipe supports and valves.
- Revised expansion anchor installation specification and project civil design criteria to allow the use of and provide design criteria for the use of ductile designed expansion anchors per ACI249-80 Appendix B with the 1984 Supplement.
- Designed and reviewed existing designs of supports for conduit, cable tray. HVAC, ASME and non-ASME piping (large and small bore) due to modifications to existing plant systems.
- Performed seismic equipment qualification reviews for Class 1E devices which were added or modified within the plant.
- Revised boundary requirements on fire delineation drawings to agree with the intent of the SAR and the requirements of the NFPA.

Commented [AAL6]: These bullet points looks great; use similar detail in creating bullet points above

**EDUCATION**

**Bachelor of Science Civil Engineering**

Graduated 1981

Georgia Technical Institute— Atlanta, GA

**PROFESSIONAL LICENSES**

Engineer in Training (EIT) Georgia No. 15644

Professional Engineer (PE) Georgia No. 20367

# Mark E. Goebel II

---

██████████ Marietta, GA 30068 | ██████████

## Objective

Continue to utilize business leadership and customer service skills to further my professional career, and obtain a challenging position where my previous experience and commitment to Starbucks will allow continued growth within the company.

## Education

**FILM & VIDEO STUDIES | 2006 | GEORGIA STATE UNIVERSITY**

## Experience

**ASSISTANT STORE MANAGER | STARBUCKS | 208-PRESENT**

Analyze business performance, identify trends and create operational plans

Collaborate with peer group to develop business strategies

Create environment of inclusion with focus on partner development

Build and maintain culture of customer service excellence

Created success at a district level within lead role area of concentration

**SHIFT SUPERVISOR | STARBUCKS | 208-2018**

Ensure patrons receive first class customer service

Ensure promotions and sales are executed properly to promote store and company growth

Plan and execute daily partner deployment

Coach and mentor partners for maximum growth potential

Cash handling, inventory management and maintenance of store organization and cleanliness

**OWNER & OPERATOR | ATLANTA VIDEO SOLUTIONS | 2011-2015**

Film, professionally edit and distribute videography projects, with a focus on wedding celebrations and dance studio recitals

Tape to DVD conversion

Business growth and development through community partnerships and social media marketing

**GENERAL MANAGER | ZAXBY'S, INC. | 2004-2008**

Maintain customer service and product quality standards

Comply with all corporate directives and promotions

Ensure staffing needs are met through hiring, training and daily coaching

Maintain labor and scheduling standards with weekly labor analysis

Maintain inventory levels through audits and daily ordering

**Certifications**

Department of health food safety certificate

CURRICULUM VITAE

**MARK ELLIOT KOPEL, P.A.(B), AA-C, RRT**

Department of Anesthesiology  
Atlanta Medical Center

Anesthetist and Clinical Coordinator of Students  
Coordinator of Continuing Education

Business Address: Strategic Health Partners, LLC  
1300 Ridenour Blvd.  
Suite 300  
Kennesaw, Georgia, 30152

Home Address: [REDACTED]  
Alpharetta, Georgia 30022

Marital Status: Married to Noreen O'Neill, R.N.

Children: [REDACTED]

Date of Birth: [REDACTED]

Place of Birth: [REDACTED]

EDUCATION

1977 Bachelor of Science in Earth Space Science  
State University of New York at Stony Brook  
Stony Brook, New York

1979 Master of Medical Science in  
Intensive Respiratory Care  
School of Allied Health  
Emory University School of Medicine  
Atlanta, Georgia

1989 Master of Medical Science in Anesthesia  
School of Allied Health  
Emory University School of Medicine  
Atlanta, Georgia

**LICENSURE & CERTIFICATION**

1975	Emergency Medical Technician New York State Health Department
1980-present	Registered Respiratory Therapist National Board of Respiratory Therapists No. 8588
6/11/80-present	Physician's Assistant (PA-B) Intensive Respiratory Care State of Georgia No. 479-B
1989-present	Anesthesiologist Assistant (AA-C) State of Georgia No. 479-B
7/03-present	National Commission for Certification of Anesthesiologist Assistants Certificate Number 616
2003-present	American Heart Association Basic Life Support Instructor
2003-present	State of Georgia-Board of Health Certified Tuberculosis Prevention Administrator

**MEMBERSHIPS**

1973-1977	S.U.N.Y. at Stony Brook Volunteer Ambulance Corps Member and Executive Vice President
1979-present	American Association of Respiratory Therapists
1980-1985	Georgia Lung Association
1992-present	American Academy of Anesthesiologists Assistants
1992-1994	Society of Critical Care Medicine
1998	Wilderness Medical Society
2004-present	American Society of Anesthesiologists
2004-present	Georgia Society of Anesthesiologists

**TEACHING ACTIVITIES**

1976-1980	Standard First Aid Instructor American Red Cross Suffolk Chapter - New York
1980-1990	Instructor Master of Medical Science Intensive Respiratory Care Program Emory University School of Medicine
1985	Guest Lecturer Emory University - School of Nursing
1991	Guest Lecturer Atlanta Association of Critical Care Nurses
1991-present	Guest Lecturer Critical Care Course Atlanta Medical Center
1993	Guest Lecturer Third Annual Case Studies in Critical Care Education Department Piedmont Hospital Atlanta, GA
1992-present	Anesthesia Education Coordinator Department of Anesthesiology at Atlanta Medical Center Coordinates and assigns Anesthesia PA students from Emory University, South University, NOVA Southeastern University and Case Western Reserve University. Also coordinates assignments for medical students, residents, EMT students and shadow students
07/01/11-present	Clinical Instructor Department of Anesthesiology & Perioperative Medicine Case Western Reserve University 10900 Euclid Avenue Cleveland, OH 44106-4915
2014-Present	Adjunct Clinical Instructor Master of Medical Science Program in Anesthesiology Emory University School of Medicine 57 Executive Park South - Suite 300 Atlanta, GA 30329
2019- present	I-Stat and Acu Chek glucose monitor Instructor/Trainer

**WORK HISTORY**

1976-1977	Emergency Medical Technician Five Counties Ambulance Service Valley Stream, New York
1978-1979	Respiratory Therapist Piedmont Hospital Atlanta, Georgia
1978-1980	Respiratory Therapist Grady Memorial Hospital Atlanta, Georgia
1979-1990	Physician's Assistant - Division of Critical Care Medicine The Emory Clinic/Emory University Hospital Atlanta, Georgia
1987-1990	Drug Testing Officer Substance Abuse Program Major League Baseball Commissioner's Office Atlanta, Georgia
1989-9/10/90	Staff Anesthetist Surgical Specialties & Cardiothoracic Anesthesia Department of Anesthesiology The Emory Clinic/Emory University Hospital Atlanta, Georgia
9/17/90-3/31/01	Staff Anesthetist Medical Center Anesthesia Associates, P.C. Georgia Baptist Medical Center (became Atlanta Medical Center in 1997) Atlanta, Georgia
3/97-7/21/01	Staff Anesthetist Anesthesiology Department Southlake Surgery Center Morrow, Georgia
4/1/01-12/31/04	Staff Anesthetist Georgia Anesthesia Alliance, Ltd. Atlanta Medical Center Atlanta, Georgia
11/03-12/15/06	Staff Anesthetist (p.r.n.) Northlake Medical Center (hospital closed in 2006) 1455 Montreal Road Tucker, GA 30084

9/03-9/2006	Staff Anesthetist (p.r.n.) Northlake Surgical Center 1491 Montreal Road Tucker, GA 30084
1/1/05-11/2013	Staff Anesthetist & Associate Chief Anesthetist Northlake Anesthesia Professionals, LLC Atlanta Medical Center Atlanta, Georgia
11/2013-present	Staff Anesthetist & Senior Anesthetist ApolloMD at Atlanta Medical Center ApolloMD 5665 New Northside Dr Atlanta, Georgia
2/1/2019-present	Staff Anesthetist MAK Anesthesia Strategic Health Partners, LLC 1300 Ridenour Blvd. Suite 300 Kennesaw, Georgia, 30152

### PRESENTATIONS

- 1982: The Effect of Positive End-Expiratory Pressure on Excessive Mediastinal Bleeding Following Cardiac Surgery: Society of Cardiovascular Anesthesiologists Annual Meeting, Washington, D. C. - May
- Cardiac Tamponade Guest Faculty Lecturer - New Horizons in Critical Care Nursing - Advanced Critical Care Nursing Workshop - Emory University School of Nursing, Atlanta, GA - May
- The Effect of Positive End-Expiratory Pressure on Excessive Mediastinal Bleeding Following Cardiac Surgery: American Association of Respiratory Therapists - Annual Meeting - Open Forum - New Orleans, LA - November
- 1983: Determination of an Efficacious Manner of Establishing Temporary Atrial Pacing in Patients Undergoing Cardiac Surgical Procedures: Society of Cardiovascular Anesthesiologists, San Diego, CA - April
- Nalbuphine Reversal of Postoperative Respiratory Depression from High Dose Narcotic Anesthesia: Society of Cardiovascular Anesthesiologists, San Diego, CA - April
- 1984: The Swan-Ganz Catheter: A One Year Retrospective Study: Society of Cardiovascular Anesthesiologists, Boston, MA - May
- The Swan-Ganz Catheter: A One Year Retrospective Study: American Society of Anesthesiologists, New Orleans, LA - October
- 1985: A New "No Touch" Technique for Reducing Contamination During Central Venous Accesses: 4th World Congress on Intensive and Critical Care Medicine, Jerusalem, Israel

- Contamination Reduction During Central Venous Cannulation: Does it make a difference? Society of Cardiovascular Anesthesiologists, Phoenix, AZ - May
- Contamination Reduction During Central Venous Cannulation: Does it make a difference? American Society of Anesthesiologists, San Francisco, CA - October
- 1986: Autotransfusion of Mediastinal Shed Blood after Cardiac Surgery: Alterations in Protein and Cellular Components of Blood. The annual meeting of the Society of Cardiovascular Anesthesiologists, Montreal, Canada - April
- Autotransfusion of Mediastinal Shed Blood After Cardiac Surgery: Alteration of Proteins and Cellular Components of the Blood: New England Deaconess Hospital, Boston, Massachusetts - May
- Autotransfusion of Mediastinal Shed Blood After Cardiac Surgery: Society of Cardiovascular Anesthesiologists, Munich, West Germany - September
- Autotransfusion of Mediastinal Shed Blood After Cardiac Surgery: 7th European Congress of Anesthesiologists, Vienna, Austria - September
- 1987: Autotransfusion After Cardiac Surgery Using New Apparatus: Alteration in Blood and Proteins: 61st Congress of the International Anesthesia Research Society, Lake Buena Vista (Orlando), Florida - March

PRESENTATIONS (continued):

- 1988: Determination of the Degree of Systemic Absorption of Gentamicin from a Mediastinal Irrigating Solution. American College of Clinical Pharmacy Annual Meeting, Philadelphia, PA - July
- Clinical Examination Does Not Predict Cardiac Output After Cardiac Surgery - American Society of Anesthesiologists, San Francisco, CA - October
- 1989: Magnesium and Postoperative Dysrhythmias in Patients after Cardiac Surgery: 11th Annual Meeting of the Society of Cardiovascular Anesthesiologists, Seattle, Washington - April
- Magnesium and Postoperative Dysrhythmias in Patients after Cardiac Surgery: European Association of Cardiothoracic Anesthesiologists, Uppsala, Sweden - June
- Magnesium and Postoperative Dysrhythmias in Patients after Cardiac Surgery: American Society of Anesthesiologists, New Orleans, LA - October
- 1990: Changes in Thyroid Hormones with Uneventful Coronary Artery Revascularization: European Association of Cardiothoracic Anesthesiologists, Budapest, Hungary - September
- 1991: X-Ray Interpretation in the Intensive Care Unit: The Critical Care Course, sponsored by Georgia Baptist Medical Center, Atlanta, Georgia - July
- 1991: Chest X-Ray Interpretation in the Intensive Care Unit: Atlanta Association of Critical Care Nurses, Atlanta, Georgia - October

- Chest X-rays and Faux Pas: The Anesthesiology Conference, sponsored by Georgia Baptist Medical Center, Atlanta, Georgia - December
- 1992: X-Ray Interpretation in the Intensive Care Unit: The Critical Care Course, sponsored by Georgia Baptist Medical Center, Atlanta, Georgia - July
- 1993: Intravenous Access: Advanced Cardiac Life Support Class, The Anesthesiology Conference, sponsored by Georgia Baptist Medical Center, Atlanta, Georgia - January
- X-Ray Interpretation in the Intensive Care Unit: The Critical Care Course: sponsored by Georgia Baptist Medical Center, Atlanta, Georgia - July
- Clinical Case Studies in Pharmacology, in the Intensive Care Unit: Third Annual Case Studies in Critical Care, Education Department at Piedmont Hospital, Atlanta, Georgia - August
- 1994: X-Ray Interpretation in the Intensive Care Unit: The Critical Care Course, sponsored by Georgia Baptist Medical Center, Atlanta, Georgia - July
- 1996: X-Ray Interpretation Postoperatively: The Anesthesiology Conference, sponsored by Georgia Baptist Medical Center, Atlanta, Georgia - January
- Cardiac Tamponade: The Anesthesiology Conference, sponsored by Georgia Baptist Medical Center, Atlanta, Georgia - May
- 1998: OHMEDA Pediatric Infant Warmer In-Service Part I (moderator): The Anesthesiology Conference, sponsored by Georgia Baptist Medical Center, Atlanta, Georgia - March

**PRESENTATIONS (continued):**

- 1998: BIS Burn: Band-aids for Cure: The Anesthesiology Conference sponsored by Georgia Baptist Medical Center, Atlanta, Georgia - May
- OHMEDA Pediatric Infant Warmer In-Service Part II (moderator): The Anesthesiology Conference sponsored by Georgia Baptist Medical Center, Atlanta Georgia - July
- 2000: Update on Revised Anesthesia Record: The Anesthesiology Conference sponsored by Atlanta Medical Center, Atlanta, Georgia - July
- Anesthesia Charting Errors: Are They Costing You A Raise? The Anesthesiology Conference, sponsored by Atlanta Medical Center, Atlanta, Georgia - September
- 2001: Respiratory Therapy 101: An Update: The Anesthesiology Conference, sponsored by Atlanta Medical Center, Atlanta, Georgia - November
- 2002: Respiratory Therapy 101: The Anesthesiology Conference, sponsored by Atlanta Medical Center, Atlanta, Georgia - July
- 2004: Basic Life Support Update: The Anesthesiology Conference, sponsored by Atlanta Medical Center, Atlanta, Georgia - September

- 2006: The Cost of Doing Business: The Anesthesiology Conference, sponsored by Atlanta Medical Center, Atlanta, Georgia - September
- 2010: How to Start Your Day Off Right: The Anesthesiology Conference, sponsored by Tenet Healthcare Learning Services, Atlanta, Georgia - June 23, 2010
- 2012: Annual Review of Central Venous Access Lines: Placement and Care: The Anesthesiology Conference, sponsored by Tenet Healthcare Learning Services, Atlanta Medical Center, Atlanta, Georgia - February 8, 2012
- Video-Assisted Thoracic Sympathectomy: The Anesthesiology Conference, sponsored by Tenet Healthcare Learning Services, Atlanta Medical Center, Atlanta, Georgia - April 25, 2012
- Anesthesia Lite Lecture to Cath Lab and ICU nurses, Atlanta Medical Center, 8 Tower Conference Room, Atlanta, Georgia - September 19, 2012
- 2013: Simple Anesthesia: Local Standby Cases Lecture to O.R. Nursing Staff at Atlanta Medical Center, O.R. conference room, Atlanta, Georgia - January 9, 2013
- CPR Review: The Anesthesiology Conference, sponsored by Tenet Healthcare Learning Services, Atlanta Medical Center, Atlanta, Georgia - April 10, 2013
- 2015 Renal Disease and Urologic Surgery to First Year Students at Emory University Anesthesia Assistant School. Emory University Druid Hills Campus. February 17, 2015
- 2016 Renal Disease and Urologic Surgery to First Year Students at Emory University Anesthesia Assistant School. Emory University Druid Hills Campus. March 2016
- 2017 Trauma: to First Year Students at Emory University Anesthesia Assistant School. Emory University Druid Hills Campus. March 2017

## PROFESSIONAL SUMMARY

- Law Enforcement Management Professional and Senior Military Veteran with a Top-Secret Security Clearance with 40 years of proven senior leadership experience in the United States Army, Alabama National Guard and Law Enforcement Agencies worldwide. Highly proficient in the use of firearms and operation of portable x-ray machines and robotic bomb platforms.
- Possess a comprehensive background in team leadership and training derived from conducting domestic and global Intelligence Operations in Korea, Panama, Iraq, and Afghanistan.
- Managed risk upon multiple lines to protect assets, property, and equipment valued over \$10M during Hurricane Katrina while exceeding the expectations of senior leadership.
- Possess extensive knowledge in classroom instruction, operations and instructional development.
- Recipient of multiple awards for outstanding performance and professionalism in the United States Army and National Guard Career supported by 39 years of, special operations, logistical/advisory planning, combat operational experience and formal senior leadership training.

## EDUCATION

Master of Law, Washington University, St. Louis, MO (Pending Enrollment)  
Bachelor of Science in Criminal Justice, Troy University, Fort Benning, GA  
Associate of Science in General Education, Troy University, Fort Benning, GA  
Basic Law Enforcement Officer Certification, Regional Police Academy, Columbus, GA  
Basic and Advanced SWAT Courses, Forsyth, GA  
FBI Bomb Squad Technician Course, Red Stone Arsenal, Huntsville, AL  
Basic and Advanced Behavioral Profiling Course, Forsyth, GA  
National Incident Management System Course, (NIMS)  
Executive Protection Course, Forsyth, GA  
NRA Firearms Instructor  
NRA Range Master

## PROFESSIONAL EXPERIENCE

### **AVANCIA TECHNOLOGIES**

**Apr 2019-Oct 2019**

#### **Advanced Situational Awareness Team Lead**

- Manage and direct the daily execution of contract requirements to assure that cost, schedules and performance goals are met. While representing Company's interests, assured that all government regulatory guidance is adhered to.

