BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Title 20 of the Official Code of Georgia Annotated, relating to education, is amended by revising Code Section 20-14-26.1, relating to the authority of the Office of Student Achievement to incorporate nonprofit corporations as public foundations, as follows:

“20-14-26.1. (a) The office shall have the power and authority to incorporate a nonprofit corporation that could qualify as a public foundation under Section 501(c)(3) of the Internal Revenue Code to aid the office in carrying out any of its powers and in accomplishing any of its purposes. Any nonprofit corporation created pursuant to this power shall be created pursuant to Chapter 3 of Title 14, the 'Georgia Nonprofit Corporation Code,' and the Secretary of State shall be authorized to accept such filing.

(b) Any nonprofit corporation created pursuant to this Code section shall be subject to the following provisions:

(1) In accordance with the Constitution of Georgia, no governmental functions or regulatory powers shall be conducted by any such nonprofit corporation;
(2) Upon dissolution of any such nonprofit corporation incorporated by the office, any assets shall revert to the office or to any successor to the office or, failing such succession, to the State of Georgia;

(3) As used in this paragraph, the term 'direct employee costs' means salary, benefits, and travel expenses. To avoid the appearance of undue influence on regulatory functions by donors, no donations to any such nonprofit corporation from private sources shall be used for direct employee costs of the office;

(4) Any such nonprofit corporation shall be subject to all laws relating to open meetings and the inspection of public records;

(5) The office shall not be liable for the action or omission to act of any such nonprofit corporation;

(6) No debts, bonds, notes, or other obligations incurred by any such nonprofit corporation shall constitute an indebtedness or obligation of the State of Georgia nor shall any act of any such nonprofit corporation constitute or result in the creation of an indebtedness of the state. No holder or holders of any such bonds, notes, or other obligations shall ever have the right to compel any exercise of the taxing power of the state nor to enforce the payment thereof against the state; and

(7) Any nonprofit corporation created pursuant to this Code section shall not acquire or hold a fee simple interest in real property by any method, including but not limited to gift, purchase, condemnation, devise, court order, and exchange.

(b.1)(1) Pursuant to this Code section, the office may establish a nonprofit corporation to be designated as the Public Education Innovation Fund Foundation to promote Public-Private Partnerships between businesses, nonprofit organizations, institutions of higher education, local school systems, and public schools, for the purpose of improving student achievement. Funds received by the foundation may be awarded through a competitive grant process administered by the office. The General Assembly may appropriate funds for purposes of this foundation beginning in Fiscal Year 2015.

(2)(A) Such foundation shall also be authorized to receive donations from taxpayers pursuant to Code Section 48-7-29.21 for the purpose of awarding grants to public schools for the implementation of academic and organizational innovations to improve student achievement, with priority given to schools that have performed in the lowest 5 percent of schools in this state identified in accordance with the state-wide accountability system established in the state plan pursuant to the federal Every Student Succeeds Act, and for the dissemination of information regarding successful innovations to other public schools in this state. Funds received by the foundation for such purpose may be awarded through a competitive grant process administered by the office. The criteria for awarding such grants shall include the potential to which the
innovation is likely to result in the proposed improvement, the potential for widespread
adoption of such innovation by other public schools in the state, the quality of the
proposed project design, the reasonableness of the costs involved in conducting the
project, and such other criteria which the office may deem appropriate and necessary.
The foundation shall not be authorized to withhold any funds to cover costs incurred
in administering the grant process.

(B) The foundation shall report to the Department of Revenue, on a form provided by
the Department of Revenue, by January 12 of each tax year the following:

(i) The total number and dollar value of donations and tax credits approved.
Individual contributions shall include contributions made by those filing income tax
returns as a single individual or head of household and those filing joint returns;

(ii) The total number and dollar value of corporate donations and tax credits
approved;

(iii) The total number and dollar value of grants awarded to public schools; and

(iv) A list of donors, including the dollar value of each donation and the dollar value
of each approved tax credit.

The Department of Revenue shall post on its website the information received pursuant
to divisions (i) through (iii) of this subparagraph.

(C) Except for the information reported pursuant to divisions (i) through (iii) of
subparagraph (B) of this paragraph, all information or reports provided by the
foundation to the Department of Revenue shall be confidential taxpayer information,
governed by Code Sections 48-2-15, 48-7-60, and 48-7-61, whether it relates to the
donor or the foundation.

(c) Any nonprofit corporation created pursuant to this Code section shall make public and
provide an annual report showing the identity of all donors and the amount each person or
entity donated as well as all expenditures or other disposal of money or property donated,
except as otherwise provided in paragraph (2) of subsection (b.1) of this Code section.
Such report shall be provided to the Governor, the Lieutenant Governor, the Speaker of the
House of Representatives, and the chairpersons of the House Committee on Education and
the Senate Education and Youth Committee. Any such nonprofit corporation shall also
provide such persons with a copy of all corporate filings with the federal Internal Revenue
Service.”

