Footnotes:

- The Local Distribution has been adjusted with an end-of-month accrual to reflect Sales Tax payment activity after the actual distribution 3 days before month-end.
- The Motor Vehicle Division began collecting Automobile Sales Tax in January of 2006. An adjustment is made each month to re-classify Auto Sales Tax collected from Motor Vehicle Fees into "Other Fees and Taxes" until the Sales Tax is subsequently deposited and reclassified as General Sales & Use Tax in the next month.
- "Other Fees & Taxes" includes taxes and fees that have been deposited in the bank, but for which the returns have not been processed. The undistributed amounts are then re-classified (as returns are processed) to the proper respective revenue account. "Other Fees" also includes Unclaimed Property collections.
- The FY 2012 amounts for both Alcoholic Beverage Taxes and Tobacco Taxes have been re-stated here for presentation purposes to reflect a tax recording error in which Malt Beverage Tax revenues were booked incorrectly as Tobacco Tax. Although a correcting entry was booked in February of 2012, the previous year's tax collection amounts for each tax category have been adjusted to reflect what tax collections would have been in September 2011 and YTD had the error not occurred.