- Attend all meetings with the government contract customers.
- Actively seek new business opportunities in coordination with Business Development.
- Represent management at program reviews, meetings, seminars, etc.
- Ensured that training was delivered in a manner consistent with Program of Instruction (POI) and Training Support Packets (TSP's) approved and certified.

## **PARAMOUNT SOLUTIONS & GLOBAL SERVICES**

**Apr 2018-Dec 2018**

### **Alternate Program Manager**

- Manage and direct the daily execution of contract requirements to assure that cost, schedules and performance goals are met.
- Lead all meetings and the integrated product team (kick-off through project close).
- Actively seek new business opportunities in coordination with Business Development.
- Represent management at program reviews, meetings, seminars, etc.
- Prepare for and participate in contract/subcontract negotiations. While representing Company's interests, assure that all government regulatory guidance is adhered to.
- Develop and implement plans and schedules to execute contracts/subcontracts. Allocate and control contract budgets for labor, material, travel and purchased services. Report program status to senior management monthly.
- Formally identify, assess, monitor and mitigate risk throughout the program life cycle. Obtains management approval prior to making decisions that will cause deterioration of established program, cost and schedule objectives.
- Develop and implement corrective action plans when deviations from budgets and/or schedules are evident. Seek senior management assistance in resolving schedule and budget problems as they arise.
- Perform variance analysis of schedule and cost on a formal and informal basis and present them to senior management (i.e. earned value management system).
- Serve as the primary interface with the customer on all matters involving contract execution. Coordinate with other departments on resolution of contractual problems with the customer.
- Coordinate with Contract Manager on issues pertaining to contract requirements, changes, and interpretations.

# MICHAEL SCOTT KREHER

██████████ Newnan, GA 30265 ██████████  
██████████

A 26-year veteran of one the largest nationally accredited law enforcement agencies in the United States. A Deputy Chief familiar with all aspects of criminal investigations, patrol and administrative police functions. Advanced rapidly through positions of increasing responsibility in both the Field Operations and Criminal Investigations Divisions. A problem solver experienced in working high profile cases and meeting deadlines. Proven ability to delegate authority and deploy manpower to meet goals. An articulate and honest law enforcement supervisor that leads by example and earns respect from all ranks. Ready to lead the State of Georgia as a United States Senator while partnering with communities and their local leaders to provide sensible, affordable services to communities throughout Georgia. Someone with strong leadership skills to ensure Georgia is represented in the United States Senate, mirroring Senator Johnny Isakson's dedication to duty for all Georgia citizens.

## EXPERIENCE

### **Deputy Chief, Atlanta Police Department, 1993 – Present**

The City of Atlanta has over five hundred thousand full-time residents, with the population swelling to over one million during a work day and sometimes higher during weekends. Our police department is the largest, CALEA accredited agency in the southeast with over two thousand authorized sworn positions and over 400 non-sworn positions.

### **Support Services Division (SSD) Commander, 2019-Present**

*Citywide/Deputy Chief*

- Responsible for the Atlanta Police Department's FY2019/20 annual operating budget of over 200 million dollars under the Corporate Services Section. The section also includes the Procurement and Grants Management units.
- Instrumental in advocating and implementing a historical pay raise for employees resulting in an average 25 percent pay raise.
- Responsible for the Atlanta Police Department's E911 Center that handles over 1 million calls for service annually and spearheading a new Computer Aided Dispatch (CAD) and Reports Management system project costing over 10 million dollars.
- Responsible for the Atlanta Police Department's Police Academy. The academy trains and prepares over 200 police officer candidates annually and is responsible for annual in-service training for all 2500 sworn and civilian employees.
- Increased hiring sworn officers 68 percent as of July 2019 from 2018.
- Responsible for the Atlanta Police Department's Personnel Section that includes recruiting and hiring new sworn and civilian employees. The Section is also responsible for the department's payroll, personnel files and all other personnel matters.
- Responsible for the Atlanta Police Department's Information Services Section that include the Property Control and Fleet units, Crime Scene Inspectors and the Crime Lab.

## **Contingency Operations Division (COD) Commander, 2017-2019**

### *Citywide/Deputy Chief*

- Created this division for researching, developing, budgeting, planning and implementing a strategic force for all major events in the City of Atlanta. This includes parades, protests, marches, rallies, large gathering permits, sporting and entertainment venues. The Division's responsibility is to ensure everyone involved in the event is safe and all constitutional guarantees are provided to those involved.
- Planned and implemented the overall Public Safety Plan for Super Bowl LIII; Partnering with Federal, State and Local law enforcement officials to ensure a safe and successful event for over one million visitors over a ten-day event. Supervised over three thousand Public Safety officers from over forty jurisdictions with an overall budget of twelve million dollars.
- Planned, budgeted and implemented over 25 major events in 2018/19 with successful conclusions utilizing all sworn staff within APD and partnering agencies.
- Responsible for the overall Public Safety Plan and budget for the 2020 NCAA Final Four Basketball Championship games; Partnering with Federal, State and Local law enforcement officials to ensure a safe and successful event for seven hundred thousand visitors over a six-day event.
- Responsible for the planning, budgeting and execution of the five-day College Football Championship game event in January 2018 without any significant incidents.
- Responsible for representing the police department during monthly Public Safety and Finance Committee meetings with council committee members to present on any police department legislation or concerns by council members and the administration.

## **Zone Commander / 5th Precinct, 2015-2017**

### *Downtown Atlanta-6.7square miles/Major*

- Commanded the largest precinct in the city, responsible for 1 Captain, 7 Lieutenant Commanders, 23 Sergeants, 12 Investigators, 180 officers and 3 civilian support staff while creating the annual budget and overseeing disciplinary hearings with the union.
- Winner of the Atlanta Police Department's Crime Reduction Award for 2016 with an 11 percent reduction in crime utilizing 21<sup>st</sup> Century policing strategies and Procedural Justice models.
- Coordinated the implementation of the newly created Atlanta/Fulton County Pre-Arrest Diversion Program downtown to keep our most vulnerable population out of jail for minor offenses while providing housing, job placement, substance abuse counselling and mental health services.
- Partnered with the Chief of Police at Georgia State University and Georgia Tech to reduce crime around their campuses with student populations over eighty thousand combined.
- Created a Midtown Powershift, Bike and Foot patrol for 2016 that resulted in a 35 percent reduction in crime in Midtown neighborhoods with diverse community partnerships.
- Created a Greyhound Bus Station detail that utilized a combination of Community Oriented, Problem Oriented and Hot Spot Policing models that reduced pedestrian robberies to its lowest levels in 8 years.
- Initiated Segway patrol areas in partnership with private donors to reduce crime throughout several business districts. This initiative allowed officers to get out of patrol cars and interact with the public face-to-face.

### **Assistant Zone Commander / 4th Precinct, 2013-2015**

*S.W. Atlanta-35.18 square miles/Captain*

- Second in Command of the second largest precinct in the city, responsible for 5 Lieutenant Commanders, 15 Sergeants, 12 Investigators, 150 officers and 4 civilian support staff.
- Responsible for the daily activities of the precinct, to include operations, budget, personnel, discipline, fleet and maintenance.
- Managed all watches to ensure crime reduction plan is implemented as directed.
- Implemented crime fighting initiatives to reduce crime using resources available internally and externally.
- Responded to all community concerns and attends monthly Neighborhood Planning Unit and Community meetings.

# Michael J. Nagy

[Public/Private Sector] SR. MANAGER. "Connective" COMMUNICATOR-LEADER. Big-Picture VISIONARY. With SKILLS, TRACK RECORD for DECISION-MAKING, STRATEGIZING, GETTING THINGS DONE! \*\*EXPERIENCE: City-County Management, Government Relations \* P3 Projects, Permits \* Biz Development, Relationship Building \* Utilities, Regulatory Issues \*\*ALSO: Engineering Services, Marketing/Sales \* Finances, Controls \* HR/Unions \* More Powder Springs, GA 30127

=====

RELIABLE // UNABASHEDLY ORIGINAL // INCISIVE // PRESCIENT

> A LEADER > A DOER > AN INTUITIVE, ASSERTIVE MANAGER...> A STEWARD OF QUALITY

## \*\*\* BACKGROUND

Core is in city-county government management. Work history also covers/includes know-how of and experience in private sector (biz development; customer service; P + L responsible charges, etc.).

## \*\*\* TALENTS

Candid, On-Point Analysis \*\*/\*\*/\*\* Long-Term Problem Solving  
Strategic Planning / Macro [Economic] Thinking \*\*/\*\*/\*\* Morale / Team Building \*\*/\*\*/\*\* Leadership Processes Development and Implementation \*\*/\*\*/\*\* Results Attainment

## \*\*\* PROFILE

Nimble and proven in taking on, taking lead on...[multiple arrays of] organizational tasks, missions, department reboots, upgrades. A striated, WELL-VETTED Senior Level Manager/{CAO, COO}, WITH:

- A "CAN-DO" INITIATIVE for stepping-up to pressing problems -- with certitude and "buy-in".
- A WHEREWITHAL for discerning and focusing on "underlayment(s)", and visions, re grander thinking, and ever-sounder solutions...for the long term.
- EXPERTISE IN MANAGING, STEERING... land-use, engineering, permits/inspections operations; finances, budgeting; police/fire, 1st-Responders; municipal utilities; overall administration, intergovernmental relations; (REVERSING) malaise, (ENSURING) turnarounds; ..."Thought-Leading"

MISC -- Jazz-'n-Blues Aficionado, Audiophile \*\* National Parks Advocate \*\* Follower of Auto Industry

## ==== COMPETENCIES. SKILL-SETS. =====

- \* Leading. Analyzing. Facilitating. "Decoding" - complex issues. Public Transparency.
- \* Breaking down barriers. And embracing and enacting emboldened, fresh, solutions.
- \* B2B Sales. Product Promotion. Relationship-building. Partnering.
- \* Public-private project(s) stewardship. Bridging conflicts. Public Speaking.

Willing to relocate: Anywhere  
Authorized to work in the US for any employer

## Work Experience

---

### **Business Development and Contracts, RFPs / Associate Operations Manager**

Bureau Veritas, North America - Kennesaw, GA

2017 to Present

**\*\* SKILLED, NATURAL COMMUNICATOR. \*\*** Able to explain and sell concepts, services, and speak convincingly with clients -- about cost-benefit importances, bottom-line factors. **\*\***

**RESPONSIBLE** for client development, outreach...ongoing (city-county government) customer care. Delivering auxiliary, contracted...3rd-Party, Engineering, Plans Review, Inspections Services, more.

Duties / Successes, Metrics

- Cold Calling / New Client Contact and Development / Relationship Building.
- Providing iconoclastic thinking and solutions, in helping clients reduce costs, boost efficiencies.
- Handling RFPs, contracts reviews, writing/administration. And Open-Records requests, archiving.
- New client acquisitions up by 7%+ (thru mid 2018). **FIRST, FULLY "organically-grown" RFP AWARD** in GA (thru 2 years)...was accomplished in 2018...via my leadership, efforts.
- PFS requests {Proposal For Services} -- up by 50%, to-date, from early 2018.
- BV brand awareness, familiarity, now more intact - thru 85+ counties in Georgia, since 2017.
- "Footprint" of services also being expanded to..."P3" Projects; Code Enforcement; LIA {Local Issuing Authority} Expertise; and serving needs of construction industry...(i.e., as private provider of certification services). Also involved with field operations support, "liaisoning", collaborating, on BV Industrial HSE Services.

### **Director, OOB - {Office of Building Permits}**

City of Atlanta, GA - Atlanta, GA

2013 to 2016

**\*\* COMMON-SENSE, and LOGIC, and PASSION-DRIVEN -- Business Minded Manager. With belief for STEWARDING "BESTS" in innovation, problem-solving...making REAL differences in PUBLIC SECTOR \*\***

- Budget \$18M+ / Staff 120+ **\*\*** Managed building, zoning, stormwater plans reviews, and ACCELA software updates. Improved work flows, protocols...via conscientious staff reorgs and SOP changes.
- Made steadfast judgment calls to have operations be **MORE** businesslike and proactive...in overcoming abject regulations, red-tape. **"IN-KIND" SAVINGS** of over \$1M **RESULTED** HERE...re a period of 2+ years -- to benefit development community, and local economy/jobs growth...
- (...as Liquidated Damages, other indeterminate/bureaucratic charges, timetables, etc., were **MORE SENSIBLY** and **COMMITTEDLY**...**RATIONALIZED** and **RENDERED**...to **NOT** be an impediment).
- Participated, contributed in, budget discussions, with appointed, elected officials. Regularly steered piercing timetable meetings -- with architects, developers, lawyers, project managers -- to keep processes moving, meet [financing] deadlines, and achieve overall deliverables, goals.
- Guided significant ventures thru launch, to fruition. **GOOGLE FIBER**; **BUCKHEAD ATLANTA** (Mixed-Use, Residential/Retail project); **PORSCHE MOTORCARS REGIONAL HQ**; **PONCE CITY MARKET**.
- Revised department **DASHBOARD** to be more readable, accurate. Righted re-emerging/defunct subdivisions. Guided Fire Marshall position reboot, and creation of related SOPs.

- Responsively fulfilled defacto role of "OMBUDSMAN"...In addressing arrays of issues...throughout most all city departments (...ISSUES that OFTEN NEEDED LEADERSHIP... "well-timed hubris"...and logic-based, assertive, confident decision-making...to resolve...).

## **CITY / UTILITIES MANAGER**

CITY OF PARIS, KY - Paris, KY

2009 to 2011

\*\*\* NO-NONSENSE MANAGER. With a knack for modernizing, streamlining departments and operations. Towards improved fiscal statuses, increased efficiencies, enhanced staff morale... \*\*\*

- Budget \$15+ mil. Staff 110+. \*\* Managed [5] utilities and general fund operations -- to include electric, police, fire & EMS, HR/finances, engineering, intergovernmental relations, econ development.
- Remastered budget, audit processes. GEN. FUND reserves REBUILT by 220% -- within 18 months.
- Upgraded city/county operations. To include jointly owned industrial park; First-Responder/EMS and E-911 Systems; Recreation; and Stormwater Regs. Hired several department heads; more.
- Guided Main Street Programs; FEMA flooding responses/coordinations, and collaborations with Maysville Community College - {extension branch}; preparations for 2010 World Equestrian Games.
- Acknowledged for professional stance on, commitment to...TRANSPARENCY. (With written piece appearing in {ICMA} PUBLIC MANAGEMENT Magazine....2011).

## **CITY MANAGER**

CITY OF FORT MORGAN - Fort Morgan, CO

2007 to 2008

\*\* STEADFAST, REFRESHINGLY FIRM ADVOCATE FOR...TRANSPARENCY. Dedicated to open dialogue, above-board understandings, and reverence...in managing, safeguarding...taxpayer monies... \*\*

- Budget \$50M. Staff 140+. \*\* Responsible for water-natural gas-electric utilities, [reservoir] water rights, police-fire, library, museum, airport, golf course, and several new department head hires.
- Realigned mindset on golf course subsidy. Opened fresh dialogues...with business community, city, and local media -- on economic development, budgeting and finances, planning matters, and more.
- Steered water-rights discussions. Pursued water contracts with reservoir systems. Bolstered FY '08 budget (cut expenses, preserved priorities). Set clearer capital budgets plans, goals.
- Advocated for, upheld, TRANSPARENCY...in governing ops and media relations. Spoke objectively, evenhandedly...about CITY MANAGER GOVT. CHARTER change (voters soundly approved, Nov. 2007).
- Instilled fresh talks with area property owners - in properly expanding city airport, meeting FAA regs.

## **CITY MANAGER**

CITY OF MARINE CITY - Marine City, MI

2002 to 2007

\*\* LEADER, CHANGE-AGENT. Investing in people, training, technology, and quality processes...per short-term and big-picture settings, both... \*\*

- Budget \$11+ mil. Staff 55+. \*\* Managed/involved with... public works, recreation, county-city intergovernmental agreements, labor unions, police/fire depts., international border crossing.
- Clarified TIF district budgeting/bylaws matters; ensured funding, statutory integrity(s) with same. Served on Pension Board - worked with fiscal advisors, actuaries, lawyers...to form/update policy.
- Overcame souring city-wide morale, and vastly improved labor relations. Concluded 3 stalled union contracts [Teamsters; Operating Engineers; Police] in LESS THAN 1 year. Negotiated fringe benefits.

- Elevated parliamentary processes, decorum, at public meetings. Greeted "open-government" with fervor. Encouraged and inspired candor, and more transparent Q/A.
- Developed new templates for "fire protection/first responder" contracts with area townships. Crafted new, "first-of-its-kind", thought-provoking...tax assessing agreement, between city/county.
- Deepened, initiated truer communications with police squads. Reversed chronic, internal, labor-management strife...between PD and city leaders. Employee morale/public image ascended. And Citizen Police Advisory Board became decommissioned - as need for same waned.
- Updated {Land-Use} Master Plan...subdivision, annexation issues, flood plains, etc. Fixed water, wastewater plants. Added automation, software. Active in Chamber, community, misc. charity functions. Involved with Car Ferry/International Border crossing (to Canada), and related operations.

## **VILLAGE ADMINISTRATOR**

VILLAGE OF PIONEER, OH - Pioneer, OH  
1996 to 2002

Budget \$3+ mil. Staff 20+. \*\* Managed water-electric utilities, police/fire, joint-ventures with nearby cities. And community center, HR, cemetery, budgets/finances, more.

