20 is done under the supervision of, and responsibility therefor is assumed by, a person
21 holding a certificate of registration under this chapter or a person practicing lawfully
22 under Code Section 43-15-21;

23 (2) Officers and employees of the government of the United States while engaged within
24 this state in the practice of professional engineering or land surveying for such
25 government;

26 (3) All ~~elective~~ elected officers of the political subdivisions of ~~the~~ this state while in the
27 practice of professional engineering or land surveying in the performance of their official
28 duties; and

29 (4) Officers and employees of the Department of Transportation, except as required by
30 Title 46, while engaged within this state in the practice of professional engineering or
31 land surveying for such department;

32 (5) Any defense, aviation, space, or aerospace company. As used in this paragraph, the
33 term 'company' shall mean any sole proprietorship, firm, limited liability company,
34 partnership, joint venture, joint stock association, corporation, or other business entity
35 and any subsidiary or affiliate of such business entity; and

36 (6) Any employee, contract worker, subcontractor, or independent contractor who works
37 for a defense, aviation, space, or aerospace company that is not required to be licensed
38 under the provisions of this chapter pursuant to paragraph (5) of this subsection and who
39 provides engineering for aircraft, space launch vehicles, launch services, satellites,
40 satellite services, missiles, rockets, or other defense, aviation, space, or aerospace-related
41 products or services, or any components thereof."

42 **SECTION 2.**

43 This Act shall become effective upon its approval by the Governor or upon its becoming law
44 without such approval.

45 **SECTION 3.**

46 All laws and parts of laws in conflict with this Act are repealed.