SECTION 2.

Title 48 of the Official Code of Georgia Annotated, relating to revenue and taxation, is
amended by adding a new Code section to read as follows:
"48-7-29.21.  

(a) As used in this Code section, the term:  

(1) 'Qualified education donation' means a donation made by a taxpayer to the Public Education Innovation Fund Foundation for the purpose of awarding grants to public schools in this state pursuant to paragraph (2) of subsection (b.1) of Code Section 20-14-26.1.  

(2) 'Public Education Innovation Fund Foundation' or 'foundation' means the foundation established pursuant to subsection (b.1) of Code Section 20-14-26.1.  

(b) An individual taxpayer shall be allowed a credit against the tax imposed by this chapter for qualified education donations as follows:  

(1) In the case of a single individual or a head of household, the actual amount donated or $1,000.00 per tax year, whichever is less;  

(2) In the case of a married couple filing a joint return, the actual amount donated or $2,500.00 per tax year, whichever is less; or  

(3) Anything to the contrary contained in paragraph (1) or (2) of this subsection notwithstanding, in the case of an individual who is a member of a limited liability company duly formed under state law, a shareholder of a Subchapter 'S' corporation, or a partner in a partnership, the amount donated or $10,000.00 per tax year, whichever is less; provided, however, that tax credits pursuant to this paragraph shall only be allowed for the portion of the income on which such tax was actually paid by such member of the limited liability company, shareholder of a Subchapter 'S' corporation, or partner in a partnership.  

(c) A corporation or other entity shall be allowed a credit against the tax imposed by this chapter for qualified education donations in an amount not to exceed the actual amount donated or 75 percent of the corporation's income tax liability, whichever is less.  

(d)(1) The tax credit shall not be allowed if the taxpayer designates the taxpayer's qualified education donation for the direct benefit of any particular school or program which the taxpayer's child or children attend.  

(2) In soliciting donations, the foundation shall not represent that, in exchange for donating to the foundation, the school a taxpayer's child or children attend shall receive a grant pursuant to paragraph (2) of subsection (b.1) of Code Section 20-14-26.1.  

(e) In no event shall the total amount of the tax credit under this Code section for a taxable year exceed the taxpayer's income tax liability. Any unused tax credit shall be allowed the taxpayer against the succeeding five years' tax liability. No such credit shall be allowed the taxpayer against prior years' tax liability.  

(f)(1) In no event shall the aggregate amount of tax credits allowed under this Code section exceed $5 million per tax year.
(2) The commissioner shall allow the tax credits on a first come, first served basis.

(3) For the purposes of paragraph (1) of this subsection, the foundation shall notify a potential donor of the requirements of this Code section. Before making a donation to the foundation, the taxpayer shall electronically notify the department, in a manner specified by the department, of the total amount of donations that the taxpayer intends to make to the foundation. The commissioner shall preapprove or deny the requested amount within 30 days after receiving the request from the taxpayer and shall provide notice to the taxpayer and the foundation of such preapproval or denial which shall not require any signed release or notarized approval by the taxpayer. In order to receive a tax credit under this Code section, the taxpayer shall make the donation to the foundation within 60 days after receiving notice from the department that the requested amount was preapproved. If the taxpayer does not comply with this paragraph, the commissioner shall not include this preapproved donation amount when calculating the limit prescribed in paragraph (1) of this subsection. The department shall establish a web based donation approval process to implement this subsection.

(4) Preapproval of donations by the commissioner shall be based solely on the availability of tax credits subject to the aggregate total limit established under paragraph (1) of this subsection. The department shall maintain an ongoing, current list on its website of the amount of tax credits available under this Code section.

(g) In order for the taxpayer to claim a tax credit under this Code section, a confirmation of receipt of donation issued by the foundation shall be attached to the taxpayer's income tax return. However, in the event the taxpayer files an electronic return, such confirmation shall only be required to be electronically attached to the return if the Internal Revenue Service allows such attachments when the return is transmitted to the department. In the event the taxpayer files an electronic return and such confirmation is not attached because the Internal Revenue Service does not, at the time of such electronic filing, allow electronic attachments to the Georgia return, such confirmation shall be maintained by the taxpayer and made available upon request by the commissioner. The confirmation of receipt of donation shall contain the taxpayer's name, address, tax identification number, the amount of the donation, the date of the donation, and the amount of the credit.

(h) No credit shall be allowed under this Code section with respect to any amount deducted from taxable net income by the taxpayer as a charitable contribution to a bona fide charitable organization qualified under Section 501(c)(3) of the Internal Revenue Code.

(i) The commissioner shall be authorized to promulgate any rules and regulations necessary to implement and administer the tax provisions of this Code section."
SECTION 3.
(a) This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval and shall be applicable to all taxable years beginning on or after January 1, 2018.
(b) This Act shall be automatically repealed December 31, 2020.

SECTION 4.
All laws and parts of laws in conflict with this Act are repealed.