- Formulated new [properly "cost-benefited", financed, derived] trash-pick up/enterprise fund.
- Restored EPA compliances at water treatment plant, and new chlorine sampling techniques.
- Oversaw 69K transmission line and 10MG substation construction projects, and development of master power and interconnection agreements.
- Lobbied in DC and Columbus, Ohio -- re public power contracts, de-regulation, wholesale transmission, more. Worked with (flood plain) engineers on new subdivisions, regulations.
- Established first conventional, annual budgeting processes; originated new fiscal controls.
- Offered managerial stability through 2 year period of high turnover(s) in elected offices.

## Executive Summary:

**Registered Nurse**

**Patient Experience Representative**

**Elected Official**

**Professional Artist**

**Community Service**

## Work Experience

- **Emory Healthcare ESP January 2019-current :** Work in Ambulatory Surgery Centers PRN, Primarily in the Pre-operative areas for Dunwoody ASC, and Building B ASC Main Campus. The position requires four shifts per month, averaging three to four shifts per week.
- **St. Elizabeth Hospital Perioperative Patient Experience Representative July 2017-May 2018:** Worked in conjunction with Clinical RN position as a Patient Experience Representative for the Organizations Perioperative Service Line. Sixteen hours a week were designated to the Patient Experience. Position included rounding throughout all of the perioperative sites, coaching staff on Patient Experience initiatives, reporting to the Director of Perioperative Services, and Chairing an Organization wide Perioperative Patient Experience Council. Position also required monitoring of patient survey scores for the Perioperative Service Line.
- **St. Elizabeth Hospital Surgery Center Edgewood 2004-May 2018**  
Registered Nurse working in all phases of outpatient surgery care ( pre-admission testing, Pre-operative, recovery room and post-operative phases of care.) Served on numerous task forces, committees and councils to support the safety and efficiency of the high volume caseloads. Served as Chair for system wide Perioperative Council 2007-2012. As Chair for Perioperative Council served as a Representative to the Integration Council and worked with Senior Leadership to support the designation of becoming a Magnet Hospital. Supported Leadership in the Redesignation Magnet Status in 2014. Member of Patient Experience Committee for Perioperative services 2012-May 2018. Chaired system wide Perioperative Patient Experience Council (Developed in November 2015 as a new Council to support the Patient Experience in Perioperative Services). Created Mission Statement, Goals and Objectives supporting the Mission Statement. Built the Council from frontline staff representing all areas and all sites throughout the Organization. Work closely with the Director of Perioperative Services to monitor patient

experience survey scores while implementing numerous initiatives on Safety, Teamwork, Discharge Instruction and Registration Processes. Position included rounding to all Perioperative sites within the Organization. Nursing role consisted of sixteen hours a week designated to Patient Experience in the Perioperative Service Line and sixteen hours a week as a staff nurse in the Outpatient Surgery Center.

- **Owner and President of Fans Flags and Banners 2008-2010:** Designed cloth flags for companies and events. This was not related to nursing position, but supported interest and demands in artistic career.
- **St. Elizabeth Hospital Same Day Surgery 1998-2004**
- **St. Luke Hospital (Now St. Elizabeth Hospital)**  
Registered Nurse-Endoscopy Coordinator 1996-1998
- **Tri State Gastroenterology Associates**  
Staff Nurse in Ambulatory Endoscopy Center  
Responsible for prepping and recovering patients in high volume outpatient center and responsible for pharmaceutical sample program. 1991-1996
- **Professional Artist**  
Hired out as a Caricature artist for private parties, events and company outings throughout Cincinnati, Northern Kentucky, Central Kentucky and Louisville areas. Worked through multiple talent agencies for booking events. Designed logos, invitations, greeting cards, advertisements and painted multiple murals throughout schools and churches in Northern Kentucky and Cincinnati. Opened small company designing cloth banners 2008-2010.  
Assisted public relations coordinators in parades, special events, benefits and signage. Currently teach painting glass classes, apron, and ornament painting, as well as hire out drawing caricatures for private company events.

Title: Associate Areas of Concentration: Municipal Law, Zoning, and Real Estate.

**Eisenstat, Gabage, & Berman** - Vineland, NJ 1987-1988

Title: Associate Areas of Concentration: Products Liability, Insurance Defense.

## PROFESSIONAL RECOGNITIONS:

### **Published Decisions:**

Cheyenne Corp. v. Township of Byram, 248 N.J. Super 588 (App. Div. 1991). Lead counsel. Favorable outcome.

This opinion reversed prior case law. The court held that taxpayers who choose to utilize different corporate structures to hold separate tracts of land could not then aggregate the income from the separate tracts to qualify for farmland assessment.

Goodyear Tire & Rubber Co. v. Kin Properties, 276 N.J. Super 96 (App. Div. 1994). Co-Counsel. Favorable outcome.

This was a case of first impression on the effect of an early notice of a renewal that was given outside the designated window period to give such notice. The court held that the early renewal was not detrimental to the Landlord and was therefore a valid renewal.

Alpha Bella, Inc. v. Clinton Twp., 14 N.J. Tax 597 (Hamill 1995). Lead counsel. Complicated case on the application of the bankruptcy laws on rollback taxes. The ruling was mixed with portions favorable and portions unfavorable. The court held that without relief from the automatic stay provision, the municipality did not have a valid lien on the land in question. However the court also held that the municipality could request relief from the stay and if the stay was removed Plaintiff's remaining arguments in opposition to the imposition of the rollback tax assessment lacked validity.

Rolling Hills of Hunterdon, LP v. Clinton Twp., 15 N.J. Tax 364 (Hamill 1995) Lead counsel. Favorable outcome. This was a case of first impression. The court held that a portion of the payments by nursing home patients was similar to rent and therefore nursing homes are income-producing properties.

### **Seminars and Presentations:**

- Panelist 1999 New Jersey Institute of Continuing Legal Education ("ICLE"): *Land Use Update*
- Developer and moderator of 1997 ICLE: *How to Practice before a Land Use Board*
- Panelist 1997 ICLE: *Land Use Update*
- Panelist 1997 ICLE: *Basic Skills Before A Land Use Board*
- Panelist 1996 ICLE: *Land Use Update*
- Panelist 1996 ICLE: *Basic Skills Before A Land Use Board*
- Moderator of debates between US Congressional and Senatorial candidates in 1992.
- Developer and Moderator of public debate forum on Auto Insurance Reform in the State of New Jersey.

### **Professional Affiliations, Positions and Community Activities:**

- Georgia Bar Association
- Metropolitan Atlanta Community Singers
- Trustee, Land Use Section, N.J.S.B.A.
- New Jersey Association of Elected Women Officials

**Medical Association of Georgia (MAG)**  
*Legal Counsel and Lobbyist*

**Atlanta, GA**  
May 2014 – July 2016

- Led the Legal Department and consulted most often with the Departments of Government Relations, Health Policy and Third Party Payer Advocacy.
- Drafted legislation, including a multi-subject health insurance reform, and helped lobby and educate consumers, lobbyists, and legislators as a registered Georgia lobbyist.

- Represented MAG with the Georgia Composite Medical Board, Board of Pharmacy, Trauma Commission and Department of Community Health and lobbied and assisted with the promulgation and amendment of various Georgia Rules and Regulations.
- Prepared, reviewed, and worked closely with outside counsel on corporate contracts, memorandums, amicus briefs, letters, and other legal services.
- Refined operational processes, including the MAG House of Delegates process to improve efficiency by coordinating the resolution process and preparations.
- Assisted hospital employed physicians by reviewing medical staff bylaws and suggesting solutions to internal conflicts between the governing body and medical staff.
- Presented by request to Georgia physician associations and groups concerning different state and federal healthcare laws and interprets the law for consumers and physicians.
- Educated groups about healthcare law and legislation, including a Georgia State Law class in the creation of state healthcare legislation.

*Legal Analyst and Lobbyist*

August 2013 – May 2014

- Restructured and enhanced the MAG Legal Resources webpage and created numerous legal resources for members to consult.
- Assisted the Government Relations Department by lobbying and educating legislators on key healthcare concerns in Georgia.
- Created several important resources for members including a retirement guide, insurance law fact sheet, and PPACA timeline.
- Edited the MAG Model Medical Staff Bylaws and reviewed many hospital medical staff bylaws at the request of the medical staff.
- Analyzed recent court case opinions and wrote case summaries and memos.

*Legal Intern*

May 2011 – July 2013

- Composed several legal memorandums and legal guidelines on tort reform, federal health laws, and other health related issues.
- Assisted the government relations department on identifying issues affecting patients and physicians and presented findings to several state legislators.
- Provided legal analysis to key MAG representatives on issues addressing Governor Deal's Health Exchange Advisory Committee.
- Drafted MAG's website Terms of Service and the JMAG Copyright Agreement form.

**Horace Mann Insurance Agency**

*Licensed Insurance Agent*

May 2010

**Athens, GA**

February 2007 –

- Licensed to sell homeowners and auto insurance.
- Researched ways to better help clients and recruit new customers.
- Assisted clients on a daily basis by writing new policies, answering questions, and solving problems.

### Skills

- Recruiting and Talent Management
- Leadership
- Collaborative
- Program Development
- Business Management
- Relationship and Team Building
- Production Improvement
- Policy, Process and Procedure Development

### Experience

#### **Southeast District Director**

Troy University

6/2013 - Current

- Manages and cultivates eight recruiting sites across multi-states improving enrollments by 3 percent in the last 5 plus years
- Develops, implements and manages retention strategies; information sessions and other public affairs events to promote the university
- Establishes relationships with area businesses, companies, local, state and federal agencies, educational institutions and others to promote degree programs, continuing education programs and other related academic opportunities.

#### **Director of Admissions**

Sullivan University

11/2009 - -6/2013

- Responsible for the enrollments at the Fort Knox location, increased the enrollment by 3 to 5 percent.
- In coordination with Vice President for Enrollment Management and Executive Director established professional development goals and initiatives.
- Responsible for five recruiters located in communities outside the state of Kentucky
- Managed lead flow and distribution and monitored student projection, drop rate and retention, recommending strategies accordingly to ensure that enrollment objectives were met.

# PHILIP RAUSCH

## EXPERIENCED TALENT MANAGEMENT LEADER

### **Program Manager**

Softec Solutions Inc.

6/2008 - 11/2009

- Responsible for the Guidance Counselor Program which involves hiring, training providing direction and technical guidance to two-hundred and ninety-eight guidance counselors and staff recruiters for forty-nine of the fifty states.
- Wrote and implemented the contract for over two hundred Guidance Counselors and Staff Recruiters for the United States Army Recruiting Command.
- Administered the conversion from the previous contractor over to our company maintaining a loss rate of less than one percent.
- Developed programs to reduce the error rate of the Guidance Counselors from over 400 down to 79.
- Increased the fill rate from 68% fill rate to 98%.

### **United States Army**

Various Positions

1976 - 2000

I have served in numerous positions within my twenty-four-year career, culminating in the rank of First Sergeant, with my last assignment directing, motivating and training a forty-five person recruiting company, in support of recruiting an all-volunteer Army.

#### Highlights:

- Turned around performance of one of the battalion's poorest performing company in record time by identifying critical action items, implementing corrective personnel actions and providing training.
- Organization was among the top 25% of 41 other recruiting units during FY 2000.
- Improved Market Share from 32% to 48% and becoming the number two company in the Battalion

***IT Director, General Electric, Performance and Innovation Mgt. Office – June 2015 – Sept 2016***

Responsible for delivering Hybrid PeopleSoft ERP/CMMS. Project Manager for OBIEE Dashboard Reporting Solutions. Implemented Global Reporting Solution which resulted in 100% compliance with KPI's and cost out in excess of 200K in first six months with cost savings projected to exceed 500K per year going forward. Managed Oracle PeopleSoft user implementation and training for over 150 users. Responsible for data quality in PeopleSoft, OBIEE, and MS CRM applications for over 450 GE Facilities worldwide.

**ABB Inc.** – Atlanta, Ga

***Consultant/PMO Lead, Business Intelligence – May 2014 – Nov 2014***

Responsible for BI projects, leading BI PMO, Change Acceleration, User Training, and SharePoint implementation in support of Business Intelligence Program. ABB uses multiple ERP's including Oracle and SAP with Business Objects.

**Segrest Inc.** - Atlanta, GA

***IT Director/CIO – Sept 2006 – Dec 2013***

Responsible for the overall management of the IT Organization. Project Manager for ERP Implementation to integrate operations of multiple companies. Developed a consolidated IT infrastructure by converting multiple networks into a single cohesive multistate architecture while migrating to a single ERP (Microsoft Great Plains). Responsible for all system integrations, servers including Exchange and AD, backups, communication systems, and emergency power. Responsible for leading process change through Change Acceleration Processes across the organization. Created multiple customer facing web sites to support sales and led the overall design and development of the corporate intranet. Created web based process to support multi-state sales force supplying over 700 Wal Mart Stores which led to annual savings in excess of one million dollars..

**General Electric** - Atlanta, GA

***IT Manager/Business Analyst/Knowledge Manager – Sept 1999-May 2006***

As IT Manager I was responsible for overseeing 200 plus contract IT Employees including all aspects of off-shore development. As a Business Analyst and Project Manager I supported the design and development of numerous web based applications including GE PowerSmarts a 125 million dollar project used to support the operation and management of gas turbine power plants located throughout the world. As IT Project Manager in support of the implementation of Oracle ERP and for development and design of data warehouse and implementation of Business Intelligence Projects using both Business Objects and Cognos. Using 6Sigma processes I was responsible for supporting the development of numerous projects including converting 6Sigma Training to Computer Based Training.

**Westinghouse Nuclear/Nuclear Support Services**

***Health Physics/Nuclear Plant Operations and Training – May 1999 – Sept 1999***

As a consultant to the Nuclear Industry and Department of Energy I worked at numerous nuclear facilities throughout the US as a Nuclear Plant Operator, Trainer/Instructor, Health Physics Technician, Emergency Planner and Technical Writer. I was a certified Senior Instructor in Training Systems Development and Training Systems Design and an ANSI certified Senior Health Physics Technician.

**United States Navy USS Gato (SSN) 615**

***Nuclear Plant Operator***

Served aboard a nuclear powered submarine as a Nuclear Plant Mechanical Operator and Engineering Laboratory Technician.

# RICHARD MCGOWAN

SNELLVILLE, GA 30078

## EXPERIENCE

09/07/2013– 12/31/2018

### ACCOUNT MANAGER, PROJECT MANAGER, SPECIAL OPERATIONS MANAGER MOOSE EXHIBITS, NORCROSS, GA

All the things that you would expect to be associated with these job titles. Primary source of contact with clients after initial sale. Supervising construction, quotations, designs, purchasing, logistics, installations and dismantles all over US and Canada. Very heavy travel schedule, highly regarded by coworkers and clients.

04/20/2011– 09/06/2013

### FIELD SUPERVISOR, EXPOTECHNIK AMERICA, NORCROSS, GA

I was actually hire to be the “all in one” for AstraZeneca, Account Manager, Project Manager, Field Supervisor AND save the account. I did save the account, along with others, but between the time I was hired and the day that I actually started, the upper management at ET was restructured and my job would have put me in multiple divisions. The exhibit manager for AstraZenca told me that that they were right on the edge of walking away and that I was solely responsible for them staying at ET. The exhibit manager for Tyco Security told me the same thing. This was two of the three top accounts at ET. Very heavy travel schedule all over US and Canada. Supervising installations and dismantles. Client meetings, project management meetings etc. .

03/15/1993-04/20/2011

### RENAISSANCE MANAGEMENT, NORCROSS, GA

Field Supervisor I&D, but much much more. Heavy travel all over US and Canada. Also working at exhibit houses, such as Ideas, Spoon, Elite, Fusion etc.. Lead man for many class A clients, Coca Cola, GE, IBM, GMC, Remington, Sprint, AT&T, Ford. Described as “heavy hitter” and often assigned to the “hard to please” clients.

## SKILLS

- Keeping clients happy and jobs profitable.
- I can build an exhibit from the ground up.
- I have done nearly everything in the trade show and exhibit business and am highly regarded by employers and clients.

# ROBERT HARRIS CHILDERS

Ringgold, Georgia 30736

**SUMMARY OF QUALIFICATIONS:** Thirty-three years of experience in state government and community involvement, including executive level leadership for the Georgia Department of Community Supervision and the Governor's Office of Transition, Support, and Reentry.

## EXPERIENCE

### CorrectTech, Decatur, GA

2018 – Present

#### Consultant

- Partner with a **GovCIO Outlook 2019 Top Ten Corrections IT Solutions Provider** to assess operations and recommend best practices for product enhancement and business development. Design and manage innovative projects to improve intervention and recidivism outcomes for nationwide criminal justice service providers.

### Georgia Department of Community Supervision, Atlanta, GA

#### Deputy Director of Field Services, (Ret.)

2016 – 2019

- Developed department policy and procedure.
- Created and maintained the automated Transition Accountability Plan (TAP3) case plan project developed during the Georgia Prisoner Reentry Initiative (GA-PRI) Criminal Justice Reform movement.
- Led the Interactive Technology Unit for Body Worn Camera distribution and video review, Electronic Monitoring services, Mobile and Emergency Communications, Offender Self-Report Contact Center
- Developed the DCS Personalized Responses for Offender Adjustment and Community Transition (PROACT) policy for effective sanctions, rewards, and incentives to promote behavior change
- Promoted the Reentry Partnership Housing Initiative and Transitional Housing Operations designed to reduce the cost of incarceration and improve offender supervision outcomes.
  - Led program expansion to include Accountability Courts, probationers, and increase capacity for all participants.
  - Initiated and coordinated a ground-breaking inter-departmental effort to provide improve public safety issues associated homeless sex offenders.
- Liaison to:
  - State Board of Pardons and Parole
  - Georgia Commission on Family Violence
  - Georgia Department of Family and Children Services

### Governor's Office of Transition, Support, and Reentry (GOTSR), Atlanta, GA

#### Director of Evidence-based Program Development and Continuous Quality Improvement

2015 - 2016

- Evaluated statewide fidelity to the Georgia Prisoner Reentry Initiative (GA-PRI) Framework.
- Created automated case plan format for prison in-reach.
- Served on the GA-PRI Implementation Steering Team along with leaders from other agencies and departments.
- Assisted with grant writing and submissions.

