House Resolution 239 (AS PASSED HOUSE AND SENATE)
By: Representative Stephens of the 164th

A RESOLUTION

1 Designating the Savannah Logistics Technology Innovation Corridor as an official
technology innovation corridor in Georgia; and for other purposes.

3 WHEREAS, Georgia's economy would greatly benefit from further growth in the
information technology arena; and

5 WHEREAS, it is highly desirable to review current state incentives as well as opportunities
for future incentives for technology growth; and

7 WHEREAS, it would be beneficial to establish specific information technology corridors in
this state, and such corridors would directly foster the growth of information technology and
innovation through local collaboration among universities, hospitals, and logistics hubs; and

9 WHEREAS, it would be advantageous for official corridors to be established for the pursuit
of state and federal grants; and

11 WHEREAS, the Savannah Logistics Technology Innovation Corridor shall be composed of
the following two contiguous parcels:

14 Parcel '1'

15 All that territory hereinafter described, including all parcels abutting either said of every
named road, street, or other vehicular right of way:

17 Beginning at the state line between the State of Georgia and the State of South Carolina
where said line intersects U.S. Highway 17 and running thence north along said state line to
a point due west of the southern boundary of the Savannah National Wildlife refuge on Kings
Island; running thence west to and along said southern boundary; leaving said boundary as
it turns northwest and running thence due west to the west bank of the Savannah River;
running thence north along the west bank of the Savannah River to its intersection with the
southern boundary of the Savannah National Wildlife Refuge; running thence west along said
boundary to its intersection with the eastern terminus of EMD Boulevard; running thence
