(2) Written consent to the creation of the community improvement district by:

(A) A majority of the owners of real property within the district which will be subject to taxes, fees, and assessments levied by the board of the district; and
(B) The owners of real property within the district which constitutes at least 75 percent by value of all real property within the district which will be subject to taxes, fees, and assessments levied by the board and for this purpose, value shall be determined by the most recent approved county ad valorem tax digest.

A copy of such resolutions shall be filed with the Secretary of State, who shall maintain a record of all districts activated under this Act, and a second copy shall be filed with the Department of Community Affairs.

SECTION 5.

Administration, appointment, and election of board members.

(a)(1) Each district created pursuant to this Act shall be administered by a board composed of five members as follows:

(A) The mayor of the City of Peachtree City, or a person appointed by said mayor, who shall serve on Post 1;

(B) A member of city council of the City of Peachtree City, other than the mayor, or a person appointed by a majority vote of said city council members, who shall serve on Post 2; and

(C) Three persons elected by a majority vote of the electors, who shall serve on Posts 3, 4, and 5. The initial term of office for the member serving on Post 3 shall be one year, and the initial terms of office of the members serving on Posts 4 and 5 shall be two years. Thereafter, the terms of the members serving on Posts 3, 4, and 5 shall be two years.

(2) Members appointed by elected officials to Posts 1 or 2 shall serve at the pleasure of the mayor and the city council members, respectively.

such meeting. A quorum at such caucus shall consist of those electors present, and a
majority of those present and voting is necessary to elect board members. No proxy votes
may be cast. The mayor of the City of Peachtree City or the mayor's designee shall convene
the initial caucus of electors. Thereafter, there shall be conducted annually, not later than 60
days following the last day for filing ad valorem real property tax returns in Fayette County,
a caucus of such electors, as appropriate, at such time and place within the district as the
board shall designate in such notice for the purpose of electing board members to Posts 3,
4, and 5, for those positions which have terms expiring or are vacant, as appropriate. If a
vacancy occurs in an elected position on the board, the board shall, within 60 days thereafter,
call a special election to fill the same to be held within 60 days of the call unless such
vacancy occurs within 180 days of the next regularly scheduled election, in which case a
special election may, but need not, be called.

(c) The elected board members shall be subject to recall as any other elected public official
by the electors.

(d) The board members shall receive no compensation for their services but shall be
reimbursed for actual expenses incurred in the performance of their duties. They shall elect

secretary and a treasurer or a secretary-treasurer, either of whom may, but need not, be a
member of the board.

(e) Chapter 2 of Title 21 of the O.C.G.A., the "Georgia Election Code," shall not apply to
the election of district board members. Any district board may adopt such bylaws not
inconsistent herewith to provide for any matter concerning such elections.

SECTION 6.

Taxes, fees, and assessments.

(a) The board may levy taxes, fees, and assessments within the district only on real property
used nonresidentially, specifically excluding all property exempt from ad valorem taxation
under the Constitution or laws of the State of Georgia; all property used for residential,
agricultural, or forestry purposes; and all tangible personal property and intangible property.
Any tax, fee, or assessment so levied shall not exceed 2 1/2 percent of the aggregate assessed
value of all such real property. The taxes, fees, and assessments levied by the board shall be
equitably apportioned among the properties subject to such taxes, fees, and assessments,
according to the need for governmental services and facilities created by the degree of
density of development of each such property. The proceeds of taxes, fees, and assessments
levied by the board shall be used only for the purpose of providing governmental services
and facilities which are specially required by the degree of density of development within the
applicable district and not for the purpose of providing those governmental services and facilities provided to the county or municipality as a whole. Any tax, fee, or assessment so levied shall be collected by Fayette County in the same manner as taxes, fees, and assessments are levied by the county. Delinquent taxes shall bear the same interest and penalties as Fayette County ad valorem taxes and may be enforced and collected in the same manner. The proceeds of taxes, fees, and assessments so levied, less a fee to cover the costs of collection of 1 percent thereof, but not more than $25,000.00 in any one calendar year, shall be transmitted by Fayette County to the board and shall be expended by the board only for the purposes authorized by this Act.

(b) The board shall levy the taxes, fees, and assessments provided for in subsection (a) of this section subsequent to the report of the assessed taxable values for the current calendar year and shall notify in writing the collecting governing authority so it may include the levy on its regular ad valorem tax bills. The proceeds of taxes, fees, and assessments so levied, less the fee to cover the costs of collection as specified in subsection (a) of this section, shall be transmitted by the collecting governing authority to the board and shall be expended by the board only for the purposes authorized by this Act.

(c) If, but for this provision, a parcel of real property is removed from a district or otherwise would become nontaxable, it shall continue to bear its tax millage, then extant upon such event for bonded indebtedness of the district then outstanding, until the bonded indebtedness then outstanding is paid or refunded.