### State Board of Pardons and Parole, Atlanta, GA

#### Director of Reentry Services

2014 - 2015

- Oversaw temporary housing and recovery residence operations, site visits, audits, and investigations.

- Represented agency on the Governor's GA-PRI Implementation Steering Team. Supervised program specialists for mentoring, mental health, and substance abuse counseling programs. Managed counseling contracts.

**Program Specialist****2013 - 2014**

- Developed, implemented, and monitored parolee reentry programs.

**PROFESSIONAL EXPERIENCE SUMMARY**

Twenty One years' experience at the Ft. Stewart Mission Training Complex as the Technical Branch Manager, Chief Digital/Simulation Chief Tech, Network Engineer/System Administrator, Network/Microcomputer Specialist and Computer Base Instructor. Three years experience as a Battalion Master Gunner for seventy Heavy Armored Vehicles. Over Fifteen years experience of Leading, Mentoring, Training, and Motivating individuals in different work areas. Four years experience as a U.S Army Field Recruiter.

**POSITIONS and ACHIEVEMENTS**

Technical Branch Manager

DEC 2013 – Present

Manage the MIS team of 15 personnel, including supervising employees and Junior Managers. Schedules daily task to employees and prioritizing goals. Technical Planner for all Major exercises to include Unified Endeavors and War Fighter exercises. Experience with Dell Security Servers, DDS Server, various models of PCs and laptops, HP9000, Cisco routers and switches, VOIP phones, TOCNET, ASTI radios and KG 175D and KG 194 encryption devices. Use Red Hat Linux, Enterprise Linux, SUN Solaris, and Server 2010/2013 operating systems. Auditor for switch and router logs and Intrusion Detection System. Install, upgrade and configure operating systems, networks, battle simulation software, and tactical systems. Evaluate new software and hardware for recommendation to Site Manager. Coordinate tasks with other department heads. Maintain UNIX, VMS, and PC networks including running fiber and cat-5/cat-6 cables, assigning IP addresses, and troubleshooting problems with the network. Integrate simulations software into the Army's Tactical Command and Control Systems. Install, support, and troubleshoot WARSIM, JLCCTC 8.1, LVC-IA, VBS3 and C4I software including FBCB2, JCR, JBCP AFATDS, DCGS-A, CPOF, and GCCS-A. Troubleshoot and provide support to end-users. Supervises and audits the Risk Management Framework Team.

**Sr. System Administrator/Chief Digital Tech**  
General Dynamics

JUNE 2006 – DEC 2013

Digital Chief Tech of the 3<sup>rd</sup> Infantry Division Mission Training Complex. Responsible of all technical aspects of all 3<sup>rd</sup> Infantry Division Simulations, Digital and RTOC Training Facility. Manage eight personnel who are responsible of loading software on Simulation workstations and Army Tactical Command and Control Systems (ATCCS)

and PASS server. Installs, maintains, monitors, and coordinates the operation of local and/or wide area networks for the Battle Command Training Center. Responsible for the training of eight technicians so they can proficiently support Battle Command Training Center. Assures that all Battle Staff Integrators have up to date and efficient hardware and software to assure all training requirements are met. Develop policies, plans and procedures for the technical department to assure every technician is compliant with Army Training standards. Attends Initial Planning Conferences at The Joint Forces Command and the National Simulation Center for 3<sup>rd</sup> ID's Maneuver Rehearsal Exercises.

**Network Support Specialist III**  
Anteon

SEP 2000 – JUNE 2006

System Administrator/Network Engineer at the 3<sup>rd</sup> Infantry Division Mission Training Complex for the Joint Conflict and Tactical Simulation, Entity Resolution Federation, Corp Battle Simulation and Brigade/Battalion Battle Simulation. Assist with the System Administration with the Digital Battle Staff Sustainment Trainer. Network Administrator/System Administrator for the Battle Simulation Complex, which consist CATV, CATVI, Fiber optics, Hubs, Switches and Routers. Proficient in the following Operating Systems, Red Hat Linux 7.3 to Enterprise 4.3. MS Windows 98, 2000 and XP.

**Computer Base Instructor**  
Logicon

SEP 1998 – SEP 2000

Computer Base Instructor within the Training Branch of the 3<sup>rd</sup> Infantry Mission Training Complex. Responsible for the day-day; Janus, Brigade/Battalion Simulation, Corp Battle Simulation and exercise support. Serves as a liaison between customer units, DBSC staff, Division, Brigade, and Battalion staffs to ensure that the unit exercise support plans are accomplished. Responsible for the data entry of simulation information, design, and development of training plans, exercise and related activity books, training aids, graphs, briefings and maps. Responsible for the maintenance of the reference libraries, database data, data collection, scenario preparation, role player training and computer input/output.

**Battalion Master Gunner**  
U.S Army

DEC 1996 – JUN 1998

Responsible for coordinating and executing all simulator and simulation training in a Heavy Armor Battalion. Responsible for the planning and executing Live Fire Training Exercises for seventy Heavy Armored Vehicles and their related crews. Assist and advises upper level Supervisors on all training subjects. Responsible for planning and forecasting the organization's ammunition account worth over five million dollars. Non Commissioned Officer in Charge of the Battalion Tactical Operation Center (S-3) during Battalions deployments.

**Company Master Gunner**  
U.S. Army

JUN 1995 – DEC 1996

Managed and conducted the organizations training and expertise on Heavy Armored Military Vehicles valued at one hundred million dollars. Inspected the operational maintenance on all associated equipment. Accountable for supplies and equipment valued at eight million dollars. Responsible for executing all live fire training for the organization. Responsible for the units Unit Conduct of Fire (UCOFT) training and simulation training

## SUMMARY

Dynamic and versatile Civil Engineer, who is committed to delivering high quality work. Great at working with 2D and 3D designs of Civil/Structural elements including foundation slabs, steel members, and wood members. I am motivated to accept design challenges that require unique, out of the box thinking. I utilized my knowledge of engineering principles and mathematics to ensure the best results and exceed client expectations. I work well individually or within a team, with the goal of satisfying the client always at the forefront.

## EDUCATION

Kennesaw State University

*M.S. Civil Engineering-Structural, 2014-2017*

Savannah State University, Cum Laude

*B.S. Civil Engineering Technology, 2006-2012*

## CERTIFICATIONS

- Envision Sustainability Professional Specialist, 2014
- GA Engineer in Training, License #027492, 2017 – Present

## QUALIFICATIONS

- Engineering Design
- Data Interpretation and evaluation
- Complex Problem Solving
- Proficient in Microsoft Suite
- Proficient in Revu Bluebeam
- Excellent oral & writing skills
- Detail Oriented
- Knowledgeable with 3D Modeling/BIM software
  - RISA 3D & RISA Foundation
  - AutoCAD, AutoCAD Civil 3D
  - PLS CADD
  - RAM Structural
  - Autodesk REVIT
  - Sketch-Up

## EXPERIENCE

Burns & McDonnell

Alpharetta, Ga

*Staff Civil Engineer, January 2019 - Present*

*Assistant Civil Engineer, June 2017 – December 2018*

*Assistant Civil Specialist, June 2013 – May 2017*

- Collaborate with Senior Engineers on projects for Transmission Line Design as Civil Specialist/Engineer.
- Completed client objectives in compliance with NERC regulations (OG&E, Duke Energy, Westar Energy, Inc., SCS)
- Adopted client's design criteria to ensure 100% project success on various transmission line designs.
- Initiated quality assurance/quality control checks for all projects.
- Created concrete foundations and steel member designs utilizing RISA3D, MathCad, Hilti softwares for various GPC & APC Solar substation projects
- Modeled the piping support and foundation design for Lockheed Martin B7 Project (RAM Structural)

Sandy Springs, GA 30328

Woodline Solutions

Atlanta, Ga

*Engineering Intern*, May 2011- September 2011

- Review of Civil and Architectural design plans
- Organization and recording of construction documents for multiple projects
- Lead the acquisition of the company's relicensing under the State of Georgia
- Lead the acquisition of obtaining the proper documentation for acquiring new Business Licenses for various cities and counties in the State of Georgia

Malcolm Pirnie (now ARCADIS)

Birmingham, Al

*T2- Wastewater Management Division Intern*, June 2009-August 2009

- Handled Data acquisition and input of samples from laboratory testing
- Collected field logs and reports of wastewater illicit discharges; Reconnaissance and illicit discharge reports
- Lead wastewater presentation to youth groups
- "Best Intern I have had by far" Supervisor, Brian Ruggs
- Single-handedly reviewed Huntsville, AL Water Management Plan and identified errors in the report.
- Single-handedly responded to a distress call about illicit discharge and possible runoff after all Senior Engineers had left with only 1 month of training.

Georgia Department of Transportation

Atlanta, Ga

*ITS Intern*, May 2008-August 2008

- Data acquisition and input
- Field Reporting, GPS gathering, and Fiber tracing for Atlanta's new on/off ramp traffic light project
- Assisted Engineers II & III with duties

## Summary of qualifications

Have 21 years of experience in heavy mechanical industrial construction with almost 6 years as a SCS Coordinator and 15 years in the piping and metal fabrication trade. Have worked safely and enthusiastically in the food, pharmaceutical, gas energy, and electric generation industries. I have steadily progressed from a helper to a manager during those 21 years and have worked at several plant sites around the United States. I am a dependable self-starter, highly motivated, proactive solution provider and confident in my abilities to perform any task assigned.

## Professional experience

5/18 – Present Transglobal Energy/Southern Co. Plant Bowen, GA

### Mechanical Coordinator

- Oversee contractors for safety, quality, and production on the Bottom Ash, Surge Tanks, RSCC, and Water Management projects.
- Recognized by the safety department for proper use of stop work authority.
- Mitigate problems for the contractor to enable them to continue with the project and lessen the impact on the schedule.
- Work with vendors and suppliers to resolve issues with material and equipment.
- Inspect equipment at delivery and note deficiencies using the NCR process.

6/13 – 5/18 Transglobal Energy/Southern Co. Kemper County, MS

### Mechanical and Logistics Lead Coordinator

- Created and managed an inventory on valves, pipe fittings, pipe, and fasteners in total value of 34 million dollars.
- Managed 2 coordinators over receiving, storage and distribution of over 100 million dollars' worth of equipment and parts for the project.
- Used critical thinking with common sense approaches to solve complicated logistical problems for a 7-billion-dollar project.
- Managed 32 union and non-union craft personnel that included the rigging group, warehouse expediting group, and receiving group.
- Interfaced daily with vendors and contractors to ensure they followed through with contractual obligations.
- Effectively communicated future tasks and support needs for projects to management and contractors.

4/12 – 6/13

BKI

Atlanta, GA

**Pipe Fitter Lead and Welder**

- A working knowledge of welding procedures and codes.
- Coordinated with other crafts to ensure timely and safe installation of piping without hampering other crafts job and expediting our own completion of tasks.
- Track and manage daily and weekly progress for my crew and ensured JSAs were completed every morning prior to work starting.

11/12 – 3/12

RDH Inc.

Atlanta, GA

**Stainless Steel Welder**

- Demolished old water main under Turner Field Stadium and replaced with stainless steel pipe.
- Helped demolish and rebuild three mechanical rooms in Turner Field Stadium.

10/12 – 11/12

Henry F. Teichmann, Inc.

Atlanta, GA

**Pipe Fitter Foreman**

- Successfully managed a crew of pipe fitters installing air headers for furnaces at Owens Corning bottle making plant
- Ensure proper paperwork is submitted to order parts and material for each task assigned.
- Track and manage daily and weekly progress for my crew.

6/12 – 9/12

BMW Constructors & URS INC.

Whiting, IN

**Pipe Fitter**

- Installed pipe spools as directed by supervision following the BP safety protocols.
- Ensured that proper rigging techniques were applied and followed for simple as well as critical crane lifts.
- Corrected Foreman tactfully to ensure he did not make a fatal decision.
- Took and passed the OSHA 510 Certification program.

8/11 – 3/12

McAbee

Smyrna, GA

**Pipe Fitter Foreman / Temp General Foreman**

- Successfully manage a crew of pipe fitters installing feed water, closed loop, and condensate lines on Unit 6 of Jack McDonough project.
- Track and manage daily and weekly progress for my crew and others when tasked as GF.

3/11 – 7/11

Fluor

Smyrna, GA

**Foreman**

- Managed a crew of pipe fitters and welders installing piping on the Unit 5 Jack McDonough power plant project.
- I have handled disciplinary issues with the men without the need to involve higher management or to terminate the subjects.
- Successfully completed the Fluor VT level II welding inspection program and earned the VT level II welding inspection certs.

10/08 – 1/11

Action Electric

Smyrna, GA

**Labor Superintendent**

- Successfully managed 30 men to ensure timely completion of the three million dollar KIA paint shop pipe fabrication project.
- Took over the New York Life Generator project and turned it around to make a substantial profit for the company.
- Directed 25 men on several different projects at one time to ensure each project was sufficiently manned in order to exceed the customer's expectations on quality, timely completion of those jobs, and to ensure maximum profit for the company with no lost time accidents or minor injuries.

8/08 – 10/08

Summit Electrical Construction Cartersville, GA

**Journeyman**

- Built and installed pipe supports and hangers according to the prints provided for the Plant Bowen Scrubber Project.
- Visually inspected welds before calling QA/QC to buy off the welds.
- Fabricated and installed H.D.P.E. pipe according to the prints provided.

4/07 – 8/08

1Service Company, LLC.

Marietta, GA

**Owner**

- Contracted with RADO Mechanical Group to manage construction and mechanical work on various job sites to ensure timely completion of projects and ensured projects were to the customer's satisfaction.
- Designed and implemented an advertising program for RADO Mechanical Group which included web advertising, brochures, inside sales, and outside sales plans.
- Started up a business from the ground up and grossed 25,000.00 in profits the first 6 months.

1/07 – 5/07

Georgia State Senate Atlanta, GA

**Education Committee Aide for Senator Dan Weber**

- Research various topics relating to pending legislation before the committee such as implementation of charter schools and ramifications of vouchers.

- Ensure that committee meetings are run efficiently and professionally. Compose extensive power point presentations and memorandums regarding implication of pending legislation
- Tracked current bills through the legislative process. Extensive research on impact of pending bills before Senate Education Committee

04/06 – 01/07            Casey Cagle for Lt. Gov. Campaign            Atlanta, GA

**Field Director**

- Managed the state wide campaign sign effort efficiently and cost effectively. Helped raise over three million dollars for Lt. Governor Cagle's campaign.
- Coordinated with appropriate personnel to set up state wide campaign events at political venues. Organized and implemented fundraising and campaign events.
- Ensured and managed volunteer turn out at various political events. Organized and managed over twenty-five people per campaign event

04/05 – 04/06            Georgia State University            Atlanta, GA

**Student Government Association President**

- Managed 7 Vice Presidents and their committees.
- Reformed operating cost of the SGA from \$120,000.00 to \$80,000.00 without cutting services to the student body.
- Represented the student body on various policy making and budgeting committees of Georgia State University.
- Implemented feasibility studies on possible football team for Georgia State University.

09/98 – 12/05            D.M.S. Inc.            Stockbridge, GA

**Welder / Pipe fitter / Lead**

- Fabricated and installed piping in various food and dairy plants.
- Coordinated with plant maintenance personnel to repair and replace piping as needed.
- Ensured quality of work by inspecting fit-up's and welds prior to turn over to customer QC while maintaining the jobs on schedule, often completing jobs sooner than projected.

2001 - 2006            Georgia State University            Atlanta, GA

**Political Science / Pre-Law**

- Made the Dean's List several times.
- Student Body President of 30,000 students.

- Chair of College Republicans of Georgia State University.
- Executive Director of Georgia Association of College Republicans.

**Hobbies**

Reading, History, Jeeps, Computers, and training my Labradors.

**Military**

1993 – 1997                      United States Marine Corp.      2<sup>nd</sup> L.A.R. Battalion

**Company Communication Technician**

Technician for C Company that ensured effective communication ability for a company of 24 armored vehicles with numerous other communication assets.

**Awards received**

- Good Conduct Medal
- National Defense Medal
- Meritorious Mast for Job Well Done
- Honorable Discharge
- Georgia State Senate Resolution for a job well done

**Security clearance**

Secret Clearance

**Certifications**

## TITLE

---

First Vice President, Employee Benefits – Atlanta Health and Welfare, Alliant Benefit Services; Feb 2019 - current

## RESPONSIBILITIES AND DUTIES

---

Roles included responsibility for the Atlanta Branch office of seven professionals, encompassing all new and existing client sales and retention and mergers and acquisitions. Duties include developing and managing employee benefit programs for mid-market Employers ranging from 100 to over 5000 lives. Concentration in health and welfare plan design, creative financing, technical financial evaluation and forecasting, health care strategy, vendor management, wellness initiatives and cost saving strategies. Current equivalent premium base exceeds \$200 Million. Responsible for executive management of employee benefit service teams assigned to manage and service clientele, P&L, Budget/Forecasting and sales pipeline. Additional duties include office staffing, mentoring of new sales and service staff and as an additional resource for sales strategy, prospecting, presentations and after-action reviews. Consistently maintains exceptional office EBITDA and production results.

Liaison for cross-sell activity and accountability with non-health and welfare business segments, to include whitespace activity.

## EXPERIENCE

---

### HEALTH AND WELFARE CARRIER AND BROKER/CONSULTING

---

Thirty-three years of industry experience, including commercial carrier and broker/consulting exposure. Multi-disciplinarian within the health and welfare market, with an emphasis on underwriting, technical data analysis, plan design and product forecasting and pricing. Expertise in conventional and alternate funded financial methodologies, client strategy, and wellness plan design, ACA compliance and vendor relationship lead. Lead Producer.

#### **Alliant Insurance Services, Southeast Division**

#### **Gallagher Benefit Services, Inc., a division of Arthur J. Gallagher & Co. (NYSE: AJG)**

2005 to 2019

Scott joined *Gallagher Benefit Services* in 2005 in the employee benefits sector and has extensive health and welfare sales, consulting and technical evaluation and management experience with business ranging in scope from small local organizations with less than a hundred lives to Fortune 500 national clients. Proficient in all aspects of health care financing and underwriting, Scott has continually met the highest standards in production and service and has been a recognized leader in every position in which he has served. Scott's work experience began with Prudential Health Care in North Carolina, Pennsylvania and Illinois then progressed to Blue Cross and Blue Shield of Georgia where he sold and managed a large block of business. Scott transitioned to the brokerage and consulting field in 2002 and joined Willis of Georgia, where he practiced

until his talents were acquired by Gallagher Benefit Services. Scott served as the cross-sell liaison within the Atlanta market. Scott has consistently ranked in the upper 10% of all company producers in the eastern region of the country.

Scott served on the Cigna Regional Consumer Advisory Council, The Anthem Broker Advisory Council and the National Employee Benefits Forum.

Scott holds advanced healthcare designations of Chartered Life Underwriter and Chartered Financial Consultant and is licensed in Georgia as both a health care counselor and health care agent (fee or commission based).

## **WILLIS**

2002 TO 2005  
Vice President

Developed and managed area employee benefit business for employers with 300 to 5,000 lives representing 75,000 employee lives and over \$150 million in equivalent premium. Scott worked as a partner of the Atlanta Producer's Team in establishing the Atlanta office as the leading new producing employee benefits practice in the nation. Served as a leading member of the Willis Producer Advisory Council with responsibility for representing producer and account management business needs and challenges to the President and CEO. Expertise in M&A health and welfare due diligence.

## **Blue Cross Blue Shield of Georgia**

1993 – 2001

Senior Account Sales Manger for the Blues of Georgia. Scott was responsible for Broker and Consultant development, product dissemination, sales and account management for the largest book of commercial and public business with the firm. Performance consistently ranked superior for account retention, profitability and service. Scott managed an active clientele with over \$100 M in equivalent premium across all lines of products including medical, life, disability, vision and dental. Case mix varied from small domestic insured business, to larger city and county entities to Fortune 100 national accounts. Scott also worked closely with senior management on a transition program for business spanning two separate corporate mergers/acquisitions. Scott project led the pilot BlueCard national PPO program with BCBSGA via the first large client to utilize the platform. Involvement in the BlueCard project led to recognition by the BlueCross and BlueShield Association as the Distinguished Sales Leader of the Year in 1996.

## **Prudential Healthcare, Inc.**

1985 – 1993

Various Sales and Account Management positions in Charlotte, NC and Chicago IL. Responsible for the introduction and implementation of managed care and indemnity products for the middle market. Case mix focused on commercial business, both insured and alternate funded. All ancillary lines.

## **EDUCATION**

---

### **UNITED STATES MILITARY ACADEMY AT WEST POINT (USMA)**

## PROFESSIONAL SUMMARY

Analytical project coordinator with 10+ years of successful change management, business analysis, and deployment experience in varying professional settings. Recognized as an experienced leader with strengths in developing and implementing training material, Standard Operating Procedure (SOP) development, and regulatory compliance. Consistently coordinates complex projects with competing interests and deadlines on time and under budget.

## PROFESSIONAL EXPERIENCE

### **Georgia Film Office**

**Sept. 2015 –Present**

#### *Administrative Coordinator*

- Serve as the main point of contact to fulfill all orders, requests, and regulatory compliance documentation necessary for major film companies to film in the state of Georgia.
- Grow, maintain, and approve entries into the Film Directory for the State of Georgia.
- Expanded Georgia's film industry by developing and facilitating training on the Film Production Tax Credit, specific to companies whose Georgia production expenses comprise at least 60% of the Film's total production expenses.
- Implemented marketing strategies which resulted in 30% growth of donor base.
- Responsible for planning, executing, and finalizing department events and programs throughout the year including annual Georgia Night in LA event.
- Develop and track budgets by analyzing and evaluating event related expenses and revenue.
- Produce and distribute marketing content for campaigns and events through a series of print and electronic vehicles.
- Oversee responsibilities of association administrator such as financial transactions and event registration.
- Collaborate with internal and external stakeholders to develop job descriptions and post vacancies to fulfill production staff needs.

### **Georgia Department of Economic Development**

**July 2014 – Sept. 2015**

#### *Department Receptionist*

- Responsible for overseeing the day-to-day office operations including responding promptly to phone and email inquiries, corresponding with vendors, and managing incoming and outgoing mail/packages.
- Managed all scheduling, including authority to adjust schedules using discernment.
- Coordinated, planned, and implemented team building activities for increased employee engagement.
- Prepared memos, minutes, and reports for executive review.
- Drove 99% compliance by developing and maintaining internal data management system.
- Responsible for executive level preparation for virtual, telephone, and in person meetings including creating portfolios of relevant expense reports, previous correspondence, and memos of prior meetings.

### **Planned Parenthood**

**May 2007 – Feb. 2008**

#### *Administrative Assistant*

- Assisted with implementing assigned planning initiatives, including market analysis, budget, cost/benefit analyses, and reviews of facility relocations, new sites, closings of sites, and addition of new services and programs.

- Evaluated, compiled, analyzed and disseminated required information on assigned tasks/subjects, including information from consultants, staff, internal documents and external studies as assigned.
- Maintained electronic calendar, including scheduling and rescheduling events, conferences, travel and meetings for executive leadership.
- Collaborated with external and internal partners with the development and execution of sexual health programs and policies for youth, adults, seniors, and the LGBTQ populations.
- Respectfully and efficiently registered, received, and met the immediate concerns of up to 50 patients daily.

## **EDUCATION**

**Georgia Southern University Armstrong Campus** | Savannah, Georgia

*Bachelor of Science in Health Science*

Concentration: *Public Health*

## **SKILLS AND PROFICIENCIES**

- Full Life Cycle Project Management
- Customer Relationship Management
- Budgeting & Cost Control
- Vendor Management
- Contract Negotiations
- Financial Records and Processing
- Procurement Methodologies Process Development
- Relationship Building and Cultivation
- Consulting

### Professional Profile

I am an accomplished administrative professional with over 14 years of experience in healthcare. My experience ranges from entry level roles to middle level leadership. I have ability to handle multiple projects and skills to solve complex problems with good analytical knowledge which can be useful for my job performance. I also hold a strong background in federal and local healthcare laws and research, including but not limited to HIPAA and EMTALA, as well as programs under the U.S. Department of Health and Human Services. I am seeking a position in Healthcare that will afford me the opportunity to further promote my education and experience in healthcare leadership, risk management, licensure, ethics, accreditation, and compliance.

### Experience and Accomplishments

*January 2019 – Present* **WELLSTAR HEALTH SYSTEM**  
PAS Financial Counselor • Wellstar Kennestone Hospital  
(Position became in-house from Conifer Health Solutions)

- Minimizes financial risks to patients by offering comprehensive financial support, including billing, claim filing, and financial advising.
- Identifies any applicable payment options or resources for which the patient may qualify and require referrals to local and federal agencies.

*October 2014 – December 2018* **CONIFER HEALTH SOLUTIONS**

*October 2018- Present*  
Financial Counselor • Wellstar Kennestone Hospital  
(Position transferred to Wellstar Health System)

*June 2017- October 2018*  
Patient Access Representative • Wellstar Atlanta Medical Center South

- Consistently achieved production and collection monthly quota set forth by department.
- Appointed EPIC *Cyberstar* to assist with the training of new and current employees on registration process during and after EPIC implementation.

*August 2015- June 2017*  
Patient Access Supervisor • Wellstar Atlanta Medical Center

- Reduced overtime and employee turnover rate by creating scheduling adjustments for the hospital's Patient Access Emergency, Bed Control, and Labor & Delivery Departments.
- Developed and implemented a trauma process to mitigate risks to facility resulting from improper patient care.
- Seamlessly completed inpatient transfers in hospital ADT system without patient care disruption during hospital transition from Tenet to Wellstar Health System.
- Enforced departmental policies, practices, procedures, and additional work rules in accordance with approved department and hospital policies.
- Assisted in the development and implementation of new policies according to hospital and corporate guidelines.

*October 2014- August 2015*

Patient Access Lead • Wellstar Atlanta Medical Center

- Served as patient advocate to help resolve patient issues pertaining to benefits, patient care concerns, medical professional staff, and patient rights. Managed escalated issues as needed.
- Provided daily support, mentoring, coaching, and training to new and existing Patient Access staff.

*December 2013 – July 2014*

*POM RECOVERY/ WMC*

Patient Access Specialist

- Collaborated with clinical staff to process seamless patient registration activities in a Level 1 fast-paced and high-acuity Pediatric and Adult Trauma Emergency Department.
- Recognized for consistently achieving 99% accuracy rates or higher in the organization's ADT system.
- Proven contribution to department's customer service scores based on patient surveys.

*October 2007 – August 2013*

*WESTCHESTER MEDICAL CENTER*

Departmental Registrar

- Served as the administrative liaison to the hospital's Admissions Department which required maintenance of interrelationships with patients, families, administration, business office, clinical, ancillary, volunteers, and other hospital employees.
- Helped improved department goals including patient satisfaction scores by implementing employee training logs, daily scheduling, and record keeping maintenance.
- Helped personalize the department's customer service experience to meet the individual needs of all customers, including patients, relatives, friends, employees, and all department visitors.

- GACE Special Education Reading ELA and Social Studies (087)

## EXPERIENCE

### 6<sup>th</sup> Grade Special Education English Language Arts Resource & Co-Teacher\* Clements Middle School Covington Ga\*July 2018-Present

Provide direct support to students in a classroom by delivering instruction and ensuring learning through a variety of co-teaching models and strategies.

Develop Individualized Student Programs (IEP) for students; maintain compliance with all Federal Regulations and State Policies regarding the education of students with disabilities.

Ensure appropriate accommodations to the curriculum, lessons and learning environment. Instruction may be provided within the regular classroom setting, resource setting, and/or small classroom setting. Formally and informally assess the student learning (rather than relying solely on standardized curriculum) to create a comprehensive learning program.

Work collaboratively with Lead Co-Teacher, teaching and grade-level teams and other staff, especially instructional support team, to plan, share student work and ensure that instruction is aligned with identified curriculum and standards.

# SIMONIA RIDLEY BLASSINGAME

Forsyth, Georgia

<https://www.linkedin.com/in/simonia-blassingame/>

Active Top Secret/SCI Security Clearance

---

## PROFESSIONAL SUMMARY

---

Military veteran with varied COO-level leadership experience in the United States Navy. Accomplished strong results while leading diverse teams in dynamic, fast-paced environments. A comprehensive background in a variety of human resources disciplines that include: training, talent management, staffing, change management, operations management, and process improvement. Additional competencies include: strategic planning, budgetary oversight, program management, collaboration, and stakeholder relationships.

---

## WORK HISTORY

---

### **Naval Postgraduate School/ Monterey, CA**

*Contracted Facilitator, Strategic Planning for Execution: Assessment and Risk*

*2018 - Present*

Uses expertise, knowledge of best-practices and proven practical experience to support Navy Commanders and their executive teams to develop mission-critical strategic plans designed to maximize Navy resources. Serves as a sounding board and HR advisor to Flag Officers transitioning to new CEO-level positions.

### **US Southern Command/ Doral, FL**

*Director, Intelligence Resources*

*July 2015 - Sept 2017*

Established customer driven goals for Human Resources, Financial Management, Property/Safety, and Training Departments within the Joint Intelligence Division. Created a Literary Lounge to increase professional development and career opportunities during a period of reduced funding.

- Oversaw the implementation of a new Defense Intelligence Agency Talent Management System; executed changes in staffing, placement, and performance management for over 400 military and civilian employees.
- Ensured all employment related actions were in compliance with federal law and consistent with agency policies and procedures. Transformed the Human Resources Career Management Board by standardizing the procedures - effectively diffusing long-standing disagreements between stakeholders on limited personnel placements.
- Advocated and championed an effort to develop a dynamic five-year multi-service Intelligence strategy and served as an agent for change management. Implemented a mentoring program to encourage more female leaders in the intelligence community and certified six new Change Management Registered Practitioners.
- Appointed by the Chief of Staff to lead focus group discussions on workplace sexual harassment and discrimination concerns. Also served as Co-Lead of the SOUTHCOM Women's Panel to demonstrate women in command leadership positions and answer questions on professional development
- Managed budget execution of \$40M+ and developed a program portfolio that used contracted vendor support to minimize intelligence gaps and strategic surprise.

### **Graduate School of Business and Public Policy/Monterey, CA**

*Military Associate Dean/Faculty/Lecturer*

*Dec 2012 – June 2015*

Redesigned human resources (HR) curricula with current HR practices, policies and procedures that identified vital concerns for senior decision-makers in recruiting, training, and retention. Facilitated student meetings and faculty brownbag sessions to increase the flow of information between students and faculty on academic policies and mission procedures. Courses Taught: HR Public Policy, HR Management, Business Modeling, Supply Chain Management

- Revamped the Navy Postgraduate School Research Studies program that led to the development of 88 inputs designed to meet Fleet customer objectives across multiple HR, training, and education areas.
- Introduced role-playing, simulations, human centered design, and peer reviews into multiple graduate level courses. Changes incorporated various types of teaching/learning approaches to problem-solving; further highlighted the interdependencies within government organizational operations.

# SIMONIA RIDLEY BLASSINGAME

Forsyth, Georgia

<https://www.linkedin.com/in/simonia-blassingame/>

**Active Top Secret/SCI Security Clearance**

## **Bureau of Naval Personnel/** Millington, TN

*Deputy Director, Production Management Office (PMO)*

*Nov 2010 – Dec 2012*

Restructured PMO to reinforce its new mission of minimizing costs and increase efficiencies within the Navy Enlisted Accession Supply Chain (NEASC). Spearheaded a comprehensive Change Management strategy that included both Learning and Strategic Communications campaigns to build the skills and competencies of all persons assigned to six separate supply chain organizations. Clarified priorities and provided systems explanations and integrated solutions to senior decision makers.

- Led a team of 37 professionals to develop significant system performance metrics and gain agreement with critical external stakeholders. Used a \$2.8M budget to fix critical readiness issues across the entire Navy.
- Introduced an annual Scenario Based Exercise to quickly assess current team performance goals and assess the current learning campaign objectives.

## **Center for Personal and Professional Development/** Pensacola, FL

*Site Director, Voluntary Education*

*Feb 2008 – Nov 2010*

Conceptualized, developed, and implemented major IT initiatives to support the strategic and tactical objectives of Voluntary Education (VOLED). Improved processes for the purchasing of resources for global operations and impacting 60,000 Sailors. Produced remarkable results in minimal time by encouraging successes amongst tenured staff members. Through direct mentoring and coaching, coupled with training and encouragement, all 16 team members took on larger roles and met higher expectations.

- Effectively managed the \$120M for VOLED education programs and established an Analysis Branch and identified performance metrics for 54+ Navy College Offices.
- Synthesized requirement requests and directed IT programmers for five new IT products from concept to fully operational capabilities. Leadership with complex projects led to better customer experiences faster data retrieval, and improved reporting capabilities for Sailors, education counselors, and executive managers.
- Demonstrated exceptional social skills and transformed the culture of the department. Within three months of reporting on board, implemented reorganizations between seven branches with successfully resolved conflicts with the bargaining unit which existed for almost a year.

## **Human Performance Center/** Dam Neck, VA

*Deputy Director, Career Management Office*

*Feb 2006 – Feb 2008*

Managed organizational and career development resources for 120 personnel throughout 20 dispersed locations. High level of expertise in HR competencies and operations research methods ensured that key organizational goals were effectively measured for Executive Management, Department Heads and Field Analysts.

- Expertly facilitated the Joint Task Analysis workshop to identify over 20 individual tasks and associated KSAs for 100 employees across seven departments for a new performance management system.
- Created a comprehensive data management system to review and analyze over 75,000 data elements for all civilian performance appraisals and delivered final performance plan scores ahead of schedule.
- Facilitated ASTD Human Performance Improvement courses for HPT certification.

## **Other Assignments United States Navy/USN Enterprise (CVN-65), Chief of Naval Operations, Commander, Pacific**

*Fleet, NSA Souda Bay Crete, Greece, Carrier Airborne Early Warning Squadron (VAW-120)*

*May 1992 – Feb 2006*

---

## Project Manager ♦ Consultant ♦ Retired Military Officer

Dynamic, transformational leader with demonstrated expertise in building and leading high-performing teams. Experience with government programs and projects. Strong analytical thinker with proven ability to deliver results that provide maximum benefit to the organization. Knowledge of the political process, student of the U.S. Constitution and its foundations.

---

## PROFESSIONAL EXPERIENCE

### Consultant / Project Manager

Project leader, many in the field of information technology, across a variety of industries. Below is a small sample.

Government programs:

- Managed all aspects of an IT project for the Department of Homeland Security to produce a data communication standard for airport scanning machines. Managed a matrix working group comprised of NEMA staff, member company representatives, and U.S. government contractors.
- Managed two initiatives to develop and promote strategic energy efficiency goals of NEMA member companies. Conducted meetings with Congressional staff members to achieve a combination of policy implementation and promotion of industry codes and standards.

Manufacturing:

- Team Leader of a Continuous Improvement Team to improve forklift factory production by addressing assembly line issues. ERP system and business process improvements allowed the completion of approximately \$15 million dollars' worth of unfinished inventory in eight months.
- Developed and implemented a streamlined continuous improvement methodology for Rapid Improvement Projects using a combination of original and best-in-class tools and methods. Conducted training and mentored trainees on their own projects, resulting in numerous cross-departmental benefits and realized savings.