(d) Each property owner paying taxes, fees, or assessments levied by the board for any public facility as set forth in Section 2 of this Act may receive a credit equal to the present value of all such taxes, fees, and assessments toward any impact fee as may be levied by the City of Peachtree City against such property for system improvements which are in the same category as said public facility in accordance with Chapter 71 of Title 36 of the O.C.G.A., the "Georgia Development Impact Fee Act." Application for such development impact fee credit may be granted by legislative action of the governing authority of the City of Peachtree City in its discretion.

SECTION 7.

Boundaries of the districts.

(a) The boundaries of each district shall be as designated as such by the governing authority of the City of Peachtree City and shall lie wholly within the incorporated area of the City of Peachtree City as set forth in the resolutions required in Section 4 of this Act, or as may thereafter be added as provided in this Act.
(b) The boundaries of a district may be increased after the initial creation of a district pursuant to the following:

(1) Written consent of a majority of the owners of real property within the area sought to be annexed into the district and which will be subject to taxes, fees, and assessments levied by the board of the district is first obtained;

(2) Written consent of owners of real property within the area sought to be annexed into the district which constitutes at least 75 percent by value of all real property within the area sought to be annexed into the district which will be subject to taxes, fees, and assessments levied by the board and, for this purpose, value shall be determined by the most recent approved county ad valorem tax digest;

(3) The adoption of a resolution consenting to the annexation by the board of the district; and

(4) The adoption of a resolution consenting to the annexation by the governing authority of the City of Peachtree City.

SECTION 8.
Debt.

Each district may incur debt without regard to the requirements of Article IX, Section V, of the Constitution of Georgia, or any other provision of law prohibiting or restricting the borrowing of money or the creation of debt by political subdivisions of the State of Georgia, and the debt shall be backed by the full faith, credit, and taxing power of the district, but shall not be an obligation of the State of Georgia, the City of Peachtree City, or any other unit of government of the State of Georgia other than the district.

SECTION 9.
Cooperation with local governments.

The services and facilities provided pursuant to this Act shall be provided for in a cooperation agreement executed jointly by the board and the governing authority of the City of Peachtree City. The provisions of this section shall in no way limit the authority of the City of Peachtree City to provide services or facilities within the district; and the City of Peachtree City shall retain full and complete authority and control over any of its facilities located within its respective areas of any district. Such control shall include, but not be limited to, the modification of, access to, and degree and type of services provided through or by facilities of the municipality. Nothing contained in this section shall be construed to
limit or preempt the application of any governmental laws, ordinances, resolutions, or regulations to the district or the services or facilities provided within the district.

SECTION 10.

state institution or any municipal corporation, county, or political subdivision of the state
of any facilities or services of the district, provided that such contracts shall deal with
such activities and transactions as the district and any such political subdivision with
which the district contracts are authorized by law to undertake;

(11) To receive and use the proceeds of any tax levied by any county or any municipal
corporation to pay the costs of any project or for any other purpose for which the board
may use its own funds pursuant to this Act;

(12) To receive and administer gifts, grants, and devises of money and property of any
kind and to administer trusts;

(13) To use any real property, personal property, or fixtures, or any interest therein, or
to rent or lease such property to or from others or make contracts with respect to the use

(c) The powers enumerated in this section are conferred for an essential governmental function for a public purpose, and the revenues and debt of any district are not subject to taxation.

SECTION 11.

Bonds - generally.

(a) Notes or other obligations issued by a district, other than general obligation bonds, shall be paid solely from the property pledged to pay such notes or other obligations. General obligation bonds issued by any district shall constitute a general obligation of the district to the repayment of which the full faith, credit, and taxing power of the district shall be pledged.

(b) All bonds, notes, and other obligations of any district shall be authorized by resolution of its board, adopted by a majority vote of the board members at a regular or special meeting.

(c) Bonds, notes, or other obligations shall bear such date or dates, shall mature at such time or times but not more than 30 years from their respective dates, shall bear interest at such rate or rates which may be fixed or may fluctuate or otherwise change from time to time, shall be subject to redemption on such terms, and shall contain such other terms, provisions, covenants, assignments, and conditions as the resolution authorizing the issuance of such bonds, notes, or other obligations may permit or provide. The terms, provisions, covenants, assignments, and conditions contained in or provided or permitted by any resolution of the board authorizing the issuance of such bonds, notes, or other obligations shall bind the board members of the district then in office and their successors.

(d) The board shall have power from time to time, and whenever it deems it expedient, to refund any bonds by the issuance of new bonds, whether or not the bonds to be refunded have matured, and may issue bonds partly to refund bonds then outstanding and partly for any other purpose permitted by this Act. The refunding bonds may be exchanged for the bonds to be refunded, with such cash adjustments as may be agreed upon, or may be sold and the proceeds applied to the purchase or redemption of the bonds to be refunded.
(e) There shall be no limitation upon the interest rates or any maximum interest rate or rates on any bonds, notes, or other obligations of the district; and the usury laws of this state shall not apply to bonds, notes, or other obligations of these districts.

(f) Bonds issued by a district may be in such form, either coupon or fully registered, or both coupon and fully registered, and may be subject to such exchangeability and transferability provisions as the bond resolution authorizing the issuance of such bonds or any indenture or trust agreement may provide.