Healthcare:

- Consultant and project manager to a Fortune 100 healthcare products company at their worldwide IT headquarters. Managed the consolidation of IT service offerings from multiple IT organizations into a single service organization, resulting in a cost savings of approximately \$50,000/month.
- Consultant to a major Health Services company. Managed two concurrent process improvement projects, selected project teams, refined project scopes, managed project resources, identified and eliminated unnecessary process steps reducing process cycle time for both initiatives by approximately 66%.

### Military

- 21-year career on Active Duty (10 years) and in the Reserve (11 years), retired as a Navy Commander with an Honorable discharge.
- Veteran of Operation Desert Shield/Desert Storm with 21 combat missions, Operation Desert Strike, and Operation Iraqi Freedom.

## EDUCATION and CERTIFICATIONS:

- Bachelor of Arts, Indiana University
- Flight Training, U.S. Navy
- Certified as a Continuous Improvement Expert at Nissan/UniCarriers Americas Forklift
- ITIL v3 Foundation ██████████
- Cisco Certified Network Associate ██████████
- IT Operations Management, Level(3) Networks

Stuart Frohlinger

Athens, GA 30605

#### LIFE MISSION STATEMENT

As lifetime Republican, I strive to be the best person possible and help others achieve the same for themselves. This core value makes me uniquely qualified to serve the residents of the great state of Georgia.

I have lived in Athens, Ga for almost 3 years. I recognize many of our strengths as well as the many challenges we face. My family and friends believe that my view of today's struggles and solutions are both viable and reasonable.

#### LIFE EXPERIENCES

- I've been married to same beautiful woman for 41 years - STABILITY
- Together with my wife, we raised 2 wonderful kids who never had a drug problem, were never arrested and never hurt anyone. Both are successful business people.

#### LIFE ACHIEVEMENTS

- President and Treasurer of co-op building in New York City
- Three time recipient of Small Business Administration Gold Medal
- Understanding the value of difference:

My wife is a Democrat and Irish Catholic. I am a Republican and Jewish

#### LIFE EDUCATION AND CAREER

- MBA – Accounting
- Citibank Senior Executive with specialties in Leadership and Finance

Aug 2010- Oct 2012	<p>Assistant Director, Advanced Practice Nursing: Monroe Carell Jr. Children's Hospital at Vanderbilt, Nashville TN</p> <p>Adjunct Faculty: Vanderbilt School of Nursing</p>
Dec 2005 – Aug 2010	APN Clinical Specialist, Neonatal Services: Texas Health Presbyterian Hospital of Plano, Plano TX
Aug 1999- Aug 2010	<p>Neonatal Nurse Practitioner- PRN (1/06-8/10)</p> <p>APN Coordinator (11/02-12/05)</p> <p>Central Regional NNP Leader (10/01-11/02)</p> <p>Neonatal Nurse Practitioner Coordinator (8/99-10/01)</p> <p>Pediatrix Medical Group of Texas, North Dallas Practice, Dallas TX</p>

## PROFESSIONAL AFFILIATIONS

1989 – Present	National Association of Neonatal Nurses (NANN)- member
2007 – Present	National Association of Neonatal Nurse Practitioners (NANNP)- member
2011 – Present	American Association of Nurse Practitioners (AANP)- member
2011 – Present	American Nurses Association (ANA)- member
2014 – Present	Fellows of American Association of Nurse Practitioners (FAANP)
2014 - Present	Georgia Nurses Association (GNA)

## POLITICAL AFFILIATIONS

2000's	<p>Collin County Republican Party- member</p> <p>Precinct Poll Worker</p>
2016 – Present	<p>Fulton County Republican Party: Circle R member</p> <p>Precinct Secretary (2019—Present)</p>
April 2017-Su 2018	Nurses for Cagle Coalition co-chair

SUZANNE L. STAEBLER, DNP, APRN, NNP-BC, FAANP, FAAN  
Professor, Clinical Track  
Nell Hodgson Woodruff School of Nursing  
Emory University

---

**EDUCATION**

<u>Dates</u>	<u>Institution and Location</u>	<u>Degree</u>
2010	Texas Christian University, Fort Worth, Texas	DNP
1991	The University of Texas Health Science Center, San Antonio, Texas	MSN
1988	Baylor University, Waco, Texas	BSN

**LICENSES AND CERTIFICATIONS**

<u>Dates</u>	<u>Type</u>	<u>License Number</u>
2014 - Present	Registered Nurse, Georgia APRN with prescriptive authority	RN237262
1992 - Present	NCC (National Certification Corporation for Obstetric, Gynecologic and Neonatal Nursing Specialties) Neonatal Nurse Practitioner	
1992 - Present	Neonatal Resuscitation Program: American Heart Association and The American Academy of Pediatrics, Regional Trainer	
2008 - Present	STABLE Program Post-resuscitation / Pre-transport Stabilization Care of Sick Infants, Lead Instructor	

**HONORS AND AWARDS**

<u>Year</u>	<u>Name of Award</u>
2018	Distinguished Alumni, Baylor University Louise Herrington School of Nursing
2018	Outstanding Policy Leader Award, National Organization of Nurse Practitioner Faculties (NONPF)
2016	Nurse of the Year in Academic Education, March of Dimes Georgia Chapter
2016	Fellow: American Academy of Nursing
2015	Neonatal NP Excellence Award- NANNP
2015	Georgia Nursing Health Policy Fellowship- Inaugural award
2015	AANP Georgia NP Advocate of the Year Award
2015	AACN Faculty Policy Fellow
2014	Fellow: American Association of Nurse Practitioners (AANP)
2011	Distinguished Service Award from NANN

2010

NANNP Nurse in Washington Internship (NIWI)

### **PROFESSIONAL POSITIONS**

<u>Month, Year</u>	<u>Position</u>	<u>Institution</u>
Jun 2018 - Present	Professor, Clinical Track Specialty Coordinator, Neonatal NP Track, MSN Program Health System Leadership Track Coordinator, DNP Program	Nell Hodgson Woodruff School of Nursing at Emory University
Jul 2014 – May 2018	Associate Professor, Clinical Track Specialty Coordinator, Neonatal NP track, MSN Program	
Sept 2014- present	Neonatal Nurse Practitioner	Emory University School of Medicine
Jan 2014 - May 2014	Instructor	Medical University of South Carolina, College of Nursing
Jul 2013 - May 2014	Neonatal Nurse Practitioner	Le Bonheur Children’s Hospital
Mar 2013 - Jun 2014	Neonatal Nurse Practitioner	Pediatrics Medical Group of Tennessee
Feb 2013 - Present	Healthcare/ Policy consultant	Alliance for Patient Access; National Coalition for Infant Health
Aug 2011 - Oct 2012	Adjunct Faculty	Vanderbilt School of Nursing
Aug 2010 - Oct 2012	Assistant Director, Advanced Practice Nursing	Monroe Carell Jr. Children’s Hospital at Vanderbilt
Dec 2005 - Aug 2010	APN Clinical Specialist, Neonatal Services	Texas Health Presbyterian Plano
Aug 1999 - Aug 2010	Neonatal Nurse Practitioner- PRN (1/06- 8/10) APN Coordinator (11/02-12/05) Central Regional NNP Leader (10/01-11/02) Neonatal Nurse Practitioner Coordinator (8/99-10/01)	Pediatrics Medical Group of Texas, Inc. / MAGELLA Healthcare
Aug 2002 - Aug 2007	Clinical Faculty / Lecturer	Baylor University Louise May Herrington School of Nursing

Feb 1996 - Feb 1999	Neonatal Nurse Practitioner	Baylor University Medical Aug Center (BUMC)
Sept 1995 - Jan 1996	Education and Practice Consultant	Women's Hospital Florence, South Carolina
Mar 1992 – Feb 1996	Joint Appointment, Neonatal Nurse Practitioner Clinical Instructor, College of Nursing (Aug 1994 – Feb 1996)	Medical University of South Carolina (MUSC)
	Neonatal Nurse Practitioner II (Mar 1992 – Jul 1994)	
Aug 1990 - Mar 1992	Staff Nurse (Civilian Employee), Level III Neonatal ICU	Western Nursing Services and Wilford Hall USAF Medical Center
Jun 1998 - Aug 1990	Registered Clinical Nurse II	Presbyterian Hospital of Dallas

## **SCHOLARSHIP: GRANTS AND OTHER FUNDING**

### **Research Grants Under Review (*in reverse chronological order*)**

Center for Regulatory Excellence (CRE): Advanced Practice Provider Workforce Economic Impact Analysis: Removing Regulatory Barriers to Improve Healthcare Access in Georgia; submitted 4/5/2019

### **Research Grants Funded (*in reverse chronological order*)**

N/A

### **Educational, Training, and Program Grants Under Review (*in reverse chronological order*)**

N/A

### **Educational, Training, and Program Grants Funded (*in reverse chronological order*)**

Educational Outcomes Evaluation of Alternative Entry into Neonatal NP programs. (S. Staebler, principal investigator). Unfunded single-site pilot study conducted with approval of the National Association of Neonatal Nurse Practitioners. (Aug 2018-Present)

Co-Author: Fund for Innovation Teaching (FIT) Grant: Neonatal and Pediatric Approaches to Advanced Health Assessment (NNP/PNP); Awarded June 2015: \$3000

**PROFESSIONAL EXPERIENCE**

**February 2019 - Present**                      **GLCLE Director**

*Georgia Lawyers CLE (GLCLE)*

- Oversees GLCLE's annual operating budget.
- Oversees the management of the GLCLE website and assists as needed in making updates and changes to the website.
- Develops new and annual CLE programs by collaborating with national speakers and Georgia lawyers.
- Coordinates and supervises videography for live CLE programs, webinars, and webcasts.
- Prepares uniform applications or state specific applications for approval of GLCLE programs in other states.
- Prepares applications for professional license continuing education approval with Georgia Real Estate Commission, Georgia Office of Insurance, and the Certified Financial Planner Board of Standards.

**July 2017 -Feb. 2019**                      **ICLE Director**  
**January 2017 –July 2017**                      **ICLE Interim Director**

*ICLE of the State Bar of Georgia (ICLE)*

- Oversees ICLE's annual operating budget of \$5.1 million dollars.
- Oversees the management of the ICLE website and assists as needed in making updates and changes to the website.
- Develops new and annual CLE programs by collaborating with national speakers, State Bar section leaders, and State Bar department directors.

- Coordinates CLE programming and shipment of seminar materials to 18 satellite locations.
- Coordinates and supervises videography for live CLE programs and webinars.
- Reorganized the brochure review process to increase efficiency and accuracy.
- Prepares uniform applications or state specific applications for approval of ICLE CLE programs in other states.
- Prepares applications for professional license continuing education approval with Georgia Real Estate Commission, Georgia Office of Insurance, and the Certified Financial Planner Board of Standards.
- Coordinates with GABWA and other members of the Multi-Bar Leadership Council (MBLC) to develop a speakers' bureau to increase the diversity of ICLE's speakers.

**April 2015 –December 2016      Director of Production**  
*ICLE in GA*

**Project Management/Event Planning:**

- Developed and organized at least forty (40) CLE programs each year throughout Georgia and one (1) international CLE program.
- Established the budget for all the CLE programs I handled and coordinated with ICLE staff and program chairs to make sure all parties adhered to the budget and were not wasting money or resources.
- Supervised the preparation and content of seminar evaluations for all of ICLE's CLE programs.
- Used social media to promote programs and connect with prospective program attendees and speakers.

**Operations Management:**

- Updated the ICLE Board of Trustees on production matters and ensured that the Board's policies and procedures are being followed.
- Increased revenue by changing the brochure printing process to reduce color press clicks by fifty percent (50%) and reduced the number of brochures mailed to attorneys by ninety percent (90%).
- Renegotiated RICOH service agreements for the three (3) black and white digital presses to reduced printing costs by fifty percent (50%).
- Renegotiated RICOH service agreement for the color digital press to reduced printing costs by fifty percent (50%).
- Increased printing department revenue by printing seminar book covers in-house rather than using a third-party vendor.
- Spearheaded the redesign of the publications section of the ICLE website to include rotating featured publications.
- Increased the diversity of authors preparing independent publications for ICLE.
- Developed training curriculum to enhance skills of the press operators.

- Supervised the five (5) person printing department which handles all activities associated with designing and printing ICLE's program brochures, CLE seminar books, marketing flyers, and independent author publications.

**Material Development:**

- Coordinated with ICLE staff attorneys, program chairs, and speakers to collect and print seminar books and brochures.
- Determined the number of seminar books to print for all ICLE seminars.
- Negotiated publishing agreements with prospective authors.
- Communicated with all authors regarding the writing schedule for their manuscripts, changes to the production schedule that may impact their manuscripts, and necessary revisions and changes to their manuscripts.
- Edited final, approved manuscripts for clarity and comprehension.
- Prepared and edited general marketing copy for publications.

**Nov. 2013 –April 2015**

**Associate Director**  
*ICLE in GA*

**Project Management:**

- Developed and organized at least forty (40) CLE programs each year throughout Georgia and one (1) international CLE program.
- Negotiated hotel contracts for meeting space, food and beverage, and guest rooms.

**Operations Management:**

- Researched, organized, and developed ICLE's policies and procedures manual.
- Created various spreadsheets to be used for tracking employee business credit card expenses and cash reimbursements as well as speaker expenses.
- Worked with the ICLE accountant to develop ICLE's accounting policies and procedures.

**March 2012 –Oct. 2013**

**TILPP Director**  
*State Bar of Georgia*

- Collaborated with attorneys, judges, and local bar associations to recruit mentors for beginning lawyers.
- Counseled over one thousand (1000) beginning lawyers each year regarding mentoring program guidelines and requirements.
- Paired beginning lawyers with experienced attorneys for mentoring.
- Traveled throughout Georgia and the U.S. to promote TILPP and mentoring.
- Prepared continuing legal education events for beginning lawyers and mentors.
- Spoke about mentoring and operating a solo practice.

**July 2008 –March 2012**

**Program Director**  
*Central Georgia Technical College*

#### Project Management:

- Initiated the American Bar Association (ABA) application process for initial approval of the paralegal studies program.
- Prepared all written materials and exhibits needed to show compliance with the *ABA Guidelines for Approval of Paralegal Education Programs*.
- Gained ABA approval for the CGTC Paralegal Studies Program.

#### Operations Management:

- Managed paralegal studies departmental budget.
- Increased student enrollment through direct mail and television advertising campaigns.
- Handled all department operations including programming, hiring adjunct instructors, and advising students.
- Selected all print and electronic library resources for paralegal studies program.
- Prepared operational assessment plans and student learning outcomes for the department.
- Selected all textbooks used in paralegal studies program.
- Maintained open and timely communication with students
- Maintained and submitted accurate and timely reports for student grades.
- Supervised student internships.
- Surveyed members of the local legal community regarding current trends in the profession and advances in technology that were applicable to the program.

#### Material Development:

- Designed course curriculum and student learning outcomes for all courses (live and online) in the paralegal studies program.
- Created all online course content and exercises using ANGEL course management system.
- Ensured that the program's curriculum was in compliance with the *ABA Guidelines for Approval of Paralegal Programs*.
- Maintained program and course outcomes at a level to ensure appropriate workplace skills for program graduates.

#### Staff Development:

- Mentored and coached adjunct staff members.
- Prepared semi-annual faculty meetings and staff professional development sessions.

#### Community Skills Development:

- Coordinated with members of the local legal community to develop student internships at law firms, courthouses, and government agencies.
- Established the paralegal studies advisory committee by recruiting individuals from various sectors of the local legal community.

**Sept. 2004 –March 2012**

**Owner/Managing Partner**

*Tangela S. King, LLC*

- Handled civil litigation matters for individuals and businesses.
- Met with clients and developed trial strategy based on clients' needs and recommendations.
- Drafted and prepared discovery responses.
- Prepared clients for depositions.
- Conducted and defended depositions.
- Researched and prepared appellate briefs.

**Nov. 2001 –August 2004**

**Associate Attorney**

*Bufo & Associates*

- Assisted the lead counsel in up to 30 criminal cases per month.
- Conducted initial client interviews.
- Researched and prepared motions and appellate briefs.
- Handled soft tissue personal injury cases.

---

**ADDITIONAL EXPERIENCE**

---

**2017 –Present**

**Member**

*ABA Standing Committee on Paralegals*

- Collaborates with other Committee members to develop and promote policies for educating, employing, and training paralegals.
- Monitors trends in the paralegal profession to determine when and if changes are needed to the *ABA Guidelines for the Approval of Paralegal Education Programs*.
- Works in partnership with other Committee members to set the national standard for paralegal education.
- Conducts nationwide site visits to paralegal education programs that are seeking initial approval or reapproval to determine whether the program is in compliance with the *ABA Guidelines for the Approval of Paralegal Education Programs*.

**May 2016 –Present**

**Advisory Board**

*Paralegal Division of the State Bar of Texas,*

*Paralegal Ethics Handbook*

- Reviewed the manuscript for the 10th and 11th editions of the Paralegal Ethics Handbook which is published by Thomson Reuters.
- Provided comments and suggestions about content and organization of the manuscript.

**2013 –2016**

**Past Commission Member**

*ABA Paralegals Approval Commission*

- Conducted nationwide site visits to paralegal education programs that were seeking initial approval or reapproval to determine whether the program was in compliance with the *ABA Guidelines for the Approval of Paralegal Education Programs*.
- Prepared written site visit reports and presented findings to the full Commission and the Standing Committee, as needed, at semi-annual Commission meetings.

**July 2004 –June 2008**

**Adjunct Instructor**

*Central Georgia Technical College*

Lesson Planning:

- Introduced new learning methods to ensure comprehension by all types of adult learners.

## Professional Experience

**Smyrna, Ga. Police Department:** September 17, 1990- Present

**Major (July 2016-Present):** As a Major I have commanded the Criminal Investigation Division and the Uniform Patrol Division. I currently command the Administration Division where I manage the \$7.8 million annual budget; E911 Operations, Central Records, Community Outreach, and Training.

**Captain (March 2015- July 2016):** While a Captain I served as the Commander of the Criminal Investigation Division.

**Lieutenant (July 2002- March 2015):** The majority of my time as a Lieutenant was as Shift Commander for the Uniform Patrol, with one year as leader of the Traffic Unit, and two years as the department's Internal Affairs Investigator. I also supervised the department's Honor Guard team and the Sniper team.

**Sergeant (July 2000- July 2002):** My time as a Sergeant was spent as a uniform patrol shift supervisor. I also supervised the department's Honor Guard team and the Sniper team.

**Detective (July 1997- July 1998):** While assigned to the Criminal Investigations Division I investigated both crimes against persons and property.

**United States Army (Active & Reserve):** October 1984- February 2013

**Sergeant Major (E9) September 2010- February 2013:** As a Sergeant Major I served as the senior enlisted advisor to the unit commander at the Battalion, Brigade, or Division levels. I served as the Battalion Sergeant Major for the 2/95<sup>th</sup> Military Police Battalion.

**Master Sergeant (E8) June 2004- September 2009:** As a Master Sergeant I served as a senior operations leader. I also served as the Chief Instructor for the United States Army Reserve Military Police School while called to active duty in support of the Global War on Terrorism.

**Sergeant First Class (E7) January 1998- June 2004:** As a Sergeant First Class I served as a Platoon Sergeant and a section leader supervising 30-40 personnel. I also served as a Senior Instructor and site manager for the 2/108 Bn. of the Military Police School.

**Staff Sergeant (E6) August 1995- January 1998:** I served as a Squad leader for the 190<sup>th</sup> MP Company supervising 15-20 personnel, as we performed security in the Athlete's Village at the 1996 Olympics in Atlanta Georgia.

**Sergeant (E5) June 1990- August 1995:** As a Sergeant I served as a small unit or team leader supervising 3-5 personnel and as an Acting- Squad leader for the 190<sup>th</sup> MP Company while deployed in Operation Desert Storm.

## Community Involvements:

I am a member of the Jasper United Methodist Church, serving as a mentor and chaperone for youth mission trips.

I am the Scout Master for Boy Scout Troop 836 in Jasper, Georgia.

**EXECUTIVE SUMMARY**

Diverse management experience in acute, post acute, for-profit and not-for-profit healthcare, including: physical rehabilitation, private practice, surgery, long term care, home health, hospice and assisted living. Experience includes supervisory responsibilities for the departments of housekeeping, food services, pharmacy, respiratory therapy, wellness, social work, nursing, psychology, inpatient and outpatient rehabilitation and outpatient surgery. Recognized for having a vision for a system approach to care, service line development and case management across a continuum. Develop services that are dynamic and responsive to stakeholders. Known for being creative, proactive and service oriented. Provided cost effective profitable services with an emphasis on quality, servant leadership, staff development and building relationships.

**KEY SKILLS SET**

Service Development	Mentoring	Turn-arounds
Project Organization	Right Sizing	Strategic Planning
Capital Planning	Multi-Site Management	Market Development
Budgeting	Staff Development	Customer Services

**PROFESSIONAL EXPERIENCE**

**NGHS**

**2018 - Present**

Project work which includes CARF survey response and preparation, strategic planning, post-acute utilization (SNF, ALF and LTC) and filling in for resignations critical to the intake process for the Inpatient Rehabilitation Unit. Also includes clinical evaluations, insurance authorization and serving as a PRN physical therapist at four campuses.

**President and Owner P.A.C.E CONSULTING**

**2009-Present**

Post Acute Care Expertise; Private consulting for a wide range of post-acute and acute care. Clients have included Southern Regional Medical Center, Riverdale, Georgia, TP Health Management, Alabama and others.

**SURGICAL CARE AFFILIATES**

**2009 – July 2017**

**CEO/Administrator, Gainesville Surgery Center (GSC)**

GSC, part of Surgical Care Affiliates (SCA), is a joint ventured, syndicated outpatient surgery center partnered with the local hospital (general partner) and 15 private surgeons (limited partners). The

facility is accredited by the State and JCAHO. Duties include oversight of credentialing, organizing and leading the Medical Executive Committee, the Governing Board, and the General Partners Committee. Staff includes nurses, surgical technicians, anesthesiologists and office staff. Responsibilities are broad and include HR, facility maintenance, contract negotiations, maintaining medical records, credentialing and billing and collections (outsourced service). Surgeries include fifteen specialties. Achievements included doubling the volume, orchestrating a successful re-syndication with ten surgeons, increasing EBIDTA over 1000%, achieving distributions in 2012 (last distributions in 2005). Completed multiple successful JCAHO, State and CMS surveys.

**Interim CEO Gwinnett Center for Outpatient Surgery (GCOS) 2012 - 2013**

In addition to GSC was asked to serve as the interim CEO/administrator of GCOS in May 2012. This center was purchased by Northside Hospital 7/1/12, at which time the operations became a management contract between SCA and Northside. I oversaw the transition of operations and worked closely with Northside operations and transition team.

**CAROLINAS HOSPITAL SYSTEM (CHS) 2006 - 2009**

CHS, located in Florence S.C., is a flagship hospital for Community Health Systems. (Formerly the Triad Corporation) The system includes two campuses and more than 400 total beds.

**CEO/Administrator, Carolinas Rehabilitation Hospital/Post Acute Services**

The administrator position reports to the system CEO. Responsibilities include a freestanding 42 bed inpatient rehabilitation hospital plus a 24 bed transitional care unit (TCU), together making up Carolinas Rehabilitation Hospital (CRH). Additional responsibilities included administrative responsibilities for Carolinas Home Health Agency and Hospice.

- Identified approximately \$500,000 of annualized improvements in the first three months plus additional billing opportunities that resulted in increased Medicaid collections of over \$300,000.
- Developed secondary service area marketing plan estimated to increase admissions as well as CMI, net result was increasing net revenue by over \$1.1 million.
- Improved EBIDTA for CRH by \$527,125 comparing FY 2006 to FY 2007.
- Increased TCU census while increasing the average RUG's rate which improved EBIDTA by \$288,829 from FY 2006 to FY 2007. (Achieved a positive EBIDTA the last quarter of FY 2007. FY 2006 loses exceeded \$600,000.)
- Served on several Carolinas Hospital System's committees including: Acute Care Hospital Board of Trustees, Medical Executive Committee, Physician Leadership Group, Medical Staff Credentials, Compliance Committee, Patient Flow Committee, Quality Assurance, Care Conferences (length of stay) Committee, and the Patient Safety Council meetings.
- Administrator for the Cedar Campus (Home Health, Hospice, Geropsych Unit, LTACH, Carolinas Rehabilitation Hospital, Drug and Alcohol Unit and the Transitional Care Unit along with all on-site services: dietary, lab, housekeeping, radiology, and a small business office)
- Rotated as administrator on-call for the Carolinas Hospital System both campuses and all satellites.

**NORTHEAST GEORGIA HEALTH SYSTEM (NGHS)****1988 - 2005**

*NGHS is a not-for-profit healthcare system serving 20 counties in northeast Georgia & North Metro-Atlanta. It maintains two hospital campuses (461 beds), two skilled nursing facilities (285 beds), hospice program and geographically dispersed primary care network. All major services are provided including cardiovascular surgery, neurosurgery, neonatal intensive care, behavioral health and rehabilitation. Medical staff includes 384 physicians in most specialties. System net revenues exceed \$ 385M.*

**Administrative Director of Post Acute Services**

**2001 - 2005**

Duties included oversight for The Rehab Institute (RI) and New Horizons LTC facilities. (Two hospital-based units and two free standing facilities: 261 beds). Staff included over 280 FTEs (400 employees); total revenue over \$35M.

- Reorganized Post Acute Services merging several services and achieving expense reductions of over \$700,000.
- Orchestrated operational improvements for the LTC Division: Improved the LTC Division's contribution margin by 135%.
- Served as construction project coordinator of a 20,000 square foot, \$3.6 million outpatient rehab facility and a freestanding IS and Finance building. Completed outpatient rehab project \$265,000 under budget.
- Recommended and coordinated opening of a 30 bed Transitional Care Center (SNF)
- Chaired the Steering Committee to research the benefits of developing an LTACH.

**NORTHEAST GEORGIA HEALTH SYSTEM**

**Director, The Rehabilitation Institute and Wellness**

**1988 - 2001**

Responsible for the startup / development and oversight of The Rehabilitation Institute: Acute rehab services for Northeast Georgia Medical Center and Lanier Park Hospital, 25 bed Inpatient Rehabilitation Unit (CARF accredited), 16 bed Sub-acute Rehabilitation Unit, Industrial Rehabilitation and Orthopedic Outpatient Program, ReGain, Outpatient Community Re-entry Program, Long Term Care Rehabilitation Services (four facilities), Satellite Rehabilitation Services (eight satellites), Clinics (Amputee, Arthritis, Seating, Diabetic Foot, Pediatric), Specialty Services: Ready to Play (sports rehab program), Ready to Work (accelerated return to work), Stand Tall (osteoporosis program), and Spinal Protocol (back rehab program). Fit-For-Life, a wellness and fitness center was transferred to my responsibilities in 2000.

- Increased gross revenues of The Rehab Institute from \$400,000 to over \$22 million.
- Achieved four consecutive three-year accreditations from the Commission on Accreditation of Rehabilitation Facilities.
- Reorganized rehab management from a discipline oriented to a programmatic structure, consolidating 3 manager positions eliminating approximately \$200,000 in salary expense.
- Initiated case management protocols for post acute services which were expanded to create coordination system wide case management.
- Revised operations of Fit-For-Life, creating positive financials. Managed the facility closure to make room for expansion of the cardiology program and four cardiac catheterization labs.

**SOUTH GEORGIA MEDICAL CENTER, Valdosta, Georgia**

**1986 - 1988**

**Director of Rehabilitation Services and Administrator** of the freestanding South Georgia Comprehensive Outpatient Rehabilitation Facility.

**MEMORIAL COMPREHENSIVE OUTPATIENT REHABILITATION FACILITY**, Valdosta, Georgia

**Administrator/Co-Owner**

**1985 - 1986**

Responsibilities included clinical services, licensure, billing and collections for the freestanding CORF. Facility was purchased by South Georgia Medical Center.

**SOUTH GEORGIA MEDICAL CENTER**, Valdosta, Georgia,

**1982 - 1985**

**Staff Physical Therapist, Assistant Director of Physical Therapy**

**COOPER GREEN HOSPITAL**, Birmingham, Alabama. **Staff PT**

## PROFESSIONAL OBJECTIVE

A responsible **Management** position that will utilize my education, professional skills, and proven competencies in leadership, execution, strategy development, and business process improvement.

## PROFILE

*Proven leader with the ability to identify and capitalize on individual strengths, motivate teams, and implement vision to achieve public goals. Core competencies include: Developing Winning Teams-Developing Strategy-Leadership Change-Innovation - Negotiation - Program Management. Commendable knowledge of financial data analysis and interpretation practices. Ability to develop and maintain team-oriented programs and services. Thought leadership in the field of public policy: Promoting diversity, inclusion, and multi-cultural competence in educational and work environments - Directing activities of comprehensive external relations programs - Planning and scheduling work for groups ensuring proper distribution of assignments and adequate manning, space, and facilities for subsequent performance of duties - Determining fiscal requirements and preparing budgetary recommendations; and monitoring, verifying, and reconciling expenditure of budgetary funds - Personnel functions including hiring, performance appraisals, promotions, transfers, and vacation schedules.*

## SELECTED ACCOMPLISHMENTS

Made policy recommendations to the Federal Coordination Office (FCO) on all matters that affected the recovery efforts using the Public Assistance Program in 30+ deployments.

Directed the development of projects to restore the infrastructure of governments impacted by natural disasters through the public assistance program. Disasters included Hurricanes Sandy, Matthew, Irma, and Florence.

As the Infrastructure Branch Director, worked to communicate timely and effective recovery policy to Tribal Leadership and enrolled members' households' because communities needed awareness and education programs, and Indigenous people such as the Seminole Tribe of Florida should be encouraged to feel empowered. It was vital to assist in helping the Tribe's development of implementing comprehensive policy to build capacity and resiliency.

During Hurricane Earl for North Carolina, utilized the "Lean" business strategy in the workflow process that delivered quality project worksheets and services while using the minimum materials, equipment, space, labor, and time.

As a Policy Analyst for the Office of Planning and Budget, conducted research based onsite visits to Public Health Programs throughout Georgia to determine the feasibility and viability of programs such as Babies Can't Wait, Children First, and the Georgia Fatherhood Program. Collaborated with state and local program personnel and used critical thinking and analysis skills to accurately proceed with analyzing the data including identifying and evaluating alternatives and developing recommendations to decide of continuing funding for these programs. Division Director who relayed the information to the Governor's Policy Director that in turn enabled the programs to maintain their same level of funding and avoid potential cuts presented the results of this research.

**Continued to next page...**

**PROFESSIONAL EXPERIENCE**

February 2008  
to Present

Aided in interpreting grants management laws, regulations, policies, and procedures to local governments in obtaining complex terrorism grants for the Public Assistance Division. Monitored compliance with grant policies and procedures. Conferred with Terrorism Division to plan and initiate grant programs concerning organizational, operational, and functions of grants and oversaw their executions by providing fiscal/administrative review of grant applications. Conducted extensive research in compiling information needed to generate reports, complete projects, and respond to questions and concerns. Analyzed problems, questions, and issues and developed resolutions, as well as negotiated and obligated funds. Served as a collaborative problem solver during expenditures of grant funds.

August 2005  
to June 2006

**Teaching Assistant**

CLARK ATLANTA UNIVERSITY, Atlanta, Georgia  
Prepared and delivered lectures to students in undergraduate political science courses. Developed and assessed curriculum that were common to undergraduate political science classes. Gave assignments, graded papers, and participated in the assigning of final grades. Planned, conducted, and evaluated the highest quality of instructional activities for the students involved. In coordination with the department's faculty, developed syllabi, course readings and other pedagogical assessments of student learning. Interpreted and followed all applicable policies and objectives of the School or Arts and Sciences and the Sciences and Political Science Department.

September 2000  
to Dec. 2003

**Adjunct Professor**

HERZING UNIVERSITY, Atlanta, Georgia  
Prepared and delivered lectures to students enrolled in Economics and Finance Courses. Participated in the planning and co-curricular aspects of courses as necessary. Planned, conducted, and evaluated the highest quality of instructional activities achievable for students. In coordination with other faculty and staff members to participate directly with maintenance of the Department's accreditation.

**Continued to next page...**

**PROFESSIONAL EXPERIENCE (continued)**

September 2001  
to March 2004

**Policy Analyst I**

GOVERNOR'S OFFICE OF PLANNING AND BUDGET, Atlanta, Georgia  
As an adroit fiscal manager, assisted with budgetary analysis of agencies and programs assigned to the Human Development Division. Assisted with management studies and program evaluations including conducting interviews, attending meetings, preparing organizational charts, and conducting legal and other research. Administered fiscal and physical activities including developing capital funding and building expansion programs and making recommendations for their adoption. Assisted in strategic planning activities. Analyzed data including identifying and evaluating alternatives and developing recommendations. Prepared and managed human development budgets and controlled departments' expenditures through monthly spend plan reports and meetings.

July 2000  
to Aug. 2001

**Grants Manager**

GEORGIA DEPARTMENT OF COMMUNITY AFFAIRS, Atlanta, Georgia  
Prepared new grant awards plus de-obligations and/or increases in existing complex grants and interpreting grants management laws, regulations, policies, and procedures. Applied general accounting methods in providing fiscal/ administrative review of grant applications as well as the maintenance of fiscal records. Provided professional and technical support to local recipients for the preparation of draw-down request and quarterly financial reports. Negotiated, awarded and obligated funds. Prepared monthly and quarterly status reports of appropriation requests and exceptions for each type of program. Served on the Community Development Block Grant (CDBG) Application Review Panel.

August 1996  
to June 2000

**Family Independence Case Manager I**

DEKALB COUNTY DEPT. OF FAMILY & CHILDREN SERVICES, Decatur, GA  
Determined client eligibility for assistance programs. Implemented federal and state policies regarding subsidized programs. Managed a client base of 300 families and monitored an annual budget of \$500K. Handled complaints from hostile/upset customers. Demonstrated the ability to lead and change and coordinate large and complex programs.

## MISSION STATEMENT

As the newly appointed junior Senator of Georgia, I will follow in the footsteps of Senator Isakson by working with all members of the Senate to help pass meaningful and effective legislation. I will never forget that I serve at the pleasure of the citizens of Georgia, and that any legislation that comes to me for a vote should reflect the values and opinions of the constituency. As a believer in localism, I will not let the federal government dictate how Georgians should live their private lives.

## BIOGRAPHICAL INFORMATION

I have been a Georgia resident since 1992. I attended first grade through twelfth in the Fayette County School System. After highschool I attended UGA and graduated with a degree in Computer Science in 2007. I worked in Athens for a small tech company for 10 years. In that time, I met my wife and eventually moved closer to Atlanta to pursue another opportunity. My wife recently gave birth to our four month old daughter.

## QUALITIES

As a millennial, I am aware of many of the struggles and tribulations of my generation. This same generation is soon to be the majority of the workforce. It is of great importance to ensure the financial and general welfare of this understandably disaffected generation as it increasingly seeks answers in socialist philosophy. As a cohort, I can serve as an example and plead the case that socialist thinking will only serve to exacerbate their issues.

## EXPERIENCE

### **InterContinental Hotels Group, Atlanta, GA — Lead Engineer**

MAY 2016 - PRESENT

Responsible for application design, mentorship to fellow team mates, project completion date estimation, reviewing fellow engineer's code for quality and compliance. Entrusted to live abroad in Shanghai for 3 months to facilitate training and onboarding a new team of engineers.