(g) Bonds issued by a district shall be validated under and in accordance with Article 3 of Chapter 82 of Title 36 of the O.C.G.A., known as the "Revenue Bond Law," or in accordance with such other successor provision governing bond validation generally as may be provided by law. The signature of the clerk of the Superior Court of Fayette County shall be made on the certificate of validation of such bonds by facsimile or by manual execution, stating the date on which such bonds were validated, and such entry shall be original evidence of the fact of judgment and shall be received as original evidence in any court in this state.

(h) In lieu of specifying the rate or rates of interest which such bonds are to bear, and the principal amount and maturities of such bonds, the notice to the district attorney or the Attorney General, and the notice to the public of the time, place, and date of the validation hearing, and the petition and complaint for validation may state that the bonds when issued will bear interest at a rate not exceeding a maximum per annum rate of interest, which may be fixed or may fluctuate or otherwise change from time to time, and that the principal amount will not exceed and the final maturity date will not be later than as specified in such notices and petition and complaint; or the notice or notices may state that, in the event the bonds are to bear different rates of interest for different maturity dates, none of such rates will exceed the maximum rate, which may be fixed or may fluctuate or otherwise change from time to time, as so specified; provided, however, that nothing in this section shall be construed as prohibiting or restricting the right of a board to sell such bonds at a discount, even if in doing so, the effective interest cost resulting therefrom would exceed the maximum per annum interest rate specified in such notices and in the petition and complaint.

(i) The terms "cost of the project" and "cost of any project" shall have the meaning prescribed by this Act whenever those terms are referred to in bond resolutions of a board; in bonds, notes, or other obligations of the districts; or in notices of proceedings to validate such bonds of a district.
SECTION 12.

Authorized contents of agreements and instruments of the board generally; use of proceeds of sale of bonds, notes, and other obligations; subsequent issues of bonds, notes, and other obligations.

(a) Subject to the limitations and procedures provided by this section and Section 11 of this Act, the agreements or instruments executed by a board may contain such provisions not inconsistent with law as shall be determined by such board.

(b) The proceeds derived from the sale of all bonds, notes, and other obligations issued by a district shall be held and used for the ultimate purpose of paying, directly or indirectly as permitted by this Act, all or part of the cost of any project, or for the purpose of refunding any bonds, notes, or other obligations issued in accordance with this Act.

(c) Issuance by a board of one or more series of bonds, notes, or other obligations for one or more purposes shall not preclude it from issuing other bonds, notes, or obligations in connection with the same project or with any other project; but the proceeding wherein any subsequent bonds, notes, or other obligations are issued shall recognize and protect any prior loan agreement, security agreement, or other agreement or instrument made for any prior issue of bonds, notes, or other obligations, unless, in the resolution authorizing such prior issue, the right is expressly reserved to the board to issue subsequent bonds, notes, or other obligations on a parity with such prior issue.

SECTION 13.

Construction; notice, proceeding, publication, referendum.

This Act shall be liberally construed to effect the purposes hereof. No notice, proceeding, or publication, except those required by this Act, shall be necessary to the performance of any act authorized by this Act, nor shall any such act be subject to referendum.

SECTION 14.

Dissolution.

(a)(1) Any district activated under the provisions of this Act may be dissolved.

(2) The conditions for such dissolution shall be:

(A) The adoption of a resolution approving of the dissolution of such community improvement district by the governing authority of the City of Peachtree City; and

(B) The written consent to the dissolution of the community improvement district by:
(i) Two-thirds of the owners of real property within the district which are subject to
taxes, fees, and assessments levied by the board of the district; and

(ii) The owners of real property constituting at least 75 percent by value of all real
property within the district which are subject to taxes, fees, and assessments levied
by the board. For this purpose, value shall be determined by the most recent approved
county ad valorem tax digest.

(3) The written consent provided for in subparagraph (B) of paragraph (2) of this
subsection shall be submitted to the Fayette County tax commissioner, who shall certify
whether subparagraph (B) of paragraph (2) of this subsection has been satisfied with
respect to each proposed district dissolution.

(b) In the event that successful action is taken pursuant to this section to dissolve the district,
the dissolution shall become effective at such time as all debt obligations of the district have
been satisfied. Following a successful dissolution action and until the dissolution becomes
effective, no new projects may be undertaken, obligations or debts incurred, or property
acquired.

(c) Upon a successful dissolution action, all noncash assets of the district other than public
facilities or land or easements to be used for such public facilities, as described in Section 2
of this Act, shall be reduced to cash and, along with all other cash on hand, shall be applied
to the repayment of any debt obligation of the district. Any cash remaining after all
outstanding obligations are satisfied shall be remitted to the City of Peachtree City.

(d) When a dissolution becomes effective, the City of Peachtree City shall take title to all
property previously in the ownership of the district, and all taxes, fees, and assessments of
the district shall cease to be levied and collected.

(e) A district may be reactivated in the same manner as an original activation.