## EDUCATION

### **University of Georgia, Athens, GA — B.S. (Computer Science)**

Aug 2003 - Dec 2007

## SKILLS

Critical thinking

Awareness of logical fallacies

Deep understanding of the Constitution.

Eagle Scout

Undefeated amateur MMA fighter.

Media friendly.

# Tina D. Payne

## Education:

---

July 2009

**North Georgia College**, Dahlonega, GA

*ESOL Endorsement*

July 2007

**Lincoln Memorial University**, Cleveland, TN

## GOAL ORIENTED PROFESSIONAL

Experienced military leader with documented success in responsible and challenging positions with over 20 years of military service in the United States Marine Corps. Proven record of unprecedented accomplishments, mission-critical decision making skills, time-management, and extensive team working abilities, and capable independent worker.

### Core Strengths & Skills

- Staff Development
- Written/Oral Communication
- Sales
- Customer Service
- Logistics
- Operations
- Personnel Management
- Access Control Operations
- Force Protection
- Reports Development
- Radio Communications
- Forward Thinker
- Microsoft Office Suite
- Independent Worker
- First Aid

### Career Experience

Sales Associate outside Lawn and Garden  
Home Depot Store# 1774, Monroe GA

October 2015 to Present

- Provide fast, friendly service by actively seeking out customers to assess their needs and provide assistance.
- Provide expert department and product advice and knowledge of facts.
- Maintain the supply of shopable items and ensure all items are stocked and readily available.
- Assist the department manager, ASM and Store Manager on any issues that may arise or be assigned.

Juvenile Corrections Officer Lieutenant  
METRO Regional Youth Detention Center, Atlanta Georgia

September 2014 to August 2015

- Supervises and monitors a shift at the Correctional Facilities and maintains set standards for security. Ensures daily shift activities are completed including sick call, resident recreation, court appearances, scheduled medical/dental appointments, resident programs, clothing and clean linen, and daily cell inspection.
- Receives direction from the Captain and exercises authority over the facilities, personnel and the activities on the assigned shift.
- Conducts briefings at the start of each shift to inform subordinates of pertinent facts or resident incidents which may affect shift work.
- May assume command of the Corrections Division when so ordered by his superiors.
- Reviews or performs staff scheduling to ensure appropriate security at the facilities on all posts.
- Reviews staff reports, ensures investigation of resident incidents, determining causes and resolves problems following established policies and procedures.
- Identifies staff training needs and participates in training programs as required.
- Makes decisions regarding matters such as interpretation of applicable policies and procedures.

Operations Manager – 2<sup>nd</sup> Marine Division - 3<sup>rd</sup> Battalion, 2<sup>nd</sup> Marines  
United States Marine Corps – Camp Lejeune, NC

January 2012 to August 2014

- Planned, coordinated, and supervised the annual training of over 1000 Marines and Sailors including but not limited to marksmanship, physical fitness, swim qualification, and ethics training
- Train the Watch Officers/Assistant Watch Officers in the correct standards of properly running an operations center, along with all equipment and message traffic to and from commanders
- Supervised the completion of all short and long term operation plans orders for distribution to subordinate units
- Led the preparation and delivery of strategic and operational to higher executives in support of the Operations section
- Assisted with the collection, review, and distribution of training schedules and letters of instruction in support of the units training plan

- Track and maintain accountability of over 1400 Marines and Sailors during deployments and combat operations while serving as the Command Operations Center Watch Officer during combat operations
- Manage the establishment, set up and displacement of the Combat Operations Center and all components
- Supervise 10 personnel within the Combat Operations Center and Operations section

**Assistant Operations Manager – 2<sup>nd</sup> Marine Division - 3<sup>rd</sup> Battalion, 2<sup>nd</sup> Marines** August 2010 to January 2012  
**United States Marine Corps – Camp Lejeune, NC**

- Provided tactical, technical and leadership expertise to assist with the development of the unit's combat and training scheme of maneuver as the Senior Enlisted advisor to the Company Commander
- Facilitated and supervised all levels of training and support for both garrison and combat operations for more than 200 personnel
- Maintained and accounted for all the facilities and infrastructure assigned to the organization, managing 3 large complexes utilized for work spaces, housing, and training areas
- Mentor, educate and develop the junior and subordinate personnel on personal and professional development
- Supervised, led, and maintained logistical readiness of five partnered combat positions to include maintenance of all electrical grid and energy requirements in addition to the essential life support commodities required of a 250 Marine rifle company and 100 soldier Afghan Army Company during seven months of combat operations

**Boat/Security Section Manager - MCRD Parris Island SC –** June 2009 to Aug 2010  
**United States Marine Corps – MCRD Parris Island, SC**

- Maintained accountability and welfare of 14 Marines assigned to the small craft section
- Ensured Marines attended and were certified at the 3-week USCG Coxswain Course
- Managed over 800 hours of small craft operations with 0 mishaps, ensuring the surface danger zones remained free of personnel and watercraft, enabling over 17 Entry Level Rifle, 5 Annual Rifle Training, 6 Entry Level Pistol, Combat Marksmanship Coaches, and 9 large training events
- Maintained 100% accountability of over \$500,000 of small craft, equipment & components
- Supervised the planning, briefs & conduct of 6 security patrols as random anti-terrorism measures with military police
- Provided rapid response to ensure boats were placed in the water after hours to conduct weapons calibration in the event the base went into heightened security posture due to high threat levels
- Coordinated logistical support with the nearby Naval Hospital for the attachment of the section to the hospital as part of the disaster preparation plan for the approaching hurricane, and was ready to assist with disaster relief as well as search and rescue operations

**Chief Instructor – Marine Corps Recruit Depot Parris Island SC** July 2007 to June 2009  
**United States Marine Corps – MCRD Parris Island, SC**

- Maintained mastery and understanding of all Standing Operation Procedures, Periods of Instruction, Lesson Plans and curriculum pertaining to the Crucible and Basic Warrior Training
- Designed, built, and implemented a basic version of a class known as Combat Hunter on an introductory level for Marine Corps Recruits that was eventually adopted by MCRD San Diego
- Ensured all Field Training instructors remained current with all BWT/Crucible training events, SOP's and lesson plans.
- Supervised over 200 rappelling tower evolutions training over 4500 recruits with 0 mishaps or injury's
- Served as the Range Safety Officer for over 15 gas chamber training evolutions ensuring that all safety measures were in place and adhered to
- Conducted 20 confirmation briefs for the Recruit Training Regiment, ensuring all training request were in place and serving as a final conformation brief for the commanders prior to the commencement of a weeklong training event to eliminate any mishaps.

**Infantry Platoon Leader – 1<sup>st</sup> Marine Division – 1<sup>st</sup> Battalion, 7<sup>th</sup> Marines** September 2004 to Jul 2007  
**United State Marine Corps – Twenty-nine Palms, CA**

- Served as Senior Enlisted Advisor to Platoon Commander in all tactical and technical issues
- Provided leadership and guidance to a platoon of over 40 Infantry Marines in both garrison as well as combat situations
- Deployed to Iraq in support of Operation Iraqi Freedom with a platoon of over 40 Marines, ensuring all personnel and equipment were accounted for
- Trained and provided guidance to the Marines in a variety of situations but not limited to Radio communications, Urban Operations, MEDIVAC situations, Detainee handling and processing, Marksmanship, Survival, Land Navigation, and decision making in stressful situations.

**Operations Team Leader – 4<sup>th</sup> Marine Expeditionary Brigade – Chemical Biological Incident Response Force  
United States Marine Corps – Indian Head, MD Feb 2001 to Aug. 2004**

**Infantry Team Leader – 1<sup>st</sup> Marine Division – 3<sup>rd</sup> Battalion 7<sup>th</sup> Marines  
United States Marine Corps, Twenty-nine Palms, CA Mar 1998 – Feb 2001**

**Nuclear Weapon Security Guard – Marine Corps Security Forces– Naval Submarine Base – Kings Bay, GA  
United States Marine Corps Security Forces, Kings Bay, GA Apr 1997 – Mar 1998**

#### Education

American Military University – Charlestown, WV  
B.S. in Environmental Sciences, Concentration in Fish and Wildlife Management GPA: 3.764

#### Military Decorations and Awards

Combat Action (2)	Iraq Campaign (3)
Navy Commendation Medal w/ combat distinguishing device (2)	Afghanistan Campaign (2)
Navy Achievement Medal (3)	Meritorious Mast (6)
	Letters of Commendation (3)

#### Civilian Awards

Eagle Scout - 1991

## PROFESSIONAL SUMMARY

I am an experienced technical leader who is not afraid to get “in the trenches”. I have successfully led multiple teams dealing with different technologies. Over the past 4 years I have done a hybrid of hands on technical work and developing and leading teams. I am seeking an opportunity where I can use my strong technical skills and leadership abilities to make a significant impact in the success of an organization.

## WORK EXPERIENCE

**March 2019** **Sysdig** **Atlanta, Georgia**

*Senior Staff Professional Services Engineer*

- Play a key role in defining and execution of best practices and implementation guides
- Train and support other team members and indirect channel partners (as required)
- Handle management duties as necessary

**October 2018 – March 2019** **Sysdig** **Atlanta, Georgia**

*Senior Professional Services Engineer*

- Act as an integral member of the Post Sales team including Professional Services, Support and Customer Success, taking responsibility for solving implementations issues from a technical perspective
- Work off/on -site with strategic customers, delivering solutions architecture consulting, technical guidance, knowledge transfer and establish trusted advisor status
- Lead proof-of-concepts assisting strategic customers to deploy and integrate Sysdig Monitoring and Security technology into their environments

**March 2018 – October 2018** **Sysdig** **Atlanta, Georgia**

*Senior Escalations & Professional Services Engineer*

- Troubleshoot and resolve complex issues affecting the on-premise Sysdig Platform. This required extensive knowledge of containers, kubernetes, Linux, and cloud architecture.

**April 2016 – March 2018** **Pindrop** **Atlanta, Georgia**

*Manager Tier1/2 Support*

- Lead a team of 8 engineers in solving highly complex technical issues related to a proprietary product running on a clustered Linux environment.
- Conduct weekly one on one review with employees focusing on personal and professional growth.
- Hiring of all Tier 1/2 engineers.
- Handling of customer escalations and major incidents.
- Review and Implement procedures for world wide NOC environment.

**May 2015 – April 2016** **Pindrop** **Atlanta, Georgia**

*Tier 3 Support*

- Troubleshoot and resolve complex issues with proprietary software running on a multi node Linux Environment. This includes technologies such as MySQL, bash, Python, advanced Linux configuration and Vormetric

- Automate routine and complex tasks via scripting (primarily bash some python)
- Lead weekly status calls with customers
- Deployments and Upgrades using chef automation

**October 2012 – May 2015**

**International Business Machines (IBM)**

**Atlanta, Georgia**

*XIV Product Field Engineer*

- Work with development across multiple countries solving complex software and hardware issues pertaining to any SAN configuration involving an XIV.
- Collaborate with worldwide development team to implement intelligence and logic in the automation of identifying potential storage related issues to the XIV product line
- Develop and present XIV related curriculum to worldwide teams.
- Pre/Post sales support for implementation of XIV in SAN/NAS environment.
- System verification and initial product testing for new “Software as Storage” product offering.
- Selected for “Leadership Seminar Series” Presented proposal for mobile application solution that was accepted by senior leadership.

**October 2005- October 2012**

**International Business Machines (IBM)**

**Atlanta, Georgia**

*XIV Technical Team Lead*

- Lead a team of 40+ remote support employees as a Subject Matter Expert for level one remote support.
- Reviewed / Mentored junior team members to help increase technical skill sets.
- Provided remote technical support on DS4000, DS5000 & XIV fiber products in the SAN and NAS environments

# WAYNE IWANSKI

GUYTON, GA 31312

C: [REDACTED]

## SUMMARY

---

I have been involved with the aircraft industry in a variety of activities associated with engineering; this includes Mechanical Systems Landing Gear engineering and mass properties and weight analysis. It is time to bring a sense of LOGIC back to congress to represent the people of Georgia.

## EDUCATION

---

June, 2003 Tri-State University Angola, IN

- Bachelor of Science Degree, Mechanical Engineering (BSME)

## RELEVANT WORK EXPERIENCE

---

Gulfstream Aerospace Company Savannah, GA 06/2017 – Present

- Mechanical Systems Landing Gear Design Technical Specialist III
- Implement NEW system features through both Hardware and Software integration for aircraft performance and reliability.
- Liaison to current suppliers supporting Gulfstream development. Specialties include:
  - Brake Control
  - Landing Gear
  - Landing Gear Control
  - Nose Wheel Steering Control
- Perform lead duties and supervise lower level personnel.
- Manage design change projects, with gulfstream and system/component suppliers.
- Create requirements documents and verify and validate complete system to those requirements.
- Review of Qualification Test Reports.
- Coordinate with purchasing department for supplier component production support.
- Design bracket and component installations for G650 using Catia V5, Enovia LCA and Smarteam tools.
- Familiar with designing sheet metal and machined components and mechanisms.
- Review flight test data of Landing Gear system components for performance optimization and regulation compliance.

Gulfstream Aerospace Company Savannah, GA 12/2014 – 06/2017

- Mechanical Systems Service Engineering Technical Specialist II
- Create and develop/revise Major Repair drawings/instructions/procedures for Landing gear structural components and systems using Catia V4/V5, including overhaul and serial specific repairs.
- Evaluate In-Service aircraft damage for continued airworthiness.
- Create compliance documents within Smarteam for associated repairs.
- Evaluate and resolve customer requests/issues across various platforms (GII through G650) in regards to Electro-Mechanical systems using ACMF/FHDB/FDR data.
- Support back shop repair station personnel with direction for landing gear and hydraulic component repair and overhaul.
- Coordinate changes and review supplier Component Maintenance Manuals..
- Provide guidance and recommendation on ground support and back shop test Equipment.
- Support supplier manufacturer quality issues to maintain in service aircraft.

Gulfstream Aerospace Company

Savannah, GA

04/2010 – 12/2014

- Mechanical Systems Landing Gear Design Technical Specialist I
- Implement NEW system features through both Hardware and Software integration for aircraft performance and reliability.
- Liaison to current suppliers supporting Gulfstream development. Specialties include:
  - Brake Control
  - Landing Gear
  - Landing Gear Control
  - Nose Wheel Steering Control
- Perform lead duties and supervise lower level personnel.
- Manage design change projects, with gulfstream and system/component suppliers.
- Create requirements documents and verify and validate complete system to those requirements.
- Review of Qualification Test Reports.
- Coordinate with purchasing department for supplier component production support.
- Design bracket and component installations for G650 using Catia V5, Enovia LCA and Smarteam tools.
- Familiar with designing sheet metal and machined components and mechanisms.
- Review flight test data of Landing Gear system components for performance optimization and regulation compliance.

Gulfstream Aerospace Company

Savannah, GA

11/2007 – 04/2010

- Mechanical Systems Landing Gear Design Engineer II
- Design bracket and component installations for G650 using Catia V5 and Enovia LCA tools.
- Familiar with designing sheet metal and machined components and mechanisms.
- Review and creation of Design Requirements and Specification Control Documents.
- Planned Qualification Test and Safety of Flight Dates.
- Liaison to current suppliers supporting gulfstream development.
- Perform lead duties and supervise lower level personnel.
- Provide Load/Performance Data manipulated for Landing Gear use to suppliers, by using advanced techniques with a different approach to solutions.
- Review Qualification Test Plans and Acceptance Test Procedures.
- Created Mockups for brake hose design.

Gulfstream Aerospace Company

Savannah, GA

11/2005 – 11/2007

- Mass Properties Engineer for Mechanical Systems, consisting of Hydraulics, Landing Gear, Doors, and Flight Controls.
- Oversight of Mechanical Systems, Wing, and Empennage weight budgets.
- Involved in the decision process of current suppliers, such as Landing Gear, brake suppliers and all flight controls suppliers.
- Reviewed Suppliers Statements of Work, Design Requirements Documents, configuration documents and source control documents.
- Supplied Mass Distribution data for the Loads and Dynamics Group Level 1 Loads.
- Requested and managed weight detail information for mechanical systems designers and suppliers through personal communication and SEM's/TCM's.
- Reviewed MOA documents for weight control.
- Taken classes in Design and Analysis for Composite Material Aircraft Structures (July 2007), CATIA V4 for designers and V5 for stress analysts.
- Provided weight estimations for new concepts both composite and metallic.

Eastman Machine Company

Buffalo, NY

12/2003 – 11/2005

- Service and Installation Engineer.
- Service and Installation of automated cutting machine of various size and orientation at customer jobsites.
- Customer service work in house, to resolve customer problems.

# WENDY MAPP

Atlanta, Georgia 30310

www.linkedin.com/in/wendymapp/

Seasoned Educator - Project Point Person - Administrative Coordinator

## SUMMARY

---

Practical, detail oriented and thorough with a highly developed work ethic. One who takes commitments and obligations seriously. Focused on ensuring the welfare of others, highly observant and quick to make others feel at ease. Organized and excels at anticipating what needs to be done. Respectful of authority, history and tradition, strives to maintain a harmonious environment offering service to others. People oriented and communicates best one-on-one.

## HIGHLIGHTS

---

- Solved problems using resources available, providing support as an advocate for students with solutions that meet their needs.
- Maintained big picture vision on projects and coordinated team's work based upon their strengths and know-how, kept project moving forward to completion, usually ahead of schedule. Other team members felt valued during the project.
- Demonstrated outstanding customer service promoting the values of the company.

## TESTIMONIAL

---

*"Wendy has a way of anticipating what needs to be done. She always kept me informed about the progress of her work in a timely manner. She was also well respected by the team and those she worked with. No problem was too big for Wendy to solve and her follow through was exceptional. I would highly recommend her."*
